PRESIDENT'S REPORT

Season 2019/20 started and for the most part felt like any other season, but of course did not end that way due to COVID-19. Unfortunately, it curtailed what had been a successful season for the club and it was a shame that we couldn't conclude or celebrate in the way it deserved.

For our senior teams we had three of the four sides make the finals, and a excellent 2nd in the Club Championship. Congratulations to the 2nd Grade and all the players during the season who were eventually awarded the premiership. Unfortunately, we didn't make the finals in the 1st Grade and it has been a number of years since we have, but we are confident that a good side is developing with a mix of the now experienced and the emerging future.

I would like to recognise all of the players and coaching staff for all of their work and effort across a long season. I would especially like to acknowledge Ben Williams for the excellent job he did in his first year as Club Coach.

On the Junior front we did not have sides makes the finals, but some strong showings across the year. Our program is strong and well regarded. It is extremely well led by Tim Heal and Brendan Criddle, supported by Geoff Parkinson's experience and knowledge. We continue to innovate and try new things which holds us in good stead for the future. We also had state junior representatives in Lane Berry and Ryleigh Cameron (19s), Jake Egan (17s) and Mitchell Williams (15s)

Off the field, thank you to all the committee for their work and support during the season. It was good to welcome Liam O'Connor and Nick Volk onto the committee during the year as it has always been an important part of our club committee to have players involved.

For the first time in nearly 40 years we welcomed new patrons to the Club in Terry O'Neill and Denis McInerney, as well as Lisa Baker MLA and Mayor Dan Bull taking on the role of Vice Patrons. These people are strong supporters and allies and we appreciate their support.

I would like to thank all of our volunteers, coaches and supporters. There are lots of jobs that need to be done. As a club, and like a lot of clubs, we still have few people do a lot and we need to continue to grow our volunteer base and this will be a focus for us over the coming season again. We can never have too many volunteers, so if you can assist the club or know people who would like to be involved, please contact us.

Special mention to Deb Parkinson who retires from "roll making duties" after many years, as well as having been long time support for past President Geoff Parkinson.

Having good facilities is of paramount importance to the club. Our grounds have been prepared to a very high standard in recent years. Thank you to TJ and team who go over and beyond what they are contracted to do. We also continue to work closely with the City of Bayswater to ensure we have the best and sustainable facilities and we are grateful for this support.

A focus over the last 12 – 18 months has been the redevelopment of our nets as they are reaching their end of life. This is a $160k project and in great news we have been successful in obtaining grant funding from Cricket Australia, the City of Bayswater and now the State Government. Together with a $40k contribution from the Club this project will commence in March 2021.

We achieved our financial goals during the season, and thank you to Peter Marriott for your strong financial leadership and ensuring we spend in a practical but prudent way. We have a strong balance sheet, but must never take this for granted and still budget for surpluses each year to ensure our ongoing sustainability and ability to fund asset replacement in the future. This has never been more important than in the uncertain times we currently live when annual funding received via Cricket Australia and the WACA will certainly be reduced.

Of course a big part of this financial stability is the continued support of existing sponsors, as well as additions of RAH McDonalds Group, Ziggies Educational Supplies and Mustard Seed Podiatry. Thanks to John Moore for his ongoing work, and also to Tim Heal for helping to secure these new sponsors

There are lots more things I could talk about, but in the interests of space I will summarise. We had a strong season on and off the field. There are always things to work on, but lots to be excited and optimistic about.

I have said it in previous forums before, but I believe our vision should be to be the most successful and respected club in WA Premier Cricket. Visions are aspirational in nature, and to be honest that is some way off for us. But we continue to move in the right direction. And I think this season gone was another positive step towards this vision.

PRESIDENT
Daniel Howes

Thank you to our sponsors

Sponsors are the lifeblood of our club.

We are fortunate to have many loyal sponsors who have supported our club over many years, as well as new sponsors and advertisers who have come on board in recent seasons.

The broad range of businesses our sponsors operate are reflected in the advertisements in this Annual Report.

We ask all members, players and their families from both senior and junior ranks to support them where possible. Don't forget to mention your connection with the club when you make contact with them!

Our club always needs more sponsors and advertisers in our Annual Reports. If you can help or have any suggestions, please contact **John Moore** on **(08) 9376 1931**.

Thank you to our many volunteers

Volunteers are the foundation blocks of our club's success. Thank you to the many volunteers who selflessly offer their services, including our committee members, registrar, coaches, assistant coaches, team managers, scorers, bar staff, afternoon tea preparers and many other unsung heroes who quietly go about their business helping out when required.

Our club is heavily reliant on volunteers to donate their skills and time to ensure our players enjoy a professional, safe and enjoyable environment to develop their cricket. Without the assistance and support provided by volunteers, our club simply could not continue to operate.

We are always seeking volunteers to undertake important roles around the club such as:

- Joining our management committee
- Serving behind the bar
- Helping on match day - set up and pack up
- Assisting with general maintenance around the club
- Assisting with club administration
- Preparing and serving afternoon teas
- Maintaining social media and website content
- Coaching, team management and scoring
- Organising social events and fundraising
- Preparing match day lunch rolls
(Retiring Deb Parkinson has graciously done this for over a decade)

Our club always needs volunteers.
If you can help in any capacity,
please **contact Daniel Howes**
president@baysiebears.com.au

COACH'S REPORT

What a privilege and honour it is to be named as Head Coach of this amazing club! I would like to take this opportunity to publicly thank Daniel Howes and the entire Committee for showing faith in myself. And acknowledge the strong position that Justin Cantrill has left the club in.

Season 2019/2020 was a successful season. We had four of our younger players selected for underage state teams. Lane Berry, Ryleigh Cameron and Cody Hoffmeister all named in the WA Under 19s team and Jake Egan named in the under 17s state team. An excellent achievement by these boys.

Our teams also had a successful season, which culminated with the 2nd Grade winning the premiership. The team was dominant all season finishing some 19 points clear of second place.

We were fortunate enough to have our 2nd, 3rd and 4th grades all make finals, with our 1st Grade narrowly missing out on the finals by a game. The finals started brilliantly with all teams advancing to the second week, unfortunately this is when our season was halted as a result of the COVID-19 pandemic. The premierships were awarded to the teams that had finished the regular season on top of the ladder which meant extreme disappointment for our 3rd Grade side (finished 2nd) and our 4th Grade side (finished 3rd). Both of these teams have unfinished business as we head in to the 2020/2021 season.

The season was full of personal achievements and highlights.

Our 1st Grade side showed significant improvement and more importantly consistency across the season. Our batting unit came together with three players scoring over 400 runs for the season (Lane Berry, Mitchell Todd and Christian Smith). The addition of Christian Smith was significant for the club with Christian providing the season's most outstanding individual performance with a classy 157 against Scarborough. We look forward to many more hundreds from Christian in the seasons that follow.

Lane Berry showed he has all the tools to have a successful cricket career. His 99 against Mt Lawley was bitter sweet but I am certain that there are many triple figure scores ahead for Lane. Lane was also recognised for an excellent season winning the Lawrence Medal. A fantastic honour Lane! Ryleigh Cameron cemented his position at the top of our batting. His season aggregate of 398 showed that he has the talent and temperament to push for higher honours.

