This season we celebrated the Club's 75th anniversary. From humble beginnings as the Bassendean Turf cricket Club, later Bassendean Bayswater, before becoming the Club we know today as Bayswater Morley Districts Cricket Club in 1980/81. Our Club has a proud history producing Test Cricketers and State Cricketers, Premierships and Club Championships, but most importantly providing many with the opportunity to play cricket at their highest level and forming countless friendships and bonds.

Some of these memories and bonds were re-lived when we marked the occasion in December with a Luncheon for past players, officials and supporters. This was a fantastic event, hosted by the ABC's Nadia Mitsopolous, who interviewed Club legends Bob Massie and Bruce Reid. We had people attend from all across the Club's history, many of whom hadn't visited Hillcrest in years, who enjoyed the occasion immensely. I would like to acknowledge Kym Howes, Tim Heal and Michael Warwick for the work they did to make this event possible.

# PRESIDENT'S REPORT

The 2021/22 season was a significant one of our Club for two reasons.

Firstly, the Club celebrated it's 75th anniversary this season which was recognised earlier in the Annual Report. Our Club has a long and proud history, and this is due to the hard work of countless people over this time. We are the current custodians of the Club, and it is important that we recognise the contributions of those who have gone before us, and that we ensure we leave the Club in a strong position for those that will follow.

The second major event, which commenced during the off season and was the result of a number of years work, was the redevelopment of our practice wicket facility. This involved the replacement of the existing hard and turf wicket nets, some of which was over 40 years old. This was a $160k project that was made possible through the support of grants from Cricket Australia and the State Government, with the remainder of the contribution coming from the City of Bayswater and the Club itself. This was the largest project undertaken by the Club since the development of Upper Hillcrest in the early 2000s. I would like to thank the City of Bayswater especially for their ongoing support in funding and making this possible. Whilst the project was delayed slightly due to weather and other factors outside of the Club's control and this impacted on the first few weeks of training,we now have a much safer, professional and functional practice facility which will hold us in good stead for many years to come.

One major factor in the Club being able to fund such a project is that we are in a sound financial position. This is due to a number of people who have worked hard to manage the Club's finances over a long period of time. It is also due to the generous and ongoing support of our sponsors. We would not be able to provide the facilities and have the Club that we have today without this generous support. Once again, John Moore continued to play a key role in this area as he has done now for over 40 years. Tim Heal was also able to secure new sponsors as well as introducing "Ball Sponsors" for each round which was very successful, and I would like to thank all of the supporters, businesses and families for their generous contribution. Neither John or Tim sit on our Management Committee but the work they do is vital to the sustainability of our Club.

This year we welcomed new members onto our Management Committee which included some 'younger' players which was a pleasing development. I would like to thank our Committee for all their work and support. I would particularly like to thank Peter Marriott as our Treasurer for the sensible and practical way that he steers our finances. This is a time consuming job with most of the work going unseen and our Club's finances could not be in safer hands. I would also like to recognise our Vice President and Bar Manager in Michael Warwick who won't be continuing in these roles next season. Michael has spent countless hours over the last couple of seasons managing our Bar, but also as a player and volunteer for over 25 years. Thank you Michael for your service to our Club.

For me the other significant improvement at our Club over the last number of years has been the improvement in the quality of our playing and training pitches. Tim Heal and his team continue to excel in this area, with Lower Hillcrest being ranked as the 2nd best pitch in WA Premier Cricket.

On the field we had a "first" in the Club's 75th year, and that was our 1st Colts Premiership in the Club's history. Congratulations to that side who played with great skill and determination to win this premiership. We also enjoyed another 2nd Grade premiership. I say 'another' as this is the Club's fourth 2nd Grade Premiership in five years. A truly outstanding achievement and well done to Jarrrad Daniells who has led this side so well over this time. We should never take premierships for granted, but it would be great for us to continue to build on these successes.

I will leave it to our coaches and captains to write more about the season in their reports, but I would like to recognise Ben Williams for the great job he continues to do as Club Coach. I am sure I say this every year but it is a hugely time consuming and sometimes all consuming role, but Ben takes this challenge on with great passion and is doing a great job. Ben's efforts were also recognised this year by being asked by WA Cricket to be an assistant coach in the important State Under 17's program. This is great recognition for Ben, and also fantastic to have our Club Coach being part of this program and our Club being the beneficiary of this knowledge.

Ben was ably supported by his team including Brett Johnson, who returned to the Club this year as Senior Assistant Coach, and our Director of Cricket/Chairman of Selectors in Tim Brookes.

In our junior program Tim Heal and Brendan Criddle once again did a fantastic job as Junior Co-ordinators. Both of these men are stepping down from these roles and I would like to thank both for their excellent stewardship of our junior programs. I would also like to thank all of our junior coaches, managers and volunteers for their efforts. We are not blessed with the numbers of junior players in our "zone" as many other Clubs are, but these people all help make our Junior Program as strong as it can be. This is also due to the very valuable contribution from Terry and Gary O'Neil from our major sponsor, Kevrek, who we can't thank enough for their ongoing support of our Club and the Junior Program in particular.

Cricket is a time consuming game and it requires many people to make it all work. Thank you to all of our volunteers for the hours and work that you put into our Club. We can of course always do with more people to help out, and it is important that we continue to grow our volunteer base.

In finishing, I love the game of cricket and I am immensely proud to be president of our Club. However what I most enjoy about being part of a great Club is when I see our players, both senior and junior, working hard and enjoying their own success, but most importantly the success of their team mates. If we can continue to do this and do it well, then Premierships and Club Championships will be the outcome, rather than the other way around.

To recognise our 50th anniversary in 1996 Life Member Ric Booth produced a magnificent club history, titled *The Evolution of the Bears*. Not only was this a great publication but the title is extremely appropriate as we have evolved from humble beginnings to where we are today. As we 're-start our innings' after Tea and move towards the 'Ton', I look forward to our next chapter as we have much to look forward to. Bring on 2022/23!

**PRESIDENT**
Daniel Howes

# COACH'S REPORT

Season 2021/2022 was another highly successful season, culminating in two premierships. I wrote last year that our want is to win all competitions that are available to us and whilst we fell short of our ultimate goal, I am so proud of our 2nd Grade side and our Colts for being able to hold premiership flags aloft.

The season was a rollercoaster ride with Covid again shortening the season and disrupting our push to have all grades reach the finals. Each grade had winning stretches but ultimately as a collective we never quite had all teams winning at the same time which led to our 6th place finish in the Club Championship. Whilst not a reflection of our talent base, it was a fair reflection of our combined season.

Each and every season we aim to win the Club Championship and next season will be no different. I know that our group can be better for longer and the 1s, 3s and 4s don't have to look any further than what the 2nd Grade have achieved over the past 5 seasons to witness what is needed to bring home the ultimate!

I would like to thank the entire playing group, coaching group, committee and our loyal supporters for your continued support throughout the year. It is a time-consuming passion however with your dedicated support, love and commitment, it certainly makes it worthwhile. There isn't a Club I would rather be at.

Our preseason was long and tough but our player numbers and support of each other shone through. It is not a coincidence that we achieved two premierships. A great attribute that our group has is the harder the challenge the more they wanted to conquer it. It's this attitude and drive that will continue to bring us individual and team success.

Our season was full of personal achievements which ultimately led to team successes.

The 2nd Grade did it again, a 4th premiership in the last 5 seasons, what an achievement. And for me, this was the best of the lot. The group faced adversity and beat it. From sitting mid table at Christmas, using 24 players and then defending just 104 to make the Grand Final, this was a famous flag. The leadership within the side has never been questioned with Jarrad Daniells one of the finest captains I have witnessed but add to that the growth and support of Callum O'Connor, the calmness of Ross Loiacono and the downright win at all costs attitude from Christian Smith, the end result was never in doubt. Questioned by many, but not internally, the belief in each other was ridiculously strong.

