PRESIDENT'S REPORT

The headline for 2022/23 was that we made two 1st Grade grand finals which was a great journey for us all, and I will speak to that a bit more in a moment. But first I will briefly summarise some other key activities and make some acknowledgements.

The start of the season a renovation was completed on the Upper Hillcrest viewing area, as well as the installation of a large shade sail that has greatly increased the amount of shade for players and spectators. We were able to complete this work at minimal cost to the Club thanks to the City of Bayswater and a State Government grant that was secured with the support of Lisa Baker MLA.

During the season the Management Committee worked on changes to the Club Constitution, primarily aimed at how we structure the Committee and manage the various portfolios of the Club. These are important changes that will help improve the organisation and sustainability of the Club. Thanks to the Committee, and especially Ken Baker, for driving these important changes as well as all of their work during the season. Also a big thank you to all of our volunteers. As I say each season we can always do with more help as the requirements grow, and we appreciate all of those who contribute their time.

Another focus area is that we must be prudent with our expenditure and look towards growing revenue beyond the existing sources, without passing on growing costs to players and parents. Sponsorship continues to be one of our major revenue streams which we are grateful for, and I would like to thank Kevrek as our major sponsor and indeed all sponsors and individuals who made valuable contributions to our Club. Thanks to John Moore for his work, not just in this season, but for all the work that now spans over four decades. Kevrek and McInerney Ford have also been associated with the Club for most of this time.

Our wickets and playing facilities continue to be of a high standard. We were approached to host two days of the Female Under 19s National Championships and received great feedback from Cricket Australia and WA Cricket representatives. We were also asked to host Premier Female Cricket fixtures on behalf of other Clubs, WA pathway matches and the Under 13/14 Grand Finals which reflects well on the Club and provides some additional revenue. This is largely due to the to the work of Tim Heal and the City of Bayswater for their work and preparation, as well as the volunteers who are required to support these events.

As mentioned, we had our most successful year in 1st Grade for over a decade, making both the two day and one day grand finals. Unfortunately, these results didn't go our way, but importantly they have demonstrated that we are on the right path as a Club. We have watched this mostly 'home grown', group develop together over many years, and now we can be a genuine contender so long as we continue to work hard and improve ourselves across all playing levels.

Whilst the performances of our lower grades weren't as strong as we would like – the excellent results in 1st Grade are a reflection of the efforts of all players and coaches across many seasons. I would like to recognise Ben Williams for his work as Club Coach once again, as well as all of the coaching team. It is a long season that requires great commitment from all.

Thank you to all of our junior coaches and their support teams. The engagement of both junior players and parents was excellent during the season. It is also very pleasing to see the increasing involvement and interest of senior players in our junior program, which can only help with us becoming a stronger Club. For this coming season we will see around 7 players graduate from our 17s into the senior program which will be the most we have had in many years.

Finally, this season I had the privilege to play a few games with my son, as well as the sons of a few of my great mates that I have made during my time with the Club. I was proud of this for obvious reasons, but more importantly it reminded me why it is great to be part of a Club and the connections you have with people beyond just the game of cricket.

I am sure we are all looking forward to the 2023/24 season as we continue to improve our performances and strengthen the #baysiefamily.

PRESIDENT
DANIEL HOWES

"

success.
We are on track
for sustained

SENIOR COACH BEN WILLIAMS

COACH'S REPORT

Season 2022/2023 is best described as a season that was a roller-coaster of emotions. We were fortunate to witness the continued growth of a number of our players on an individual basis with our First grade side making both the One-Day and 2-Day Grand Finals. And whilst the ultimate success was not obtained, I feel our season solidified our belief that as a club we are on track for sustained success.

Our playing group continued to value and live our ethos of Respect Responsibility and Brilliance. Before reflecting on the season just gone, I felt it was paramount to reflect on where the club has come from over the last few years. Success is never a fluke, it is always built on effort, determination and a continued belief that the collective continue to move forward with purpose that good things happen.

Since the 2019/2020 season our list of achievements is staggering and worth remembering:

- Four 2nd Grade flags, a fourth grade flag and the clubs first ever success at Colts level.
- We also enjoyed five separate finals campaigns played by our 1st, 3rd and 4th Grade sides. Remarkable.
- We witnessed competition leading run scorers, and highest season average winners with the bat and wicket taking aggregate and bowling average winners across multiple seasons in the 2nd Grade competition.
- 4th Grade leading wicket taker and leading run maker awards along with the competitions best player winning the Alan Mackley Award.
- We had representatives in two successive 1st Grade teams of the season. Players selected for underage WA representation and Liam playing in the BBL and WA!

I wanted to shine a light on where we are at as a club. We are in the midst of a tremendously success era. And I just wanted to acknowledge our playing group because it is all of you who have achieved those accolades through your hard work, dedication, commitment to the club and your connection to each other. I wouldn't want to be anywhere else.

Which brings me to the specifics of this season.

Our 1st Grade side made it to two grand finals, the 1-day final against Claremont-Nedlands and the 2 day grand final against Perth. Whilst we were bettered in those games, I came away with a significant sense of pride. I know that our supporter base felt the same.

Thank you to every player that represented the A-grade side this season. You have now set a benchmark for those that come after you. You have put our great club back on the map and have raised the standards and expectations moving forward. Expectations and pressure are a privilege. A privilege that you have earned through your hard work and commitment to each other. As a group you are growing before our eyes. Boys be proud of what you have achieved and use it as the springboard for next season.

Individually, it was really pleasing to see Mitchell Todd maximise his potential with 747 run season. Lane Berry continued to showcase his potential with a 702-run season which was rewarded with inclusion into the WADCC Team of the Year.

