PRESIDENT'S REPORT

It often amazes me at the end of the season how quickly it seems to come and go, particularly after the Christmas break. However the reality is different and the perception does undermine the true effort and work that goes into a season both on and off the field.

Thank you to the management committee for your input and stewardship of the club. I would specifically like to call out two long serving members of the Committee. Firstly to Ken Baker, our Secretary, congratulations on becoming a life member. And secondly to another life member, former President and current Director of Junior Cricket, Geoff Parkinson. Geoff has indicated that he will not be continuing on the Committee next season and will leave big shoes to fill. Thank you Geoff for your long and dedicated service (however I am sure we can coax him in to helping out in some capacity next season!)

The management committee has spent time reviewing and defining our strategy and priorities, which we also tested through our recent club survey. Some of the key themes include: growing the membership of our club (including steps towards female cricket), improving the integration of the senior and junior aspects of the club, as well as enhancing our brand to support our growth and improve on field performance. We will continue to finalise this work over the coming months which will provide direction for the short and longer term. Part of this is to ensure we are financially sustainable and can continue to invest in improvements in the long term.

A big thank you to all of our sponsors and people involved in our fundraising efforts. We couldn't operate without the generous support of our sponsors and it enables us to remain in a strong position and keep the expenses down for our players and families.

Thanks to Tim Heal and John Moore who continue to build these relationships with our valued sponsors. This year also marks John's 50th season of continuous service to our club which you will read more about later in this annual report, an amazing effort!

Our facilities and grounds continue to be a point of differentiation for the club. Congratulations to curator Tim Heal on the award for the best pitch in the competition – with both Upper and Lower Hillcrest being rated the top two grounds (of 32) in WA Premier Cricket. We were asked to host the A Grade Female Grand Final and the 1st Grade Men's Grand Finals as a result, with a lot of positive feedback received about the facilities and the hospitality which is excellent recognition for us.

Also thanks to the City of Bayswater – these results would also not be possible without the support provided and the condition in which our broader grounds are maintained… We shouldn't underestimate how good we have it compared to many other clubs with our centre wickets, nets, and outfields.

Whilst these results and the acknowledgment is fitting for the current people involved, it is also testament to a journey that started some 12 or so years ago.

DANIEL HOWES
CLUB PRESIDENT

At that time our wickets had deteriorated considerably, and the City of Bayswater began looking at a new funding model which would result in a considerable financial impact. It was a somewhat stressful and critical moment in the history of our club. However through the hard work and commitment of people like Ray Robinson, Geoff Parkinson, Peter Marriott, Tim Heal and Brendon Power, it turned out to be a watershed moment that would set up our playing facilities for where they are today.

To the 1st Grade squad, congratulations on making another Grand Final

Our on-field performances will be covered elsewhere in this publication, however there are a few acknowledgements I would like to make. Firstly to club Coach Ben Williams and Director of Senior Cricket, Tim Brookes, and all of the coaching team, it is a huge commitment from all of you and we are blessed to have the knowledge and experience that we do leading our player development. This also goes for those associated with our junior programs, led by Geoff and Ian Lilly, where we had a great team with a blend of different experiences. I think the support received by our junior teams from coaches and parents is up there with the best in the competition.

Well done to all of our players on your season, I hope you enjoyed it both on and off the field. We do have a relatively young senior playing group like many clubs, however it is now blended some seasoned players at this level. We anticipate that 5 or 6 players from the 2023/24 Under 17s graduate into seniors next season, which along with a similar number this season, will provide us with the next promising generation of players and 'club people'.

To the 1st Grade squad, congratulations on making another Grand Final in the One Day competition, and the Semi Finals of the overall competition.

I would also like to acknowledge the 2nd Grade and our Under 13s on also making finals. While the results didn't go our way, we are well placed to build on these performances across all grades so long as we continue to look for areas we can improve as individuals and as a group.

On a personal note, I would like to thank Kym and my family for supporting me in this role as well as being contributors to our club.

But more broadly, clubs like ours are about people as well as cricket, and we are only as strong as the collective. I would like to thank all of our people who played a role in the season (whether it be big or small), to provide opportunities for all our players to play Premier cricket, and for being part of our club.

HILLCREST IS THE BEST!
TOP 2 WICKETS IN PREMIER CRICKET

For each game throughout the season, the captains of both teams and the appointed umpires to that game rank the wicket and outfield as to the quality of the playing surfaces.

Those rankings are tallied by the WADCC and the highest ranked ground at the end of the season wins an award for the curator and club, called the *Roy Abbott Best Pitch* award.

This season Hillcrest Upper ranked first and Hillcrest Lower ranked second. That is an extremely rare event for the two grounds at one venue being ranked one and two!

Sincere thanks and congratulations TJ — both you and Hillcrest are the best!

Such an amazing achievement is no accident. We have been fortunate to have a very supportive local government authority, the City of Bayswater, who have always encouraged excellence. The City's Parks and Gardens staff and contractors have been constantly active in ensuring our needs are met where possible and we thank them sincerely.

For many years the City provided a curator to tend to our playing surfaces, with varying degrees of success. Some time ago the City amended their policies to shift the responsibility for turf wickets, at least partially to the club. That required the committee to search for a curator to ensure both an effective and affordable arrangement could be achieved.

We did not have to look far.

Curating our centre and practice wickets is now contracted directly by the club (with assistance from the City). That contract is held by *Finecut Turf Services*, owned, and operated by our own Tim (TJ) Heal.

Tim (TJ) Heal with wife, Adele.

L-R: President Daniel Howes and Head Groundsman Tim Heal from the Bayswater Morley District Cricket Club with City staff, Supervisor Turf Services Michael Agius, Coordinator Turf Services Allan Crawford, Supervisor Irrigation Services Wayne Peace and Team Leader Irrigation Services Clint Verner.

TJ is a previous Baysie player, previous Head Coach (Senior and Junior), member of our cricket development committee and management committee member. He does a power of work for the club behind the scenes, which is in addition to the great work he does as our curator. We are very lucky to have him.

TJ is passionate in his love for the club and will happily put up his hand to assist in many areas of our club whether it relates to facilities or not.

Obviously, his vast knowledge of turf cricket needs, partly through his playing and coaching background, and his natural need to strive for the best, pays substantial dividends for our club and for Hillcrest Reserve.

Both that knowledge and his consistent hard work on our wickets has now been recognised by Captains and Umpires with the *Roy Abbott Best Pitch* award for season 2023/24.

Sincere thanks and congratulations TJ – both you and Hillcrest are the best!

JOHN MOORE
A 50 YEAR LEGEND

It seems like John Moore has been at our club forever and he almost has. Fifty years ago John joined Baysie.

Although John never played for Baysie there is lots of depth to this man that many of you would not be aware of. Some of this detail we got from John himself but mostly from Diesel's excellent publication, *The Evolution of the Bears*. You should get a copy — it's a great read.

John grew up in country WA in a little town called Leonora.

He was recruited by South Fremantle Football club and played as a centreman in their two's (Reserves).

He played his premier cricket in West Perth's 3rd grade (now Willetton, of course).

As a Bank Manager, John lived in many different places and played a lot of country cricket, for lots of country teams including Northam, Boyup Brook and Kojonup.

> **The best player in our lower grades each year is awarded the John Moore Medal**

In 1973 John's sons attended St Mark's school, (now Chisholm) in Bedford just down the road from Hillcrest and John couldn't help but assist with their cricket program and naturally became president of St Mark's Cricket club.

Soon after, when the Under 14 WACA competition started, John was asked to coach the Baysie team. An obvious decision as most of the players came from St Mark's!

Before the 1978/79 season the club's leaders at the time clearly saw John's talents and asked him to join the committee. John served on our committee for 11 years from season 1979/80 to 1990/91, two of those years as our Vice President and six as our President.

Have a look at the Presidents' wall and you will see that John hasn't changed much since that photo was taken nearly 40 years ago!