The 2nd Grade had many highlights throughout the season with Nicholas Merrin's 142 against Scarborough the standout performance along with Jake Lewis' 110 with the bat. From a bowling perspective, Jarrad Daniells 6 for 22 in the semi-final win was outstanding and Callum O'Connor's 32 wicket season underpinned his talent. for 53 from a bowling perspective.

From sustained success to our first success, the Colts premiership.

Our Colts group achieved what everyone knew they could once they harnessed their undoubted talent and ability. And that they did.

The group of young men was brilliantly led by Jake Egan who showed his class and unbridled talent at the WACA during the grand-final with an exhilarating 56 off 30 balls with 4 x 6's.

Marcus Farquharson's man of the match performance with 32 not out (1x 6) and 4 for 21 off his 4 overs, won't be forgotten for many years by those who were there in support.

Through the competition the group had some amazing individual performances with Ryleigh Cameron's 81 off 57 balls in the Quarter Final and Lane Berry's 73 off 52 balls to Marcus Farquharson's 13 wickets at 9.15 and Lachie Dique's 11 wickets at 10. And finally to the "glue" of the group, Cameron Todd's all-round performances with 8 wickets at 14.38 and 192 runs at 37.33.

A special mentioned to Gus Bloxham who was integral in getting the boys to the Grand Final. Unfortunately, the Covid policy precluded him from being selected in the premiership team. Gus, your future is really bright, and I am confident you have many successes coming your way.

Our 1st Grade sat fourth at the Christmas break and unfortunately we were only able to win 2 of our last 5 games to miss the finals and end up in ninth place. In a nutshell, we let games slip that we had in our keeping. We are close to having a significant season, tidying up small parts of our game will have a large impact on results.

The most pleasing aspect of our season was seeing a number of players break through at the level. Ryleigh Cameron and Lane Berry both bringing up their maiden hundreds along with Cameron Todd making 3 scores above 50 and batting for over 1000 minutes. Mitchell Todd showed his class with his 4th career hundred with 102 not out. From a bowling perspective we were led brilliant by Kyle Wiggers who took 28 wickets for the season. This culminated in Kyle being selected in the WA Premier Cricket team of the Season and winning the Lawrence Medal. Congratulations Kyle, well deserved.

Other bowling highlights included Jonty Wilde's marathon 26.4 overs taking 6 for 37 against Melville and Liam O'Connor's 18 wickets from only 7 matches with a best of 5 for 26. We are looking forward to having Liam's skillset available for the entire 2022/2023 season.

The playing group has brilliant comradery and a real desire to win. I am confident that our group knows that if we play our best for long enough, that the results will come and we will reach our destination. The belief in the group and what it can produce is shared by the leaders. Our group was captained by Kyle Wiggers with strong support from Grant Thistle in the absence of Liam O'Connor.

To Kyle, Grant and Liam, thank you for your time and energy and tireless work through the season. I know that our club is in excellent hands with these three young men and I know that each of you have a fierce determination to take our club to the very top and I know the boys will get there with your leadership.

Our 3rd Grade side never quite gained any traction through the year which led to a disjointed season. The group has some outstanding talent and with a reset are well placed to improve sharply and return to the top of the standings in the coming season.

We had a change of leadership in the 3s with Nicholas Volk taking on the leadership duties. As a first-time captain, Nicholas you did an excellent job with your unwavering support of your players and positive and encouraging attitude a real credit to yourself.

There were some brilliant individual performances through the year with Nicholas Merrin again providing the season highlight with his 117 not out with 262 runs at 131 simply outstanding, with his weight of runs ensuring that he received higher honours. Adam Green showed the class that we know he possesses with an excellent 106.

The bowling was ably led by Christian Lee 17 wickets at 21.88. Further highlights included 5 for 72 from Jack Wasley and 5 for 56 by the then 15 year old Gus Bloxham. With continued hard-work, Gus, your future is very bright.

The 4th Grade had another strong campaign, making the quarter finals the year after their premiership success. The team was again led brilliantly by Mal Wilde. Mal the way you have conducted yourself as a leader shows the person that you are. Genuine, caring and loyal.

Whilst the 4s didn't quite get back to defend their premiership, their season was still a success. Mitchell Pope's debut will long be remembered with a classy 144 not out. The sky is the limit for Mitchell. Not to be outdone, Andrew Brigden-Guthrie made an excellent 105 whilst Timon Peter's backed up his hundred in last seasons decider with an excellent 102 not out.

Our bowling unit was again led by our main man in Mal Wilde. Mal took 37 wickets at 10.92 with best figures of 6 for 56. Ross Nesbitt had an excellent season taking 19 wickets at 13.32. The more we put on Ross's shoulders the more he stepped up. It is pleasing to see him realize his talent.

Sadly, Mal has announced his retirement and we have significant shoes to fill. Mal, thank you for your unwavering support and for leading our next group of young men and showing them the right way to play the game that we all love. You will be missed.

Those same sentiments ring true of another retiree in Ross Loiacono. We have been blessed to have you as part of our club. You are the fabric that makes our Club so great. Ross, you have had an amazing career but for me the ultimate accolade is the respect that you are held in by each and every player that has had the pleasure of playing with you. Ross, we will miss your all-round skills and calming influence that you brought to each and every game.

This season saw a change in our coaching ranks with the addition of Brett Johnson as our Senior Assistant coach. Brett you were a breath of fresh air with your cricket acumen an absolute bonus for our playing group. Your guidance in leading

the Colts group to the Clubs first Colts flag was outstanding and your support and encouragement in assisting Jarrad to the 2nd Grade flag shouldn't be underestimated.

In addition to Brett, we were thrilled to add Michael Dighton as our Specialist batting coach. Michael imparted his significant wisdom to a number of batsman who through conversations felt the advice received from Michael will assist them with their game for many years to come.

And to our bowling coach, Bruce Reid, thank you so much for your advice and wisdom over the years, it has helped me more than you know. You advised me that last season was your last in a coaching capacity. We are forever grateful for the time that you have given to us to make us better. You will be missed.

Tim Heal and Elijah, thank you so much for all the little things you do that we don't see that provides us with the best facilities in Perth. Our training facilities and game day pitches are simply brilliant. We all know that you go over and above and we really area appreciative of your hard work and commitment.

I would like to thank the unsung heroes of our Club that are always happy to assist without fanfare. To all of our grade scorers, Bev Todd, David Pearson (aka Rowdy), Amon and Craig Hampson, thank you for taking on the unenviable task, I know that the players are grateful for your help on game day. To Carl Ross, thank you for the photos that you produce year on year and to all of our loyal supporters, thank you. And talking about supporters, to the Green Bear Army, your support at the WACA to encourage the Colts and the 2 days at UWA to cheer on the 2nd Grade showed how strong our culture is.

To Anthony Loiacono (Yakka) thank you for putting your hand up for doing the most thankless task at the Club. Quality people like you are hard to find. We are very fortunate!

You can't do this job by yourself and to the Committee and the CDC, thank you for your continued assistance in helping me to improve and lighten the load by surrounding me with quality individuals. My want, your want, is to continue to drive our Club to be the best version of itself. Your time and energy is immense with little or no reward.

Finally, cricket is a time-consuming sport and without the unconditional support of my family I would not be in a position to undertake my role. I am so fortunate to have their love and reassurance. On that theme, to the broader Howes family, you continue to amaze me with your dedication to cause. I know that it is an all-encompassing passion and we are very lucky to have such a beautiful family that always does what is needed. Daniel and Kym (and kids) thank you so much.

Like I have said before, make no apologies in wanting to win. Lets continue to chase our dreams and win with dignity and grace. 4 premierships and Club champions. That has a nice ring to it.