Our bowling group were outstanding throughout the entire season and superbly led by our Captain Kyle Wiggers whose 47 wickets was a stand-out. His inclusion for the second straight season into the WADCC Team of the Year more than deserved. Special mention to Jonty Wilde who showed all of us his class and determination with a remarkable finals series.

The 2nd Grade season never quite reached the heights of previous years, albeit with the highest of bars to breach.

Our ladder position not a true reflection of the talent within the team. Outstanding individual seasons with the bat by Brendan McPhee and Connor Dimech highlighted the quality that the side possessed. Brendan's best being his 156 against Mt Lawley, with Connor breaking through for his maiden A-Grade game. The bowling was brilliantly led by Christian Lee whose 27 wickets also earnt him an A-Grade debut.

The 3rd Grade was a microcosm of the broader club with 28 players playing their part throughout the season, and it showed us the quality that we have coming through. Having a number of different leaders proved challenging however the spirit within the playing group never deviated. That is a testament to everyone that played this season. Whilst the results didn't go our way, the learnings that each player received will be invaluable as they continue to develop as people and cricketers.

A significant positive from the season came through the development of our younger players. From the determination of Ryan Skett batting for more than a 1000 minutes to the raw pace and ability of Cody Hoffmeister with the ball. Our future is in excellent shape.

Our 4th Grade narrowly missed out on a finals place this season however the positives significantly out-wayed the negatives. Again, our younger players were shown the right way to play the game by the returning Stephen Smith. Stephen blasted 639 at an average of 71. Returning players mean so much to our club and were we very fortunate to witness Stephen's talents.

The emergence of our new captain Sam "Sauce" Henley was also a highlight. His leadership, calmness and ability to take things in his stride, showed we have an amazing leader for many years to come.

Leadership is important, strong leadership is paramount to succeed. All of our captains led with composure and poise. Leadership is not an easy task yet as a club we are blessed with real quality in that space. To each of our grade captains Sam Henley, in the 4s, Michal Neves, Mark Winton, Lachie Dique, Bryce Jeffrey, Marcel Farqharsuon and Ash Jeffrey in the 3's, to the evergreen Jarrad Daniells in the 2's and Kyle Wiggers with the 1s, a heartfelt thank you!

To finish the on-field, a huge congratulations to Gus Bloxham on his selection WA U17 team that played in the Australian U17 carnival in Tasmania. A fantastic achievement for a great person, well done Gus. Your future is so bright, continue to showcase your talents.

To the off-field giants of our club.

To the volunteers which without your love and commitment of our club, we wouldn't be able to run as smoothly as we do.

Anthony Loicano AKA Yakka, your work as net captain is never easy, and always under-appreciated. But its always done with a smile. Thank you for always making yourself available.

To each of our Scorers, thank you for always being available and taking on a thankless task. Simply put, without you we have no game.

We have the best facilities in Perth and that is because of Tim Heal and his team. A massive thank you for everything we see you do TJ and more importantly all the little things we don't.

To my coaching group. I am so fortunate to be able to do this role with people who share the same passion for the game and love of our club. To Brett, Michael, Craig and Ian, thank you for your unconditional support, tutelage and ears. I am very fortunate to call you all friends.

Thank you to our Committee for the countless hours that you give up to ensure that the players can just play. We are fortunate to have such a selfless group of people who only want one thing, our club to stay great.

Which brings me to our President(s), Daniel and Kym, thank you so much for your unwavering support and for helping me continue to grow as an individual and as a leader. I can't thank you both enough. So fortunate to have people of your quality guiding our club forward.

Special mention to Tim Brookes. 84 individual players played across the four grades this season. You were always available on Monday night for my over thinking drive home dribble and then my rantings on a Friday morning. You are a quality human and love how much you are giving back to our club! Thank you.

To the broader Bear Family. Thank you for your unwavering support and dedication to our club and our players. Watching the enjoyment your get watching our young men play says so much. You are the best 12th man a club could ask for.

And finally to my family, thank you for always encouraging me to do what I love. Your love and support means the world to me. I love you.

Bring on 2023/2024!

SENIOR COACH
BEN WILLIAMS

1ST GRADE

First of all, I would like to start by thanking the club, coaches and cricketing committee for placing their faith in me as 1st grade captain this year. It is a role that I have thoroughly enjoyed, and I am extremely grateful for the trust placed upon me and my leadership abilities. Being able to lead an excellent group of young men both on and off the field is an absolute privilege, and I hope I've done the club justice in doing so.

I would also like to thank the playing group for their support throughout the season, with special mentions to Liam O'Connor and Grant Thistle who were always there for guidance. Their composure and calmness in challenging situations was reassuring, and I certainly couldn't have managed without their help.

The 2022/23 season was a year that I will never forget. For the years prior, an element of our game we had been lacking was consistency, something that left us short of a finals berth season after season. After experiencing several years of being 'good, but not good enough', we finally took the extra step forward and showed the rest of the competition what we knew we were capable of achieving.

Finishing top of the One Day ladder is an achievement of which I am extremely proud. It was our first signs of showing we could match it with the best and winning the first final afterwards in a convincing manner only highlighted that. Although we didn't walk away with the chocolates in the big game, that feat itself instilled a great amount of belief amongst the group for the remainder of the year. Needing to win in the last game of the season to play finals, our players showed great resilience and trust in one another to get the job done, knowing that on our day, we could beat anyone. From there, we carried confidence into elimination and semi finals, winning convincingly against strong clubs in Claremont-Nedlands and Willetton respectively. Unfortunately, we didn't play the brand of cricket we would have liked in the grand final, and as heartbreaking as the day was, I couldn't be more proud of the accolades this group achieved in season 2022/23.

