PRESIDENT'S REPORT

What a season it turned out to be. From the uncertainty caused by COVID-19 at the beginning of the competition, to winning two senior premierships by season-end, it has certainly been a roller-coaster year.

While I don't want to understate the achievements of our premiership teams, I will leave it to the coach and captains to provide more details in their reports. Instead, I'd like to share with you what I believe to be the four pillars of a successful Club.

Our volunteers

Firstly, a Club cannot function without volunteers. So, I would like to acknowledge all of our volunteers who have been involved throughout the season. There are too many helpers to mention everyone individually, but I would like to thank all of you for your involvement and you know who you are.

It is great to have a supportive management committee and I thank our everyone for their involvement again this year. It was great to have most of the committee continue as well new faces join this year in Leah Agnew and Nick Volk. We can always do with more helpers throughout the season, so if you believe you can help your Club then please speak to me. There are plenty of roles and opportunities for people to assist on the management committee, or otherwise. On a personal note, I would also like to thank Kym, and my family, for the support they provide to me and the Club generally.

Off field and financial stability

Similarly, a Club can't thrive without off field and financial stability. We continue to be well supported through our sponsors which enable us to provide the support and facilities to our players. Thank you again to all of our generous sponsors whose support makes all of this possible. Thank you also to John Moore who has continued to maintain relationships with our sponsors, and to Tim Heal for the support he was able to generate this year through match day sponsors. Tim was recognised as the Ray Robinson Club Person of the Year for the great work he has done with "many hats on" during the year.

We must also be prudent in how we spend our money as many people have worked hard to get us into the position we are, and our Treasurer, Peter Marriott, is doing a great job in this regard. In addition to financial stability, we must also have strong stakeholder relationships and the most important of these is with the City of Bayswater who we continue to work closely with and are grateful for their ongoing support.

We are in the process of making our biggest financial investment since the creation of Upper Hillcrest in the redevelopment of our nets which has recently commenced. There were some delays which were outside of the control of the Club, but this project will provide a great training facility for the future. This is an expensive project which has been made possible thanks to grants form Cricket Australia and the State Government, with equal contributions from the Club and the City of Bayswater.

Strong junior programme

Thirdly, the future of the Club is strongly dependent on having a strong junior programme. We must continue to invest and ensure we have a programme which attracts junior players and their families to our Club. We aim to create a professional environment with excellent coaching. We have been successful in doing this and we regularly receive positive feedback from the WACA staff about how well we do in this area. Junior cricket at this level can be tough to manage as parents all want the best for their children, but we always base our decision making on what is best for the Club and the programme as a whole so as to provide the best environment and outcomes for all junior players. Thanks to our junior co-ordinators, Brendan Criddle and Tim Heal, for the expertise and passion that they put into this programme along with our junior coaches and their support staff. Also to our major sponsor, Kevrek Australia, who provide such generous support to help drive the program.

On-field success for our senior program

And lastly, but certainly not least, the on-field success for our senior program. This year we have won two premierships and congratulations to the players who were involved in these 2nd and 4th Grade premierships. What I most enjoyed about these two premierships was seeing how the whole player group engaged with and was part of these successes. This was right from the support at training, on game day and our celebrations which involved players, their families, and many supporters.

I would like to thank and congratulate all of the players for their efforts this year. But would also remind everyone that

PRESIDENT
Daniel Howes

...continued overleaf

...continued from previous page

they wouldn't have the opportunity to fully enjoy their cricket or play at this level without the backing of a strong and stable Club; without their teammates; and the support and dedication of their coaches. As players and administrators alike we are all temporary custodians of the Club and we all have the responsibility to leave the Club in the same, or hopefully a stronger, position that we found it.

Without question the most difficult job at a premier cricket club is to be the senior coach. Not just the time and energy required– but also finding that balance between the "tough love" and making the hard calls, as well as providing the development and support that is required to benefit the entire playing group. Thanks to Ben Williams who is doing a great job to find this balance and continue to improve our on-field performances. And to demonstrate this we have offered, and Ben has agreed, to continue as coach for the next two seasons which is great news.

It is a long season which was hard at times, and we made some mistakes along the way (and I made my share as well). But the important thing is we learn from them. But most importantly we had many individual, team and club achievements that we should all be proud of, and these provide a great platform for us to build on.

We have a short break before we enter our 75th season. I look forward to what the next chapter of the Bears story will be.

Thank you to our many volunteers

Volunteers are the foundation blocks of our club's success.

Thank you to the many volunteers who selflessly offer their services, including committee members, registrar, coaches, assistant coaches, team managers, scorers, bar staff, afternoon tea preparers and many other unsung heroes who quietly go about their business helping out when required.

Our club is heavily reliant on volunteers to donate their skills and time to ensure players enjoy a professional, safe and enjoyable environment to develop their cricket. Without the assistance and support provided by volunteers, our club simply could not continue to operate.

We are always seeking volunteers to undertake important roles around the club such as:

- Joining our management committee
- Serving behind the bar
- Helping on match day - set up and pack up
- Assisting with general maintenance around the club
- Assisting with club administration
- Preparing and serving afternoon teas
- Maintaining social media and website content
- Coaching, team management and scoring
- Organising social events and fundraising
- Preparing match day lunch rolls
- Taking photographs of our junior teams during the season

Our club always needs help.
If you can assist in any capacity,
please **contact Daniel Howes**
president@baysiebears.com.au

COACH'S REPORT

What a fantastic season we have just completed.

Season 2020/2021 was a highly successful season, culminating in two premierships. Our want was to win four premierships and we should never shy away from wanting to be the best, however I am sure we are comfortable with the 2's and 4's holding a premiership flag aloft.

Our aim every season is to win the club championship and whilst we finished 5th, we know we can sit at the very top next season, that is our goal!

I would like to thank the entire playing group, coaching group, committee and our loyal supporters for your continued support throughout the year. It is a time-consuming passion however with your dedicated support, love and commitment, it certainly makes it worthwhile. There isn't a club I would rather be at.

Our season was a success and I feel that as a club we understand that nothing is given, you have to earn it. And earn it we did.

The preseason was long and tough but our player numbers and support of each other shone through. It is not a coincidence that we achieved 2 premierships. The season was full of personal achievements and team successes.

The 2nd Grade did it again, a 3rd premiership in the last 4 seasons, what an achievement. Jarrad Daniels, has transitioned himself from a quality player into a quality leader! Thank you Jarrad for your support throughout the year, it is very much appreciated.

The 2nd Grade had many highlights throughout the season from the finals contributions of our young core, Jake Eagan's semi-final 134, Josh Fontana's consistency, Cameron Todd's determined and classy GF 68, Elijah Ward-Armstrong's GF 36 as a 17 year old too the all-round brilliance of Callum Wiggers and the leadership and skills from the leader of our attack, Jonty Wilde.

The above performances were brilliant but what about the skipper and Callum O'Connor's unbroken 29 run partnership to win the flag…. Gritty, determined, passionate and downright phenomenal. Love you boys.

On pure brilliance, though we can't go past a very rare achievement, the 344-run partnership between Callum Wiggers and Aaron Todd against Rockingham-Mandurah. Callum finishing with 225 and Aaron with 175. Simply amazing!