Congratulations to Ross Loiacono for playing his 100th 1st Grade game. An excellent achievement to the most respected player within our side. Well done Ross.

The 1st Grade bowling was again led by Liam O'Connor with 17 wickets. Liam is a class act and continues to provide our group with excellent leadership through his captaincy. Our bowling group had a disjointed year with injuries playing a role in our up and down season. I feel that we have the makings of a quality bowling group and believe that we will see a significant improvement in the coming season. I would also like to thank Jonty Wilde for stepping in to the leadership role when Liam left for BBL duties. Thanks Jonty.

Our 2nd Grade side was sensational all season. Winning a second premiership in three years is no easy feat. The side was expertly lead by Jarrad Daniells (and Grant Thistle) with some brilliant individual seasons. This was acknowledged with Callum Wiggers being awarded the JR Robbins Medal for the best 2nd Grade player within the competition. Well done Callum.

Travis Keys enjoyed an outstanding season amassing 552 runs which included 2 hundreds with his 133 against Perth the highlight. Travis was also honoured by winning the seasons runs aggregate for the 2nd Grade competition. Grant Thistle with another brilliantly consistent season was the winner of the competitions average, Well done Travis and Grant.

Evergreen skipper Jarrad Daniells took 40 wickets for the season, to lead all bowlers within the competition for both wickets taken and average. Jarrad it is a pleasure to have you play for Bayswater-Morley.

The 3rd Grade side had a successful season and was really well lead by first year captain, Daniel Del Prete. The side was unfortunate not to have the ability to play for a premiership as based on their personal performances through the year, they would have been right in the mix to bring home another premiership flag. Personal performances within the group were rightly acknowledged by the WACA with Andrew Brigden-Guthrie and Ghaneey Patel joint winners of the Albert Richings medal for the best players within the 3rd Grade competition. When looking at each players seasons it is no surprise to see why they were awarded the medal. Andrew had simply a phenomenal season with 772 runs at 70 and Ghaneey 382 runs at 47 and 18 wickets at 12 showed his all-round qualities.

Lachie Dique showed that he has the skillset to push up the grades with a very strong season leading the attack. A big preseason awaits.

The 4th Grade was very similar to the 3rd grade with first year captain Mal Wilde doing an excellent job in guiding an ever changing line-up to what looked like premiership success. Although after round 1 Mal must have been having second thoughts with the side bowled out for 47! The team would only lose two more games for the season, which was an amazing performance by everyone involved but especially Mal. His ability to remain positive and teach the younger players was first class. He also had a wonderful personal season taking 30 wickets to lead the side with the ball.

Nicholas Merrin was excellent with the bat in what was a break out season. Nick scored 448 runs at 56. Brilliant Nick.

My first year coaching was made so much easier with the brilliant support that I received from Gary Ireland and Bruce Reid. Both guys provided not only excellent technical advice but a calming influence when things didn't quite go as planned. To have two club legends put their hands up to assist the continued development of our playing group says so much about the culture at Bayswater-Morley. To Chook and GI a big thank you!

I was also blessed to have the continued support and help from Craig Hampson and Yakka Loiacono. These two guys give all of themselves every year! They always are the first to put up their hands when a job is needed and never ever complain. If players are ever looking for role models then they shouldn't look any further than these two legends!

Finally, the club is built for success now. Last year's performances by the three lower grades show the depth and quality that the club possesses. To the guys playing in the ones, your time is now! Believe that you have all of the skills to make a real mark on the competition. I believe that your best is good enough and our aim for the upcoming season is four premierships.

Bring on 2020/21.

HEAD COACH
Ben Williams

1st GRADE REPORT

As 1st Grade captain I always feel privileged to lead what is a fine bunch of men and provide a write up about our season just gone. Structurally in the 2019/20 pre-season the club encountered significant change, headed with the appointment of former player Ben Williams who took over as senior club coach from Justin Cantrill. Justin was widely respected amongst the players and should be commended on his outstanding contribution as Club Coach over a number of years that saw premierships won, players develop significantly and more importantly a tight knit club culture form. Ben should also be commended as he stepped in seamlessly and brought with him a focus around high standards, professionalism and hard-work ethic that saw many players from all Grades progress significantly. Ben's passion and backing of the club's players were major highlight's and he will only benefit greatly from his first year in charge. It should also be noted that in my absence Jonty Wilde captained the team exceptionally and remains one of the most respected players at our club.

Our 1st Grade side, although finishing 9th, were only one successful result away from a finals appearance. After finishing 12th, the previous 18/19 season with 4 wins, the team showed great improvement finishing with 6 wins to our name and in an improved ladder position. We played some brilliant cricket, highlighted with some great individual efforts, however upon reflection we certainly missed key opportunities that ultimately proved the difference in finishing higher on the ladder and making finals.

We certainly had some outstanding individual efforts with both bat and ball throughout the season that deserve recognition. New recruit Christian Smith hit a mammoth 157 runs with the bat in his first year at the club after making the move from Wanneroo DCC. Christian proved a huge asset to have on the field as a keeper/batsman and off the field as a great clubman. The evergreen Ross Loiacono also successfully delivered a cricket masterclass in the second half of the year, piling on both runs and wickets, highlighted by a match winning 5/31 against Mt Lawley DCC. Ross went on to take 17 wickets at 21.53 with the ball and hit 347 runs at 24.79 with the bat, highlighting his all-round talents and a great year.

Eventual Lawrence medal winner Lane Berry showcased his batting talent during the season as he went on to hit 431 runs at 39.18, including a career high (and heartbreaking) 99 against Mt Lawley. Lane continues to develop as a key batter for our club and deservedly earnt himself a spot in a strong u19's West Australian representative team in the process. It is definitely a positive to see our younger group of players such as Lane Berry, Ryleigh Cameron, and Jake Egan continue to impress and cement spots in the 1st Grade side and provide the club with plenty to like about the future.

The wickets were shared amongst our group of bowlers this year with the team having 6 bowlers all take above 10 wickets which is a positive sign for the bowling depth and flexibility we have. The club had also secured the services of overseas pro Henry Brookes from Warwickshire who contributed 14 wickets at 26.86 and managed to hit a few handy runs throughout his time in Perth. Bowlers Callum O'Connor and Callum Wiggers both earnt debuts throughout the year off the back of some impressive 2nd Grade performances. Both players are fantastic cricket stories and through hard work have progressed from Perth's local hard wicket competition to playing 1st Grade Premier Cricket for our club.

The 1st Grade side continues to progress really well with finals definitely in the sights for 2020/21 if we continue to see the natural improvement shown over the past few years. I think we have the perfect combination of youth and experience to lead us to success going forward. On behalf of the players I thank the supporters for standing by us and giving up Saturdays to show their support.

I want to finally thank Bev Todd for scoring once again, Yakka for running the nets, Bruce Reid and Mick Thistle for helping progress our bowlers, Gary Ireland for his work with our batters, and Daniel Howes and the committee for their continued efforts to improve the club and allow the players to stick to what they do best which is playing.