Behind a dedicated playing group stands an even more dedicated coach, and Ben Williams is no exception to that. He has shown a great amount of support for our young playing group, and his guidance is exceptional. Ben preaches for players to be the best versions of themselves, on and off the field, and this mantra has been infectious amongst our side. Ben, you continue to hold us to high standards, and this drives the group to improve. Thanks for all of your hard work Ben, it does not go unnoticed, and we hope to go one better for you next year.

The way a team plays as a whole determines its success, but without some outstanding individuals, this can not always be achieved. In previous years, the strength of our bowling attack was our consistency, and this year was no different. Injuries to front line seamer Ashley Jeffrey tested our versatility with the new ball, but the experience of Jonty Wilde filled that void exceptionally throughout the season. He finished the season with 34 wickets @19.88 and was our 'Mr Consistent'. Jonty also produced some notable performances, particularly in the final's series. Against Willetton in the One Day PF he took 4/5 off just 3.3 overs, 5/40 against Claremont-Nedlands in the EF, and 5/31 against Willetton in the SF. We were fortunate enough to have Liam O'Connor lead our spin attack for a full season, and his 23 wickets @ 26.52 swung games into our favour on several occasions, a game of note being in round 10 where he took 5/36 against Perth. Whilst his season was interrupted, Ashley Jeffrey was a key contributor when available and his 18 wickets @ 16.94 proved damaging to many sides' top orders. Wickets were also shared amongst Jake Lewis, Grant Thistle and Mitchell Todd who proved they could contribute with the ball in hand when needed.

On the batting front, both our young and senior players showcased their skills consistently throughout the season. We were fortunate enough to celebrate three centuries, two from experienced campaigner Mitchell Todd in rounds 5 (108) and 7 (104), and one from our overseas import, Rob Yates in round 9 (110). Previously, our batting had been an area where we lacked consistency, but we rectified that in season 2022/23 with some players having career best years. Lane Berry scored 702 runs @ 46.8, reaching scores that surpassed 50 on 7 different occasions. His consistency was not only noticed by his teammates, but by WA Premier Cricket where he was awarded a position in the WADCC Male Team of the Year. Ryleigh Cameron continued to be damaging at the top of the order, scoring 530 runs @ 29.44 with 5 half centuries, and we

THE fount IDEAS FACTORY
publications / design for good / branding

saw consistent game defining contributions from Jake Lewis, Aaron Todd and Cameron Todd. However, our batting front was lead in a cool and calm manner by Mitch Todd who scored 747 runs @ 49.8. Mitch was the stalwart of the side, producing big scores on a regular basis at key moments. His ability to not only negate the oppositions momentum, but to counter-attack and set a platform for his team mates was evident all season. Mitch's stellar year did not go unrecognised as he won his 2nd Lawrence Medal, highlighting just how good of a year he had.

Our 1st grade side also had several debutants this season. In round 1, our English import Rob Yates gave us professionalism at the top of the order, in round 6 Christian Lee's consistent bowling performances were rewarded, Connor Dimech impressed with a 58 on debut in round 8, and young gun Angus Bloxham contributed with 3/69 on debut in round 12. All these players showed great potential, and I am confident we will see them featuring in the 1st Grade side for years to come.

Overall, we had an extremely successful season. We drastically improved our game and have earned the right to not only be playing finals, but to be considered a serious contender. Whilst our season ended in heartbreak, we can hold our heads high on what we did achieve. Making two grand finals in one season is no easy task, and this tough experience will only make us better in the future. I am confident that the hunger our boys have to go one better next year will drive us forward, and I have no doubt we can achieve greater success next season.

I would like to finish up by thanking all those who continue to support the club in a variety of roles. Bev Todd for her assistance on game days as well as scoring every game, Chris Todd for all his contributions to the 1st grade side, Yakka for his thankless job of being net captain, TJ for his preparation of excellent pitches, and all the coaches who have worked closely with the players. We are very lucky to have such great people helping out at the club, and your support does not go unnoticed.

To finish, I would like to extend a special thank you to all those who showed up and cheered the 1st Grade side on during our finals campaign. To have the backing of the club behind you feels like there's an extra player on the field with you. The companionship and comradery of this club is second to none, and we all appreciate your support. I hope that every has a safe and happy off-season, and I am very excited for what the 2023/24 season holds.

RELAX...
LET YOUR NEW GARDEN WATER BORE DO THE WORK

2ND GRADE

I would like to start by thanking Daniel, the Committee and everyone who volunteered their time this season. This great club continues to grow and has a very exciting future. On behalf of the players, I would like to thank everyone involved for all the work you do. To the sponsors, thank you for your continued and generous support. On behalf of the players, I would like to sincerely thank you all for your contributions to the club.

To Ben and the other coaches thank you for all your hard work and commitment. Ben, thank you for everything you have done. I have mentioned a number of times over the past few seasons that you are the right person to lead our club forward. Reaching grand finals in both the one day and two-day formats are a credit to you and the players involved. I cannot thank you enough for the support you have continued to show me over the years. I really look forward to another season under your leadership and I am excited to what we can achieve next season.

Brett Johnson again managed the second-grade side. You are a very passionate man and help drive the standards of a winning culture. Your honesty and ability to call a spade a spade is what I value the most. When we are not good enough or when we try to wallpaper over the cracks you are there to call us out. I hope that 2023-2024 sees us return to the pointy end of the finals series where we belong, and I know you will help keep us focused throughout the year. On behalf of the playing group I would like to thank you for everything you do for us and look forward to another season.

Thanks to Rowdy and Eamon for scoring again this year. I hope that Eamon can return to be our scorer. I feel you and Rowdy have been a lucky charm for our premierships so it would be great for you to be involved for the coming season.