## Thank you to our sponsors

Sponsors are the lifeblood of our Club.

We are fortunate to have many loyal sponsors who have supported our Club over many years, as well as new sponsors and advertisers who have come on board in recent seasons.

The broad range of businesses our sponsors operate are reflected in the advertisements in this Annual Report.

We ask all members, players and their families from both senior and junior ranks to support them where possible. Don't forget to mention your connection with the Club when you make contact with them!

# 1ST GRADE

Being reinstated as1st Grade captain for another year was a privilege and honour and I thank the Club and the committee for their continued faith in my leadership abilities.  I have loved the opportunity to represent Baysie as captain this year and walk on the field with a fine young group of men. I really enjoy providing the annual report which is a great opportunity to reflect on our season, share some of the excellent performances and consider what our next seasons goals will be.

In my leadership this year I certainly wasn't without support, and for half the year I was fortunate enough that second year player Kyle Wiggers did an outstanding job stepping into the captaincy role in my absence. Kyle showed myself and the Club that he has exceptional leadership, especially for someone who is very new to our Club, and I thank him for the efforts he put in throughout the year.

I'd also like to highlight Grant Thistle for his leadership assistance this year. Grant throughout the season provided guidance and key wisdom to myself, Kyle and the younger players and embraced the senior head role that had been lacking in previous years.

The 2021/22 season unfortunately proved to be another season where our side just slipped short of finals, and we missed out by a couple of wins. Our season started as planned and come Christmas we were in the top four.  This great start did not continue when we lost our way in the second half of the year, finishing a disappointing 9th after letting winnable games fall by the wayside when in strong positions.

Our 1st Grade players continued to develop solidly under our head coach Ben William's guidance and showed significant improvement as a playing group, even though this was not reflected in our final ladder position. Ben's push for high standards both in our performance and culturally, along with his cricket knowledge, is a great asset for our players and I thank him for his commitment to the Club and his role.

The improved progression amongst our young batting group was evident this year, with three separate players scoring excellent centuries this season... the most in as long as I can remember! Mitch Todd scored his fourth 1st Grade century and youngsters Ryleigh Cameron and Lane Berry hit their maiden 1st Grade centuries, highlighting the continued development and maturity of our young batsmen. Ultimately, only having a couple of batsmen score over 400 runs and average in the 30's outlines that we have work to do to turn our good batting seasons into outstanding batting seasons with the aim of players hitting 600+ runs. In addition to the batsmen already mentioned, I thought that first year player Cameron Todd showed some really positive signs when opening the batting and his brother Aaron Todd showed glimpses of the high-quality batting talent we know he is capable of and performed well behind the stumps for us.

Our versatile and experienced bowling attack in the past has always been our strength and once again this was shown with some outstanding individual performances. Consistency was the trend with the group and most notably we had Jonty Wilde take 6/37 against Melville, including a brilliant caught and bowled dismissal to win the game with Melville needing only 3 to win. Kyle Wiggers took his first 5 wicket haul in the First-Grade and was named in the WACA team of the year taking 28 wickets at 19.21. Kyle was also rewarded for his breakout year by winning the prestigious Lawrence Medal, highlighting how great his year was.

Grant Thistle delivered a standout season in the 1st Grade averaging 37 with the stick and taking 14 wickets at 20 with the ball, putting his name in the mix amongst some of the top all-rounders in the competition and reinstating his belief that he is certainly good enough to perform at a high level in1st Grade cricket.

Our 1st Grade side had two debutantes in young leg-spinner Marcus Farquharson originally from Sydney who impressed with the ball Nick Merrin who earned his selection through some huge performances with the bat in the second and third grade sides. Both players showed exciting potential to be strong 1st Grade players for us moving forward and hopefully this was the start of successful 1st Grade careers for both.

As a 1st Grade collective we certainly have a few key areas to improve on if we are to earn the right to play finals cricket. Our second half of the season fade-outs must be corrected, and we have to win those close games where we put ourselves in winnable positions. Culturally we must continue to support each other and set standards for the other grades – what you walk past you accept.

I want to finally thank Bev Todd for her assistance on game days with scoring and any Club duties she is asked to do, Yak for his efforts over many years as net captain (enjoy the golf retirement), Michael Dighton for his work with the batters in the pre-season and our supporters for the continued backing they give us week in and week out. I'd also like to thank my partner Lenore for her support throughout the year and keeping me on the park!

I wish everyone a safe and enjoyable off-season and I am looking forward to what is shaping up to be a big 2022/23 season

# 2ND GRADE

I would like to start by thanking Daniel, the Committee and everyone that volunteered their time this season. This great Club continues to grow and has a very exciting future. On behalf of the players, I would like to thank everyone involved for all the work you do.  To the sponsors, thank you for your generous support. We appreciate that these COVID times are difficult for all so your continued support is incredible.

To Ben and the other coaches thank you for all your hard work and commitment. Ben, thank you for everything you have done. You continue to explore ways for us to improve and challenge us to challenge ourselves. As I said at the awards night you have always backed me to lead the side and have never asked me to take a backseat or step aside. Your support has continued to drive me to strive to be better and to help the players around me be better. I can't thank you enough for your support and friendship mate.

Brett Johnson joined the Club this year as Ben's 2IC and was assigned to manage the second grade. Having played my first game of second-grade cricket under Johnno many years ago it was a bit intimidating. In my early years in second grade, Johnno was the best player in the competition. Johnno and Ben worked excellently together at training and in the selection room. On game days Johnno arrived early to set up and provided his guidance and support to the team all day. Johnno genuinely wanted everyone to improve and for the team to succeed. Johnno, thank you for everything you did for the boys and I this year. I hope that you will get on board again for next year. On behalf of the players we thank you for giving up your time and helping us out.

Thanks to Rowdy and Eamon for scoring again this year and we hope you are back at the Club again next season. I know the boys really do appreciate what you do for us and I certainly am appreciative of you submitting the scores on time and reminding me to do my captain's report. Rowdy, you sprung a surprise on me advising you retiring from the art of scoring. If this is the end, we can't thank you enough for giving up your time to score for us over the past few years. Eamon will need to pick up the slack next year and hold the fort. Thank you both.

Coming into this season we were again going to be the hunted after winning back-to-back premierships. This season was different from a previous couple of years. We had a couple of players depart the Bears in Travis Keys and Jeff Willey. Both players contributed to our successes in the previous years. Callum WIggers was sorely missed prior to Christmas. Our form this year was patchy, and we lost a few games that we expected to win. In previous years we had players have outstanding seasons and win the competition awards and this contributed significantly to our overall performance. This year we had a much even spread of contributions and we were able to deliver when it mattered. We had a couple of new players to the Club in Jordan Ludgater, Marcus Farquharson and Brendan McPhee who played some great cricket for us during the year. In other second grade debutants we had Gus Bloxham who showed he is going to be some player.

We had a few guys spend time between first and second grade and it was great to see players like Cam Todd, Lachie Dique, Jake Egan, Josh Fontana, Marcus Farquharson and Brendan McPhee spend time in the 1st Grade. We had some experienced players play second-grade cricket for us this year including Christian Smith, Robby Guy, Jake Lewis, Jonty Wilde, Grant Thistle, Ross Loiacono and Michael Neves. It shows we have a great balance of youth and experience.