Go Bears!

2nd GRADE REPORT

I would like to start by thanking Daniel Howes, the committee and everyone who volunteered their time this season. This great club continues to grow and has a very exciting future. On behalf of all the players, we thank you for all the work you do.

To Ben and the other coaches, thank you for all your hard work and commitment. Ben, having played with you and now learning under you has been great. You have made a smooth transition and we are certainly heading in the right direction. You have always conducted yourself in a calm and professional manner, even when times were challenging. You continually look to find a competitive edge to help drive us up the club championship table. Personally I have felt nothing but valued and supported from you over the past couple of years and look forward to working with you for years to come. You are a great friend and someone I am grateful for meeting through this great club. I can't thank you enough for all the support you continually show me. On behalf of the players I thank you for everything you have done.

This season we were clearly the best side for the whole year and thoroughly deserved to be crowned the premiers. We played some great cricket this season and had some outstanding performances both as a team and individually. We sat at the top of the table for most of the year and therefore were more than comfortable accepting the premiership due to COVID bringing our season to a premature end.

I would also like to thank Hammo for everything he has done for us players at training and on game days. He continues to go out of his way for the boys and we certainly can't thank him enough. Thanks to Rowdy and Eamon for scoring again this year and we hope you are back at the club again next season. I know the boys really do appreciate what you do for us and I certainly am appreciative of you submitting the scores on time and reminding me to do my captain's report.

We had some great performances for the year and most of the wins were due to having multiple contributors. We had a number of young players feature in the 2nd Grade this season and they continually to show they are up to the level. Travis Keys, Josh Fontana, Jake Egan, Jeff Willey, Callum O'Connor, Cody Hoffmeister, Cam Todd and Matty Dower played some great consistent cricket and will be the guys who drive the club forward in the future. A number of our players featured in the 1st Grade side at stages in the season and I hope they continue to strive to be a permanent fixture in years to come.

We showed great consistency throughout the year and this was highlighted by our players featuring in the competition awards. Callum Wiggers took out the best player in the 2nd Grade competition winning the JP Robbins Medal. We also had three players take out the 2nd Grade competition awards for the season. Travis Keys won the batting aggregate with 552 runs @ 34.50 including 3 centuries. Grant Thistle won the batting average with 476 runs @ 59.50 with a top score of 120*. I won the bowling aggregate & average with 40 wickets @ 12.15 with a best of 6/25. It was a pleasure to captain the side again this year and I am not short of older, wiser heads doing the job with me. Aaron Todd, Robby Guy, Callum Wiggers and of course my co-captain Grant Thistle. You guys have been amazing friends and I thank you for everything you do.

As captain of the 2nd Grade side, I get to see a number of young guys come through the ranks. The team has a number of changes throughout the year and I know the club is heading in the right direction with the quality of people and players we have. I look forward to another season and continuing to grow as a club in pursuit of more premierships.

3rd GRADE REPORT

Firstly, I would like to congratulate Jarrad Daniels and 2nd Grade team on winning the premiership. It was much deserved and good to see that their excellent year on the field was rewarded.

I would like to thank Ben Williams and the club for giving me the opportunity to captain the 3rd Grade side. It was an enjoyable first season as the great group of blokes made it easy. The boys were outstanding all year long, their attitudes and work ethic were rewarded through the year with plenty of wins and personal success. Their hard work and ability to win difficult games had them undefeated after the Christmas break.

We finished the season second on the ladder. If we were given the opportunity during the finals, I have no doubt that the boys could have gone one better this season. I have no doubt that this will drive the boys to take care of unfinished business next season.

There were many great highlights including plenty of games that we managed to win and some we probably should have lost. The highlight of the season for me was the game against Willetton at 8 for 170 chasing 197, Lachie Dique and Christian Lee 9th wicket partnership to win the game. That game demonstrated how far both players have come this season with their maturity.

Our season strength was our batting, this was led by one of sides veterans in Andrew Brigden-Guthrie. Andrew showed real leadership with the bat this season by scoring 772 @70.18 with a match high 143 not out against Scarborough which he carried his bat. Andrew's dedication to the game was much improved this season and he was rewarded with plenty of runs, and also some 2nd Grade games. Congratulations Andrew on a fantastic season.

Andrew had some great support with the bat with another five players all getting over 250+ runs for the season. Kev Carlson had a big season and will no doubt build on this for next season. Connor Dimech is a very talented batsmen and Ghaney Patel had a great all-round season with bat and bowl. Adam (Al) Green came into the side for a few rounds and showed potential, another who can build on for next season.

The bowling was lead Lachie Dique with 27 wickets @13.93, after Christmas he took the role of leading the attack. To his credit he showed maturity and at times showed he can think about the game. He also changed moments in big games, against Fremantle when he took a hat trick. His best performance was the first final where he ripped Wanneroo 's top order and sealed the win for us. Lachie finished that game with figures of 5 for 18. Congratulations on great season Lachie.

Lachie was well supported by Ghaney Patel with 18 wickets and Nick Volk with 19 wickets. Christian Lee, Kev Carlson and Thomas Hunt also took double wickets for the season. They all were a massive part of the season and stood up when the side needed it.

I would like to thank Ben for his support and guidance. Also, thank you to Tim Brooks for his help with the side and player selections. It was much appreciated and you did a great job. To Dave Lewis, Dave was great through the season with the mental aspect of the game and giving his knowledge about leading the side, thanks Dave.

Special mention to Dave Dique for scoring most weeks, which was much appreciated by myself and the side. Many thanks to Paul Guthrie running the drinks out to the boys most weeks and for taking care of updates or any changes to the score book. This was much appreciated, thanks Paul.

For the few supporters and spectators we would have on top of the hill at home games this season, it was much appreciated. Even at away games we would have more support than our opposition.

Lastly, I would just like to thank the committee and volunteers of the club for all their efforts throughout the season. I have no doubt with the depth at the club next season will feature the bears in the finals again.

4th GRADE REPORT

Firstly, I would like to thank everyone at the club for welcoming me back after being away for a few years. Being back at Baysie this year, seeing old faces and plenty of new ones has been great. Thanks to everyone behind the scenes who does so much work to let us all play and TJ for getting wickets up for us all even when the weather isn't great.

I also want to thank Ben and the club for giving me the opportunity to captain this season. It has been a very enjoyable and as well as a learning experience to say the least.

A huge thank you from myself and all the boys who played 4th Grade this year goes to the legend, Craig Hampson. Hammo is at every training session, warms up the 2's on Saturday's, warms up the 4's as well as scoring for the 4th Grade all day. He has been great for me to bounce ideas off and is always giving great advice. Cheers for the great season Hammo!

The 4th Grade side ended up having a very good year, but it didn't start well at all. Our first game against Joondalup they made 219 and we were rolled for just 47. I thought we were in for a long season but from there we started to work as a team, even with plenty of guys coming in and out of our side throughout the season.

We ended up 3rd on the ladder after an 8-game winning streak, including our first final against Perth. We won that game convincingly making 254, and then bowling Perth out for just 83. It was a strong performance which set us up for the remainder of the Finals, but of course that wasn't to be with the season being cut short.