To Kyle and the first-grade group, you were unbelievable this year. You put Bayswater first grade back on the map and put the competition on notice for the coming seasons. There is no better feeling watching your mates showcase their skills on big stage and have hundreds of supporters cheer you on. I am really excited for what you can achieve in the coming seasons. Make no mistake, what you have brought to the club and as captain of the first grade is remarkable.

For the talent we had in the side this season, falling short feels like failure. We played some inconsistent cricket this year and only just scrapped into the finals. Going into the final series we were confident if we played our best cricket we would be there at the pointy end. Unfortunately, finals are about performing when it matters. This season we were unable to perform when the pressure was on and therefore didn't deserve to progress. Reputations are forged in performing in difficult situations and in finals it is often do or die. At times this year we had some amazing individual performances and at times played some amazing team cricket. The challenge for next season will be to be ready come the pressure situations.

This year we had 26 players roll through the second-grade side. We had some very talented young guys get their opportunities and the future is bright. The development of Jack Walsey, Christian Lee, Angus Bloxham, Connor Dimech, Nic Merrin, Mitchell Pope and Jake Collingwood are real positives. A couple of the guys made their first-grade debuts and I am excited to see them take their games to the next level. As someone that has been around a number of years and can speak from experience your time playing the game goes by very, very quickly, so don't take it for granted. To guys like Taj Fergusson, Marcus and Marcel Farquharson, Josh Fontana, Robby Guy, Steve Tompsett, Brendan McPhee and Callum O'Connor, thank you for everything you contributed to this season.

This year we had some great individual performances and I would like to recognise these performances. In round 3 against Gosnells, Connor Dimech scored 100 which helped chase down 190 inside 38 overs. Christian Lee had back to back 4 wicket hauls in round 4 against Melville where he took 4-24 from 8 overs and in round 5 against South Perth took 4-49 from 19 overs. Connor Dimech scored 95 and Brendan McPhee 71 and Marcus Farquharson 50* in round 5 against South Perth helping chase down 286. In round 7 against Fremantle Connor Dimech scored 91 and Nic Merrin 88 to help post 287. In round 8 I took 5-82 from 23 overs and Taj Fergusson made a well composed 80 against Midland-Guildford. In round 9 Brendan McPhee blasted an amazing 156 from 134 and Jake Lewis scored 81* against Mount Lawley. In round 10 Marcus Farquharson had a good all-round game taking 4-34 from 8 overs and making 47 to help secure the win over Perth first up after the Christmas break. Marcus backed up the following week in a win against

Scarborough making 63 and taking 4-40 from his 10 overs. In round 12 Brendan McPhee 76 and Nic Merrin 66 help us post 275 against Wanneroo. Round 13 was a great reward for Jack Wasley who destroyed the Willetton top order on his way to 5-60 from 17 overs. In the chase Brendan McPhee was unbelievable yet again making 133. Round 14 against Joondalup was a hard-fought win. Callum O'Connor taking 4-35 from 23 overs helping restrict Joondalup to 201. A hard fought 50 for promising youngster Mitchell Pope help guide us home. In the final round of the home and away season against Subiaco-Floreat Christian Lee took 5-17 from 8 overs. Christian also backed up in the elimination final with 4-13 from 9.2 overs and Connor Dimech was the only batter to get going making 60. This year our run ended in the elimination final against Willetton. A number of guys who played the majority of the season we left out of the finals side. A decision that was tough and not made lightly. To the boys that missed out, I hope you return bigger and better and with a point to prove. You are all incredible men and the support you showed the boys and the way you handled yourself is a credit to you.

"

offer their services, including Thank you to the many volunteers who selflessly committee members, registrar, coaches, assistant coaches, team managers, scorers, bar staff, afternoon tea preparers and the many other unsung heroes who quietly go about their business helping out when required.

CLUB PRESIDENT
DANIEL HOWES

3RD GRADE

As the curtains draw on another exhilarating cricket season, it is a privilege to reflect upon the journey that our team has undertaken over the past months. The stage was set for an unforgettable season at Bayswater Morley. The story of the "baby 3's" unfolded, and what a story it was.

This year, our squad stood with youthful determination, a vibrant and highly energetic group with threads of potential. The challenges that lay ahead were met with a flexible and strategic outset laid by the foundation of the strong culture we have at baysie, for these young players wore resilience as their grit of individual excellence, trying to peak through small window of opportunity. With the majority of our players still in the embrace of their teenage years, the sceptics dismissed us. Yet, with each stride taken on the pitch, we cast aside doubts and shattered expectations. With many of our boys under the age of 20, most still playing under 17s. To back up after games in the morning and still be switched on for their second game is unreal. The levels of experience developed by playing and watching men's cricket at an elite level will show in seasons to come.

I wouldn't have been so comfortable taking on the captaincy if it wasn't for us old fellas, collectively pushing ideas and thoughts on how to unravel the other team, when I dropped my head you boys were there to kick me on and continue the job in front of us. Experience goes a long way with building pressure and figuring out a way to strike through. A big thank you to Bryce, Hoff, Reece and Jimmy for helping guide the ship this season.

Our started with a nervous one-wicket victory over Uni. We set the tone for our grit and determination for the year, as Hoff and Pinelli's last wicket partnership of 40* placed us with true belief we were going to have a wild season ahead.

Yet, the tale was not without its share of setbacks. Defeats served as stepping stones, each fall bringing us closer to greatness, R6 vs Claremont had us itching for a win, fought hard in a winning position over the 2 weekends, however losing the 3 wickets in an over needing 2 to win made us fall short. Moments of brilliance shone in R9 vs Mt Lawley with some determined batting from Reece, Callum and Jimmy. Round 14 had a showcase of pure patience with young Jack Zagar hitting 65 off 173. Last game of the season we went out with an intent to leave nothing on in the sheds, we had nothing to lose, and all the courage and fight came out of every single player on the field to show the daring cricket we were capable of. Lead by Mark Winton we had a good day with the ball however falling 40 runs short at the end.