If his involvement in our club was just his administrative and leadership roles within the Committee that would be substantial, however his contribution is far more than that. Whatever large and small jobs need to be done around the club you will see John involved. He has probably put more paint on our sight screens than anyone else and it has not been unusual to see John teetering on top of a tall ladder removing bore stains from his beloved sponsors' signs.

Most of our sponsors have come to the club through John's approach and as a result of his consistently regular visits to those sponsors' businesses. Long term sponsor, Denis McInerney once told me that when John, with that 'sad baby face' asked for support, it was impossible to say no.

The very strong financial position we are in is due primarily to John's club promotion to sponsors and his good friend and club legend Ray Robinson's frugal ways as Treasurer, for many years.

There are just a few individuals that we could rightly call 'club legends' and John is definitely one of those. His name will always be remembered at Baysie because the best player in our lower grades each year is awarded the John Moore Medal, a fitting recognition of an excellent clubman.

When you see him around the club congratulate and thank him for his selfless 50 years' service, he is rightly a legend.

John Moore with wife, Nanette.

SENIORS

Our senior players have changed the club's trajectory from 'hope' to 'expectation' on the premiership front.

BEN WILLIAMS
SENIOR COACH

COACH'S REPORT

Thank you to everyone involved with our great club for the 2023/2024 season.

When reviewing our season, whilst we didn't get the ultimate reward, the season as a whole was still a success with both our 1st and 2nd Grade teams qualifying for the finals again, with the 1st Grade also making the one-day competition for the second straight year playing the grand-final at the WACA. Our senior players have changed the club's trajectory from '*hope*' to '*expectation*' on the premiership front.

The season was also punctuated with a number of outstanding personal performances and individual achievements. I was extremely proud of Kyle Wiggers, Ashley Jeffrey and Lane Berry being recognised for their continual high standards with representation within the WA Cricket 2nd XI team. Fantastic personal reward for three amazing young men who continue to drive and lead both the standards and culture within the club.

The season itself felt somewhat disjointed—(adjective)—lacking a coherent sequence or connection.

I feel that this summarised our season. Our playing group has always been, and continues to be, a very tightknit group. This season however I felt that overall our group became disjointed as a result of injuries, through ill-discipline resulting in suspensions, with weddings and personal commitments a theme. It felt like we had fallen out of love with the game, albeit, just for a moment.

Personally, I felt somewhat aggrieved by all of it. A little bit of woe is me. However, in hindsight these were nothing more than minor setbacks. Small obstacles to overcome because as a group we had to overcome a much more difficult and deeper loss with the sudden and heartbreaking passing of a much loved player, mentor and friend in Jimmy Deering. Reflecting on the season, that loss brought everything into perspective for me. I love our club for the connections, the friendships, mateships that we have. Simply put, Family. Let's make sure that we never lose our love for the game. Let's make sure we appreciate it respect it and thrive.

Our playing group continued to evolve with the return of a number of previous players as well as a number of new players that were starting their senior cricketing journey. Each of you brought something new and exciting to the club and I am excited to see where your cricketing journeys take you. Thank you for choosing the Bears!

On field, our A-grade again led the way by making consecutive 1-day grand finals and another semi-final in the 2 day competition. I spoke last year about pressure being a privilege and for the most part this group embraced it and absorbed it and played some brilliant cricket. A real credit to each of the young men that represented the club at A-grade level. I am so confident with this group that with some luck on the injury front, a more coherent season combined with continued development that a premiership is there for the winning.

BEN WILLIAMS
CLUB COACH

The 2nd Grade had its largest turn-over of players and was still able to earn the right to make finals. An amazing achievement given the number of new players that joined the side this season. It is really a changing of the guard and to the new players that have stepped into this side, this team is now yours. Continue to drive the standards that took the previous group to multiple flags! Set standards, expectations and then go and achieve them.

The 3s and 4s continued to bring on new players. Whilst the results on the park weren't where they have been previously, I am excited by the number of quality young men that are coming through the club. Each of the players that represented the 3s and 4s have quality cricketing skills. The future is bright and again I am confident with continuity and continued direction, our young core will find their rhythm and make significant progress in a short period of time.

On that note I would like to thank our outstanding leaders again for a job well done. Personally, to Kyle Wiggers, Callum O'Connor, Sam Henley and Paul Pitchers, a massive thank you from me for your outstanding contributions throughout the year. Captaincy is extremely difficult and can be a thankless task but each of you do it without fuss and with an unflappable attitude.

I also wanted to thank the stand in captains for taking on the role in a most times, at short notice. I just wanted to take this opportunity to highlight a young man that took on the role as a 17 year-old. Zach Howes, you are a quality character and I have no doubt that you have many many more years leading cricket teams at this club into the future.

From on field to off-field, I want to shine a light on the support I receive from so many amazing volunteers that without your love and commitment to our club, we wouldn't be able to run as smoothly as we do. We have the best and most dedicated volunteers a club could ask for. Thank you.

Our Management Committee, you continue to ensure that our club is heading in the right direction. The conversations are difficult at times and the outcomes are not always instantly visible, but we have the right people who are so invested in seeing our club achieve continued success, it is a real credit to each of you. A special mention to our President/s Daniel and Kym, thank you so much for your unwavering support and for helping me continue to grow as an individual and as a leader. I cant thank you both enough. I have said it a lot tonight but we are very fortunate to have your quality at our club. You are both heart and soul people.

To the Cricket Development Committee (CDC) thank you for your wise words and telling it is how it is. I know we all have the same goal, and that is to bring sustained success to our club. A special mention to Big Red, Tim Brookes. I appreciate you and look forward to next season, hopefully with less weddings?

A very special mention to Tim Heal and his team for what can only be described as an outstanding season. Having the 1st and 2nd ranked pitches within the competition is unparallelled. I am so happy that Tim and his team received confirmation and affirmation of the amazing job that they all do that we get to enjoy week in and week out. A significant result built on hard work and dedication. Just imagine what could be achieved in 17 minutes per wicket?

I wanted to underline the quality of our coaching group. To Brett, Tim, Ian, Adam and Dan, a special thank you for bringing your passion and enthusiasm to each and every session. Your want to make our players better is infectious and I am looking forward to us continuing our journey together by challenging and supporting our group to reach their potential.

A special mention to Anthony Loicano AKA Yakka, for your work over the last 5 years as net captain. An underappreciated task that is never easy, but you always did it with a smile. It wont be the same without you.

And to my family, thank you for always encouraging me to do what I love. Your love and support means the world to me. I love you.

PROUD SUPPORTER OF BAYSWATER MORLEY DISTRICTS CRICKET CLUB

1ST GRADE

I would like to start by taking the time to thank the club, coaches, committee and playing group for placing their faith in me to captain the club for the second straight year. The role is one that brings along many challenges and tough decisions, but I have again enjoyed the role and am very grateful for your trust. I would also like to make a few special mentions to Aaron Todd and Robert Yates, who in my absences this year took the reigns of the team. Thank you both for your contributions, they are greatly appreciated.

Ben Williams acted as head coach again this season, working closely alongside the 1st grade side where he showcases his dedication on and off the field. He provides unwavering support to the players, and I can assure you that this does not go unnoticed. Ben, I appreciate you challenging us regularly to make us better, as well as holding us all to high standards. On behalf of the playing group, I'd like to thank you again for all that you do for us and we look forward to another season working with you.

For the second consecutive season, we finished top of the One Day ladder and played in the grand final

After experiencing a taste of finals cricket in 2022/23, I knew our group was hungry to give all three formats a red hot crack in the 2023/24 season. We had gone from being the hunter to the hunted, and with that there is always an expectation to live up to. The mentality of the group coming into this year was to be just as, if not more competitive than the last, as we did not want to be a 'one and done' sort of team. While we did not achieve the ultimate successes the season has to offer, we did hold ourselves up to the expectation.