At the start of the year our goal was to win another flag and to replicate the feeling the whole Club felt when Callum O'Connor

hit the winning runs in the grand final the previous season. I would like to acknowledge some of the excellent individual performances throughout the year to get us into another final's series. This year Nicholas Merrin had a breakout season from starting in the third grade, to dominating the second grade to making his 1st Grade debut. Nic works incredibly hard on his game and is a quiet achiever. This season Nic contributed 484 runs @ 40.22 in 13 matches with 4 x 50's and an incredible 142 against Scarborough. It was a pleasure playing with Nic and seeing him get the rewards for his hard work. We were lucky to have Jake Lewis for most of the year due to his work commitments. Jake was outstanding for us taking out the second-grade batting award for his 518 runs @ 51.80 in 13 matches with 3 x 50's and an excellent 110 in the first final. Callum Wiggers re-joined up post-Christmas after Elbow surgery and contributed 348 runs @ 38.67 in 9 matches and scored them in his typical blistering fashion. Brendan McPhee joined the Club mid-season and showed his talents scoring 426 runs @ 42.60 in 10 games (between Scarborough and Baysie). From a bowling perspective, Lachie Dique took some giants steps in his career and lead our new ball attack. Lachie took 22 wickets @ 21.14 from 18 matches and showed throughout the season he can deliver when the team needs. It was great to see Lachie play in the grand final side after just missing out last year. He is a great young kid and has huge potential and I look forward to watching him next year. Callum O'Connor was once again outstanding. He took 32 wickets @ 16.66 from 16 matches including 6/53 against Gosnells. I finished the season with 30 wickets @ 16.30 from 16 matches.

Our 2nd Grade award winners for 2021-2022 season:

| | | |
|---|---|---|
| Batting | Jake Lewis | 518 runs @ 51.8 |
| Bowling | Jarrad Daniells | 30 wickets @ 16.3 |
| Fielding | Josh Fontana | |

Last year will be forever memorable for the way we won the premiership. This year feels just as special given where we were on the ladder at Christmas and the inconsistent cricket we played throughout the year. I remember feeling if we can sneak into the finals our best will be good enough. Sure enough, we snuck into the finals and played Fremantle on their home deck. Jake Lewis played a class innings to score 110 and looked a class above. We just couldn't find a way with the ball and Fremantle smashed us. Late in the game I was on the boundary and two Fremantle players heckled me about how good the scoreboard looked. I turned around and said the season is not over yet. After the game, we were watching the other final hoping to be given another chance and we were lucky enough that Scarborough beat University, giving us a second chance.

We progressed through the semi-final against Scarborough on their home deck. We lost the toss on a wicket that was slightly green and on the softer side. We lost regular wickets and slumped to 7-48 before Jordan Ludgater (22) and I (30) pushed the score to 104. The game looked dead and buried with Scarborough 0-40. Three late wickets saw Scarborough end the day 3/52. Arriving at the ground the next day the boys were upbeat and ready for the challenge. Ben gave an emotional address retiring both Ross and I but that seemed to get everyone up and about. We dominated day 2 which saw Scarborough lose 7/33 to be bowled out for 85. Callum O'Connor (3/25) and I (6/22) combined for 9-47 from 44.2 overs in a display that rivalled the feelings we felt from the grand final the year before. We then managed to bat long enough to see Scarborough throw in the towel and were into another grand final. The boys celebrated accordingly at Johnnos that night knowing we had done something special.

We faced off against Joondalup in the Grand Final at James Oval. They were coming off beating Fremantle, who smashed us only a couple of weeks before. We won the toss on a good track and we were well on our way to a big score. Callum Wiggers (58) and Brendan McPhee (60) were outstanding both making quick-fire half centuries. Jake Lewis contributed a valuable 37 and we then proceeded to undo some of the good work. Ross Loiacono scored a crucial 50 and I chipped in with 21 to push the score to 255. We bowled and fielded quite outstandingly given the pressures of a grand final. All the bowlers were exceptional, and the wickets were spread. It really was an incredible way to end this season. Cody Hoffmeister has been incredibly unlucky the past two seasons and missing the grand final. Hoff, you are just as much a part of this flag as you have been the previous one. Your support for the boys throughout the final series at training and as 12th man is a credit to the person you are mate. Thank you for your understanding and support.

I would like to thank everyone who came down and supported us during the final's series. Some of you breaking the law to attend during COVID times was very much appreciated by the boys. The atmosphere you all created over the final series was phenomenal and certainly helps bring out the best in us.

To the other grades, I hope we are all playing at the business end next year. Let's continue to work hard and enjoy each other's company and successes. I look forward to other season with all you legends.

To Ross and Mal who are hanging up their boots, you guys are really legends. You will be sorely missed on and off the field. You have given this Club so much of your time and efforts and I wish you all the best for whatever the future holds. I hope you can still make it down for a beer and a laugh, love you both.

Lastly, to my Fiancé Ashleigh, thank you for allowing me to go around again. The boys loved your afternoon tea snacks and I have been asked for them to continue. I hope that you will bring my son down to games so he can watch me play and groom him to become a baysie bear. Thank you for everything you do, love you.

# COLTS

It is fair to say that there was a high level of expectation from our Colts group in season 2021/22. That was particularly evident when I arrived in the changerooms for the first game in our campaign, to loud and very ordinary music playing, but also a buzz of excitement around the team. Our squad wanted to achieve success.

In the six games we played, we set totals in four and chased in two.

Our first game was at home against Claremont Nedlands and had us compile 143 off our 20 overs and then restrict our opposition to 92 in reply. Our batting effort was dominated by Lane Berry with 73 off 52 balls and Marcus with a run a ball 34. Wickets were shared amongst the bowlers with Cameron Todd, Jake Egan and Marcus Farquarson all taking two wickets each.

In game two we chased 101 against Fremantle at Stevens Reserve with Cameron Todd dominating with both bat and ball, by scoring 38 and taking 3/16. Cameo's from Ryleigh Cameron and Jake Egan with quickfire 20's and a superb bowling performance from Lachie Dique in closing out the Fremantle innings with 3/11 a further feature.

Our third game at home against Wanneroo had us defending 121, keeping the Roo's to 102. Ryleigh Cameron and Cameron Todd with 27 and 30 respectively were the pick of our batsmen whilst Lachie Dique again performed magnificently with 3/14off his four overs. This game also announced the arrival of Angus Bloxham with 4/15 on debut. A brilliant effort for a young spin bowler.

Our quarter final saw us take on Scarborough at home and included the Bayswater Morley Colts debut of one of their past players in Brendon Mc Phee. In winning the toss we chose to bat on a fantastic Hillcrest wicket and scored 170 off our 20 overs. Our batting was highlighted by Ryleigh Cameron with 81 runs off just 57 balls with 5 fours and 4 sixes, Brendon McPhee with 46runs off 34 balls with 3 fours and 3 sixes and Lane Berry with 29 runs off 20 balls with 2 fours and 2 sixes. In a game dominated by the bat, Lachie Dique again bowled beautifully with 3/22 off his 4 overs.

Our home Semi Final against Wanneroo had us chase down 117 in 19 overs with Brendan Mc Phee our best performer with 33 off 24 balls. Jake Egan was the pick of our bowlers with 3/20. It was a solid team performance overall and booked us a chance at the title of Colts Champions.

Our Grand Final was played at the WACA against a very strong and experienced Melville outfit. The coaching staff tried to temper the nervous energy in the changeroom pre game with a couple of jokes. Unfortunately, Lane never got either of them.

The joking dried up very quickly when we were 3/13 early in our batting innings. Enter stage left, our Captain Jake Egan. He proceeded to swing the momentum back our way with an innings of great courage, belief and skill execution in compiling 56 off 30 balls. It was high octane batting when our backs were against the wall. Ably assisted by Cameron Todd with a solid 20 and Marcus Farquarson with 32 off 37 balls, we managed to reach a respectable 137 off our 20 overs. Lachie Dique and Cameron Todd tightened the screws early, before Cody Hoffmeister, Jake Egan and man of the match Marcus Farquarson turned the game our way. Marcus finished with a game defining 4/21 off his four overs.