In a season where experience was scarce, the young guns turned pressure into opportunity, maturing swiftly as they embraced the harsh reality of men's cricket. With a squad of 36, each player brought a sense of uniqueness for our strategy to win. Ryan Skett stood as a pillar of consistency playing all games in 3s and batting his heart out week in week out, while the father-son duo of Daniel and Zac Howes painted a picture of legacy. Over the season congratulations to the 8 individual performances that were 50+ runs and the two 5fa's from Bryce and Hoff.

Lastly, a huge thank you to the coaching staff and Committee. Ben, Craig, Brett and Daniel for all the guidance and support shown over the year. Thanks to everyone behind the scenes it doesn't go unnoticed.

Unlucky this season and well played boys, the effort was there, we will piece it together and rise up bigger and better this time around.

4TH GRADE

As we wrap up another cricket season, I want to reflect on our mixed results as a 4th Grade team. Coming into the season, it was expected that the team would require significant rebuilding following past success and the retirements of senior players who had been involved in that.

This was evident in round 1, with only three members of the final 2021/22 side taking the field and the callout being extended to past players and juniors to fill the remaining spots within the side. Despite this, we managed to start the season with a comfortable win over University, led by Stephen Smith, who returned to the club to 'fill-in', posting 121(120) opening the batting.

The trend of high player turnover continued throughout the season, and overall 38 players took the field throughout the season. Whilst this lack of stability proved difficult at times, it also presented some highlights for the club. Round 2 against Rockingham-Mandurah saw some iconic Baysie names take the field together by way of Howes, Johnson, Criddle and DeCelis. This also presented a great opportunity for the many junior players who had the opportunity to play senior cricket. I want to thank all 38 players for their contribution throughout the year.

With the bat, we were led by our Round 1 fill-in, Stephen Smith, who scored 639 runs at 71, including three centuries, earning him the competition batting aggregate award. Stephen was supported throughout the season by half-centuries from Jimmy Deering, Brett Johnson, Jake Collingwood and Raees Hassan.

With the ball, club newcomer Wynton Galloway was the standout performer taking 23 wickets at 19.2, often taking the new ball and bowling ling spells into the breeze. Jack Criddle was also a standout in his first senior season, taking 22 wickets at 23.0, including match figures of 9/60 against Claremont Nedlands in Round 6. Both Wynton and Jack improved their consistency and patience throughout the season and reaped the rewards for these efforts. Excellent supporting spells were also common from junior players such as Aiden Bennet and Archie Kilpatrick-Taylor.

I want to thank all the coaching staff for the support they provided me in my first season as captain. In particular, Craig McPhee and Brett Johnson for their help on game days. I also would like to thank Jimmy Deering, Muzani Adjie and Chase Procak for their support on the field regarding bowling changes and field settings.

Overall, we finished the season in 9th place with 6 wins, just a game and a half away from the top 6. I have confidence that with more experience, our team will continue to progress and strive for better outcomes. I'm enthusiastic about the club's direction and extend congratulations to the first-grade team for their two grand finals appearances. I'm certain that there will be more success in the near future.

COLTS

It is fair to say that the make up of this year's Colts team compared to the team that won the first Colts title in 75 years last year couldn't have been more different.

Many members of the trophy winning campaign had multiple years of experience at an A grade level, whilst the great majority off this year's team was made up of players just starting their individual senior grade cricket journey. Quite simply, it is very difficult to replace players of the ilk of Ryleigh Cameron, Lane Berry, Cameron Todd and Jake Egan in one season.

That being said, our coaching staff has enormous faith in our new crop of Colts players, and whilst it will take some time to improve their skill base and provide the necessary experience to compete at this level, we believe we have a very talented group of younger players to work with.

Our players were coached with a mentality of building them all into a tight knit group who would grow and improve together, and ultimately become very competitive in years to come. The upside and potential in players such as Mitchell Pope, Trent Kinley, Jake Collingwood, Ryan Skett, Angus Bloxham, Callum Wilde, Ollie Brandes De Roos and Callum Wilkie and others is enormous and has us well placed for the future. This team will form the nucleus for Colts campaigns over the next 3 seasons and will continue to incrementally get better.

Whilst our Colts season resulted in 3 straight losses, we were competitive in most games but ultimately were beaten by team in a similar position to our last years team, littered with senior A grade players with a wealth of experience. Our players are no doubt better for that exposure and all continue to work hard to continue an upward trend in improvement.

I thank to Club for the opportunity to mentor and coach this group of fantastic young adults, and Marcus Farquarson for his efforts in taking on the captaincy of the team. I look forward to improved results in the years to come and know that we will be better equipped to be competitive in future campaigns.

Coaches Award	Jacob Searles		

UNDER 17s

The 17s season started promisingly, with three wins and a draw from our first five games. Our loss was with a very competitive score against Centurions in the first game of the season, so our form going into the last few fixtures prior to the Christmas break was promising.

A couple of disappointing losses prior to Christmas took some gloss off the first part of the season. In the new year we had an outstanding win against Perth and a couple of close losses. With only one win post-Christmas, our finals opportunities faded away.