White ball cricket has been an area we've had considerable success with in previous seasons, and our group had a specific goal of being the best white ball team in Perth. The 2023/24 season saw the Bears return to playing finals cricket in the T20 format, but we fell agonising short in this format. However, for the second consecutive season, we finished top of the One Day ladder and played in the grand final. Unfortunately, we did not perform to the best of our abilities with the game on the line and were left licking our wounds, but even reaching a grand final, let alone two in two years for this format is a feat I am proud of. Whilst in both formats we didn't walk away with the chocolates we were hoping for, our continual growth as a group has us heading in the right direction towards our goal, and I believe that it is not far out of reach.

Our One Day form carried over into the Two Day format where for the second straight year, we finished 5th. Our first showing against University was as clinical a finals performance you could hope for. Setting up a massive score of 8-425, we rolled the students for 274 setting us up with another outing against Perth in the semi final. Batting first and setting the demons 250, we were unable to bowl the Perth side out, and unfortunately slumped to a disappointing defeat and an abrupt end to our finals campaign. While the season ended in heartbreak, it also provided eye opening details. Last season was not a fluke and the fact we know that our side are contenders and should expect to be a competitive finals side for the years to come.

This year we had 18 different players represent the 1st grade side, and we were often left having a very different team for every fixture. Our group was tested at times throughout the year due to injuries, higher honours and other personal commitments, but this provided opportunities for many who were always on the cusp. Amongst those 18 was young Nick 'Nich' Wilson who made his 1st grade debut in round 3

against Wanneroo. Nick is a very well-liked young man who went on to play 6 1st grade games this season, and I'm certain his talent will see him play many more in the years to come. We also had experienced players in both Christian Smith and Callum Wiggers return to the bear cave, and their on and off field performances were critical to the group. I would also like to make a special note of the achievements made by Ashley Jeffrey and Lane Berry who were selected to played Second XI cricket this season on the back of several years of strong performances in 1st grade cricket. Well done to you both, we hope to see you perform at the next level in the near future.

There is no 'I' in team, but it does take some special individual performances throughout a season to maintain group success, and I want to make a special mention of some of those. Our bowling attack was tested several times this year, with our team often missing some of the experienced campaigners from the line-up. Through that all, Liam O'Connor stood up with ball, taking 31 wickets at 19.0 and was consistently our best bowler. Some of his standout performances included his 4-23 off 10 overs against Melville in round 1, and against University in the elimination final where he took 4-42 off 24 overs. Again, Jonty Wilde continued to display his control and consistency across the season taking 18 wickets including a stellar 5-73 off 32 overs against Scarborough in round 7. Both Ashley Jeffrey and Cameron Todd were regular contributors in the wicket column this season, particular in white ball cricket. However, my favourite bowling performance was from Nick Wilson in round 13 where he took 6-36 off 11 overs against University in a crucial game, his maiden 1st grade five wicket haul.

Our batters stood up again this season and allowed us to both chase and set large totals. The playing group got to witness and celebrate several centuries including Lane Berry's 103* against Melville (R1) and 106* against Claremont-Nedlands (R9), Christian Smith's 101* against Mount Lawley (R6) and 108* against Gosnells (R8), as well as Ryleigh Cameron's mammoth 151 off just 114 balls against University in the elimination final, an innings that I will never forget. The consistency of our batsmen was well and truly on show this season,

SUPPORTING JUNIOR CRICKET

RAH GROUP

285 Walter Rd West
Morley

with all of our top 5 having plentiful seasons. Opening pair Ryleigh Cameron and Callum Wiggers were very damaging to opposition bowlers. Ryleigh having a career best year making 789 runs at 37.57 including 1 century and 4 half centuries, and Callum producing a great season with 509 runs at 26.79 with 4 half centuries. At 3, Mitchell Todd churned another good year with the bat, scoring 580 runs at 34.12 including 4 half centuries and the return of Christian Smith to our side provided crucial experience batting at 5, and his 477 run season at 53.0 with 2 centuries and 1 half century played a very important role in our team success. Both Cameron and Aaron Todd also contributed regularly, highlighting the consistency of our batting group. However, one player stood out from the rest and that was Lane Berry. Continuing on from a stellar season prior, Lane took his game to a new level in the 2023/24 season with an 817 run season at 58.36 including 2 centuries and 6 half centuries. Lane's ability to quickly assess the conditions and score freely is something I am in awe of, regularly making it look like he was playing on a different pitch to the rest. He always puts the bowlers under pressure and not only gets the team out of sticky situations but puts us into a winning one. His rise is no shock to most, and I was very happy to see his efforts get recognised with higher honours throughout the season.

Overall, our season had its ups and downs, and despite not walking away with a flag to our name, we were very successful. We have shown the rest of the competition how good of a cricket side we are, appearing in yet another finals campaign and grand final. While the end to the season was disappointing, we can hold our heads high with the performances we displayed. I am confident that our on field success will be sustained in years to come, and we're not far off walking away with a premiership.

I would like to finish by thanking all those who do the thankless jobs for this great club and who without, would struggle to keep afloat. To Bev and Chris Todd for their unwavering support to the players, assisting on game days with scoring, drinks, food and general wellbeing. Yakka for his dedication to being net captain, a very thankless and tedious role. TJ and his excellent job as curator continually preparing the best wickets in Perth. We are very fortunate to have such generous people contributing to this club and your support is immensely appreciated. I am excited about the club's direction and I look forward to a bigger and better 2024/25.

KYLE WIGGERS
1ST GRADE CAPTAIN

2ND GRADE

I would like to start by thanking Daniel, the Committee and everyone that volunteered their time this season. This great club continues to grow and has a very exciting future. On behalf of the players, I would like to thank everyone involved for all the work you do. To the sponsors, thank you for your continued and generous support. On behalf of the players I would like to sincerely thank you all for your contributions to the club.

To Ben and the other coaches thank you for all your hard work and commitment. Ben, thank you for everything you have done. Another massive season as a club reaching finals in the top two grades and another first grade one day grand final. As a first year captain I cannot Thank you enough for the support from in particular yourself, Johno and Brooksey. I am already looking forward to what next season has instore for us as a group.

> **I hope we all return next year with a point to prove**

Johno, although changing titles this year and moving to batting coach instead of second grade coach, you were down every Saturday, doing warmups providing drinks, stories and many laughs among the group. Without your knowledge and support I could have not managed the players at all so I appreciate everything you do and have done for us this season.

One thing everyone knows about Johno is that he loves to win, he's always the first one to hold people accountable even when they probably don't want to hear it and that's what I absolutely love about him and wouldn't change a thing.

I hope you're around again next year as you're a great addition to not only the second grade group but the whole club

Thanks to Eamon our favourite second grade scorer, being able to have you there for home games and finals was great as it's one less thing that myself and the boys have to worry about when we're playing, so once again Thank you for being there and I hope to see you again next year.

To Kyle and the first-grade group, another serious year, making the one day final and two day semi finals. Hopefully next year we can go one or two better and bring home some well deserved flags. You have a great group with a mix of young and old who are ready to step up and take things to the next level.

As a first year captain this year was a massive learning curve for myself, going through the highs and lows of the year, taking on extra responsibilities and worrying about things that you'd never thing you'd worry about such as: "Will Connor Dimech return from his midweek overseas trip in time to open the batting next week?"; "Will Angus Bloxham wake up on time every Saturday morning?"; Or, "What time will Grant Thistle and Jake Lewis arrive after they have finished work on Saturday morning?".

Jarrad, I don't know how you have done it for so long but it's an absolute credit to you.

As Jarrad said in his last years review it kind of feels like a little bit of deja vu. Making the first final going in with a very strong side with a mix of young and old but with plenty of talent, losing to the same side who knocked us out in the same position last year was a bit of a kick in the guts but I know we will bounce back and return with a point to prove.