Whilst Marcus thoroughly deserved his man of the match honors, it goes without saying that our captains knock was pivotal. Finally, after 75 years the Colts flag was coming to Hillcrest. Before returning to the club to celebrate, a further highlight was the singing of the club song by all our players and supporters out on the WACA. Our players will remember that forever.

Back at the club, our celebrations were first class. The players finally succumbed and played the coach Piano Man by Billy Joel. It was definitely song of the night.

From a coaching perspective, the following things were very pleasing.

- The captaincy of Jake Egan was all class. His ability to execute plans with his team, adapt quickly during games, rotate his bowlers and set fields was exceptional.
- The maturity of Ryleigh Cameron as a batsman was immeasurable and culminated in his first A grade century for the club. His wicket keeping was excellent, with 6 stumpings in our Colts campaign a distinct feature.
- The pure class of Lane Berry as a player of the future. A few small technical corrections to his game should see him achieve higher honors in the near future.
- The desire to win from Cameron Todd can never be questioned. His acceptance of batting at number 5 instead of the initial number 3 saw him develop into a great innings finisher and save us on many occasions and win us games. His batting was very consistent.
- The inclusion of Brendan McPhee gave us greater batting depth and a stronger fielding side.
- The continued improvement of Marcus Farquarson was evident. Better things are coming his way in years to come. His integration into the Bears culture has him highly regarded by the playing group.
- Our bowling as a collective was top notch. Lead by Lachie Dique who opened and closed out our bowling innings with great support from Marcus Farquarson, Jake Egan, Cameron Todd, Cody Hoffmeister and Angus Bloxham meant opposition teams found scoring difficult.
- The selflessness of Ross Nesbitt and Cody Hoffmeister in often not bowling or batting in games, but still wanting to be part of the team didn't g

Ross Nesbitt
Elijah Ward-Armstrong

- The emergence of Angus Bloxham – enough said.
- The great attitude of Mitchell Williams, Timon Peters and Elijah Ward Armstrong when given 12-man duties was great to witness. Disappointed in their non selection but still dedicated to the functioning of the team was a mark of the team players they all are.
- The amount of support from our players and supporters was incredible. We outnumbered our opposition 3 to 1 on most occasions and that support was much appreciated by our playing group.

The opportunity afforded the Colts players does not just happen. To our scorers Bev Todd and Rowdy, thank you for your commitment to the Club and Colts players this season.

To our President Daniel Howes and his committee, a huge thank you for your club devotion and long hours. Without question, we are well-run, organized and the envy of opposition clubs.

To our supporters, you are the very reason why our club is so enjoyable to frequent throughout the season. Special mention to Kym Howes and Adele Heal and Yakka for you great support.

To our Head Coach Ben Williams and Chairman of Selectors Tim Brookes, we are in great hands. Ben is an excellent technical and caring coach who is committed to the ongoing development of our playing group both on the field and off it. Our players are very lucky to have a head coach who genuinely cares so much about his players. Tim Brookes has great knowledge of cricket and always wants to see our club continue an upward trend with player development and welfare. A sincere thank you to them both.

To our curating staff, Tim Heal, Michael Warwick and Elijah Ward Armstrong, you should all be proud of the wickets being produced at Hillcrest.

To Ross Loiacono and Mal Wilde on their great careers, heartfelt congratulations to you both. Not only are they both great cricketers but more importantly great people. They are the fabric of Bayswater Morley CC. Just remember boys, you never retire from the club, and we will have you on the bar roster, painting sightscreens and coaching our youth next season.

And lastly to my family for allowing me the time to do what I love, a huge thank you. Your love and support is appreciated greatly and I love you all.

To an even better season next year. Go the Bears!

**COLTS CAPTAIN**
Brett Johnson

# VOLUNTEERS

## Thank you to our many volunteers

Volunteers are the foundation blocks of our Club's success.

Thank you to the many volunteers who selflessly offer their services, including committee members, registrar, coaches, assistant coaches, team managers, scorers, bar staff, afternoon tea preparers and many other unsung heroes who quietly go about their business helping out when required.

Our Club is heavily reliant on volunteers to donate their skills and time to ensure players enjoy a professional, safe and enjoyable environment to develop their cricket. Without the assistance and support provided by volunteers, our Club simply could not continue to operate.

We are always seeking volunteers to undertake important roles around the Club such as:

- Joining our management committee
- Serving behind the bar
- Helping on match day - set up and pack up
- Assisting with general maintenance around the Club
- Assisting with Club administration
- Preparing and serving afternoon teas
- Maintaining social media and website content
- Coaching, team management and scoring
- Organising social events and fundraising
- Preparing match day lunch rolls
- Taking photographs of our junior teams during the season

Our Club always needs help.
If you can assist in any capacity, please
**contact Daniel Howes**

*WACA winners: Mal Wilde and Kyle Winners with councillor Lorna Clarke*

# ORS

# JUNI

The seasons just seem to run into one another, this season has been no exception.

The WACA conducted "Batting Foundations" in the middle of July 2021, with Clubs requesting as much input as possible from the WACA in all facets of cricket, to build on the foundations of all coaches at Premier Clubs. There was a good turn out from all Clubs, which I think really shows how much Clubs want to develop their players as they prepare them for senior cricket.

Bayswater Morley's first session for the season was conducted at Ballajura Indoor Sports on the 9th of August, with both the U15's and U17's taking part, although this was for an extended period with the new nets being put up on Drake Street, all grades were asked to be patient, especially with the extremely wet winter we experienced and the delays this caused. Both the Bayswater Shire and the Club are to be commended on the result.

With several winter sports being played during July and August, we are always keen to take advantage of, and build on the players fitness levels. This season we conducted 3x fitness and fielding sessions, which were of great value to the players. Brad Foote also conducted his Core Value Session in late August, the U17's also conducted their Core Values as we have done for the last 5 seasons. Something I'm extremely proud to have initiated in my time as Co-Ordinator.

With the wet weather hanging around in September we attempted to conduct Intra-Club fixtures but were hampered somewhat but we were able to conduct batting and bowling sessions for the U15/U17's.

November was a busy month with the WACA, building on the "Batting Foundations" with a workshop conducted by Michael Thistle on Fast bowling, Brett "Piggy" Mulder conducted a spin bowling session and a wicket keeping session held at the WACA in late November.

Bayswater continue to work on the relationship with Cricket Southwest through Nathan King in December, with the blessing of the WACA. Along with a game against Guildford Grammar.

Both Brad Foote and Wim Van Houwelingen will go through there season proper, so I won't steal any of their thunder.

Congratulations to the U15's on there season. Also, to the U17's who needed to win 1 of there last games to play finals, you should be proud of your season, they were well led by Mitchell Pope and the leadership team of Jack Criddle and Zach Howes.

To the second year 17's, congratulations on your junior careers at Bayswater Morley. You have all grown into fantastic young men-JA Baard, Jack Criddle, Taj Jones, Win MacLauchlan, Mitchell Pope, Mitchell Scorer, Mitchell Williams, Ryan Skett, Jacob Wilkie, Sachin Suresh and Ben Palmero.

To the Head Coaches-Brad Foote (U15) and Wim Van Houwelingen(U17), thank you for your tireless energy, enthusiasm and love of the game, the Club and especially your players.

To the Assistant Coaches- Matt Pope and Dan Bennett, fantastic sounding boards and great coaches in your own right, I have loved having you - you blokes are bloody brilliant.

To the Managers -Mel MacLauchlan and Nadia Mitsopoulos, best morning teas in the Junior Premier Comp…it is a competition within a competition, to beat all other Clubs. Your managing of your teams is second to none…Thank you.