Our bowling was very even through the season with all the guys chipping in and taking wickets at different stages. Some of the highlights were Matt Sadler taking his first "5fa" in senior cricket with 5/21 against Gosnells which was great to see. Also Peter Baker took 5/11 to destroy Claremont and Reece Abrams took 5/32 (the last 5 wickets) against Perth to help win us the game.

Our batting was also very even with guys chipping in throughout the season. In total we had players making 50 plus scores on 24 occasions. Nick Merrin had a great season with us and had 6 scores of over 50 including a top score of 94. His batting was the glue that held our side together and always gave a chance of a big score.

Unfortunately, COVID ended our season early when we were into the semi-finals with some great momentum as mentioned earlier.

All in all, it was a great season in the end and hopefully everyone will be back next year to finish the job. Cheers to all the boys I played with and I look forward to the new season in 2020/21.

YEAR IN REVIEW

BY BRENDAN CRIDDLE U15/U17 CRICKET CO-ORDINATOR

UNDER 17s

Head Coach *Wim Van Houwelingen*
Technical Coach *Ian Lilly*

BMDCC always looks to invest a lot into preseason, which most players like to take up. This year was no exception. With sessions conducted at both Revolutions Sports in Shenton Park and Ballajura Indoor Sports center. We certainly understand that early on there will be players who play winter sports as well as want to start their cricket season as soon as possible.

The Under 17s this year won 8 games with 5 losess and 2 abandoned due to wet weather - 19/20 should be seen as a year of missed opportunity.

A very good U17s side that perhaps through some wet weather as well losing games that were very winnable, missed out on playing finals by the slimmest of margins. Finishing equal 6th on 117 points but relegated to finish 8th. Playing finals was very much in their hands with 3 games to go, a narrow loss to Mt Lawley by 4 runs (chasing 157) with Dylan Fry and Alex Hardiman putting on 53 for the last wicket before Alex was out for 25. We were well out of this game at 9/100 but both Alex and Dylan did as they were asked and put value on their wicket and almost pulled off a fantastic win.

The second last game (Rd 14) against Subiaco Floreat was washed out and Bayswater won easily against Claremont Nedlands in the final Round.

If we dig a little deeper BMDCC U17s only bowled out sides on three occassions this year across all formats and won 2 out of those 3 games. BMDCC was bowled out on two occasions and lost both of those games. There was an even spread of wicket takers throughout the year, with Jayden Cappeau taking 16 wickets @ 12.19 (7 x 2 wicket innings). Dylan Fry had the best returns for a match with 4/34 off 8 overs against Wanneroo and 8 for the year @ 15.63. The fact that there were no 5-wicket innings for the year is quite telling -especially if you want to play in and win finals.

The batting was good in patches but lacked consistency during the year. In six of the games -across all formats, when we achieved a start in our batting innings of 1 for 30 (or better) the U17 won 5 out of the 6 games:

Wanneroo 1/120 (Elijah Ward Armstrong 77, Will Baxter 80 and Gus McKeon 46) - win
Centurions 1/88 (Elijah Ward Armstrong 50, Mitch Phelps 53, and Kieran Abrams 57) - win
Gosnells' 1/30 (Kieran Abrams 105 and Will Baxter 51) - win

With 7x 50's scored this year; the opportunities were there to convert to big 100's. Just the 1 x100 scored is slightly disappointing after players put themselves in good positions to convert. Well Done to Kieran Abrams who scored 105 in the game against Gosnell's.

Also well done to the following leading run scorers for 2019/2020:

Elijah Ward Armstrong 388 @ 35.27
Kieran Abrams 301 @ 30.10
William Baxter 299 @ 33.22

Congratulations to both Jake Egan and Elijah Ward Armstrong for making the U17 State Development Squads. Jake also for State selection to attend National Titles Also, to Will Baxter (80 runs) for being WACA Player of the Week against Wanneroo.

I would like to say thank you and good luck on behalf of the club, the coaches and myself to all the second year 17s who now go to play senior cricket after finishing their junior careers:

Jacob Egan
Kieran Abrams
Jacob Wetherley
Brendan Agnew
Jayden Cappeau
Mathew Sadler
Dylan Fry

Finally, to the two coaches of the 17s. We are extremely lucky to have two gentlemen such as Ian and Wim (The Odd Couple) who go above and beyond. Both fit hand in glove and complement one another perfectly… Thank you from the club and me.

UNDER 15s

Head Coach *Matt Pope*
Assistant Coach *Brendan Criddle*

I firstly want to thank Matt Pope for coming onboard at short notice to coach the U15s, I'm also appreciative of his family allowing us to steal him this season -Thank you Leigh and Mackenzie.

5 wins, 8 loses, 1 draw and 1 abandoned match - 11th

Our first game against Joondalup ended up a loss but far more concerning the U15s captain Jacob Wilkie bowled just 2 overs and left the field ,later to be diagnosed with a back stress fracture which put him out for the entirety of the season. To his credit he stayed around the group, both at training and at games-barely missing either for the season. An absolute credit to himself and his family for staying involved, not once did he whine or complain. Jacob, you have my upmost respect.

With the injury to Jacob, Jack Criddle was asked to step up from being vice captain to captain and to his credit did an awesome job 14 wickets @28.93 and 118 runs @11.80 with a couple of important knocks against Scarborough and Perth. Mitchell Pope, Mitchell Williams and Lachlan Hampson played important roles in the team, helping Jack in Jacobs absence. I know Jack is grateful to you all.

The season itself was relatively pleasing with the team gelling and after having their first win against Perth mid-season. We probably should have finished the year with 4 wins on the trot, if not for a rain affected game against Subiaco Floreat being abandoned, we were in a good position after the first day with SF 7/104.

There were several good performances during the year with both Mitchell Williams and Mitchell Pope being rewarded with State Trials - Mitchell Williams was selected to represent WA at National Titles. Congratulations to both players, well deserved after your great year.

BATTING

Mitchell Williams	533 runs @ 41 5x50's including 104 v Willeton in a T20 - outstanding
Mitchell Pope	210 runs @19.09
	1x50 -72 v Wanneroo
Lachlan Hampson	165 runs @18.33
Ben Palmero	145 runs @14.50

BOWLING

Mitchell Pope	21 wickets @13.81 including 6/32 (Hattrick) v Centurions and 5/19 v Melville
Mitchell Williams	13 wicket @18.15 including a hat trick v Mount Lawley

On finishing, I would like to take this opportunity to thank Tim Heal (my partner in crime - thanks mate)

And to my wife, Sonya, and daughter Ava, whom I certainly cannot do this without your love and support.

I would also like to take the opportunity to pay my respects and give gratitude to my Mum, Val Criddle, who passed away on 4 January, 2020.

KEVREK U17S / U15S DEVELOPMENT SQUAD

During the six weeks prior to Christmas, BMDCC conducted Kevrek development squad training sessions. Kevrek is a major sponsor and play a major part in developing the players of the future.

BMDCC is always looking to develop the next generation of players and Kevrek plays a major part in their development - both batsmen and bowlers.

The bowling squad was coached this year by Bruce Reid and the batting squad was looked after by Aaron and Mitchell Todd.