The 4th Grade found the premiership that many felt was taken from them in the covid hit 2019/2020 season. The boys were lead superbly by Mal Wilde. Mal the way you have conducted yourself as a leader, you should be really proud. You led with unbridled passion, desire and personal belief. More importantly you believed in your playing group. The growth of the team is a credit to you. All out for 47 is a faded memory!

The 4th Grade produced something we may never see again, 3 consecutive hundreds in 3 consecutive finals. The brilliant 140 by Mark Winton in the Elimination final was followed up by the classy 102n.o by Harvey Golding in the Semi-Final and then the belligerent, soul-crushing grand-final 115 by Timon Peters off only 92 balls. And let's not forget Tom Hunt's finals average of 83… yes this isn't a typo!

The above brilliance was backed up by the entire bowling unit throughout the finals series with everyone playing their part. We also saw the emergence of Matthew Sadler. A player with undoubted talent to progress through the grades.

Our 1st Grade sat 3rd after the first game post-Christmas and didn't quite finish the season as we would have hoped. We were in winning positions in all but 1 game. We defeated 3 of the top 6 teams and were in a commanding position against the eventual premier, Wanneroo.

The most pleasing aspect of our season is the playing group never gave up and I feel that we now go into games knowing that our best is good enough. Finding that consistency through every session of play is the next step for the group. I believe in each and every one of our players and we will get our rewards with continued hard work, belief and care for each other. It is an exciting time to be part of this team.

HEAD COACH
Ben Williams

The side was really well led by Christian Smith with strong support from Grant Thistle in the absence of Liam O'Connor. To Christian and Grant, thank you for your time and energy and tireless work through the season. I know that our club is in excellent hands with these three young men and I know that each of you have a fierce determination to take our club to the very top and I know the boys will get there with your leadership.

Our highlights through the year were focused on the bowling side of the equation with Ash Jeffrey having a very strong season taking 26 wickets to lead our attack. He was supported superbly by Kyle Wiggers who took 25 wickets in his first season at our club. We are blessed to have you at our club Kyle and your future is very bright.

We had excellent all-round contributions from Grant Thistle and Mitchell Todd. Grant taking 18 wickets and scoring 242 runs with Mitchell also taking 18 wickets and producing 284 runs. Mitchell's season culminated in him winning the Lawrence Medal. We are looking forward to a greater contribution from both of these guys, as they have so much more to give.

Our 3rd Grade side never quite gained any traction through the year, which was disappointing for all of us, however I know that this burns in all of us and I am confident that as a collective we will bounce back next season. There is significant amount of talent in the guys that played in the 3's, consistency is the key and I know you have that in you.

The side was really well led by Daniel Del Prete. Daniel's leadership is always steadfast and his want to get the best out of every player and to win every game is unshakable. Thank you, Daniel.

They say you learn more about people in adversity than you do when everything is going well. Lachie Dique, Christian Lee, Brendan Agnew and Bryce Jeffrey – you are all amazing young men. You put your personal disappointment aside at missing a place in the grand final teams, to not only come to the games to support your mates but you all showed genuine joy at seeing your team-mates win premierships. Your contributions throughout the year were integral in each team winning the flag. I am so proud that all four of you are Bayswater-Morley people!

You can't do this job by yourself and to the Committee and the CDC, thank you for your continued support, it is much appreciated. Your work behind the scenes is immense.

Tim Heal and Michael Warwick, thank you so much for all the little things you do that we don't see that provides us with the best facilities in Perth.

To the specialist coaches, Dave Lewis and Bruce Reid thank you so much for your advice, commitment and wisdom. I know the players are better today because of the both of you. Your input was invaluable.

I would like to thank the unsung heroes of our club that are always happy to assist without fanfare. To all of our grade scorers, Bev Todd, David Pearson (aka Rowdy), Amon and xx Dique. To Carl Ross for the photos and all of our loyal supporters, thank you.

To Anthony Loicano (Yakka) and Craig Hampson thank you for always doing the most thankless tasks at the club. Quality people like you are hard to find. We are very fortunate!

Daniel (and Kym) thank you so much for your unwavering support and for helping me grow as an individual and as a leader. I can't thank you enough.

And to my partner Caree, thank you for your patience, your calmness and your support. It is amazing. I love you.

Make no apologies in wanting to be the best. Four premierships and club champions. It's our time to make our goals a reality.

Proud supporters of WA community sport for over 45 years.

1st GRADE REPORT

I would like to start by thanking Ben Williams and the cricket committee for having faith in me to lead this great club in my second season after Liam O'Connor left for representative duties.

I take great pride in leading this club, week in week out, and hope I can continue to do so for many seasons. Thanks to Ben Williams for coaching all the boys throughout the year, your hard work doesn't go unnoticed with ample phone calls daily, sorting out training sessions and ways we can improve. In your second year of coaching the club you have led the club to two premierships something other coaches don't achieve in their careers.

Congratulations to Liam O'Connor for once again having a successful year as a Western Australian and Adelaide Strikers contracted player. As a club, we are proud of your achievements, but as your mates, we are even prouder, keep continuing to pursue your goals and we will be right behind you.

With Liam away for an extended period of time, I couldn't have gone through the season without my right-hand-man, Grant Thistle. The composure you brought to the group when things weren't going our way was the calming influence the group needed. You are a father figure to us blokes and we can't thank you enough.

Our 1st Grade season was a tale of two halves. We had a great start prior and heading into Christmas we were sitting 3rd having only lost three games. Unfortunately, after this we did not maintain this consistencey or performance required and only managed to win one more game.

At the start of the year, we set our goals and it was to make the finals, so the feeling is disappointment not to achieve this particularly after such a great start. But I can see the hunger in the boys' eyes to rectify that next season.

The Lawrence medallist for this year was Mitchell Todd who scored 284 @ 23.67 and took 18 wickets @ 23.44. Mitchell has been one of the longest serving 1st Grade players at this cricket club and it gives me great joy to see him fulfill one of his goals. Knowing him well though, the thing that keeps driving him is ultimate team success.

Our newest recruit, and cult hero, Kyle Wiggers introduced himself to the club taking 6/11 in the first game of the season for 2nd Grade. We knew straight away we had found a hidden gem. His first ball in 1st Grade was a beamer, but then he settled well. In tandem with Ashley Jeffrey he led the attack in 1st Grade for the rest of the season with them taking 25 wickets @ 23.20 and 26 @ 23.12 respectively.

Unfortunately, we didn't have anyone raise the bat this year but that doesn't mean there weren't some great performances, Mitchell Todd's 71 off 58 vs Gosnells was a very controlled innings that led the team to a conformable win. At the WACA against Perth, we were in early trouble, but Riley Cameron's 79 off 101 balls kept us going and won the game for us. Robby Guy's 65* off 88 against South Perth to steer us home to an outright win that doesn't happen very often, and Grant Thistle's 71 off 99 when the team were 5/41 vs Mount Lawley was a show of his maturity and led from the front.

I have no doubt that the 2021/22 season will be a successful year. The amount of work we put into our craft will pay dividends eventually and more experience around the group.