Some notable performances by players:

Oli Brandes De Roos	R2-106 v Rockingham Mandurah
Oli Brandes De Roos	R3 - 57 v Melville
Ishmeet Pannu	R4 – 66 v Claremont Nedlands
Kavya Amin	R4 – 5/19 v Claremont Nedlands
Jake Collingwood	R8 – 149 v Perth
Callum Wilde	R8 – 54 v Perth
Kavya Amin	R8 – 6/36 v Perth
Ishmeet Pannu	R11 – 61 v Wanneroo

Our team awards for the season were:

BATTING AWARD
Oli Brandes De Roos 323 runs @ 29.36

BOWLING AWARD
Kavya Amin 26 wickets @ 13.69

COACHES AWARD
Thomas Cross

CHAMPION PLAYER
Kavya Amin 724 points

Special thanks go to Dan Bennett, who assisted me throughout the season at training and on game day. Dan forged a great bond with the team over the season, I know the boys benefited from it.

To Shannon Bennett, thank you for taking on the Team Manager role. Shan was responsible for all outgoing information to the team and their parents, collecting all ball fees and set up of the Frog Box on both grounds – thank you Shannon, you made my job so much easier this season.

To our team leaders, Zach, Oli and Aidan who all led the team extremely well throughout the season – thank you I enjoyed getting to know you more and was a pleasure watching you develop your leadership skills over the season. Our captain, Zach – you stayed positive throughout the season and you engaged with your team mates really well.

My last thanks go to Ian Lilley – I have appreciated the support you gave me over the season, you were always close by to discuss all team matters.

To the boys coming back next season, I wish you all the best.

Finally, to the 17s boys who finish up their final year of junior cricket this season, I wish you all the best in what comes next for you cricket wise, I hope you continue to love the game for years to come and as Shane Warne said 'never give up; just absolutely never give up'.

UNDER 15s

The U15s season was not one that was filled with game day success regarding ladder positions, but one that was successful in areas BMDCC holds very high and that is team development and individual player development. One area players find it difficult when moving to the U15s is batting through your allotted 50 overs.

This is an area of development I feel the team did achieve in the back end of the season, batting through the 50 overs in two of the last four rounds. Their development with the ball was also evident restricting sides from scoring 200 runs on six out of nine rounds in the 50 over format. The players also discovered an understanding and appreciation of what is required in becoming a District Cricket Player regarding individual commitment to work ethic and technical skill. An appreciation I hope will see them fill their potential in the years ahead.

Notable performances by players over the season:

Gary Singh 52 runs R1

Luke Del Borello 3/24 R1 and 4/10 R7

Ashton Kay 3/44 R2

Zunaed Fahim 56 runs R6 and 3/10 R10

Hayden Young 52 runs R11

Dev Baswan 3/36 R13

BATTING AWARD

Zunaed Fahim 182 runs @ 15 avg

Zunaed's improvement over the season is due simply to hard work. Last season he was a middle order bat who bowled some leg spin. This season he has won the batting award and become a solid opening bat and also runner-up in the bowling awards with 13 wickets @ avg 15.

BOWLING AWARD

Luke del Brello 15 wickets @ avg 27

As a first year player Luke has shown his Leg Spin is more than effective against quality batsman. His best 4/10 v Mt Lawley was a high lite in which we were also introduced to the penguin celebration and one I hope not to witness again.

COACHES AWARD

Liam Kay

'Work ethic, attitude and a team player' is how I would describe Liam, these are areas of a district cricket player that BMDCC holds very high. Liam also showed very good development over the season becoming our most consistent bowler and taking on the role as our New ball bowler in both formats (50 over & T20) his consistency was also highlighted by his economy rate of three runs per over.

I would like to thank Hayden Young for his captaincy and leadership over the season. Hayden showed great resilience and it was a pleasure working with him on match day and at training. Hayden was also runner up in the batting this season.

I would like to, once again, take this opportunity in thanking the club and committee members for their support and trust over the season.

I would particular like to thank Leon Ottobrino for being my Assistant Coach this season. Along with his assistance on game days, Leon was also called upon to Umpire games on many occasions which he did without hesitation or a word of complaint. Darren Young for taking on the roll as Team manager and making game day run so smooth. Ian Lilli our Junior Coordinator for always being available in any area I needed his help and his invaluable contribution to junior cricket at BMDCC. Geoff Parkinson with his behind the scenes work which is noticed and greatly appreciated.

To all the parents who helped on game day with setting up and morning teas but most importantly coming along to support your sons and our club. A special mention to Bret Kay our IT expert who was responsible for setting up the Frog Boxes.

UNDER 14s

I was fortunate to be given the opportunity to continue coaching the Bayswater Morley Under 14s side for the 2022-23 season after taking the group through the previous season in the Under 13s competition. We had changed the squad with several new boys coming in to become part of the Bear's family.

The season kicked of with a home game against Wanneroo who made a great total of 7/199 with Melan Kelpage the pick of our bowlers taking 3/31 from a quality ten over spell and emerging leg spinner Hamish McLeod managing 2/40 from his ten overs. The bowling unit had Mitchell Grabski and Raeed Hassan both debuting for the club. The batting performance while solid got bogged down through the middle section of the game and a few silly runouts saw us only mange to get to 8/185 and lose a tight contest against a strong emerging team. The batting card highlight was a breezy 63 to man of the match Melan Kelpage who completed a strong game with both bat and ball. Youseef Mohideen, Cameron Baxter and Jimmy Nairn all had solid starts in getting into the twenties but failed to continue and get the match winning score we required to win. Usman Riyazi also made his first appearance for the club.

Round Two at home saw us unfortunately have the match abandoned due to rain with Scarborough being in a lot of trouble at 3/84 after twenty-seven over's and us in what would have been a strong potentially match winning situation. Jimmy Nairn took 1/11 off five overs along with a direct hit run out and Nischalk Hosur Sridharaswany picking up 1/13 before the rain stopped play.