Members of the squad included:

Mitchell Williams	State selection 533 runs @ 41	Top score 104
Mitchell Pope	State trials 210 runs @19.09	Top score 72
William Baxter	299 runs @ 33.22	
Jack Criddle		
Matt Sadler		

We would like to thank Kevrek for their continued support.

SOUTH WEST GAME

On the 22 December 2019, BMDCC conducted four games of junior cricket against the South West Cricket Association. The support of Andrew Lincoln from the SWCA was also instrumental in setting these games up.

The games are endorsed by the WACA both Job van Bunge and Brian Shields fully support the continued relationship we have built over the last couple of years.

We hosted all four South West teams (13s,14s 15s and 17s).

We conducted two games at Hillcrest (17s and 15s) we also had Nick Merrin and Lachie Dique play for the 17s. One game was played at Morley Bayswater - RA Cooke Reserve (14s) and another game at Waltham Reserve (13s).

We look forward to the return fixture in Bunbury next year and for many more years to come.

UNDER 17s REPORT

Our season was one which just did not have all the cards fall into place, with the weather gods certainly playing a part. Injuries to players at key moments during the season, also halted our momentum. The team showed on several occasions how capable they were with some excellent wins. Finishing 9th on the ladder with 7 wins, 5 losses and 2 draws was a good indication of our season.

I feel our inability to show a consistent effort over the season was a main factor in not making finals along with our failure to bowl sides out. On the positive side, our batting was first class with our best performance of the season in round 2, against Wanneroo with a massive 279 runs.

Missing out on finals by .54 highlighted how important it is to squeeze out every point possible in each match. To highlight this, an extra 54 runs over the season or 3 extra wickets was the difference between finals.

Notable performances by players over the season

Will Baxter round 2 - 80, round 4 - 89 and round 5 – 51. Will had an exceptionally good season as our opening batsman finishing 3rd with 299 runs @ 33.2.

Kieran Abrams was our only century maker for the season, with 105 in round 5, and also 57 in round 12. Kieran was runner up in the batting this season, with 301 runs @ 30.10.

Mitchell Phelps also achieved a half century in round 12 with 53no.

Our best bowling performance was from Dylan Fry in round 2 taking 4/34 (8).

Other notable performances with the ball were:

Kieran Abrams Round 2 – 3/18 from 5 (with 4 maidens)
Elijah Ward Armstrong Round 3 - 3/14 from 12
Alex Baxter Round 6 – 3/26 from 8

The Batting Award

Elijah Ward-Armstrong with 388 runs @ 35.27 avg. Elijah took on the responsibility to open the batting this season with very good success, his attacking style of batting was a compliment to his opening partner Will Baxter. Elijah's selfless attitude would most definitely have cost him runs but his club, team, self approach is a credit to his character.

Some highlights over the season included: round 1 vs Joondalup 48, round 2 vs Willetton 77, round 11 v South Perth 48no, round 12 v Centurions 50.

The Bowling Award

Jayden Cappeau with 16 wickets @ an average of 12.19. Jayden continued his consistent form with the ball once again. Although no large wicket halls, Jayden was able to produce wickets whenever he was given the opportunity to bowl. Jayden has been the leading wicket taker for his age group since the 2016/17 season taking 18wkts 14's, 2017/18 27wkts 15's, 2018/19 16wkts 17's. A credit to his work ethic and attitude and his ability to produce consistent effort over a long period.

The Coaches Award

Brendan Agnew, whose qualities regarding work ethic, attitude and a team player were all evident over the season and of the highest standard,qualities BMDCC hold very high.

Brendan was a member of our leadership group and proved he has the qualities to pursue a captaincy roll in senior cricket, he also took on the responsibility to organize and run all our match day warm up over the season. Brendan proved he is very capable of several rolls, as a batsman from opening, to the middle order, finishing the season 4th leading run scorer with 211 runs. His ability to read the game situation when batting was for me a great asset and showed a quality all coaches ask for in a player good game awareness. Brendan also had an incredibly good season behind the stumps as our first wicketkeeper.

We also had a number of players who not only put in 100% playing under 17's for BMDCC, however were chosen to play senior cricket for the club, congratulations to those boys listed:

Elijah Ward-Armstrong	Gus McKeon
Kieran Abrams	Mitchell Phelps
Matthew Sadler	Jayden Cappeau
Will Baxter	Brendan Agnew
Alex Hardiman	Dylan Fry

I would like to wish all our final year junior players all the absolute best, in whatever pathway their sports, study, and careers may take:

Kieran Abrams	Brendan Agnew
Jayden Cappeau	Dylan Fry
Matthew Sadler	Jacob Wetherley

To all our players coming back, we wish you all the best for the upcoming season.

I would like to thank Ian Lilly for his help over the season along with Leah Agnew who both made the season run smooth on and off the field.

UNDER 15s REPORT

With a unexpected offer from Bayswater Morley for taking over the position of coach, I think my answer was always going to be 'yes' but there was some hesitation. After five seasons of community level it was a way of testing my coaching credentials at a higher level and indeed I was tested through the season with all aspects of coaching at a representative level.

With a list presented to me, we lost two players who chose not to take up their spot prior to the commencement of the season. We also missed Harry Micallef until early December due to end of season football commitments and post season injuries. We suffered a big loss with our elected captain, Jacob Willkie, going down with a season ending back injury after Round 1.

With the loss of Jacob, our leadership group had to step up in roles with Jack Criddle assuming the role as captain and our deputy vice captains Mitchell Williams, Mitchell Pope and Lachlan Hampson all stepping up to vice captain roles.

This allowed our 4 train on players to push for early selection which by Round 4, three of them at some stage were in our playing 12. Our 4th train on played early in the new year. The term train on was dismissed pretty early with our squad numbers suffering, these guys were classed as full squad members.

Our initial squad was also boosted by some boys who had decided to leave their previous WACA clubs with 3 boys from Midland Guildford and one from Subiaco Floreat. These boys all got opportunism at Bayswater and all performed well at stages throughout the season.

We were competitive and were in winning positions in the first 5 rounds & then had our 1st win against Perth in Round 6. This was a convincing win. We had 1 more win prior to the Christmas break which was a 20/20 win against Centurions.

In the 2nd part part of the season we had some disappointing results early January in more 20/20 games with 2 comprehensive losses and a game against Willetton where we had posted 3-139 only to have it chased down in a disappointing loss.

From here on we played a great month of cricket against Centurions and Mount Lawley. We posted a draw in a rain affected game against Subiaco Floreat where we were in a winning position after Day 1. We finished the season with another win in a 20/20 fixture against Claremont Nedlands.

We finished in 11 position with 5 wins, 2 ties and in my opinion a really good season. Some earlier wins may have meant a higher finish on the ladder, but all in all the club, team and boys should be very proud of the result I know I am.

There were some outstanding individual performances throughout the season, Mitchell Williams with 5 x 50s, a top score of 104 and hattrick with the ball. Other contributions were from Mitchell Pope with 2 x 5 wicket hauls including a hattrick and 1 x 50 with the bat. Win MacLauchlan also posted a 50 with the bat.