To Jarrad Daniels and your 2nd Grade team we couldn't be prouder of you for winning the premiership. What a roller coaster that day was and something we will never forget. Just make sure the "three-peat" happens. To Mal Wilde and your 4th Grade team, this is what makes this club so great. The passion that you and your team have is a credit to yourself and something you guys should all be proud of.

The season wouldn't go ahead if it wasn't for Bev Todd scoring every game, TJ preparing roads, week in week out, and Hammo & Yakka helping out at training every day. We are very lucky to have you guys helping this great club.

This is the best club going around. Continue to enjoy each other's success and good things are around the corner.

2nd GRADE REPORT

I would like to start by thanking Daniel, the Committee and everyone who volunteered their time this season. This great Club continues to grow and has a very exciting future. On behalf of everyone involved, we thank you for all the work you do.

To Ben and the other coaches thank you for all your hard work and commitment. Ben, thank you for everything you have done. You continue to explore ways for us to improve and challenge us to challenge ourselves. I know we don't always agree but you always respect my opinion, like I do with yours. I know you put in a lot of hours and it is a tough gig, but we thank you for everything. I look forward to a couple of seasons playing under your leadership.

I would also like to thank Hammo for everything he has done for us players at training and on game days. He continues to go out of his way for the boys and we certainly can't thank him enough. Thanks to Rowdy and Eamon for scoring again this year and we hope you are back at the club again next season. I know the boys really do appreciate what you do for us and I certainly am appreciative of you submitting the scores on time and reminding me to do my captains report.

Last year we were clearly the best side for the whole year and thoroughly deserved to be crowned the COVID premiers. This year we were always going to be the hunted and set out to prove why we deserved to be the premiers the previous year. We played some good consistent cricket throughout the season but unlike the previous year we were not miles clear at the top of the ladder. This year we lost Grant Thistle to the first grade and it was always going to be a challenge without a player of Grant's calibre. The previous season we had players that took home the competition awards and they played significant roles in our success. The contributions were spread, and it was pleasing to see the rise of some young talent. I look forward to seeing these guys continue to establish themselves at second grade level and push for first grade opportunities. I would like to acknowledge a few guys. Cameron Todd his innings in the final shows his potential and his energy is contagious. Lachie Dique and Christian Lee took massive steps this year and showed everyone their potential. Both were very unlucky to miss out in playing in the final side. They both supported throughout the final series which show their characters. They have exciting futures at the club, and I hope they are determined to continue fighting.

I acknowledge the work that went into the regular season and all the contributions to get us to another final's series. Throughout the year we had a number of notable performances and many of these were from our young brigade. On the batting front we had 3 centuries. In round 14 against Rockingham-Mandurah Callum Wiggers (225) and Aaron Toad (175) combined for a record breaking 344 run partnership. What an amazing performance and one that we are glad has been caught on frog box. The other century came from young Jake Egan in the semi final against Scarborough. Coming to the crease at 2-25, Jake batted for 214 balls to score a crucial 134. Given his age and the context of the game it was a remarkable achievement. Callum Wiggers finished the season with 582 runs @ 41.57 with a highest score of 225. Aaron Todd finished the season with 512 runs @ 73.14 with a highest score of 175. We also had 4 players make 350 plus runs for the season including Travis Keys (364 @ 21.41), Cameron Todd (361 @ 40.11), Jake Egan (394 @ 43.78) and Josh Fontana (418 @ 32.15).

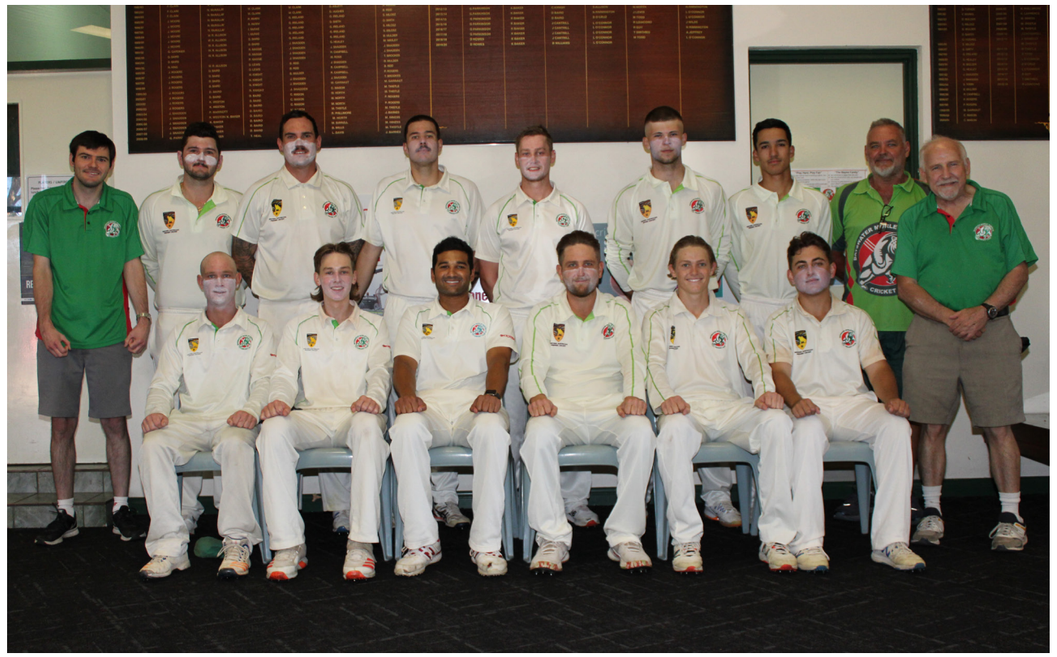

On the bowling front we had 3 players take 5 wicket hauls throughout the season. Kyle Wiggers on his Baysie debut took 6/11 against Willetton in round 1, Jeff Willey took 5/31

against Claremont-Nedlands in round 6, I took 5/21 against Melville in round 9, 5/76 against Fremantle in round 12 and 5/47 against Willetton in the first final. We had 5 players take 15 or more wickets which like our batting shows we had a even contributions. Lachie Dique (17 @ 20.88), Callum O'Connor (17 @ 13.76), Jeff Willey (17 @ 15), Callum Wiggers (25 @ 21.32) to go with his 582 runs is an incredible effort and I took 26 @16.62.

