PRESIDENT'S *report*

The 2024-25 season was one of mixed emotions for our club. While it began with the loss of two much-loved members and delivered challenges on the field, the year also highlighted the strength of our community, the dedication of our volunteers, and the strong foundations that continue to carry our club forward.

I think it is fair to say that he 2024-25 season was ultimately one that didn't live up to our expectations. It also started on a sad note with the passing of two much loved and respected members in Richard Sgro and Eddie Metherall. It was warming to see how our club community came together to help celebrate the lives of both Sgroey and Ed.

However, despite some of the lows, there were still many excellent achievements and people to acknowledge for the season in our Annual Report.

Firstly, a heartfelt thank you to all our volunteers across the Junior and Senior programs, and supporting the club in general. From setting up grounds to bar service and maintenance, your contributions are invaluable. While there are too many to name individually, your efforts are deeply appreciated.

Thank you also to the Management Committee for your work, and from a personal perspective, the support you provide to me. There were some challenging decisions and discussions that take place from time to time, but everyone always has the best interests of the Club in mind.

One of the many positives about our Club is that our grounds and facilities remain of a high standard, thanks to the City of Bayswater and the tireless work of Tim Heal and his team.

We were requested to host the Competition Grand Finals for the 13/14s, and Female Under 19 National Championship games, and received great feedback on our facilities and hospitality. These events not only provide a financial boost but are also excellent recognition for our club, and something also valued by the City of Bayswater as an opportunity to showcase our excellent facilities which they do a great job of maintaining.

A significant development this year has been the ongoing work by the City on the "Hillcrest Master Plan", with several meetings and feedback sessions contributing to providing formal feedback on the options being presented. This is a longer-term plan and the club will be actively contributing as part of the process, and the next phase is the City of Bayswater is exploring concepts and costings. We will keep our members informed of the progress. Financially, we are in a strong position.

DANIEL HOWES
CLUB PRESIDENT

After a couple of seasons of deficits due to large capital expenses, this year we ended with an operating surplus. This is crucial as we continue to manage the increasing costs of running our club and planning for future expenses and investment in our facilities.

One expense that has been offset through a grant is the replacement of our sightscreens. I would like to thank Dan Bull MLA who was able to secure $25k for us as on behalf of the state government. I would also like to congratulate Dan on his transition from local government to becoming the new state member for Maylands. Dan is a passionate advocate for the community and sporting clubs like ourselves.Sponsorship remains a vital part of our operations and this stability. Thank you to our sponsors, both new and continuing. We are so fortunate to have long term major sponsors such as Kevrek and McInerney Ford who have been with us for decades, as well as welcoming some new sponsors onboard. Special thanks to John Moore for maintaining sponsor relationships and to TJ for assisting as well as reviving the round sponsorships, and to all those who organised or contributed.

While the season may not have delivered the on-field success we hoped for, our foundations are strong, and our future is full of opportunity.

On the field we faced some challenges performing to the expectations we have for ourselves, and unfortunately we did not make finals in the senior grades this year. The senior teams lacked the consistency we had begun to develop, and this was reflected in our results. Our lower grades were very young, and while this is not an excuse, the experience gained will be invaluable.

In the juniors, there were strong performances, though consistency remained a theme. A highlight has been the camaraderie developing among the junior players. Seeing juniors at both junior and senior games is a positive sign for our club's future. We also have a dedicated group of junior coaches and supportive parents, and we thank all volunteers involved in our junior program.

From a coaching perspective, a special acknowledgment goes to Ben Williams, who has concluded his term as Club Coach after six seasons. Ben's commitment and leadership have led to significant successes, including lower grade premierships and three 1st grade grand finals. His legacy as a multiple 1st grade premiership player and his ongoing presence in the Baysie family are deeply appreciated.

We also recognise the efforts of David Taylor and Sean King throughout the season in their coaching roles. Kingy's dedication, even while battling illness, was truly inspirational, and the season ended on an extremely sad note with his passing.