Our squad grew in confidence as the season went on and I would like to think several Bayswater Morley grade cricketers will be seen in the future.

I would like to thank Brendan Criddle for his support throughout the season allowing me to grow in the position. Our leadership group needs special praise as all were called on throughout the season to show their leadership credentials. I would like to show special praise for our captain Jacob Willkie who as mentioned went down really early in the season but from then on showed outstanding support to me and his teammates at a training/ game level. With Jacob going down Jack Criddle was thrust in to the position of Captain and with him combining as our frontline spinner showed maturity throughout the season growing in this role, so well done Jack.

All in all, a season I would hope a lot more positives than negatives.

UNDER 14s REPORT

Fortunately for the U14s, we were able to complete all fixtures before the COVID pandemic impacted the final stages of the cricket season.

Not to say that we didn't have to deal with our fair share. Unfortunately our fast bowling cartel of Hayes, Cutler, Van Noord and Kilpatrick-Taylor all missed games during the season due to injuries. As fast bowlers, this is a common occurrence and as coaches/players we all have to deal with these situations and hopefully you now have a better understanding that you will need to improve your strength, condition and technical aspects of your bowling action.

With this said and done, it did create opportunities for Riley Sims and Aiden (Johno) Bennett, to shine and make a strong contribution to the fast bowling group. We certainly will have plenty of depth when all the boys are fully fit. Our two spin bowlers, both had fantastic seasons and proved to be our strike options. Zach took 21 wickets @ 14.95 (winning the bowling trophy for the entire U14s competition) and Angus 14 @ 15.64. Not only were they our leading wicket takers but they also contained the opposition batsman, well bowled boys.

Our batsman were lead by Ishmael Pannu, he is a technically strong player who scored 267 runs @ 29.67. Ishmeet had 4 scores over 35 out of 9 innings, his highest score being 85 v MGCC. This was a highlight as Druv Dhawan and Ishmeet had an impressive partnership of 133 (Druv 52). Angus Bloxham also had a equally impressive innings in our final fixture against SCC. Angus just fell short of his first century for the club and the second time in two years he has made 95 in district cricket. He certainly illustrated his all round cricketing abilities. Adam Pinelli didn't score the number of runs as he did the previous season, but Adam did get a start in every game (double digit scores every game). Adam needs to re-focus his innings and make the opposition pay once he has a start.

It would be remiss of me if I did not mention the partnership in round one against Mt Lawley CC, William Cutler and Max Van Noord came together at 8/88. They managed to bat with intelligence and skill and put together a unbroken ninth wicket stand of 64, ensuring we posted a competitive score of 152 off our 50 overs. These partnerships are crucial to ensure we stay in the game, but also they boost team morale and a never die attitude.

Other batsman to have highlights during the season were Sean Hayes 32 off 41 balls (SFCC), Billy Heal 32 off 126 balls (SFCC) and Zach Howes 33 off 66 balls (JCC).

Regarding our fielding, this is aspect of the game that all players need to continue to improve, as I have said a number of times fielding is what we do the most in cricket, so may as well be good at it. Wicket keepers Adam Pinelli and Billy Heal did a very good job, wicket keeping is a tough skill and can be a lonely task. Both the boys are improving their skills.

To our families can I thank you very much, your enthusiasm and care for all the boys is second to none. I am really proud to be involved in a such a wonderful parent group. Special thanks to Kym Howes, you are truly wonderful lady, our team, club and cricket community is so lucky to have you involved. Not to mention how lucky Daniel is.

To my family Adele, Elly and Billy thank you for supporting me, I love you all very much. I am sure there will be many more seasons at Hillcrest in the decades to come. It's never easy coaching your son, you just hope you have treated him fairly. Don't know if I have can be sure of that.

To BMDCC, particularly Daniel Howes and Geoff Parkinson. Thank you for trusting me with the boys over the last two seasons. Don't know if you really had a choice.

Brendan Criddle thank you, for your support and willingness to make a difference. We are on the same page and your commitment to the junior cricket programme is second to none. Lachie Dique was our assistant coach for the season, the boys really responded to him well and was a great asset, thanks mate.

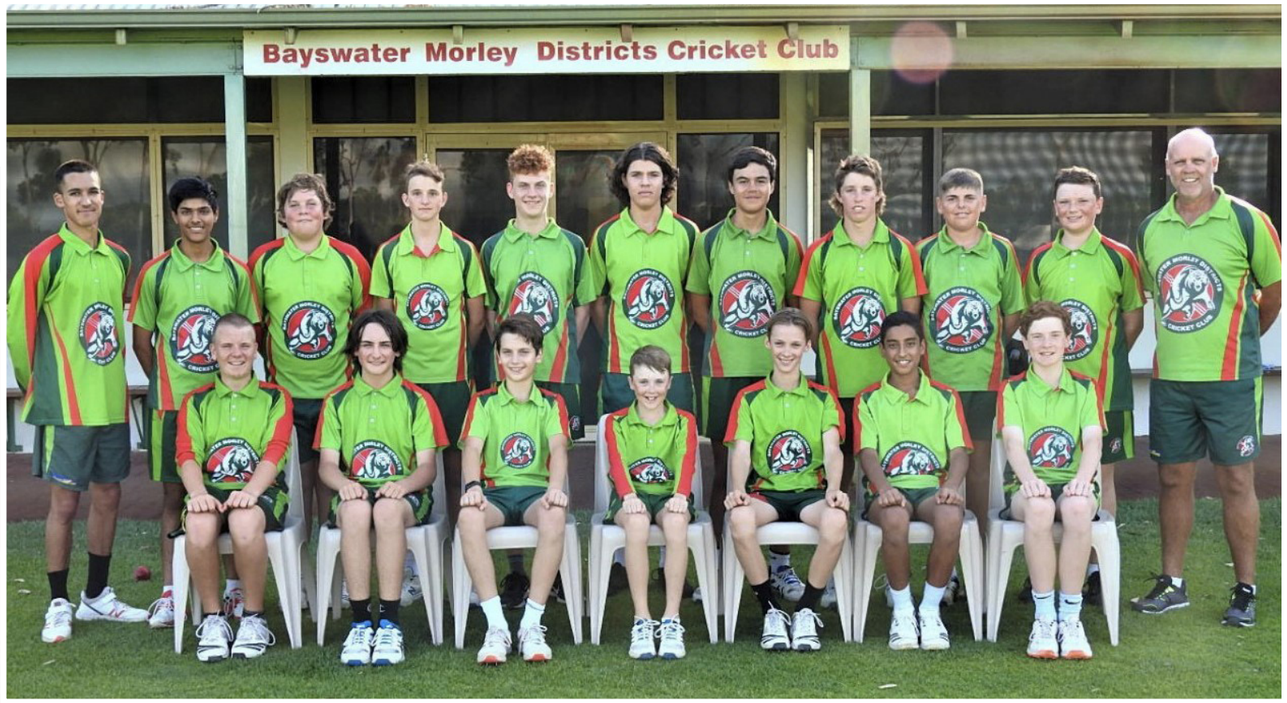

To the boys I have loved coaching you all over the past two seasons, I hope you have learned a few things and enjoyed your cricket. I can certainly see the improvements you have made. But most importantly I have observed your caring, respectful and compassionate attributes that you have for each other and we all look forward to your development as cricketers but more importantly your development as young men. You are all credit to your families.