Congratulations to our presentation night award winners:

Batting	Aaron Todd
Bowling	Jarrad Daniells
Fielding	Travis Keys

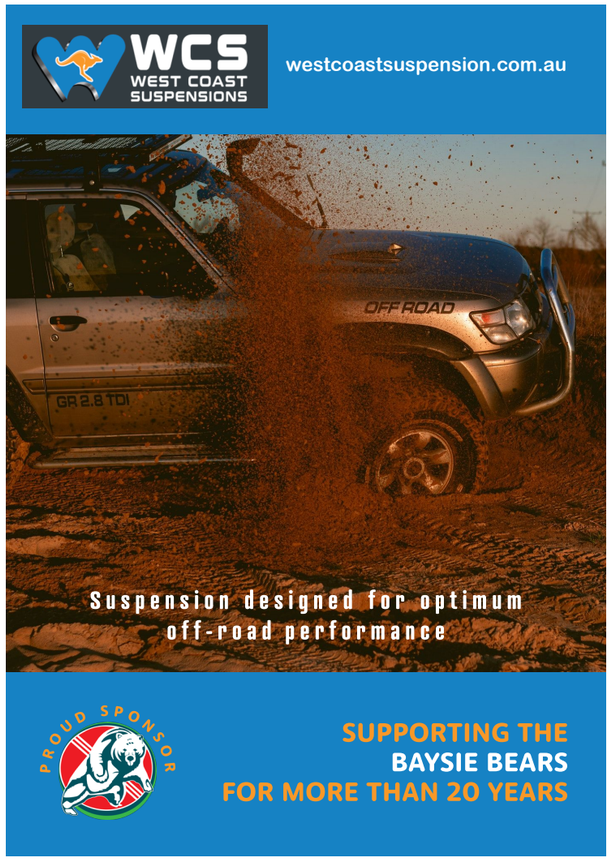

This year will be forever memorable for the way we won the premiership. It personifies the way we want to be perceived by the opposition. A team that will be incredibly tough to play against and will never give up. I remember saying to the guys before the start of the game that there was no better time to stand up. I said to them you want to be the guy that does something that will be remembered for a long time. We found it difficult to take wickets but continued to toil away. Jeff, Callum and Jonty each took two wickets, and we left the field that day relatively happy.

We lost wickets regularly in the first half of the day and looked in trouble at 6-104. A 60-run stand between Cam Todd and youngster Elijah Ward-Armstrong helped get our chase back on track with both looking comfortable at the crease. Cam Todd made a superb 68, an innings that showed great poise and determination beyond his years. When Cam was dismissed, we were 7 -166 and I came out to the middle. We then proceeded to lose a couple of quick wickets and were starring down the barrel at 9-193, still needing 29 runs to win. As Callum walked out to the middle, I remember my mind going a hundred miles an hour. Callum strolls out with the biggest smile on his face and instantly my nerves seemed to disappear. We didn't even need to say anything as we both knew what we needed to do. We batted for 20+ overs and slowly inched our way to the victory target. I am writing this months after the season but it still feels like yesterday. I can vividly remember all the support we had from the baysie family on that day. As every ball went by, we could feel the opposition getting nervous and the support for us getting louder. I really would like to thank everyone that was supporting on that day and especially all the boys that were shouting out regularly. It was an incredible way to end the season, proving to everyone that we deserve to be the premieres and its not over until it is over.

As I said at the Lawrence Medal night, if you are struggling to find the motivation to put in the work, just re-watch the moment Callum hit the winning runs and it will remind you why we play.

3rd GRADE REPORT

Firstly, I would like to congratulate Jarrad and his 2nd Grade team as well as Mal and the 4th Grade side on their premiership seasons. The 2nds just continue that winning formula and for the 4ths this premiership has been coming and great to see.

For the 3s this year it wasn't to be, as we failed to win close matches throughout this season. These are matches last season that we would have won. Ultimately those losses would see us miss the finals as we finished a game outside the top six.

Although it was disappointing not to make the finals there were some great moments and individual efforts throughout the season. There were opportunities given to some junior players which they took full advantage of to cement their spot in the side. These players were then given the opportunity to play second grade cricket.

Some season highlights were Jimmy Deering batting for the most part of the day at South Perth and nearly pulling off a last wicket partnership with Cody Hoffmeister. At Wanneroo we managed a tied game thanks to a last wicket partnership between myself and Matthew Sadler. Then needing a win to stay a chance of finals we had Jimmy Deering (83) and Elijah Ward-Armstrong (68) stand up against Subiaco Floreat.

There were some breakout seasons for players and other players continued their form from last season. Adam Green had another good season opening the batting with 332runs @36.89 and from that was given a chance to play second grade cricket.

Gustav McKeon was a great find for the third grade and has a bright future ahead of him. He scored 257 runs @23.97, 10 wickets @ 19.40 and took 12 catches which resulted in an opportunity to play second grade cricket.

After the Christmas break, Elijah Ward-Armstrong was given the opportunity to the open the batting for us and never looked backed. From his two scores over fifty he made his way into the second-grade side where he stayed and played in the grand final. Elijah scored 254 runs @28.22.

Jimmy Deering (250 runs @25), Kevin Carlson (224 runs @37.33) and Connor Dimech (161 runs @ 80) were all solid contributors to the side throughout the season.

In terms of our bowling, we were good in most parts of season, but in pivotal moments we fell short of the mark. There were some positives that came out of season bowling wise, as we saw a number of younger guys start to become more consistent and confident in their ability.

This season saw a much-improved year from Jack Wasley who after November was our strike bowler. Jack finished the year with 14 wickets @22.50. This was a great year for him and something to build for next season.

Jack was well supported through the season by Gus McKeon (10 wickets @19.40) and myself (17 wickets @25.59). Kevin Carlson, Christian Lee and Elijah Ward-Armstrong were also good when called upon and got wickets in crucial moments in games.

I want to congratulate Nick Merrin on his season with his gloves. Nick has been in and out of the threes over the last couple of seasons but to his credit went back worked on his skills. His efforts behind the stumps this season was clear how hard he worked. This was his best season with the gloves and plenty for him to move forward with next season. (25 catches and 1 stumping).

I would like to thank Ben and Tim for once again giving me the opportunity to captain and their guidance throughout the season was much appreciated. I would also like to thank all the volunteers and sponsors of the club, your help is always much appreciated. To Daniel Howes and the committee members thanks for another great season of service.

To my teammates, thanks for your dedication throughout the season You're all legends and I'm looking forward to making the finals with you all next season

4th GRADE REPORT

Firstly, thanks to the committee and all the volunteers that help and allow us to play cricket for this great club, and for the opportunity to be captain of a premiership side!

We finished 3rd again this year, losing only three games. It was a very even season with bat and ball. Followed by some great performances in the Finals which led to winning the flag.

To Jarrad and the 2nd Grade boys, "congratulations" on another Premiership! I've learnt a lot about being a good skipper from you. The greatest thing about your leadership is you lead from the front and you always back your boys in. Three flags in four years is a huge effort, congrats again!

Now onto our season. Sam Henley continued his form from last season with 20 wickets. Thomas Hunt, Ross Nesbitt, Mark Winton, Bryce Jeffrey and Mathew Sadler all chipped in throughout the season with around 15 wickets each.

Our batting was also spread with Michael Neves, Ross Nesbitt, Andrew Guthrie and Harvey Golding all scoring over 250 runs for the season. But the standouts were Mark Winton and Timon Peters. Both boys scored over 500 runs and were the backbone of our batting this season.

The highlight of the Home and Away season was when officer Ryan Ross made 175.

Ryan was able to play a few games for us this season when he wasn't cleaning up our streets and keeping us safe. He absolutely demolished South Perth's attack, his 175 came off 162 deliveries with 28, 4's and a 6.

Also, a personal highlight for me was being able to play alongside my brother Jonty for a few games. I never thought I'd have that opportunity. Shame Jonty wasn't able to bother the scorers!