Looking ahead, we welcome Brett Johnson as our new Club Coach and wish him and his team all the best. Our junior coaching team is also in place and has already commenced pre-season fitness programs. We extend our best wishes to all players and coaches for the upcoming season.

In summary, while the 2024-25 season may not have delivered the on-field success we hoped for, we have strong foundations as a club. I look forward to building on these foundations and making the most of the opportunities ahead, both on and off the field. Roll on summer!

VALE Richard Sgro

On 13 May 2024 our friend Richard Sgro passed away.

Richard (or Sgroey, Big Fella. Battlecat) was a much loved and respected club member since the late 1980's.

Even when his playing days were over, he continued to be a part of the furniture both at Hillcrest and away. As well as being an avid supporter he was our 1st grade Team Manager for many years.

He was a Certificate of Meritorious Service recipient in recognition of his substantial contribution to his Club.

As many of you would know it had been a bit of a rollercoaster for Sgroey over a couple of years before his sad passing, but he fought bloody hard and whenever he could, he would be back at the cricket. He would attract a rolling crowd who would come past for a chat and a joke because that is what he loved doing and people loved being around him. That is why he knew and had friendships with so many people.

Many at the Club would find him dishing out some advice on field placement or who would win the next at Ascot, but we would have it no other way.

If Sgroey agreed with you in any discussion he would follow up with a hearty "Correct, (insert name of person he was speaking with), Correct!" Lots of passion always, and that was our Richard C Sgro.

RIP Sgroey – we will miss you mate but never forget you.

VALE *Eddie Metherall*

Our number one supporter sadly passed away on 28 October 2024.

Legend is a term too often used, however in Eddies case it absolutely fits the man.

In 1966, at 19 years of age, Eddie volunteered to be our scoreboard attendant and faithfully served in that role, every year, for more than 50 years. Eddie wasn't 'just' our scoreboard attendant. Many other Clubs welcomed Eddie who was happy to update their Scoreboard when we played away and even if he didn't, he was always there to support his Bears, every time.

There were many occasions where the scorers needed to refer to Eddie to get the book right, he always seemed to get it right.

Our Junior Teams also benefited from Eddies support and interest in the players development. For many years Eddie would happily present playing caps to our junior teams on their presentation evening. He would often appear at Hillcrest early to ensure he could support whatever junior team was playing at home.

In season 1980/81 Eddie Metherall became a Life Member of our Club. He was always rightly proud of his Life Membership. In reality, it was a richly deserved recognition for a significant and selfless contribution.

In 1993 our Scoreboard was officially named 'The Eddie Metherall Scoreboard' and will remain such.

Eddie was a humble man who never had a negative word to say about anyone – he was the ultimate gentleman.

He will be remembered by all at our Club, both past and present and by many other cricket people across the State. He was loved by all.

I have added overleaf much of TJ's speech from Eddie's funeral, held appropriately at Hillcrest, Eddie's second home.

For many of us our first memory of Hillcrest is Eddie sitting on his scoreboard with a floppy white hat, Baysie polo shirt and a can of diet coke.

Eddie was much more than the scoreboard attendant at Hillcrest, he was our heart and soul, our compassion, and he made our members care about each other. He helped our players realise that a game of cricket is important, but it is a contest and it's the contest we should enjoy.

Prior to his passing, Eddie became quite unwell and his time in hospital was no doubt improved by the number of visitors from our great Club. David Baird and I visited, and Eddie said to David 'how is your boy Sam going?' That spoke volumes about the quality of Eddie. He cared so much for others even though he was in a major battle of his own.

A number of our current players also visited Eddie in hospital, visits he enjoyed and an important show of genuine respect from our senior group.

In the week of Eddie's passing, I received this message from one of our past junior players.

"Understandably a tough week with the passing of Eddie. My favourite memory is when we were playing Under 15's a few of us went to Optus to watch a T20. We got into trouble with some of the members and they emailed the Club as we had Baysie shirts on. During that week you took us into the Club and gave us a spray, but most importantly told us we were representing the Club and even more importantly people like Eddie. It was from that point on that I truly appreciated what people like Eddie did for our Club. A true clubman who deserves every ounce of recognition he receives. Every time I saw Eddie after that I always said hello even if he didn't recognise me."