Round Three saw us for the second year in a row put up our worst performance of the year against the strong Subiaco Floreat side with a poor batting performance killing the game for us. The total of 85 was a disappointing result with only Cameron Baxter's 31 showing any resolve. The Subiaco team were not under any pressure in scoring 8/216 chasing the lowly target. Jimmy Nairn with 2/20 off eight overs and Cameron Baxter taking 3/51 off nine over after converting to off spin for the season were the pick of the bowlers.

Round Four saw us at Breckler Park against Mount Lawley and batting first. Cameron Baxter looked in beautiful touch in getting to 27 before a direct hit run out ended his innings and the opportunity to go big on the day, his opening partner Youseef Mohideen got to 67 to give us a solid platform to build on. Unfortunately, the middle order couldn't capitalize on this with only Jimmy Nairn's 28 going on with it. Once again, several poor runouts saw us get to 8/161 after a good opening partnership that should have seen us post a bigger total. The bowling unit shared the wickets around with Julian Giaggostino 2/15, Nischalk Sridharaswsanmy 2/19, Mitchell Grabski 2/25 and Cameron Baxter 3/20 all having good days. Some poor fielding came back to hurt us and saw us lose the game in the last over in what was a disappointing result.

We returned in late January for our first game after the Christmas break against Midland Guildford at a Lilac Hill on a great batting surface. The home side won the toss and had no hesitation in sending us out to bowl on a scorching hot afternoon. Our bowler's toiled hard in the tough conditions but dropped catches and lack of consistent length from our spinners saw us get hit around for a big total of 271, Jimmy Nairn once again the pick of the bowlers with a workman like 2/42 of ten overs.

The batting card saw all the top order get starts but only Jai Jones with an excellent 50 going on with the task in chasing the big total. We finished the day at 203.

Round Six was at home against the in-form side of the competition Centurions with an imposing batting line up. Centurions made a great score of 8/236 with Julian Giaggostino 2/39 and Jai Jones 2/42 who after struggling with injury all season returning to the bowling unit the pick of the bowlers. Once again, our openers Baxter 27 and Mohideen 50 got us off to a good start, but the middle order failed to capitalize with only Angus Tyers 24 and Mitchell Glover 19 getting starts once again. We finished on 7/164 for the day.

Our final Round Seven for the season was against Joondalup at Hillcrest who needed to beat us to finish in the top two to advance to the finals. Joondalup won the toss and batted first, a disciplined performance from our bowling unit and three quality run outs in the field saw us bowl out Joondalup for 123 in 39 overs. Mitchell Grabski 1/8 off five, Jimmy Nairn 2/16 and leg spinner Hamish McCleod 3/31 off ten all bowled exceptionally well on the day and showed us what they need to do week in week out going into the future for us to be a better team.

ABSENT
Angus Tyers
Ben Bradley (Assistant Coach)

Joondalup came out with all gun's blazing knowing that a loss would fail to see them makes finals. We were in real early trouble with our top four back in change rooms at 4/10.Melan Kelpage 22, Jimmy Nairn 22, Mitchell Grabski 16 NO and Mitchell Glover 46NO steadied the ship throughout the middle order to see us get to the required total. It was a great way to end the season and will give the playing group great confidence and belief that we can win the big games against quality opposition in the future.

Our champion player for the season was our captain Cameron Baxter with 314 points narrowly beating out Jimmy Nairn. Our batting was won by Youseef Mohideen with 165 at 27.50, Mitchell Glover showed great promise to finish with an average of 37.00 and the ability to go bigger next season. The bowling award was a tight contest with Jimmy Nairn eight wickets at 22.13 just holding out Cameron Baxter eight wickets at 26.75. Our leading catcher was new player Cole Bradley who took six for the year and will be a bright prospect for the club soon. Special mention to Jimmy Nairn who as a result of his excellent season was rewarded for his hard work and ability with a spot in the under 14s WACA talent identification team that played at the WACA ground late in the season. Well done Jimmy we are all very proud of your achievements.

We gave eighteen players the opportunity to play Premier cricket for the 2022-23 season and the expectations are much greater for these boys to continue to improve as players and people in the future and be leaders within our great club going forward. Special thanks to our assistant coaches Mick Jones, Jacob Wilkie and Ben Bradley for there efforts week in week out during the season in continuing to push our boys to be better more complete cricketers in the future.

We as a club are very fortunate to have quality families involved like the Nairn family with Greg and Bec performing the mangers job this season and making life easier for everyone. We as a whole club thank you for this. The group of parents in this team was exceptional with everyone helping with afternoon tea's, putting up marquees and frog box and always there to help without question with anything that just needed to be done on the day.

U14S COACH
MIKE WILKIE

UNDER 13s

Although we did not have many wins this past season the 13s squad should be very proud of their efforts.

We were a very young squad with nearly half eligible to play 13s again next season.

When given the opportunity every player tried their absolute best and did what was asked of them.

The attitudes and behaviour both on and off the field were excellent, with attendances at training and games very good.

The improvement from day one of pre-season to the last day was very obvious and pleasing to see.

This season we had the following players perform at a good level:

Jake Abrams	150 runs @ 21.43	160 allrounder points
Wynand Basson	125 runs @ 20.83	185 allrounder points
Harry Howes (3 games)	78 runs @ 26	128 allrounder points
Cadel Kaye	5 wickets @ 15.6	129 allrounder points
Suryaansh Singh	5 wickets @ 35	176 allrounder points
Aravind Anoop	163 allrounder points	
Wynnie also took 6 catches.		

Special mention needs to go to Suryaansh as our Captain. Captaining a 13s team with the limited time and fielding restrictions is very difficult for a young captain but Suryaansh equipped himself superbly.

Choosing a player to receive my Coach's Award was pretty easy as Jacob Searles was a standout. Despite a nagging injury his attitude was outstanding and always was the loudest encouraging his team-mates.