This year we had 21 players roll through the second-gradeside. We finally got to see the "myth" Nich Wilson showcase his skills and prove why Ben had been telling us all about him for the last couple of years. Nich you have slotted into our group seamlessly and that's a credit to you and your attitude, it's been a pleasure getting to know you and I'm sure you

will have a great career ahead of you. Other talented youngsters we had taking their game to another level were Angus Bloxham, Jack Wasley and Olly Brandes, Angus playing some more consistent first grade games and showing he really deserved to be there. Jack making his first grade T20 debut and bowling some crucial overs to win some big games for the club and lastly Olly making the change from keeper/bat to all rounder, looking like a young Brendan Julian, Olly had come on leaps and bounds and has shown that he is a real talent and will only continue to improve as he learns the game and continues to grow (hopefully not in height).

This year we had some great individual performances and I would like to recognise these performances. In round 6 against Mt Lawley and round 12 against Rockingham Nick Merrin scored 101 no. Nick is the ultimate professional, he always is working on his game throughout the week, always goes through the same routine before and after games and that transitioned into his game on Saturday's. He's a team first man and would always say that he never cared about the individual scores as long as the team won. An absolute credit to Mez and it's a pleasure to have you as part of the side.

Kieran Abrams scoring 91 against Gosnells in round 8 after making the switch back from Mount Lawley, another player whose professionalism cannot be questioned, he added a lot to our side with bat, ball and in the field. I hope you stick around for good now and I'm sure you'll crack into our first grade side like you did at Mt Lawley.

Grant Thistle and Jarrad Daniells, my right hand men both making scores in the 90s proving that age is just a number carrying us to victories over tough opponents. Without these two in the side I don't know where I would be, let alone the whole group. I couldn't speak more highly of these two both on and off the field they are two of the best that you will ever meet.

Onto the bowling.

Once again Jarrad Daniells leading the way with 5 four wicket hauls, credit to the man's body after as G would say 897 games still being able to perform the way he does and bowl 15-20 overs in a row without straying from his line and length. I hope to see you do it all again next year if I'm lucky enough!

The young fast bowling unit of Nich Wilson, Jack Wasley and Christian Lee chipped in with a four wicket haul each, with Nich claiming his first 2nd grade 5 wicket haul in the last game of the year.

As I said before, I hope we all return next year with a point to prove and I know we will bounce back bigger and better and come home with a flag.

Lastly, I'd like to thank my family. Mum always being down to help do arvo teas every week, dad always helping out behind the bar, or walking around the boundary offering players a drink of water on a hot day. I love having you down there and I appreciate everything you do and to Maddie I'm sure you're sick of me venting about selections or decisions on the weekend when you have no idea what I'm talking about but I Thank you for everything you do and allowing me to spend majority of my week and weekend away playing the sport I love with my mates.

Looking forward to what the next few seasons has in store for us all.

CALLUM O'CONNOR
2ND GRADE CAPTAIN

VOLUNTEERS ARE THE FOUNDATION BLOCKS OF OUR CLUB.

3RD GRADE

It has been my pleasure to captain the 3rd Grade side for the 2023/24 season in what can summarised as a year of growth for the lower grades. We had 29 players represent the 3rd Grade side throughout the season, with a strong core group of players consistently playing together this gave the side an opportunity to better develop roles. On first inspection our final ladder position of 15th would suggest that the season was largely unsuccessful, but I think that this is certainly not the case. Whilst the first half of the season proved difficult for the team; winning 1 out of 8 games and being firmly bottom of the table. There were many games that I think we all would agree slipped out of our hands. What remained consistent was the strong sense of belief that our group was talented and that if we were able to put our best cricket together, we could beat any side.

Special thanks must go to our senior players whose suggestions and banter on field was greatly appreciated

With this in mind, we returned after the Christmas break with two convincing wins against Midland and Joondalup with strong performances with bat and ball. This momentum continued with an upset win against the then 4th placed University, taking them out of finals consideration. A win in the last game of the season against Fremantle was made all the sweeter with the news that it was enough to climb to our final position of 15th overall and a finish the year with a post-Christmas record of 4-2.

As I mentioned, the season was one of growth and this was highlighted by a number of individual performances. Tim Smithies' return to the club following some time overseas, was fruitful with both bat and ball, finishing the season with a batting and bowling averages of 40 and 15 respectively. Aiden Bennett's progression with the bat was evident throughout the year, often contributing useful runs in the lower order when we found ourselves in trouble. Callum Wilde took on the new ball with aggression, highlighted by his 101(89) against Fremantle which included a 21 run second over of the game. Callum was well supported by Jake Collingwood at the top of the order who yielded 242 @ 27 and with the ball, Cody Hoffmeister consistently bowled fast taking wickets at all periods of the game, hitting the gloves of Chase Procak harder than any other bowler in the competition.

Special thanks must go to our senior players whose suggestions and banter on field was greatly appreciated; Reece, Tim, Hoff, Chase and Marcel thank you. Further thanks must be given to Dan Bennett for all his help as our coach for the season. Dan's help was vital to the smooth sailing of the side as well as giving me an additional point to bounce ideas off. Finally thank you to all the other volunteers, coaches, members and players that keep this club functioning, I'm sure that there are many more successes around the corner.

Workpower

4TH GRADE

As I reflect on the 2023/24 season, I would like to start by thanking Daniel and the committee, Ben, Tim and the coaching staff, club sponsors and all of the volunteers for their support throughout the season. The tireless work that is put into our club by these volunteers and supporters is hard to accurately measure or recognise, but I found it invaluable to making the job of captaining so much easier on game day.

I would also like to thank the committee and coaching staff for putting their faith in me to captain the 4th Grade team, a position I did not consider when I reached out to Daniel and TJ to see if a comeback to a playing role at the club would be feasible after 20 years away. Playing cricket at this great club was a massive part of my development as a young man, and I am so grateful for the opportunity to help contribute to the development of our young players as they transition from junior to senior cricket.