To the young man who wrote that – he certainly would have remembered you.

Eddie was born in 1968 to Frank and Jean Metherall. Eddie was the oldest of five children (sisters, Cathy, Jennifer, Susan and Margaret)

Eddie had structure in his life working for Good Samaritan Industries for 51 years, running our scoreboard for 50 plus years as well. What a man.

Thank you to the Metherall family for giving us Eddie thus making all our lives so much richer. Knowing Eddie, you probably had little choice !

Rest in Peace Eddie, Life Member, Club Legend and our friend.

RETIRING PLAYERS
Jarrad & Grant

After more than two decades of shared cricketing journeys, we bid farewell to two of our finest servants, Jarrad Daniells and Grant Thistle, who retire together this season. From their early days in the junior program in the early 2000s to celebrated careers across all grades, the pair have been inseparable – teammates, leaders and loyal clubmen whose talent, commitment and character have left an indelible mark on our club.

Both Jarrad and Grant are hanging up the boots and bats at the same time! It is very difficult to write about one without writing about both.

They have been pretty much joined at the hip (twins maybe!) since the early 2000s when they both joined our junior programs.

Talented players both with experience and achievements from Juniors to First Grade.

A sign of things to come were their individual performances in their last year in Juniors (Under 17s). Grant won the batting award, averaging over 51, and Jarrad Captained superbly throughout that season as well as averaging 49 with the bat.

Some (not all) highlights-awards over the years;

Jarrad

2003-04	WACA Under 17 Cricketer of the Year
2007-08	WACA 2nd Grade Bowling Average
2008-09	Jon DeCelis Players Medal
2009-10	Jon DeCelis Players Medal
2010-11	Lawrence Medal
2012-13	Jon DeCelis Players Medal
2015-16	John Moore Medal
2019-20	WACA 2nd Grade Bowling Aggregate
2021-22	Orbit Drilling Performance of the Year
2023-24	WACA 2nd Grade Bowling Aggregate

Grant

2006-07	John Moore Medal
2009-10	WACA 2nd Grade Batting Average
2009-10	John Moore Medal
2010-11	WACA 2nd Grade Batting Average
2012-13	JP Robins Medal – WACA Fairest and Best 2nd Grade
2019-20	WACA 2nd Grade Bowling Average
2023-24	John Moore Medal

Both Grant and Jarrad have previously been awarded the Club's Certificate of Meritorious Service, in recognition for their selfless service to the Club both on field and off.

Two gentlemen who are loyal Bayswater Morley players and members, both demonstrate a high level of talent and are an excellent reflection of the true spirit of our great game.

We will miss them as players but we are confident of continuing contribution to the success of our Club in whatever area they choose.

Well played boys !!

COACH'S *report*

At the 2024-25 Lawrence Medal Night, outgoing coach Ben Williams reflected on a season of growth, farewelled two club legends in Jarrad and Grant, and left a powerful message of belief and resilience for the Bayswater Morley family.

SPEECH FROM 2024-25 LAWRENCE MEDAL NIGHT

Ladies and Gentlemen, esteemed guests, members ,friends and all of the extended Bayswater Morley family,

Tonight, we gather with a mix of emotions—gratitude, pride, and yes, a touch of sadness—as we bid farewell season 2025 along with two extraordinary individuals who have been nothing short of legends for this club. While farewells are never easy, and its hard to capture in words the positive impact that Jarrad and Grant have made, I will try my best.

I want to start by thanking all of my assistants for the year we had. Coaching is a time consuming job, but to Brett, David and Kingy, thank you for your ears, your passion, your humour and your friendship. Kingy and DT, keep fighting! And to Brett, you have been my rock. Always willing to do whatever was asked, never a no. You're a good egg mate. A massive thank you!

But before I go into details about G and JD, I wanted to speak more about our season.

On the surface, our results speak of a lost season, a season where we didn't achieve what we wanted as individuals or as a collective but we saw significant growth. Results, are only 1 piece of the puzzle, growth is a more significant component for me (which I think coaches say when we haven't won as many games as we would have liked)

The challenge now is to ensure that the growth isn't wasted. And the lessons are learnt.