Ian Lilly and Leah Agnew, you guys are just good people, your son Brendan no longer plays, but week in and week out you support us…. love it and really appreciated. Also, to the parents of all the players, thank you for the hours you spend washing creams, buying/making morning tea, supporting the team and there for a hug when thing do not quite go to plan.

To the Scorers- Chris Williams in the U17's, the Club cannot thank you enough for the years you have done it. Thank you, mate.

U15's scorers there were a number that did it through the year, many thanks.

Finally, this is my last Co-ordinator's report. When I was approached to help the Club, I am not sure I was aware of the magnitude of the job at hand. I have enjoyed every minute, its not all been smooth sailing, but I think the Club and coaches get it right, often.

Playing finals as good as they are, were not always the end goal. First and foremost, it is making sure the players represent the Club, the team and themselves in the right manner. Getting players ready to play senior cricket is also a major consideration.

As I said previously, I am proud of instilling a set of Core Values (Club, Team, Individual), we have also built on the relationship with Cricket Southwest.

A big Thank you to President Daniel Howes, the work you do for the Club is done for the love, Thank you for the opportunity.

Geoff Parkinson, Thanks for being a great source of knowledge and have appreciated your council over the last 5 years

To the Senior Coach -Ben Williams-Thanks mate and to The Director of Senior Cricket -Tim Brookes also a big Thank you.

My wife Sonya, who thought she had stopped being a cricket widow 10 years ago, had to endure it all over again. I am looking forward to spending more time with you. Also, to my daughter Ava, thank you for your patience and love you lots.

**U15's/U17's**
**CO-ORDINATOR**
Brendan Criddle

# UNDER 17'S

The 17's had a very good season finishing just outside the top 6 with 8 wins from 15 rounds.

Off the 7 losses 5 of those were decided with a margin of 5 runs or less (with 3 of those being separated by 1 run). The players showed very good development in all areas of the game, highlighted with their batting development scoring 190 + runs in 5 of the 6 limited over matches and 120+runs 4 x in the T20 format.

Match highlights include : Rnd 5 v Perth 3/251 with a 150 run opening partnership from M. Williams & R Skett along with a 65 run 3rd wicket partnership from M. Pope & I. Pannu. Rnd 6 v Gosnells 6/237 with a 78 run opening partnership from M. Williams & R Skett. Rnd 3 T20 v Scarborough 7/133 with a 78 run 1st wicket partnership from M. Scorer & M. Pope.

Rnd 12 T20 v Claremont Nedlands 3/139 with an 83 run opening partnership from M Williams & R Skett.

Notable performances by players over the season:

**Mitchell Williams**
79 runs Rnd 5, 3/33 rnd 13, 58 runs rnd 14

**Mitchell Pope**
83 runs rnd 2, 51 runs rnd 5, 61 runs rnd 6, 3/26 rnd 9, 63 runs rnd 13

**Ryan Skett**
53 runs rnd 5, 3/24 rnd 12

**Archie Kilpatrick Taylor**
3/46 rnd 5, 4/17 rnd 6

**Ishmeet Pannu**
54 runs rnd 2

**Sean Hayes**
3/29 rnd 2

**Callum Wilde**
73 runs rnd 9

**Jacob Wilkie**
3/26 rnd 9

**The batting award** MITCH POPE

Mitch had an outstanding season with the bat amassing 418 runs @ avg 32. Highlights include : 83 rnd 2, 51no rnd 5, 61 rnd 6, 63 rnd 13.

Mitch finished in the top 10 District Batsmen in the 17's comp for the season. Mitch was also rewarded with senior selection playing every rnd including 13 matches in 3rd grade.

Mitch ended the season as the runner up in BMDCC batsman awards with a total off 745 runs @ avg 32 dominated by a 144no rnd 3 4th Grade, combined with his junior innings Mitch scored 175no on that sat.

**The bowling award** ARCHIE KILPATRICK-TAYLOR

11 wickets @ avg 14.6. Archie's best performance being 4/17 v Gosnells rnd 6 .In that game

Archie took the second over and from there removed 3 batsman in three overs for 2 runs setting us up for a victory. Archie achieved this award having only played in 7 rounds due to injury midway through the season and going by his stats if fit I believe he would have achieved twice as many wickets as prior to his injury he was taking wickets every game.

**The coaches' award** RYAN SKETT

This season Ryan realised his potential as a quality all round cricketer. Ryan took up the challenge of opening the batting over the season in both formats.

In rnd 5 v Perth He and Mitch William produced a 150 run partnership. Ryan was our third highest run scorer in both formats over the season making 213 runs @ 19.3 avg and showed his versatility to adapt to either formats. Ryan also showed he is a very handy Off Spin bowler with a very good economy rate of 3.76. and taking 7 wickets @ 22 avg I would also add Ryan to be one of, if not our best, fielder.

I would also like to recognise these players for outstanding seasons:

Mitchell Williams runner up in the batting with 343 @ avg 34. Mitch had a very good season as our opening batsman.

Angus Bloxam runner up in the bowling 10 wickets @ avg 13, outstanding avg for a spinner and matched Archie's effort by taking his wickets from 7 rounds..

Win Maclachlan for his wicket keeping, finishing in the top 10 district keepers for the season.

I would like to wish all our final year junior players all the absolute best, in whatever pathway their sports, study, and careers may take: M. Pope. M. Scorer. J. Criddle. R. Skett. J Baard. M. Williams. W. Maclachlan. J. Wilkie. S Suresh. B. Palmero. A. Pinelli. W. Cutler.

To all our players coming back we wish you all the best for the upcoming season.

I would like to thank BMDCC for the opportunity to coach this season. I would also like to thank Brendon Criddle and Matt Pope for all the help and support over the season along with Melanie Maclachlan our team manager, Win Maclachlan the IT man for setting up the Frog Box each home game. The three stooges Peter Scorer, Russell Skett, Jannie Baard for their work around the ground and supplying the drinks when needed. TJ for his work preparing the grounds. Chris Williams for taking on the scoring each game.

And finally, thanks to Mitch Pope for his captaincy and leadership over the season.

**U17's COACH**

# UNDER 15'S

Despite not achieving what we set out to at the beginning of the season I can honestly say that I am extremely proud of each and every player in our 20-player squad.

When given the opportunity every player tried their absolute best and did what was best for the team.

The attitudes and behaviour both on and off the field were excellent, with attendances at training and games very good.

Harry Mugge in particular set a great example for all to follow and was an easy choice to receive my Coach's award.

Prior to the commencement of the season, we had a goal to go a step further from semi-finals but due to a number of factors didn't have the success we were looking for.

At seasons end we had a record of 8 wins and 8 losses.

I have had the privilege of coaching most of the squad for the past 4 years (some of them up to 8 years) and it has been a pleasure to see them grow into respectful young adults.

I think it is time they get to listen to a new Coach in 2022/23 and I wish them all the best in their cricketing journey – I will be watching!!

I know as I am writing this several players have missed out on being selected in the 17's squad for 2022/23.

Please do not feel too disheartened as 40 players simply do not fit into a 15 player 17's squad.

I encourage all of you to try out again at the end of the 2022/23 season as the Club will need you in the 17's going forward.

This season we had the following players perform at a high level:

**Oliver de Brandes Roos**
498 runs @ 33.20 618 allrounder points
**Raees Hassan**
320 runs @ 24.62 340 allrounder points
**Thomas Cross**
14 wickets @ 13.14 404 allrounder points **Rhys DeCelis** 8 wickets @ 33.50 343 allrounder points

Oli also took 6 catches and made 2 stumpings.

Unfortunately, beyond this the performances just like our first sessions in the field were disappointing and inconsistent.

I would like to congratulate Oliver de Brandes Roos, Raees Hassan & Mathew Martin on being selected to play at Lilac Hill in the State 15's Talent Carnival – you all did yourselves and your Club proud.