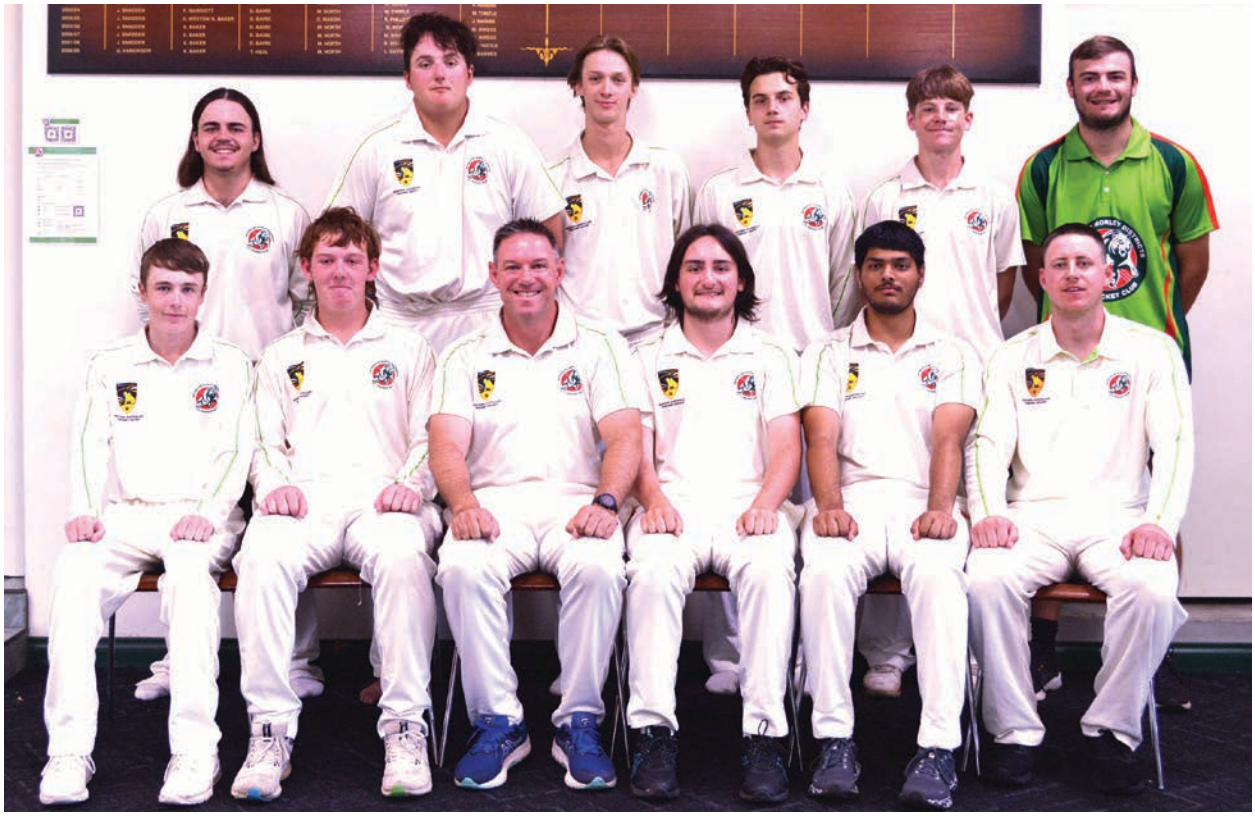

Play with Intent
Play with Energy
Play as a Team

To all of the 31 players who represented the club in 4th grade this season, thank you all for your support throughout the year, and making me feel welcome from day one. Special thanks go to Zach Howes and Muzani Adjie, who helped me immensely on game day with setting fields while I was bowling and providing a much needed ear when I wanted to float an idea or tactic. I also want to thank our pregame DJ Billy Heal, for helping create the right environment in warm ups and pregame with some good (and sometimes questionable) tunes. I also appreciated the input of our young players as their experience and confidence developed throughout the year.

Given the youth and relative inexperience of our side throughout the year, we had three key themes for each game: Play with Intent; Play with Energy; Play as a Team. While three wins for the season is less than we would have liked, most weeks we were competitive and I believe that through the year we showed improvement in the three areas above, as well as seeing development in a number of players across the season. I am also proud of the way we conducted ourselves on the field, with feedback from umpires and opposition indicating we competed hard, but within the spirit of the game.

What hurt our chances of winning more games was our ability to turn good starts into great results, with both the bat and the ball. We had 33 times where players scored more than 25 but only converted 9 of those into 50's with no centuries. With the ball we had 28 times where players took 2 or more wickets but only converted 2 into 5 wicket hauls. What this showed me is that we have the ability to play at this level, but we need to continue to develop the patience and consistency required to excel.

With the bat we were led by Zach Howes, who scored 249 runs at 31.13, and was a deserving winner of our batting award. Zach was given the opportunity to open the batting after compiling his season high 85* and he took the opportunity with both hands, adding another half century and a number of starts. Ishmeet Pannu showed signs of his potential with 260 runs at 26 (top score 75),

Kevin Carlson

including two half centuries and Jack Zagar with 181 runs at 36.2 (top score 75) in just four games showed patience and valued his wicket highly. Other notable scores were Mitch Scorer's knock of 73 in our win against Joondalup, Tom Cross with 62 vs Joondalup and Muzani Adije 50 vs Subiaco-Floreat.

With the ball, I was fortunate to get a few wickets and took out the bowling award with 25 wickets at 20.7. Our bowling attack was well supported by Jack Criddle, who took 18 wickets at 27.6, with a well deserved 5/79 against a strong Perth batting lineup. Jack's consistency and confidence improved throughout the year, despite some of his best spells this year going without the deserved rewards. We also saw continued development in some of our younger bowlers such as Kayva Amin, Archie Kirkpatrick-Taylor, Riley Sims and Jack Zagar. Kevin Carlson had our best figures for the year, with 5/40 in a match turning display vs Rockingham-Mandurah.

I again would like to thank all of the coaching staff for the support they gave me in my first season as captain. In particular, Adam Van Gent on match days, your advice and feedback to me and the team was invaluable, and to Tim Heal, I appreciate your support to me throughout the year, and I apologise for some of the long conversations at training and in the clubrooms.

Thanks as well to Brett Johnson, who would chip in with helpful advice on game day when we shared a ground with the 2nd grade.

I would also like to congratulate both the 1st Grade and 2nd Grade teams on making the finals, a deserved reward for a consistent season. While the results didn't go the way we all wanted them to, playing finals is special and no doubt the experience will make the players in both teams stronger moving forward.

I have really enjoyed getting back to this amazing club after a long time away, I am excited to see the continued development of our young players and am looking forward to improving our results in 4th Grade as we continue to gain more experience and confidence as a team.

COLTS

After being told by Ben Williams and Tim Brookes that I was going to captain Baysie Colts in the upcoming season I was beyond excited to lead the group. On that Thursday night before Round 1 with colts in 2 weeks time we sat down and spoke as a group about potential goals and targets for the colts season. We had belief as a group and were optimistic on what we could achieve as a squad, and losing all of our games in 22/23 season would not stop our belief.

Going into game 1, a young Baysie side with an average age of 17 going up against a serious heavily experienced Perth side we won the toss and chose to bat which batting first was our preferred option throughout the season.

Ryan Skett with 43 off 35 got us off to a handy start, with Aidan Bennett also chipping in with a handy knock of 18* to help us get to 117 off our 20 overs. Our performance with the ball and in the field was superb, an all round effort to take some great catches and bowl extremely well with Ryan Skett 1/13 off 4, Ollie Brandes 3/12 off 3 and Nich Wilson 2/13 off 2. Bowling out Perth for 103 in the end, who on paper looked like one of the stronger teams in the comp, gave us so much confidence going into upcoming games and we spoke about just riding the wave on what this very young colts side can achieve.

Our Second game was back home at Hillcrest against Subiaco Floreat, we got some good news during the week that Kieran Abrams was returning to Baysie after a 3 year holiday at Mt Lawley. Kieran was a huge addition to our squad bringing so much experience to this side which is what we needed. Won the toss again and batted first with Ryan Skett yet again giving us a good base with 33 off 31, then enters Angus Bloxham, 68 off 41 balls with 5 sixes which took us to 143. Nich Wilson with 3/33 off 4 and Angus Bloxham 2/22 helped us scrape over the line with Subi falling 3 runs short.

Third game at home against South Perth, with finals locked in we spoke about a different challenge to put ourselves in the position of chasing. Yet again our bowling and fielding was the difference with restricting them all out 97, with Ryan Skett 2/27, Angus Bloxham 3/15 and Kieran Abrams 2/16 all starring. We ended up crawling over the line chasing it 6 down in the 19th over where Angus Bloxham 31 off 24 and Jake Collingwood 15* off 25 were able to keep their cool and get us over the line to finish 3/3.

Quarter Final we got fixtured up against Subi at Stevens Reserve, Again winning the toss and setting a total. Very shaky start being 5/60 at one point and all momentum in Subi's favour until Callum Wilde produced one of the better innings 50* off just 28 balls and Jake Collingwood 29 off 20, which swung all momentum back our way and we went in defending 135 very confident. Our bowling innings just showed the talent and belief that was present in this team at this current stage, bowling Subi out for 94 as Nich Wilson 2/10 off 2.3, Ryan Skett 2/20 off 4 and Ollie Brandes 2/17 off 3 were main features of keeping Subi to 94 and moving onto the Semi Final.

Matched up against a strong Claremont-Nedlands side losing the toss and bowling first. Hard fought effort in the field with them finishing 158 and Angus Bloxham help restrict the total which he finishes with 4/21. We didn't get off to the start we wanted, losing early wickets. Kieran Abrams with 48 off 51 gave his all for us, but we could only make 140 and were knocked out of the competition.