As finals came around we were back to where we wanted to be and we knew we could have a real crack at a premiership. Our bowling was disciplined and shared around. There were 3 amazing 100's by 3 different blokes. One in each final. I don't think that has happened in 4th Grade before and it was great to be apart of it.

Mark Wintons' 110 against Perth in the Elimination Final came off 165 deliveries and was superb. It included 17 4's and a 6. Mark played a long team innings and batted time, whilst building important partnerships along the way. It showed great maturity from an immature man.

Next was Harvey Golding in the semi-final against Midland. His 102 not out was all guts and determination. Struggling at 4/56 Harvey took it upon himself to be the bloke who put the team on his shoulders, and push ones and twos on an extremely hot day. Speaking with Harvey at tea he said to me "don't worry Mal, I've got this. I'll get us to 250 and I'll get a hundred." Well he was right. His 102 came off 187 rocks and included only 4 4's. That itself shows how hard he was willing to work for his teammates. Well done Harv. A special mention to Thomas Hunt who put on an unbeaten partnership of 84 with Harvey, but Hunty's 6 over cover was huge and something that still amazes me!

Now getting to the grand final is hard and we were in a lot of trouble at 4/38. But then Timon Peters came to the crease. Earlier in the morning Hammo had said to Timon that if he bats 15-20 overs he will be 100. Well, he did just that. His 115 was the cleanest hitting of the cricket ball I have seen. He hit the ball to all parts and even had time to work a couple of 1's and 2's. His 115 came off just 92 balls with 8 4's and 9 6's.

From there we were able to get to a very respectable 217. Our bowling was disciplined. Mathew Sadler continued his great finals form and took the first wicket with his first delivery, and finished with amazing figures of 3/22 off 18 overs. And Hunty's spell was the best I'd seen from him. 11 straight overs on 1 knee was amazing and showed how much he wanted to win. He finished with 3/21 off 11 including the key wicket of their skipper, and from there we knew we were winning!!

With finals there is always someone who has to miss out and unfortunately for us it was Brendan Agnew. Aggers never once complained and took it in his stride. He wanted to be a part of it and showed what a great young man he is. He carried the drinks, was sub fielder and was an integral part of us winning the flag.

To Ben and our Chairman of Selectors Tim, thank you for the opportunity to captain again and believing in the boys and I throughout the season. You're always there for a chat and always listen to my opinion. Being captain isn't an easy job, and I couldn't have done it without some help. Wints, Nevesy, Guthers and Ross - your assistance throughout the year was awesome.

To the legend that is Craig Hampson. You honestly are the best bloke and I'm lucky to have had you by my side all season. Warm-ups, scoring and even a stint on afternoon tea, there is nothing that you wouldn't do. We really appreciate your help and guidance pushed us massively in bringing home the flag.

Finally I would like to thank my wife Priscilla for supporting me and listening to my constant chat about winning a flag this season!

YEAR IN REVIEW

With COVID-19 hanging over our heads midway through 2020, it was hard to imagine a cricket season let alone a successful one from a club perspective.

With both 2nd Grade and Fourth grade winning their respective final game to be crowned Premiers is an awesome result.

The 2nd Grade side has been the yardstick for the last 4/5 years and should be congratulated for their consistency, they are well led by Jarrad Daniells.

Also, a big congratulations to Mal Wilde who captained the 4th Grade side to a premiership. Captaining any side at Premier level is a big task but 4th Grade has its own set of challenges with turnover of players and blooding junior players throughout the season. Mal has done a really good job over the last couple of seasons and fully deserves his success.

The junior program provided several players this season to the senior ranks, they all acquitted themselves well and we look forward to future seasons.

Congratulations to Mitchell Phelps, Mitchell Williams, Will Baxter and Harry Pannu for playing senior cricket this year.

We also had several other "Junior" players in senior ranks this year.

Both Elijah Ward Armstrong and Gus McKeon although technically available to play under 17's decided during preseason to become senior premier players.

Gus Mckeon had a solid year and made his 2nd Grade debut.

Elijah Ward Armstrong had an outstanding year, becoming a 2nd-grade premiership player and winning the John Moore Medal for best player in the lower grades.

I want to thank them for there time in the junior program, they have both been exceptional players and leaders in the age groups. A pleasure to coach and I'm proud of them both and thank them for their commitment.

Congratulations to you both.

This year we commenced the preseason at Revolution Sport and the Ballajura Indoor Centre, we also had an early opportunity to impress the WACA with a visit by Brian Shields to conduct a training session.

We continue to grow our relationship with the South West Cricket Association, with a weekend spent in Bunbury playing there best combined sides in the 13's,14's,15's and 18's. It was again a successful weekend both on and off the field. The ability to stay at the Bunbury Catholic College was fantastic both for the boys and their parents as well as the coaching staff.

The BMDCC program continues to be rated as one of the best in the WACA and for good reason… this year we continued to stretch and develop all players, using workshops initiated by the WACA as well as our own. This helps to further develop our players for Premier cricket as well as higher honours.

Some of the activities held over the season:

- WACA training session with Brian Shields (13/14 and 15/17)
- WACA wicketkeeping workshop
- WACA fast bowling workshop
- WACA batting workshop
- Mid-Season intra club T20 and T30 games
- Alex Kountouris (Physio Therapist Cricket Australia) Dr David Young (Orthopaedic Surgeon AIS, Western Bulldogs and Netball Australia) teams meeting and discussion.
- BMDCC summer sessions conducted by Jake Egan and Lane Berry

We will look to build on these over the coming seasons.

We also conducted the KEVREK Program (Specialist Program) - named after one of our major sponsors who particularly likes to see the development of Next Generation junior players at BMDCC.

We looked to cover all facets of cricket with specialists from those fields in the KEVREK Program.

The Bowling squad was coached by Tim Brookes, Batting squad was looked after by Aaron Todd, Jake Egan and Lane Berry.

And a big thankyou to both Ryleigh Cameron for looking after wicketkeeping and spin by Tim Heal.

Although perhaps the season did not produce the wins, we would have liked, the program continues to produce good performances and better consistency, which intern gives players opportunities at higher levels.

U17 -This year we saw Mitchell Williams invited to the U16 Talent Match -Well done Mitchell.

U15 - Ishmeet Pannu, Sean Hayes and Zach Howes selected for U15 Zone Carnival, with both Zach and Sean selected in the final representative teams to play at the WACA. Well done to all three boys for trialling.

Unfortunately, with COVID-19 no underage national championships were conducted.

I would like to finally take this opportunity to thank a few people. To the five players who finish their junior careers and move to senior ranks, I would like to thank Mitchell Phelps (U17's Captain) Will and Alex Baxter, Harry Pannu and Jake D'Souza' - All the boys have made valuable contributions and I look forward to their Senior playing days at BMDCC.

Finally, to my coaches -Wim Van Houwelingen, Matt Pope, Ian Lilly, and Dan Bennett a massive thank you for making my job easier and for your tireless contribution to BMDCC.

To all coaches, both senior and junior, who assisted the program this year - thank you

To my partner in crime -Tim Heal - well deserved Ray Robinson Club Person of the year. Fund raising, co-ordinating, curator. Awesome job!! Both Tim and I would also like to thank the "3 wisemen", who each home U17's game day, help Tim with getting wickets ready (Peter Scorer, Russell Skett and Jannie Baard) … Great job and very much appreciated by Tim and the Club.