To our trophy winners, Ishmeet Pannu – Batting, Zach Howes – Bowling and Connor McEwan – Coaches award, congratulations. To the boys not continuing on at BMDCC next season, I wish you good luck and hope you continue to play cricket at some level in the seasons to come.

UNDER 13s REPORT

A season of what could have been and missed opportunities. Prior to the commencement of the season, I stated to our players that I believed that they were as good if not better than any team that we were going to play. At the conclusion of the season my opinion had not changed and if anything I was even more adamant.

By the end of the season we had played 9 official games. We won 5 of these and we lost 4 – we finished 3rd at the end of the qualifying games. Of the 4 games that we lost I truly believe that we should have won at least 3 of them and it was only a lack of game awareness that beat us.

We started our season by travelling to Breckler Park and having a satisfying win over Mt Lawley. The highlights of this game were Matt Martin's (2/9 off 4) & Lucas Hancock's (2/28 off 7) bowling, Evan Alderslade's two stumpings and strong batting performances by Oliver Brandes De Roos (45 off 51) & Matt Jenkins (37 off 35).

Game 2 saw us have a good convincing win over Wanneroo at Hillcrest. The outstanding performances were by Hudson Foote scoring his first half century (54) and Oliver Brandes De Roos (48 off 52), an opening partnership between Hudson & Lucas Hancock of 66 and a 2nd wicket partnership between Hudson & Oliver of 67. Matt Jenkins also scored a quick 27 off 13. Our bowlers were led by Raees Hassan (1/7 off 4) and Bruce Yates (1/10 off 8).

2 from 2 and we were sitting pretty until we met Subi-Floreat at Floreat Oval. Subi-Floreat batted 1st and from the very first ball never really looked like they were going to be beaten. One of the few highlights was Ines McKeon's throw from the boundary to run out their opening bat on 99 – thank goodness it was a direct hit making it an easy decision to give out!! Unfortunately none of our bowlers bowled consistently and their figures indicated that. Our only highlight with the bat was another 46 from Oliver Brandes De Roos.

Round 4 dealt us a narrow loss to Scarborough, one that we should have won as we dictated the game from the very start. An early run out by Jack Zagar set the tone for the day that saw us effect 5 run outs for the day – an awesome fielding performance which was indicative of how the team fielded all season. Jack also led the bowling with 1/11 off 5, with Rhys DeCelis bowling a tight 5 for 1/13. Unfortunately with our batting we weren't able to put any partnerships together and only Rhys (29 off 55) showed any resistance.

After being subjected to a dressing down in the rooms after the Scarborough game and being renewed after the Christmas break we were back on the winners list. Centurions met us at Hillcrest and we walked away with a close win.Another 3 run outs and a stumping by Oliver Brandes De Roos, along with strong bowling by Ines McKeon (2/17 off 5) and Jack Zagar (2/17 off 7) set us up well. Batting we struggled again to put partnerships together and it was only Jack's 43 and a quick 20 (off 10) by Raees Hassan at the very end of the innings that saved us.

5 games down with 3 wins, we needed to win our final two games to be assured of a top 2-3 placing, which we managed to get done!!

Firstly we took care of Midland-Guildford narrowly. After having them 3/9 we let them off the hook and had to chase down a total higher than we should have been.Raees Hassan bowled with good pace (1/19 – a brilliant catch by Oliver Brandes De Roos behind the stumps) and was very well supported by Jack Zagar (3/5 off 5). Jack also shone with the bat making 77 and pretty much won the game for us – a Man of the Match performance!!

We completed the qualifying games by comfortably beating Joondalup at home. 46 by Jack Zagar and an opening partnership of 92 with Hudson Foote got us off to a good start, which unfortunately wasn't capitalised on apart from a quick and valuable 14 by Oliver Smith at the very end of our innings We bowled and fielded well with Josh Bumstead (2/17) and Rhys DeCelis (3/24) leading from the front.

We finished 3rd by less than a point behind Scarborough!! Going into the semi-final v South Perth we were very confident but a late forced change took the confidence from us.

We started well with an opening partnership between Jack Zagar and Hudson Foote but slumped after that, again a lack of partnerships let us down. Our fielding was led by Oliver Smith (2 catches and a run out) and Evan Alderslade (2 stumpings), with good bowling from Bruce Yates (2/28 off 8) and Lucas Hancock (4/31).

Unfortunately we finished the season with a disappointing effort against Wanneroo with only 2/11 from Josh Bumstead and 1/13 (off 8) from Lucas Hancock providing any highlights.

I am hoping that the players learnt that having to take every opportunity possible is a must if we want to be a very successful team – as I believe we should be.

The most pleasing aspect of our season was the show of respect that each of the players had towards each other. In particular the respect that the boys in the team showed towards Ines McKeon as many of them would not have had a female team-mate in the past.

Congratulations also to Ines on putting up with the boys and tolerating their behaviours with a grin. Hopefully your back injury was not a result of having to put up with the boys!!

Special mention need to go out to our Captain Rhys DeCelis for the way that he led the team and for his all-round cricketing knowledge. For a young man to lead the way he did was very commendable.

I also want to make special mention to Evan Alderslade and Oliver Brandes De Roos for their exceptional wicket keeping throughout the season and to Oliver Smith and Joshua Bumstead for being so flexible as to where they were played each and every week.

Our (statistically) leaders for the season were:

Batting

Oliver Brandes De Roos – 221 runs @ 27.60
Jack Zagar – 208 runs @ 29.70
Hudson Foote – 147 runs @ 21

Bowling

Rhys DeCelis – 10 wickets @ 19.90
Lucas Hancock – 10 @ 21.20
Jack Zagar – 8 @ 13.38
Joshua Bumstead – 8 @ 17.75

Fielding

Matt Martin – 4 catches
Evan Alderslade – 4 stumpings
Oliver Smith – 5 catches & run outs

Our All-rounder points were led by Jack (398), Rhys (383) and Oliver B (341).

In addition to these there were many other performances where the boys did what was asked of them and what was best for the team. These would not show up in the stats but were valuable performances.

When choosing who to give my Coaches Award to I had absolutely no hesitation in giving it to Jack Zagar. Jack always without fail tries his absolute hardest, puts his team first, is liked and respected by his team mates and is an all-round good young man and cricketer.

He also was our vice-captain and assisted Rhys very well when required.

Our team was very fortunate to have Nadia Mitsopolous as our Team Manager, who made my position as coach so much easier. Thank you Nadia for all that you did throughout the season and especially for coordinating the best afternoon teas in the competition.

We were also very fortunate to have two scorers. Jim Zagar is our very neat and always correct old school paper based scorer and was ably assisted on the iPad by Jason Bumstead – thanks fellas.

Thanks to all that assisted throughout the season, in particular Gustav McKeon for entertaining and schooling the players in all things cricket.

Tim Heal again provided his excellent guidance, which is always appreciated.