I would also like to congratulate Ines McKeon on all the success she had playing for Midland-Guildford in the female competitions this season.

Our 8 win / 8 loss season played out as follows:

As per tradition now day 1 of round 1 was washed out so it became a T20 v Wanneroo. We had a good win against a team that ended up in the top 4. We batted first on a sticky wicket and put together a competitive score with Oli B scoring 31 (28).

Our bowlers and fielders did the job for us with Jack Zagar (1/6 off 4) and Jasper Syme on debut (2/7 off 4) performing well.

Round 2 v Fremantle gave us a bit of a reality check being soundly beaten over 50 overs.

We won the toss and elected to bat on a damp wicket. Only Oli B 32 (47), Rhys DeCelis 20 (57) and Jasper 22* (25) gave the scorers something to do.

Our first session on day 2 was extremely poor and set a bit of a tone for the season.

After taking a wicket on a no ball the very first ball of the day it all went downhill thereafter with only Thomas Cross (2/32 off 10) and Hudson Foote (1/8 off 4) looking like taking wickets. It was a very long 50 overs to watch!!

The following week (round 3) saw the team play to the standard that was expected of them.

We had a very good T20 win v Scarborough.

Again, Oli B was the star with the bat (84 off 58) and was well supported by Raees Hassan (16* off 24).

Our bowling and fielding were exceptional with Hruthvik Hosur Sridharaswamy (Ricky) taking 4/2 (4) on debut and Josh Bumstead bowling tight for 1/2 (2).

Round 4 and we came up against Melville in a 50 over game.

Apart from a brilliant 100 scored by one of the Melville players there isn't really much to say about our bowling and fielding performance.

Although thoroughly outplayed on day one I thought we could have chased down their score but only Thomas who batted through the 50 overs for 50* (144) showed any resistance.

Unfortunately, round 5 played out very similarly to the game v Melville.

We came up against the eventual winners in Perth and again were showed how to make a 100. Only Thomas (1/13 off 4) bowled respectfully.

Our batting was a little better with Evan Alderslade (23 off 67), Yash Banwala against his old team (20 off 57), Oli (38 off 50) and Raees (23 off 43) showing any real determination and grit.

For the next two Saturday's we ventured out to Gosnells and came away with a good hard-fought win.

**ABSENT**
Ines Mckeon

Bowling first we overcame our slow starts and with Evan (2/13 off 5), Jack (0/16 off 6), Benedictus (Ben) Viandio on debut (2/32 off 9) and Rhys (2/30 off 8) all bowling well we restricted them to am obtainable score.

We got off to a sound start with Oli (32 off 73) and Oliver Smith (36 off 58) looking solid before a mini collapse then Rhys playing a Captain's knock (22 off 45) and Evan (11* off 26 including a great on drive for 4) getting us over the line.

Round 7 and we were out at Lilac Hill v Midland-Guildford and came away with a T20 win.

We batted first and put together a solid score, with Raees (29 off 42) being the main contributor.

Our bowling and fielding was 1st class with Matt Martin (0/11 off 4) and Thomas (2/3 off 3) being the pick of the bowlers. Five runouts definitely helped us to get the win – with a number of those being direct hits.

Prior to the Christmas break we hosted South-West in what has become an annular tradition.

SW batted first with a couple of big 16 year old lads opening up. Marcus Colonico bowled his best spell for the year without luck (0/19 off 6) and after a very strong start from SW we pulled them back with Josh (3/23 off 6), Harry (2/34 off 9) and Bruce Yates (3/23 off 7) all bowling good spells.

We put together one of our better batting performances for the season with Matthew Jenkins (71), Rhys (53*), Harry (25) and Raees (29*) all helping to chase down their score for a good win.

After Christmas we took on Joondalup in a 50 over game @ Hillcrest. We didn't get the result that we were hoping for.

Joondalup batted first and put on a solid score despite good efforts from Om Kadam (2/25 off 6), Jack (0/23 off 10), Matt M (0/14 off 7) and Rhys (3/52 off 10).

Our inconsistent batting let us down with only Raees (30 off 45) and Rhys (21 off 49) showing any real fight.

Rounds 10 & 11 were both T20's v Rockingham-Mandurah & Fremantle.

Both performances were well below standard with Thomas (2/20 off 4 and 2/10 off 4), Josh (0/13 off 4), Matt M (1/7 off 3) and Hudson (1/8 off 3) bowling well.

Our batting was sub-standard with only Evan (18 off 34), Raees (27 off 23) and Oliver S (32 off 32) troubling the scorers.

We then lost a T20 to bottom placed Claremont-Nedlands despite both Oli (56 off 40) and Raees (52* off 62) batting well. Only Ricky (0/12 off 3) bowled well.

Round 13 saw us bounce back to have a very good win against a good Subiaco-Floreat team.

Subi batted first and with strong performances from Matt M (3/38 off 9), Harry (1/24 off 10), Ben (2/26 off 10) and Rhys (1/19 off 6) we restricted them to a relatively low score.

Oli put on a masterclass with the bat and made a sensational 107 (131) and along with Raees (50 off 101) put on 152 for the third wicket.

We then took on Centurions in a T20 and struggling to get a team together were soundly beaten.

Only Oli (30 off 34) and U/13's player Cameron Baxter (17* off 47) made contributions.

Bruce bowled well for 1/6.

We finished off the season well with two good T20 wins against Mt Lawley & South-Perth.

Firstly we took care of Mt Lawley with Jasper (2/18 off 4), Ricky (1/12 off 4) and Bruce (2/8 off 2) all bowling well.

Ines then took control and made 28 off 22 to put us in a winning position, finished off by Yash (14 off 23) and Ricky (10 off 13).

In the last game of the season we batted first and put together a healthy score with Oli again contributing 49 at a run a ball, assisted by Harry (17 off 24) and Raees (29 off 18).

Harry then bowled well for 1/12 off 2 and was well supported by Thomas (1/6 off 2).

At the end of it all we were 8 & 8.

I would like to thank all our parents and supporters for all the encouragement and continuing the good work and keeping our reputation of providing the best teas around.

Thanks to Nadia Mitsopolous for again taking on the manager's role and performing it so well.

To Jim Zagar & Jason Bumstead for scoring so efficiently.

To Dave Yates, Andrew Mugge, Johnnny Colonico, Roger Martin, Brian Smith & Jeff Cross for umpiring at square leg and for scoring when needed.

We were very fortunate to have such a great group of parents.

Thanks also to Dan Bennett for all his assistance and knowledge at training.

The two most important people I want to thank are Tim Heal & Brendan Criddle.

Not only for what you did this last season but for what you have done for Baysie for several years – Hillcrest training sessions will not be the same without the two of you being around.

Your guidance and encouragement have been very welcomed and appreciated.

I am looking forward to seeing a few of the players down at training for the 13's in the upcoming season.

# UNDER 14'S

A large squad of 20 was selected for the Under 14's comprising a number of development players in addition to the main squad. It was disappointing that other clubs were not willing or able to participate in more development games as those games were useful opportunities for the squad to gain valuable experience.

In the fixtures the team fought hard in every game but found that often we just did not score enough runs on the day to get into winning positions. Unfortunately there were a few injuries that kept some players on the sidelines, but it was very pleasing to see opportunities being taken and other players stepping up. We had a number of players in their first year of Premier cricket and they applied themselves admirably to the steep learning curve.

The experience gained through the challenges that were presented to the boys together with some adversity at times will serve the boys well in seasons to come. A strong culture of togetherness and teamwork led to some impressive fight backs and performances demonstrating that they could keep good opposition sides to reasonable totals.

The win against Mt Lawley was an exciting afternoon of cricket that had it all. The effort and determination in the field created a momentum that we were unable to maintain for long periods of time in other rounds. Some key partnerships around rain delays then got them over the line for the win. It was a memorable afternoon for all involved including the parents drafted in as ground staff on the covers.