Our season played out as follows:

First up we hosted Fremantle in a scratch match. Unfortunately, we were soundly beaten and only Louis Phelps with 2/7 off 2 overs shone.

We then took on Wembley at Hillcrest and had a good win. Our batters were the performers on the day, with Aravind (24 ret), Harry Smith (18 ret), Kobe Lam (16 ret), Wynnie (28 ret) and Jake (19*) all doing well.

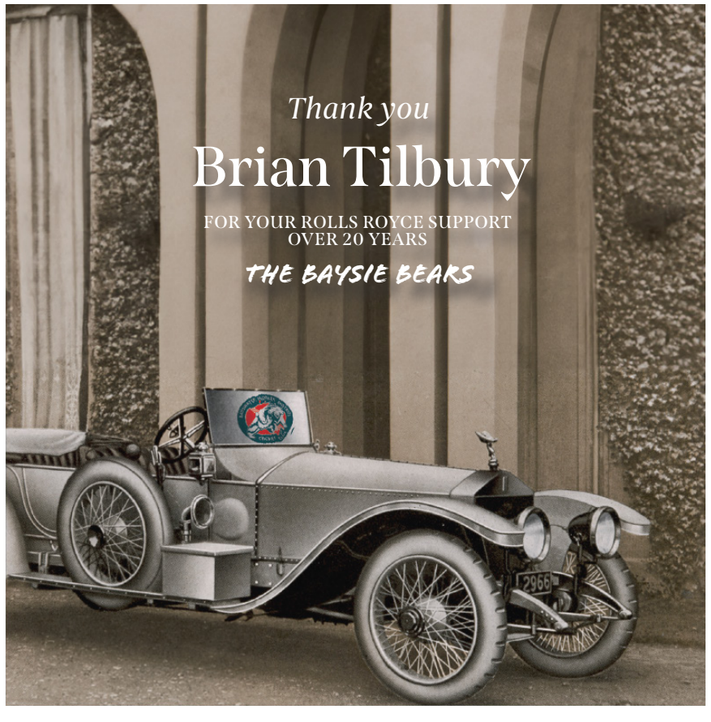

U13s SQUAD

BACK ROW (L-R)

Wynard Basson
Aaryan Mandole
Cadel Kay

ABSENT
Kobe Power
Carl Milner
Marcel Farquharson
(Assistant Coach)

Round 1 then came around and we played a very good Wanneroo team at Home.

We lost by 53 runs, but it was pleasing to see Jayden Thistle take our first official wicket for the year.

Wynnie (24) and Kobe L (23) both batted well.

A week later we came up against Scarborough at Hillcrest and were looking good until the rain ruined everything.

Aravind was left stranded on 22*.

The boys did have fun playing in the rain though.

Next up was Subiaco-Floreat, again at Home.

We lost by 67 runs but apart from the early stages of our fielding innings we were in the game.

Our bowlers did well with Jacob (1/12 off 3), Eashaan Shah (1/14 off 3), Kobe Power (1/34 off 8) & Cadel (1/10 off 5) bowling tightly. Wynnie also took 3 catches.

Batting was okay with Jake (31), Harry S (23), Kobe P (19) and Cadel (16*) all scoring well.

Kobe P and Cadel managed to put together 44 for the 8th wicket which was outstanding.

With a rather long break between fixtures, we had scratch matches with Scarborough and Rockingham-Mandurah.

We lost to Scarborough at Abbett Park but Aravind (30), Louis (1/7 off 3) and Kobe P (2 catches) all doing well.

We also lost to Rockingham-Mandurah but all reports were that the boys played extremely well and pushed the eventual GF winners all the way.

Disappointingly our next game v Mt Lawley at Breckler also saw us leave without a win. Our bowling was acceptable with Cadel (1/9 off 4), Connor McGovern (1/9 off 4) and Aaryan Mandole (1/22 off 7) all putting pressure on the batsmen. Only Jake with 26 bothered the scorers.

Next up was Midland-Guildford at Lilac with unfortunately the same result – a 6 wicket loss. Our boys batted very well with Aravind (20), Wynnie (30), Harry H (37 on debut after injury) and Kobe L (22) all scoring well in very oppressive conditions. The heat really got to us in the field and only Eashaan (1/8 off 2) and Suryaansh (1/33 off 8) and a run out doing their bit.

Our last 2 games were both back at Hillcrest with the first one being against Centurions.

Both Harry's, Smith (1/11 off 4) and Howes (2/36 off 8) bowled well. Harry H & Wynnie took two of the best catches you will see from 12/13-year-olds. Jake then went out and made our first 50 for the season, with a 60; by far the best innings played. Wynnie also scored 27 and batted well.

Against Joondalup again we played well in patches and showed that we had improved dramatically. Aravind (2/15 off 4) and a stumping, Cadel (2/35 off 7) and Suryaansh (3/17 off 5) all bowled sensationally. We also managed two run outs, which we had been missing during the season. Louis opening for the first time made a solid 17 and Harry H batted well for 32.

Our season went so smoothly mainly due to the efforts of Voila & Willem Basson. Thank you to both of you for everything that you did for our team this season – you were both fantastic. Nothing was too much of a problem and everything was handled perfectly.

Our parents and supporters for all the encouragement and support they provided need to be thanked. It's not easy having a child in a large squad who misses out on playing but I did not hear of any complaining. Thank you to all the parents who scored along the way.

My biggest thanks go to Marcel Farquharson & Brian Smith for your assistance, especially for the times that I couldn't be there. You guys were awesome. Thanks too to Michael Thistle for his input and support. I am looking forward to seeing how well you all do next season in 13s & 14s.

Good luck.