Finally…my beautiful wife Sonya, what an extraordinary year 2020 has been!! Thanks for what you do for me, our family, and others…you are one in a million.

U15/U17 CO-ORDINTAOR
Brendan Criddle

UNDER 17s REPORT

The U17s' season was one that showed the players develop their skills in all areas of the game along with a good understanding of game awareness. Our final win loss ratio did not truly reflect how well the players were performing and developing…

This season we saw seven rounds decided by less than ten runs. A valuable lesson in why sustained pressure and effort is needed in every game.

Notable performances by players over the season

Mitchell Williams round 4 - 130no and round 1 - 76. Mitchell was awarded *Player of The Round* by the WACA for his 130no. Mitchell finished 3rd in the batting with 231 runs @21 and 3rd in the bowling with 14 wickets.

Will Baxter round 1 - 51, round 2 - 55no. Will had an exceptionally good season again as our opening batsman finishing 2nd in the batting with 247 runs @ 24.70. Will showed he is capable to open in all forms of the game finishing the season as our leading run scorer in T20 format with 170 runs @ 28.33.

Mitchell Phelps also achieved a half century in round 8 with 53. Alex Baxter finished second in the bowling awards with 15 wickets @ an average 17.6. Alex took up the challenge of leading our bowling attack and showed how much he has developed over the seasons with a good work ethic to become a consistent fast bowler.

The batting award

Mitchell Pope with 271 runs @ 22.58 avg. Mitch's was always looking to advance the game with his attacking style of batting and positive attitude along with what all coaches look for that ability to not fear failure. Season highlights were his 54 round 1, 70 round 6 and 63no round 12.

The bowling award

Harry Pannu with 17 wickets @ an average of 17.24. Harry's ability to swing the ball both ways was a big factor in his success this season along with his consistency with line and length. Harry's season and achievement is reward for 4 seasons of consistent growth along with his work ethic and attitude and his ability to produce consistent effort over a long period. Season Highlights 4/24 round 4.

The coaches award

JA Baard, whose qualities regarding *work ethic, attitude and a team player* were all evident over the season and of the highest standard, abilities BMDCC hold very high. JA has continued to develop all areas of his game, firstly as a bowler finishing the season with 10 wickets @ an average of 26.4 and with the bat a average of 40 after 8 innings of which he was not out 6 times. JA also improved his fielding to a good district standard.

We also had a number of players who not only put in 100% playing U17s for BMDCC, however were chosen to play senior cricket for the club, congratulations to those boys listed:

Mitchell Williams
Will Baxter
Mitchell Phelps
Harry Pannu

I would like to wish all our final year junior players all the absolute best, in whatever pathway their sports, study, and careers may take:

Mitchell Phels
Harry Pannu
Jake D'Souza
Will Baxter
Alex Baxter

To all our players coming back, we wish you all the best for the upcoming season. I would like to thank Matt Pope for his help over the season along with Melanie MacLachlan who both made the season run smoothly on and off the field.

UNDER 15s REPORT

Season 2020-2021 was a challenging year for the U15s. Transitioning from U14s to U15s can be a difficult and arduous task, but was accepted by the young men in the squad this year. Our main goal for the season was to be competitive in every game and I believe we achieved that.

The season consisted of several close games, including six games which were decided by under ten runs, with our team been on the wrong side of those outcomes.

However, we did manage to win against the majority of the teams who competed in the finals. This included the massive win against Rockingham Mandurah, who made the grand final.

Some outstanding performances during the season with the bat included 82 for Ishmeet Pannu, 71 for Dhruv Darwan and half centuries from Trent Kinley, Callum Wilde, Adam Pinelli and Chris Milner.

Our bowling stocks were well represented with Zach Howes having best figures of 6/19 over 10 overs with 6 maidens. Angus Bloxham achieving an exciting hattrick with his final figures of 4/11 from 4 overs.

Congratulations must go to Trent Kinley for winning the batting award this year with 322 runs at an average of 40.25, with Ishmeet Pannu coming a close second with 311 runs.

Zach Howes won the bowling award for the year with 23 wickets at an average of 12.09. Sean Hayes coming up behind him with 15 wickets for the season.

A big thank you to Dan Bennett, my assistant coach for the season, helping with the coaching and umpiring duties.

To Mary Sims, my team manager, who throughout the season managed to get the parents and boys organized.

For all the parents who scored with the book and to Eamon who was supposed to teach us all how to use on-line scoring, but instead came down every home game to help out we all thank you. This allowed all the parents to keep up to date with the game from home, and the boys were able to access all their stats online as soon as the game had finished.

We can never forget the parents, who ensured their sons made it to training and the games on time, rain or shine. For the parents who supported the team, those who cheered them to victory and those who felt the heartache during all those close games, we send our thanks.

The biggest thank you however must go to the players, who bonded well, and created a great team environment. They put their heart and soul into every training session and throughout the season and at every game consistently gave their all to give their very best.

Congratulations to the boys and all the best for your future, both in cricket and anything else you wish to achieve.

Always remember: **"Enjoy the game and chase your dreams. Dreams do come true".**

UNDER 14s REPORT

On behalf of the players, I would firstly like to thank each and every parent, relative and friend who encouraged our team this past season. As a team, we are very well supported by a group who always do what is best for us and our Club.

Getting our players to training and games on time and prepared even when times change regularly is very much appreciated. In particular, I would like to thank Nadia Mitsopolous again for taking up the Team Manager role and performing it so well. When Nadia was committed elsewhere her substitute Roger Martin stepped in seamlessly and performed at the same high standard – thank you to you both.

I'm not sure if any other team has the benefit of having two Scorers but we do – thanks to Jim Zagar (paper-based scorer) and Jason Bumstead (iPad scorer). As far as I am aware, not a single mistake was made throughout the season.

To all the others that helped with afternoon teas (keeping the reputation of the best going around) and to the behind the bar drink servers – thank you to you all. Thanks also to Lachie Dique and Gustav McKeon – the players love having you around and we look forward to seeing how you both go this coming season.

To all players, you were brilliant this season!

I stated in my report last year that I honestly believed that we could make a Grand Final and we came very very close. On another day under different circumstances the result of the semi-final could have been very different – still a bit salty!

As Coach and a parent, along with all your parents we are so proud of the way you all behaved, performed and supported each other. At the start of the seaso,n we talked about respect of each other, Umpires, the opposition, Coaches and Parents – you all showed this at all times even when challenged. You all matured over the season and it was very evident that you became a team that truly loved being around each other.

The most pleasing part of this as mentioned by a number of parents was the way in which you celebrated each other's successes and supported by each other when disappointed with your own performance.

We were very well lead again by our Captain, Rhys DeCelis, and our Vice Captains, Oliver Brandes de Roos and Matthew Jenkins. All three have good cricket brains and helped each other out.

As mentioned above, our season finished off with a disappointing loss in the semi-final but this is how we got there:

Round 1
Unfortunately rain played havoc with R1 v Wanneroo and not a ball was bowled.