Finally, thanks to every parent who supported us throughout the season. Getting the players to training and games on time, waiting patiently after games for me to finish talking, providing afternoon teas... I hope your child appreciated you as much as we do.

I am very much looking forward to seeing how the team performs next season and honestly believe that we can play in and win a grand final.

KEVREK DEVELOPMENT SQUADS

Now in its second season, Kevrek's junior development squads were expanded to include an U14s age group in 2019/20. This meant we had two U13s and two U14s teams representing the club. The benefit of this program is that it enables more juniors to be exposed to a higher level of cricket with some players able to play extra games, allowing for more learning opportunities.

Each year we have run this program, we have witnessed significant development of junior players in these age groups. Many of the boys in the development squads played a number of games in the WACA U13s and U14s competitions. A further advantage was that players who had sustained an injury and were working themselves back into the first team, were able to play development games and ensure they were fully fit for the next main squad fixture.

Barry Davis coached the U13s development squad and Nick Merrin was the coach of the U14s. We are in a very fortunate position where we have been able to entice coaches to the club who do not have a son in their team. This is the case for these two fine gentleman. On behalf of the club, please accept my sincere thanks and appreciation for your efforts throughout the season. The boys enjoyed their time with you both and you have made a great impression on their developing cricket careers.

To our team managers in Natalie Quinn (U13s) and Shan Barrett (U14s), please accept my sincere thanks. We should not underestimate the selfless contribution you make and in turn the positive effect this has on the players and families at our club.

I would also like to thank the parent group. I am grateful for the passion and commitment you all demonstrate to your boys and the teams in which they play. The boys are very fortunate to be involved in a caring and considerate environment.

The boys played eight games last season, including against teams from Gosnells, Claremont Nedlands, Wanneroo, Mt Lawley and some intra squad games. In these fixtures some oppositiong clubs played their full strength teams and our development teams acquitted themselves very well. For example, our U14s development team beat Gosnells' first team convincingly in a fine team performance.

Enjoy your winter and I look forward to seeing you at a cricket ground next summer. For those who are moving on, I thank you for your time at Hillcrest. We wish you well and hope you continue to play the great game of cricket at some level in summers ahead.

JUNIOR TROPHY RECIPIENTS

UNDER 17s

BATTING AWARD
Elijah Ward-Armstrong
388 runs @ 35.27

BOWLING AWARD
Jayden Cappeau
16 wickets @ 12.19

COACHES AWARD
Brendan Agnew

Brendan Agnew whose qualities regarding work ethic, attitude and being a team player were all evident over the season and of the highest standard, qualities BMDCC hold very high. Brendan was a member of our leadership group and proved he has the qualities to pursue a captaincy roll in Senior cricket, he also took on the responsibility to organise and run all our match day warm ups over the season. Brendan proved he is very capable of several roles as a batsman from opening to the middle order, finishing the season 4th leading run scorer with 211 runs. His ability to read the game situation when batting was a great asset, and showed a quality all coaches ask for in a player with good game awareness. Brendan also had a very good season behind the stumps as the team's 1st keeper.

CENTURIES

Kieran Abrams
105 not out v Gosnells
30/11/2019

UNDER 15s

BATTING AWARD
Mitchell Williams
533 runs @ 41.00

BOWLING AWARD
Mitchell Pope
21 wickets @ 13.81

COACHES AWARD
Jacob Wilkie

Jacob was appointed Captain for our U/15's team but after the first game was struck down with a severe back injury. He went through the season with only missing a couple of training sessions and game days due to being away on family holidays. He was a great support to me and his team mates throughout the season. His level of commitment to the team was outstanding for a 15 year old boy who was struck down for the season through no fault of his own.I cannot thank him enough for his support this season.

CENTURIES

Mitchell Williams
104 not out v Willetton 11/1/2020

5 WICKETS / HAT TRICK

Mitchell Pope
6/32 v Centurions 21/2/2020
Including a Hat Trick

Mitchell Pope
5/19 v Melville 26/10/2019

Mitchell Williams
Hat Trick v Mt Lawley 15/2/2020

UNDER 14s

BATTING AWARD
Ishmeet Pannu
267 runs @ 29.67

BOWLING AWARD
Zach Howes
21 wickets @ 14.95

COACHES AWARD
Connor McEwan

Connor has demonstrated he is a fantastic team member. He is well liked by his team mates and coaching staff. Connor developed a back injury early in the season and was unable to play any games in the main squad prior to Christmas. Connor worked hard at his rehabilitation, attended all training sessions, worked hard to develop his batting and played games with the Development team as a batsman. He attended all games even though he was not playing, always asked to help in warm ups, take drinks out and generally help the team where possible. He was able to play games for the main squad after Christmas; he had a good knack of picking up wickets and some quick runs when he had a chance to bat. Connor was a pleasure to coach and is a credit to his family; we look forward to his development in the seasons to come.

5 WICKETS

Zach Howes
5/39 v Centurions
12/1/2020

UNDER 13s

BATTING AWARD
Oliver Brandes de Roos
221 runs @ 27.63

BOWLING AWARD
Rhys DeCelis
10 wickets @ 19.90

COACHES AWARD
Jack Zagar

Jack received this award as he always gives 100% in everything that he does, whether this is opening the batting, bowling or fielding.

His behaviour is a great example to his team mates and is always striving to learn and improve. Jack is well respected and liked by his team and he performed well when called upon to Captain the team when Rhys was off the field.

Congratulations Jack..

UNDER 14s DEVELOPMENT

BATTING AWARD
Kade Barrett

BOWLING AWARD
Mahad Ansari

COACHES AWARD
Aidan Bennett

Aidan is a worthy recipient of this award and he has an outstanding attitude where he is always willing to learning and absorbs information. Aidan also has a great work ethic and always gives his best in training and in the game.

UNDER 13s DEVELOPMENT

BATTING AWARD
Harrison Mugge

BOWLING AWARD
Riley Quinn

COACHES AWARD
Hayden Young

Hayden was outstanding in all parts of the game certainly a good all-rounder in the making.

To all the boys, keep up the good work and all players showed improvement over the season.

A record of past club administrators, life members accomplishments and award winners

Bayswater Morley Districts Cricket Club has a long and proud history.

First promoted to play 1st Grade cricket in the 1947/48 season, the club's origins go back to 1932 when a meeting was held in the Bassendean Fire Brigade Hall between Jim Pow, Alf Lethbridge and the Secretary of the WACA, Tom Jones. That meeting saw the Bassendean Cricket Club admitted to the WACA competition for the first time in the 1933/34 season. Two teams were fielded in B2 and B3 Grades.

It wasn't until the season of 1947/48 that the club, now renamed the Bassendean Turf Cricket Club was promoted to play 1st Grade cricket. This opportunity arose due to a proposal to eliminate the bye that was occuring in 1st Grade at the time.

In the season 1961/62 the club moved to Hillcrest Reserve and was renamed Bassendean-Bayswater. At the start of the 1980/81 season the club was renamed again to Bayswater-Morley to better reflect our catchment area.

The club now fields four senior, one colts and four junior teams in the WACA competition.