It didn't go our way in the Semi final but something we didn't do was reflect on our season, and not taking notice of what we had achieved as a team. Winning 4/5 games and making it to the semi final we by far exceeded our own expectations and the clubs expectations. This colts season was by far the most fun I've had in the field, and I've had so many memorable experiences with these boys. I think the loss in the semi final only makes us more hungry next year to go a couple better and have more success.

My first thank you goes to Mitchell Scorer the ultimate team man. Mitch was our 12th man all season, always running drinks and getting the boys up and about. It shows that Mitch was a worthy winner of the Jon De Celis Medal your support doesn't go unnoticed. To TJ and Dan we recognise the time and effort you put into the team, to give up your Sunday's, in order to support the boys and I. Another thank you goes to Bev Todd for scoring all our games. And lastly many thanks to our supporters, parents and muffin!!!!!!!!!!

BEN BRADLEY
U13s COACH

JUNIOR COORDINATOR

Pre-season kicked off mid-August at indoor centres and the junior players jumped into their workload with passion and excitement.

The coaches were ready with technical drills that would prepare the boys for round one. As September approached, we added fitness sessions to their already busy schedules.

The hard work put in by the junior players was pleasing as some were still finishing winter sports.

The development of junior players will always be our priority, how they represent our club and importantly their enjoyment of the game.

> **The development of junior players will always be our priority**

Congratulations to all teams for a great season and for the hard work you put into developing your skills.

A special mention to our Under 13s who made it to the semi final against Rockingham Mandurah. You guys did the club proud, not just with the style of cricket played but also the way you carried yourselves.

To my Head Coaches, Ben Bradley, Aaron Todd, and Mike Wilkie thank you for the substantial amount of time and effort you put into this season. We really appreciate your commitment.

To the many assistant coaches and the Kevrek Skill Coaches thank you from both me and the club. You do make a difference.

Special thank you to Tim Brookes, Director of Senior Cricket, for organising the Kevrek Skills Program, and for your help throughout the season.

Thanks to Mike Thistle and Brendan Criddle who worked with our junior bowlers throughout the season. Your involvement was much appreciated and highly valued.

To our team managers — you all did an amazing job this year, thank you.

Congratulations on your junior careers to our graduating Under 17s, Matthew Martin, Rhys DeCelis, Raees Hassan, Jake Collingwood, Oliver Smith, Jack Zagar, Kavya Amin, Ollie Brandes De Roos, Lauchlan Biddle, Hudson Foote and Thomas Cross. We are confident in your talent and hope to see you flourish in Senior Cricket at whatever level you choose.

To the many helpers, scorers, preparation of teas, ground set up and frog box experts, a sincere thank you.

To Geoff Parkinson thank you for the hard work you do. It has been a pleasure to have been a part of our junior program for the past eight years.

Finally, as I sign off as Junior Coordinator and Head Coach, I believe the program is in a good place and to watch junior players progress to Seniors and enjoying their cricket is very satisfying.

UNDER 17s

The team this year knew that the 2023/24 season was set to be challenging, with game awareness and game development being key to having a competitive side.

After a strong preseason and Thomas Cross and Ollie Brandes de Roos named as co-captains we were ready to go.

We consistently achieved scores of 200 plus which was pleasing to see and was a result of their hard work early on.

With some close losses before Christmas the lads knew they were on the right track to winning games against strong opposition. After Christmas we defeated three of the top six sides which saw the team gain momentum.

Overall, a good season, being competitive always and the lads enjoying their cricket.

With many of our players regularly filling Senior sides that made for challenging selections week in week out.

Some notable performances:

Thomas Cross
74 off 74, 82 off 91

Raees Hassan
76 off 97, 10 overs 2 for 28, 6.1 overs 3 for 20

Kavya Amin
10 overs 3 for 30

Jake Collingwood
70 off 57

Adrian McKinlay
10 overs 3 for 32

Jack Zagar
7 overs 5 for 31

Thank you to Thomas Cross for his hard work and consistent efforts as Captain, leading by example, and he also had an outstanding year with both bat and ball.

To Ryleigh Cameron and Darren Young, my Assistant Coaches, thank you for your expert help and efforts throughout the season.

Jeff Cross took on the manager's role and his professionalism was second to none, thanks Jeff.

To the many parents and family who helped with morning teas, thank you. Special mention to Alison Cross, Kym Zagar and Louisa Kay.

Our resident frogbox expert was Brett Kay — thank you.

Good luck in your future endeavours to all of the graduating players, whether that is cricket related or not.

UNDER 15s

I was fortunate to be given the opportunity to continue coaching the Bayswater Morley Under 15s side for the 2023-24 season after taking the group through the previous season in the Under 14s competition. We had changed the squad with several new boys coming in to become part of the Bear's family.

The season started off with a home game against Melville in a 20/20 game at home. We batted first and made a competitive total of 6/108 with Yusuf Mohideen making a breezy 55 of 61 balls and anchoring the innings. Our bowling unit put on a great display of defensive bowling, performing their role in keeping things tight. The wickets were shared around, and Mitchell Grabski was great bowling the death over and taking a wicket on the last ball to see us start the season with a win in keeping Melville to 104.

We as a club are very fortunate to have quality families involved...

Round Two saw us taking on a strong South Perth side at Richardson Park. We batted first and made a strong score of 186 on a very slow outfield . We were given a good start with opener Cameron Baxter scoring 29 and number three Owen Mouchemore getting a well-made 64 . There were good contributions through the middle order to allow us to post a solid score. Ashton Taylor came up from the Under 14s to debut for the club. Unfortunately, we arrived at Richardson on week two to a field that was dramatically different to the week before cut very low and extremely quick. The bowling unit was very good with solid contributions from Mitchell Grabski 2/40 new captain James Nairn 3/26 and leg spinner Hamish McLeod 4/45 off 10 quality overs. Despite the good effort South Perth chased down our total nine wickets down.

Round Three saw us for the third year in a row put up our worst performance of the year against the strong Subiaco Floreat side at Alderbury with a poor batting performance killing the game for us. The total of 125 was a disappointing result with only Angus Tyers 33 and James Nairn 28 showing any resolve. The Subiaco team were not under any pressure in scoring 7/196 chasing the lowly target. Mitchell Grabski was the pick of the bowlers with 3/60.

Round Four saw us at home against Mount Lawley and batting first. We were off to a shocking start at 6/35 until a great knock from Jai Jones 53 and Captain James Nairn 30NO allowing us to get to 143. Our bowling unit was outstanding in bowling Mount Lawley out for 140 to get a great win. James Nairn led the attack with 3/16, Nischalk Sridharaswamy 2/23 , Sam McDonald 2/5 on debut and Hamish McLeod 2/21 all doing their job.

Round Five saw us at Abbott Park against Scarborough and batting first on a green wicket that moved dramatically once again we were in a poor position early at 6/56, Jai Jones 50 once again got us to a reasonable total of 7/151 with Shaan Patel 39 helping the cause. Week two saw us dealing with injuries and getting young leg spinner Ashton Taylor opening the bowling and doing a great job bowling 10 overs straight and taking 2/19 with our other leg spinner Hamish McLeod 2/18 off 10. We were unlucky

to lose with Scarborough sneaking over the line getting to 159 in the last over.

Round Six was at Sutherlands Park against Gosnells in a 20/20 we batted first and made an excellent total of 2/108 with Owen Mouchemore 63 off 64 and well supported by Yusuf Mohideen 28 turning the strike well. Our bowling was excellent in restricting Gosnells to 8/73 with Taylor 1/12 , Nairn 2/12 McLeod 2/11 all doing their job.