Round 2
R2 we hosted Subi-Floreat at Hillcrest Lower and "lost" by 1 run on the very last ball of the game. There is a bit of a long story to this but Adam Gilchrist's comment "we know you boys won that today" gives you a bit of context.

Rhys won the toss and elected to bat. Our score of 152 off 48 overs was always going to be challenging to defend. Top performers with the bat were Oliver Brandes de Roos (30), Raees Hassan (43) and Matthew Jenkins (28). Our performance with the ball and in the field was superb. We managed to take regular wickets and it was only a run in it at the end – with Subi making 9/153 off 50.

Our bowling was very well lead by Matthew Martin (2 for 13 off 7) and Rhys DeCelis (1 for 16 off 10). The fielding was sensational and was what kept us in the game – with 4 run outs in total – 2 by Joshua Bumstead.

Round 3
R3 we hosted Joondalup and we walked away with the points. Again Rhys won the toss and chose to bat – making 4/218 off 50. Hudson Foote (62) made our first half century for the season and shared a great 99 run 2nd wicket partnership with Oli B (45). Matt Jenkins followed up his first innings with a strong 61 (off 56) and shared in a 58 run 4th wicket partnership with Oliver Smith (23* off 20).

We managed to restrict Joondalup to 9/164 off their 50 overs. Our bowling was led by Oliver Smith (3 for 26), Om Kadam (2 for 11 off 5) and Jack Zagar (2 for 37).

Round 4
R4 and we headed out to Lilac Hill to play Midland Guildford – again leaving with the points. MG won the toss and sent us in to bat, finishing with 3/176 off our 50 overs. Performing well with the bat were Oli B again (46), Matt Jenkins again (59*), Jack Zagar (28) and Rhys (24*), with Oli B and Matt J sharing in a 3rd wicket partnership of 74.

Our bowling was tight right from the start and we restricted them to 8/151. Matt Martin again led (2 for 6 off 5) with a few others chipping in, being Harrison Mugge (1 for 25 off 10) and Rhys and Oliver Smith taking 1 each. Fielding again was a highlight with 3 run outs and 4 catches, with Rhys being involved in 4 of these dismissals.

...continued from page 30

Two wins from three games and maybe we got a little confident.

Round 5
R5 and we headed out to Iluka to take on Centurians. It's a long drive home when leaving empty handed.

Rhys won the toss and decided to bat. We never really got out of 3rd gear and meandered our way to 6/187. Jack Zagar opened up and finished with a solid 85, unfortunately run out in the 46th over. Thomas Cross came in late and provided 26 handy runs. Unfortunately for the first time this season our bowling and fielding let us down. Only Rhys (2 for 24 off 10) showed any real control in the windy conditions.

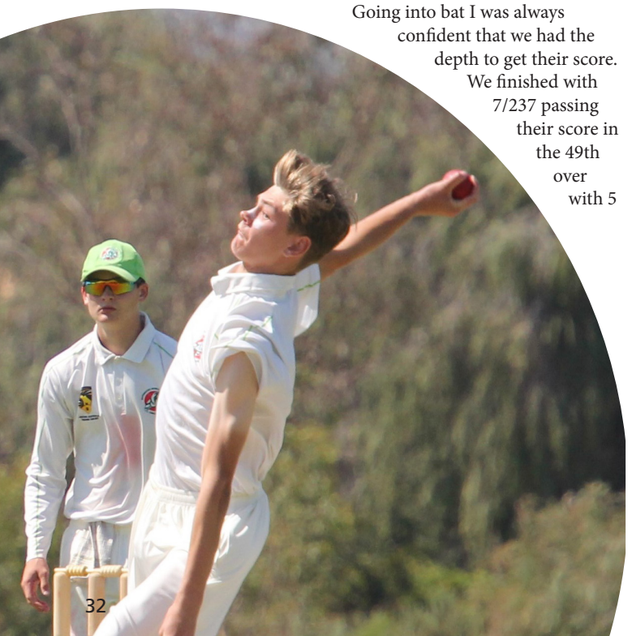

Round 6
R6 and we were back at Hillcrest hosting Mt Lawley. In theory this was always going to be a comfortable win and the players showed why. We loss the toss and were sent into the field, with Mt Lawley being dismissed for 115 after 43 overs.

Again we were led by Rhys (4 for 20 off 10), who bowled in partnership with Bruce Yates (2 for 12 off 8). Thomas Cross (1 for 8 off 5) and Jack Zagar (1 for 9 off 5) also bowled well. Off of our 50 overs we accumulated 6/267 and passed their score after 31 overs. Oli B finally scored his first 50 (66), Oliver Smith also passing 50 (80 off 67) – sharing a 3rd wicket partnership of 124. Raees Hassan (28 off 20) and Matt J again (43 off 34) also performed well – a 67 run partnership off around 40 balls.

Round 7
Coming into R7 we were sitting 3rd and needed to beat Scarborough, which we did. Whoever won this game at Hillcrest went into the semi-final – which was us!!

Scarborough won the toss, batted first and made a respectable 219 (all out). Our bowlers who did the damage were Jack Zagar (3 for 21 off 9) and Matt Martin (2 for 38 off 10).

Going into bat I was always confident that we had the depth to get their score. We finished with 7/237 passing their score in the 49th over with 5 wickets to spare. The innings was brilliantly structured with Jack Zagar (33), Oliver Smith (42), Matt Jenkins again (56*), Raees Hassan (31) and Rhys DeCelis (25) all doing well. Partnerships of 66 (Oliver Smith & Jack Zagar), 57 (Raees Hassan & Matt Jenkins) and 60 (Rhys DeCelis & Matt Jenkins) proved that partnerships win games. Matt Jenkins's innings was probably the most mature knock of the season and this was undoubtedly the best win the boys have had.

We were confident going into the Semi-Final v Rockingham Mandurah but unfortunately partly due to several matters outside of our control, we fell short. The score truly does not reflect the way in which our Baysie boys played.

Rhys won the toss and we sent Rockingham into bat, restricting them to 200 (all out). This was a very good performance against a very strong line-up, especially after they were 1/89 off 20. Our bowlers that deserve mention are Thomas Cross (0 for 14 off 5), Raees Hassan with a sore back (3 for 26 off 8), Oliver Smith turning the game (3 for 17 off 6.3) and Rhys DeCelis (2 for 39 off 10). Again our fielding was strong with a run out, a stumping by Evan Alderslade (his 2nd for the season) and 5 catches.

Unfortunately we were never really given a chance with the bat with only Jack Zagar (18), Oliver Brandes de Roos (13) and Om Kadam (15) making double figures. With five of our top run scorers, including Matt J with heat stroke being able to prove themselves it was always going to be a difficult task.

The manner in which the young men dealt with the adversity was very pleasing and just another reason why we are so proud of them.

Special mentions need to go to:

- Evan Alderslade and Oliver Brandes de Roos – for being the best wicket keeping combination going around
- Raees Hassan and Oliver Brandes de Roos – for making it into the State 14's training squad (Matt Jenkins only missing out due to date differences with CA and WACA).
- Luka Bishop, Harrison Mugge, Mitch White and Marcus Colonico – for showing dedication, commitment and determination by turning up to all training sessions and being available to play when required.