A huge thanks to my assistant coach Darren Young and to Tim Heal for their wise counsel and help at training and games. Thanks also to our team manager Natalie Quinn for maintaining the lines of communication and for the off-field organisation.

Finally, I would like to thank the boys and their parents for their commitment and friendship throughout the season. Everyone put a lot in to the season and got a lot out of it. There is a lot of talent to work with and I wish them well for their future cricketing endeavours.

# UNDER 13s

I was fortunate to have the opportunity to coach the Bayswater Morley 2021-22 under 13's team. This side had a number of quality boys that debuted the previous season in the same age bracket so our team success expectations were high.

We started the season with a strong win at home against Wanneroo with the side making a good total of 6/178 on the back of our captain Cameron Baxter match winning effort of 83 NO , the bowling unit all contributed in keeping Wanneroo to 167 with Hamish McLeod taking 2/25 . The fielding was exceptional with three run outs in a great team performance.

Our second game was against a strong Subiaco Floreat side that knocked us over for a poor total of 91 with their strong state leg spinner doing the damage. This total made life tough for our bowlers with very little to defend. The Subiaco Floreat opener's did early damage with very little scoreboard pressure to deal with passing our poor total , the bowling attack fought back well to take the last nine Subiaco Floreat wickets for 80 runs with quick Melan Kalpage taking 3/37 and the fielding unit once again backing up the bowlers with four run outs.

Next up was Joondalup at home with the opposition making a great total of 7/187, our bowling unit was being led by Jai Jones 2/20 and Jimmy Nairn 2/38. We couldn't achieve this total with the middle order being ripped apart by a Joondalup bowler taking a quality hat trick and leaving us short with a total of 134. Cameron Baxter 41 and Owen Mouchemore 38 NO were the pick of the batsmen.

Round four saw us against arch rival Midland Guildford at Lilac Hill who won the toss and batted first, our bowling unit had its best performance of the early part of the season having Midland Guildford at 7/35 at one stage with disciplined bowling a great catching the feature, this included two outstanding catches from Tom Quartermaine and Seb Wyatt. The bowling was led by Jai Jones 3/10, Cameron Baxter 2/13, Jimmy Nairn 2/9 and Melan Kalpage 2/10 to roll Midland Guildford for 85. This total was easily achieved with Yusuf Mohideen 56NO and Shaan Patel 22 the pick of the batsmen.

Round five after the Christmas break saw us away at Joondalup against Centurions in windy conditions. We batted first to achieve a solid total of 7/152 with Yusuf Mohideen continuing his good form in getting to 49 and Mitchell Glover showing all what he is capable off on a regular basis with a great 35 at the top of the innings. A quality all round bowling effort saw us dismiss Centurions for 134 with Julian Giannagostino 2/25 Jai Jones 2/26 getting us off to a great start with early wickets and Captain Cameron Baxter finishing off the middle order with a great display of swing bowling taking 4/20.

Round six was a played in wet conditions that saw us on and off the field six times over the course of the day in a game that we had to win to stay in finals contention. We batted first and got to 5/115 in tricky conditions with Mitchell Glover 24 and Cameron Baxter 26 the key batsmen, the bowlers couldn't finish off the job with a wet ball contributing to our loss. Melan Kalpage did well taking 3/20 in terrible conditions that we would have walked off in under normal circumstances.

The final round seven of the season saw us against a quality Scarborough side that won the North conference. We unfortunately lost our Captain Cameron Baxter with gastro before the toss. They batted first and made 162 with Jimmy Nairn taking an outstanding 5/18 off his eight overs , we was supported by Melan Kalpage 2/28 and Hamish McLeod's leg spinners getting 2/25 off eight in his best performance of the season. We only managed to get to 9/104 with the loss of our captain hurting our chances, Owen Mouchemore finished off a quality season with the bat and keeping gloves to make 41.

This result saw us finish fifth in the North conference. We had a solid season but our expectations are much higher coming into our Under 14's season knowing that we are capable of much better results. We had fifteen young players represent the Club over the season.

Cameron Baxter made 174 runs at good average of 43.50 in his six games to win the batting, while this looks great on the surface we have much higher expectations from Cameron this upcoming season. Melan Kalpage won our bowling award with 11 wickets at 12.73 in a close contest with Jimmy Nairn 10 wickets at 13.10 and Jai Jones and Cameron Baxter both just behind with 9 wickets a piece. Overall Cameron Baxter as Captain led from the front taking out our Champion Player award.

Thanks to assistant coaches Mick Jones and Jacob Wilkie that did an outstanding job with the boys and to our team manager Libby Borman. We were lucky to have an outstanding parent group that were very supportive of all the boys and created a quality environment for all to be part of.

# DEVELOPMENT SQUADS

Kevrek Development Squads have run for the past four seasons, benefitting aspiring cricketers by exposing them to higher level of cricket. Complementing the community junior cricket competition, players are able to play a longer format allowing for more batting time and exposing bowlers to longer bowling spells. Hence players are exposed to more learning opportunities.

Each year we have run this program, it is obvious to see the development of all our junior players in these age groups. Many of the boys that were selected in the development squads, actually were able to play a number of games in the WACA U13's and U14's competition. Another unintentional advantage was that players who had sustained a injury and were working themselves back into the first team, were able to play development games and ensure they were fully fit for the next main squad fixture.

My sincere thanks to Brendan Randall who coached the U13's, he was ably assisted by Riyazzi Noordeen and Justin Murray. It was a pleasure to have 3 passionate men involved, all three have made a considerable contribution to there respective community clubs. Not only was Brian Smith the main squad coach for the U14's but he also took control of the U14's Development team as well, like many of us Brian is a very busy man, but was brilliantly supported by Darren Young as well. Thank you gentleman I and the Club are very appreciative of your efforts and the development of the players in the U13's / U14's development teams.

To our team managers in Voila Basson (U13's) and Brett Kay (U14's), equally please accept my sincere thanks. We should not underestimate the selfless contribution you make and in turn the positive effect this has on the players and families at our Club.

I would also like to thank the parent group, I really enjoy the passion and commitment you all demonstrate to your boys and the teams they play in. The boys are very fortunate to be involved in a caring and considerate environment.

My time as Co-ordinator of the 13s and 14s has come to a end, I would like to thank the Club for the opportunity to be involved. To all the parents of the juniors over the last four seasons thank you. It was always the intention to continue the good work of many others that had gone before us, this I believe has been achieved. In finishing I would like to Thank Brendan Criddle for his efforts with the junior program, I fully respect his commitment and work ethic to junior program and wish him all the best.

I look forward to seeing you at Hillcrest and enjoying the wonderful game of cricket.

## A record of past administrators, life members accomplishments and award winners

Bayswater Morley Districts Cricket Club has a long and proud history.

First promoted to play 1st Grade cricket in the 1947/48 season, the Club's origins go back to 1932 when a meeting was held in the Bassendean Fire Brigade Hall between Jim Pow, Alf Lethbridge and the Secretary of the WACA, Tom Jones.

That meeting saw the Bassendean Cricket Club admitted to the WACA competition for the first time in the 1933/34 season. Two teams were fielded in B2 and B3 Grades.

It wasn't until the season of 1947/48 that the Club, now renamed the Bassendean Turf Cricket Club was promoted to play 1st Grade cricket. This opportunity arose due to a proposal to eliminate the bye that was occurring in 1st Grade at the time.

In the season 1961/62 the Club moved to Hillcrest Reserve and was renamed Bassendean-Bayswater. At the start of the 1980/81 season the Club was renamed again to Bayswater-Morley to better reflect our catchment area.

The Club now fields four senior, one colts and four junior teams in the WACA competition.