Round Seven was at home against last season's premiers Claremont Nedlands with all of their PSA players and at full strength . The strong Claremont side made an imposing total of 214 with Angus Tyers 3/32, Ashton Taylor 2/26 the pick of our bowlers. Our batting was solid with Owen Mouchemore 33, Cameron Baxter 25, and Jai Jones 38 giving us a platform to get the win, unfortunately we got to the last ball with Mitchell Grabski 23 off 15 balls unable to get the boundary required to get the win off the last ball and seeing us fall one run short .

Round 8 was the Saturday/Sunday fixture after the Christmas break. We had a large number of players unavailable and fell to Midland Guildford who made a big total of 284. We got to 5-159 with James Nairn 57 and Yusuf Mohideen 49 strong contributors.

Round 9 was another 20/20 fixture against a strong Joondalup side , we made a good total of 5/113 with solid scores from Mitchell Glover 26 and James Nairn 32NO. Our bowling was very good to restrict our opposition to 5/90 with Nairn completing a good all-round game taking 2/14 and well supported by the entire bowling unit.

Round 10 saw us at home against a very good finals bound side in Rockingham Mandurah who restricted us to 157, Nairn 27 , Baxter 22 and young gun Taylor 32 all batting well. This total was a little skinny and Rockingham made the runs late in the day with Nairn 2/24 of 10 overs and Hamish McLeod 3/35 off his 10 overs the pick of the bowlers.

Round 11 was at Belridge School against Centurions who made 6/189 with dropped catches costing us dearly after being in a strong early position, Hamish McLeod 2/29 off 10 overs was once again excellent. The batting unit saw us with several players getting starts but no-one going on and getting the big score we required to win the game.

Round 12 saw us in a strong position for a win against Perth making 161 through a great knock from Under 14 s player Wynand Basson making a fantastic 64 off 50 balls and showing everyone the immense talent he has.

Week two saw rain hit hard and very little play and a frustrating result of a draw in what we believe would have been a win.

Round 13 we went to Stevens Reserve against eventual premiers Fremantle who were the best team all season long, they made a strong 131 off their 20 overs , we fought hard to get to 92 off our twenty overs with Yusuf Mohideen finishing the season well with 46 of 53 balls.

The boys as a group made good strides in their progression into senior players with the club , twenty boys represented us in the under 15s. We had Ashton Taylor play 11 games Wynand Basson played a number of games and is growing into a quality player. James Nairn and Hamish McLeod played in the 4th grade in their senior debuts for our great club.

Our champion player for the season was our captain James Nairn who led by example and made tremendous strides as a player and as a first-year captain. Our batting was led by Yusuf Mohideen with 268 at 20.62, James Nairn won our batting award with 229 at 32.71 and showed great promise to develop into a solid allrounder and will go bigger next season. The bowling award was won by our outstanding leg spinner Hamish McLeod 19 wickets at 15.89 and will be a bright prospect for the club in the years to come. Special mention to Jimmy Nairn and Ashton Taylor who as a result of their excellent seasons have been rewarded for their hard work and ability with a spot in the under 15s WACA talent identification team that played at Lilac Hill during the Christmas holiday break late in the season. Well done Jimmy and Ashton we are all very proud of your achievements.

We gave twenty players the opportunity to play Premier cricket for the 2023-24 season and the expectations are much greater for these boys to continue to improve as players and people in the future and be leaders within our great club going forward. Special thanks to our assistant coaches Mick Jones, Jacob Wilkie and Ben Bradley for their efforts — week in week out — during the season in continuing to push our boys to be better, more complete cricketers in the future.

We as a club are very fortunate to have quality families involved like the Nairn family with Greg and Bec performing the manger's job this season and making life easier for everyone. We as a whole club thank you for this. The group of parents in this team was exceptional with everyone helping with afternoon teas, putting up marquees and frog box and always there to help without question with anything that just needed to be done on the day.

UNDER 14s

Preseason provided an opportunity to work on some basic skills and get the kinks out before the season proper. A talented young group were keen to develop, both individually and as a team.

Although most players had very little success in the previous season it was obvious to the Coaching team and the selectors that, with hard work on skill improvements, they could develop into quality players and a quality team.

The coaching challenge was to build a team who understood how to win games of cricket.

The players showed both enthusiasm and a strong desire to learn and improve. They were all a pleasure to Coach.

Three wins for the season was a result of that improvement and desire to improve. The losses also showed some individual good performances that were encouraging for the team and gives the club some positive signs for the future of this group.

Some individual highlights:

Wynand Basson
44, 50 and a superb 95 off 65 balls against Mt Lawley.

Ashton Taylor
Very consistent year with bat and ball. Scored more than 30 in every game except one. Bowling 4 for 21, 4 for 22 and against Mt Lawley an exceptional 10 overs, 7 maidens 2 for 4. Together with Wynand, Ashton also led the team with maturity.

Aaryan Mandole
An excellent 64 against Scarborough.

Sam Doyle
30 off 24 balls with 4 sixes against Wanneroo.

Jayden Thistle
4 for 34 against Mt Lawley.

Taj King
Coming back after injury to contribute positively to the team, on field and off.

Congratulations should also go to Ashton and Wynand who both played a number of games up in our Under 15s. (Ashton 12 and Wynand 4).

For coaches to be able to focus on skill and game development we need quality volunteers to manage other aspects on game day and training nights.

Many thanks to Voila Basson who was our very efficient team manager ensuring all the things that need to be done are accomplished without requiring my input. You make it look easy Voila but of course it is hard work and we all very much appreciate your time and effort.

To my assistants Cameron, Mitch, Dave Taylor, Kieran Abrams and particularly Michael Thistle thank you!

Having assistants with the calibre of these gentlemen has certainly helped to fast track the players development. Mike took over Coaching when I was unavailable match day and I know the boys learnt a lot on those days and performed well.

To our scorers and afternoon prep people – thank you!

This has been an enjoyable season, and you should keep an eye on this group as they improved substantially over the season, I have high hopes for them.

Thanks boys!

UNDER 13s

The under 13s had an exciting season and it was enjoyable for everyone involved.

After a very modest start in some practice games, we set some core values along with some team and personal goals that the entire squad of 15 were able to work towards.

I'm very proud to say all 15 players bought into the team culture, bonded together and we were on our way towards some success.

Our round 1 game was against Centurions at Hillcrest and a solid team performance in the field saw us bowl them out for 95 in under 30 overs.

We chased the total easily making 149 as the boys batted selflessly for the team setting a great standard for the rest of the season. Highlights:

M. Ariff	4/33
A. Naing Oo	2/ 23
R. Abassi	39
S. Singh Chauhan	24
H. Howes	20

Round 2 we played Scarborough away and set them a modest target of 9/133. Thinking this may have been a bit light on, the boys went out determined to get it done with the ball and we rolled them for 66 in less than 27 overs with some outstanding pressure applied by the entire team. Highlights:

M. Ariff	5/17 — that won him the WACA player of the round!
H. Smith	3/15
R. Abassi	23

Round 3 we were back at home and we were excited to test where we sat against the unbeaten Joondalup. Batting first again we set a defendable target of 9/181 and knew we'd have to field well against a strong batting unit to score the win.

As the pressure mounted throughout the innings the team kept their cool to run out winners by 14 runs in what was a great day for learning how important the fundamentals are.

Highlights:

Suryaansh Singh Chauhan 3/37

H. Howes	2/27
H. Smith	48
H. Howes	27
M. Ariff	24

In the last game before Christmas we were away against Subiaco Floreat batting first again. After a shaky start the boys settled, set a huge total of 8/246 and were very confident we could defend it and go into the break with 4 wins.

Subiaco Floreat never really gave themselves a chance of going for the win and finished their innings with 4/146. Highlights :

H. Smith	86
M. Ariff	56
S. Singh Chauhan	22

Round 5 was a scorching hot day that unfortunately had us fielding in extreme heat conditions first. Playing the also unbeaten Midland Guildford we were excited and up for the challenge.

A gutsy effort with the ball saw us keep them to 9/163 and right in the contest.