And to the following top performers:

Batting	Bowling	Fielding	All-Rounder
M. Jenkins 262 @ 65.50	R. DeCelis 12 @ 15.33	R. DeCelis	R. DeCelis 390
O. Brandes de Roos 210 @ 30	O. Smith 9 @ 12.89	M.Jenkins	O. Smith 378
J. Zagar 175 runs	M. Martin 7 @ 18	E. Alderslade	M. Jenkins 332
O. Smith Average @ 42			Oli B 310

My Coaches award went to Oli B, which was an easy decision to make but could have been won by a number of players. Oli is a pleasure to coach and is a great team mate to all the Baysie boys.

The player of the finals trophy went to Oliver Smith for his 3 for 17 – well done Oliver, your 2nd half of the season was awesome.

Can't wait to see these players go one step further in 2021/2022!

UNDER 13s REPORT

I was given the privilege of looking after the Bayswater Morley District Cricket Club's U13s side in season 2020-21 and what a fantastic group of young men we will have at our club in future years.

I believe the U13s competition should always be viewed as a development year, while great to have wins the opportunity to give young men a chance to play is the most important part of the journey at this age.

Over the course of the year, we played a total of seventeen players with six of these boys available to play in this same group once again in 2021-22 season. This experience will be invaluable and see them fast tracked in their future development. We only had one boy Lucas Hancock who had played premier cricket at the start of the season and the lack of experience we had as a collective group was evident in the big moments over the season.

We unfortunately had a washout in our first fixture of the season against Wanneroo and then the season started against eventual grand finalists in Subiaco Floreat who made an imposing 6-214 with Tom Kroonenburg taking 2-18 and Zunead Fahim taking 2-38 from their nine overs. We struggled with the bat getting to 8-114 from our forty overs with Dev Baswan getting 26 in the lower order and two eleven-year-olds in Cameron Baxter 18 and Tom Quartermaine making 15 in our run chase.

Round three at Joondalup was a great contest that we could have won, Joondalup getting to 5-189 with Hayden Young taking 3-22 on debut, our batting effort to get to 8-167 was solid with our captain Lucas Hancock playing well for 47 and well supported by Mitchell Smith 27 at the top of the order.

Round 4 was a disappointing loss to Midland Guildford at Lilac Hill after having Midland in trouble at 4-50 they got away to 9-172 after some wayward bowling, we started well with the ball with Oliver Radi taking 3-22, Lucas Hancock taking 2-19 and Tom Kroonenburg 2-23 doing thier jobs but lacking support at the back end of the innings. We made 126 after being in a strong position after 3-83 after twenty overs but the inability to score quickly and turn the strike saw us in a tough down the stretch. Hancock 22 and Baxter with 34 were the pick of the batsmen although too slow.

We came back after the Christmas break and again were right in the game against a strong Centurions side. Batting first Centurions made 7-139 with Hayden Young continuing his strong season taking 2=12 and the rest of the wickets being shared around , we made 9-119 from our forty overs with poor strike rates again making things tough for us , Mitchell Smith with 40 at the top of the innings was the best contributor.

Round six was against Mount Lawley who batted first for 8-153 with Young 3-27 and Hancock 3-30 the pick of the bowlers, we got to 3-112 with solid knocks Arosh Kafil and Cameron Baxter both making 48 showing what the future holds for our club.

Last round we were up against eventual Premiers Scarborough who put us under pressure making a quality 6-201 with all bowlers toiling hard against a quality batting line up , we showed great intent in getting to 6-140 with star of the future Riley Quinn blasting a great 61 not out from 78 balls and showing everyone what he is capable of against the best team in the competition. This performance showed us all what great depth this team will have in future years after gaining experience and better feel for the game in key moments.

Our eventual award winners were batting Cameron Baxter with 121 at 24.20, bowling Hayden Young 9 wickets at 15.11 and club champion captain Lucas Hancock with 237 points after carrying the load most of the season, Well done to all boys on a great season.

I was extremely fortunate to have as my assistant coaches two quality young men in Conal Lynch and my son, Jacob Wilkie, who related extremely well with the boys and gave great insight in what is required technically, physically and mentally to succeed in the future.I must give great thanks to Natalie Quinn who managed the side beautifully without fuss and just made things happen making my job very easy.

As I have said before great clubs are built around great people and we have plenty at Bayswater Morley, hang in there boys and good things will happen in the not too distant future

KEVREK DEVELOPMENT SQUADS

The major benefit of this program is it allows more juniors to be exposed to a higher level of cricket. It provides a platform for some to play extra games and offers additional learning opportunities for cricketers of the future.

This was the third season we have a run development squads for U13s and U14s which meant we had two teams representing the Club in both these age groups.

Every year we run this program, it is obvious to see the development of our junior players. Many of the boys that were selected in the development squads, actually were able to play a number of games in the WACA U13s and U14s competition. Another unintentional advantage was that players who had sustained an injury and were working themselves back into the first team, were able to play development games and ensure they were fully fit for the next main squad fixture.

Barry Davis coached the U13s development squad and Marsh Jackson was the coach of the U14s, at Bayswater Morley we have been in a very fortunate position where we have been able to entice coaches to the Club who do not have a son in the team. Last season, four of the six coaches were volunteers who did not have a son in the team he was coaching, which is very rare and advantageous position.

Barry Davis has been a long serving volunteer at BMDCC and has assisted coaching teams in the senior and junior level during his long and distinguished service. Barry has decided to hang up the coaching reins and we thank him for his time and efforts in helping develop hundreds of young and old cricketers at BMDCC. To our team managers in Shannon Barrett (U13s) and Andrew Mugge (U14s), equally please accept my sincere thanks. We should not underestimate the selfless contribution you make and in turn the positive effect this has on the players and families at our club.

I would also like to thank the parent group, I really enjoy the passion and commitment you all demonstrate to your boys and the teams they play in. The boys are very fortunate to be involved in a caring and considerate environment.

So, enjoy your winter and I look forward to seeing you at a cricket ground next summer. For those who are moving on, I thank you for your time at Hillcrest. We wish you well and hope you continue to play the great game of cricket at some level in the summers ahead.

ADMINISTRATORS

A record of past club administrators, life members accomplishments and award winners

Bayswater Morley Districts Cricket Club has a long and proud history.

First promoted to play 1st Grade cricket in the 1947/48 season, the club's origins go back to 1932 when a meeting was held in the Bassendean Fire Brigade Hall between Jim Pow, Alf Lethbridge and the Secretary of the WACA, Tom Jones.

That meeting saw the Bassendean Cricket Club admitted to the WACA competition for the first time in the 1933/34 season. Two teams were fielded in B2 and B3 Grades.

It wasn't until the season of 1947/48 that the club, now renamed the Bassendean Turf Cricket Club was promoted to play 1st Grade cricket. This opportunity arose due to a proposal to eliminate the bye that was occuring in 1st Grade at the time.

In the season 1961/62 the club moved to Hillcrest Reserve and was renamed Bassendean-Bayswater. At the start of the 1980/81 season the club was renamed again to Bayswater-Morley to better reflect our catchment area.

The club now fields four senior, one colts and four junior teams in the WACA competition.