After a great team batting effort we fell just short with 151 but I was very proud of the way the boys stayed united and fought it out. Highlights:

H. Smith	3/21
A. Naing Oo	2/37
H. Smith	36
M. Ariff	27
S. Singh Chauhan	26

Round 6 we were back at home taking on Wanneroo who had won their last few games and we were sent out to field first again. We were very strong for 30 overs but they got away from us a bit in the last 10 and finished with 7/150.

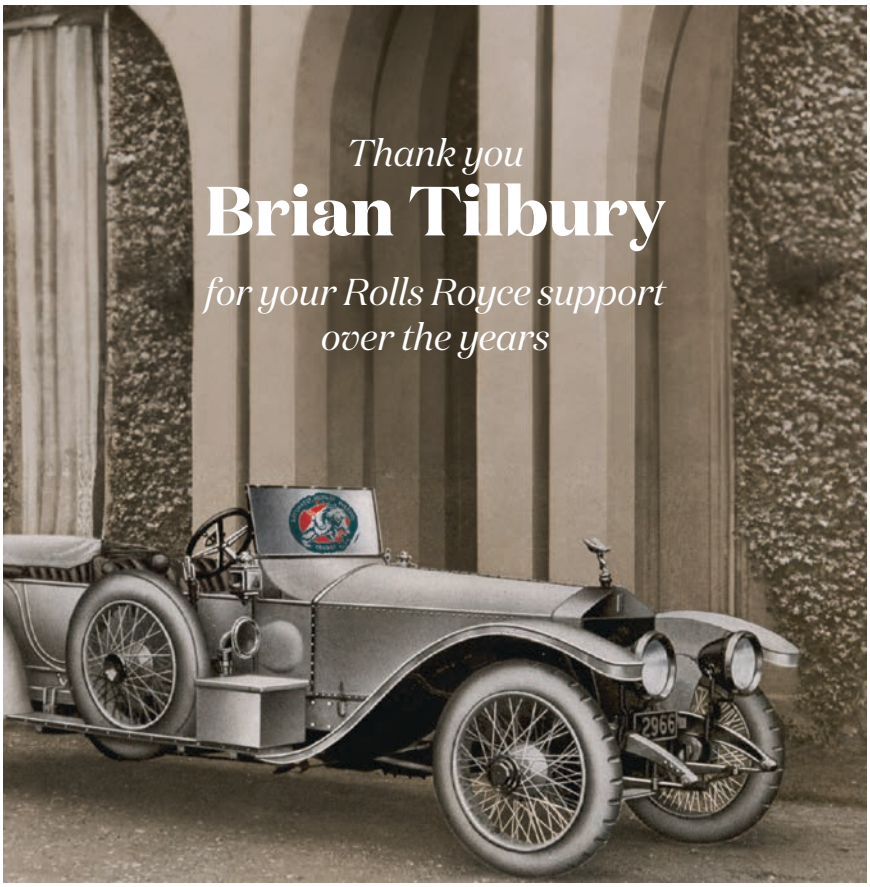

U13s SQUAD

BACK ROW (L-R)

Zach Howes Assistant Coach
Aung Naing Oo
Rayan Abassi
Cameron Bialobrodzki
Mikael Ariff
Ethan Scott
Harry Thirtle
Soham Kalra
Ben Bradley Coach

FRONT ROW (L-R)

Dane Bradley
Harrison Smith
Suryaansh Singh Chauhan
Harry Howes Captain
Louis Phelps
Prabhjot Johal
Darcy Radford
Atreyu Collela

We were never in any trouble and comfortably got the runs finishing 6/173. Highlights:

A. Naing Oo	3/30
H. Smith	2/24
M. Ariff	40
S. Singh Chauhan	36
H. Smith	23

We entered round 7 in 2nd spot on the ladder with a win needed to secure finals.

Against Mt Lawley we were confident but wary of their ever changing side.

We chose to bowl and did so well keeping them to a modest total of 7/147.

Once again it was a great team performance by all in the field. In what should have been an easy chase we found ourselves suddenly 3/7.

Once again, the team dug in and played for each other with an outstanding amount of belief and guts. We willed our way across the line, and it was a magnificent occasion for all involved. The celebration was second to none and I was extremely proud of the entire squad for believing in the process and reaping the reward that came from it. Highlights:

H. Howes	3/15
H. Smith	40
M. Ariff	33
E. Scott	20

Our lead up to the semi-final was interrupted with trials but the squad stayed close together and we focused on enjoying the occasion and being proud of achieving what we set out to do which was make finals. Unfortunately, we didn't have our best day and were outplayed on a scorching hot day by a strong Rockingham Mandurah unit who went on to win the flag. Highlights:

M. Ariff	2/41
S. Singh Chauhan	28
L. Phelps	28
M. Ariff	23

I would like to congratulate the boys that kept featuring throughout our highlights for their efforts. Mikael Ariff, Harry Smith, Suryaansh Singh Chauhan and Aung Naing Oo all had outstanding seasons and I hope they continue their great form next season.

AWARDS

Batting	Harry Smith 255 runs
Bowling	Mikael Ariff 14 wickets
Coaches award	Suryaansh Singh Chauhan
Perpetual finals award	Mikael Ariff

I also congratulate and thank the rest of the squad for their hard work, belief, and efforts. The strength and determination of each player made this side what it was.

Although we didn't win the flag this was a champion team, rather than a team of champions. The hunger to play for each other alongside the happiness that came from celebrating even the smallest of each other's achievements drove this team and I'm extremely honoured to have been a part of it.

I would like to thank Harry Howes for his captaincy, also Suryaansh for his leadership. These young men did an amazing job and will continue to be great cricketers as they go through the system.

Thanks also to Zach Howes for his role as assistant coach. We struck gold having Zach with us, he's wise beyond his years and his knowledge of the game and system is outstanding. The boys learnt a lot from him as did I and I'm sure he'll go on to become an excellent coach.

Thanks, Karen, for being manager and to all the parents who did the jobs that need doing. You all made game days run very smoothly and it didn't go unnoticed.

Lastly, I would like to thank the BMDCC for appointing me with the role of coach.

I was extremely honoured to work with this fine squad of fifteen players and believe we finished the season with a greater sense of what's required for success through skills and teamwork. It was wonderful to witness firsthand these young men grow as players and strive to become better people one ball at a time.

BEN BRADLEY
U13s COACH

NEW LIFE MEMBER

NEW LIFE MEMBER
Ken Baker

Our current club secretary has served in that role since season 2004/2005, an amazing 19 seasons with hopefully more to come.

Whilst the role of secretary can often be thought of as a 'hidden' role it has many responsibilities in the less glamorous areas of our club, and it is critical to the safe administration of our affairs.

Ken Baker has consistently maintained the necessary functions, behind the scenes, that an incorporated body must ensure are done.

The keeping of club records, particularly the minutes of the management committee, is just one of those duties.

In recent years, with Legislative change a need to rewrite the club's constitution became not just desirable but necessary to comply with that legislation.

This was a major rewrite and required many hours of both research and consultation. While that document doesn't show Ken's name anywhere, it probably should.

Recently the management committee determined that we would need to make further changes to our Constitution to reflect more precisely some of the roles undertaken in the management of our club. Ken was heavily involved again in both the discussions surrounding the changes and then the necessary reflection of those changes in a rewrite.

As secretary he is of course the conduit for almost all correspondence in and out of the club and that requires him to allocate significant time dealing with matters as they arise.

Ken over many years has often been the quieter, calmer voice at management committee level sometimes asking obscure questions that result in more thinking and generally better decisions.

He has been and is a loyal Baysie man always considering the best actions to help his club succeed.

Ken is the second longest serving secretary of our club in its history.

Mel O'Neil, considered to be a legend of our club, served as secretary for twenty two seasons.

So… Ken has only four more seasons to serve to truly become our longest serving secretary.

Congratulations Ken – well deserved !