I have full faith in the group that sits in front of me to use the learnings, the growth and the setbacks and come out bigger better and stronger next season.

I am going to move away from speaking about each grade as tonight, id much prefer you all to hear what each captain has to say and allow them the clear air to voice their thoughts on what the season looked like.

So with that said, I get the highly emotional tasks of speak about two incredible cricketers who are better humans.

Jarrad and Grant, as you step into the next chapter of your journeys, I want to take this moment to thank you, to reflect on everything you've contributed, and to celebrate the incredible impact you've had not just on this club, but on the entire Bayswater Morley family.

Jarrad and Grant, your numbers are ridiculous. 8 flags between you. Eight. Both having led teams to victory. Over 700 games played. 13,000 runs 891 wickets 125 catches and 19 runouts. Must be a misprint 19 runouts!

Arriving as teenagers and leaving as men!

BEN WILLIAMS
CLUB COACH

You have left an indelible mark on this club and on all of us who have had the privilege to know and play and train with you . It is never easy to say goodbye, especially to those who have given so much to a place we all hold dear. But while your time here may be coming to an end, your legacy will live on for years to come.

Your passion for this club has been contagious, and your unwavering commitment to excellence has inspired all to push ourselves further. Whether it was in the heat of competition or a beer in the changerooms, you've always led by example, showing us the true meaning of teamwork, hard work, and dedication. The legacy of your leadership will resonate with us for years to come, and we are forever grateful for the strength you've brought to the Bayswater Morley family. Simply put – Thank you both!

"It's your time. Step into it with belief, with courage, and with pride."

And now to the playing group:

There will always be moments of uncertainty. Life isn't about avoiding those moments—it's about how you respond when they arrive. Believe in yourself, even when it's hard. Don't wait for the perfect moment to act.

The truth is, the perfect moment doesn't exist. You need to make that moment happen and then make it yours! Who will be the next G and JD?

Remember this: The most significant accomplishments in life aren't always about grand gestures. They're about the consistent effort, the small victories, and the unwavering belief that you are worth the effort. You matter. And your dreams matter. No more roadblocks. No more speed bumps. No more victims!

But believing in yourself is only part of the equation. It's about taking that belief and using it as fuel to take action. Don't just dream that it will happen. Don't just hope it happens. Don't just assume because it nearly happened that it will again… Work hard, work very hard.... Have a laugh, but make it happen.

Celebrate every step forward and celebrate every achievement, no matter the size. Believe in yourself and each other. I will tell you this - I believe in you. Make sure your teammates believe in you because you earn it. Not because its expected, but you earn it!

Personally, whilst I am leaving with some unfinished business, I leave with significant pride — not just because of the achievements that you accomplished with me as your coach but because of the person that stands before you. Each of you have moulded me into the person I am today. For that I am grateful.

I love this club and I love this playing group.

I want to thank the committee for giving me the chance to lead you. I have loved every minute. I will miss it. Daniel and Kym, you have been my biggest supporters, thank you from the bottom of my heart.

And I want to thank my family for allowing me to follow my passion. I love you.

So, I say to you again—It's your time. Step into it with belief, with courage, and with pride. And when you look back, just know that you gave everything you had.

I know I can.

Thank you,

Ben Williams

1ST GRADE *report*

Captain Kyle Wiggers reflects on a tough season for 1st Grade, with inconsistency on the field but plenty of highlights — standout individual performances, promising young debuts, and the tireless support of coaches, volunteers and sponsors. He also pays tribute to coach Ben Williams and to the late Sean King, whose impact will never be forgotten.

I would like to start by thanking all the club, coaches and committee for placing faith in me as 1st grade captain for another year. Leading the club has its challenges, but I have enjoyed the role again this season and I am very grateful for the trust placed in me. I'd also like to personally thank Christian Smith for standing in as captain during the matches I missed. I'm very fortunate to have such an experienced and level-headed team mate by my side and your ideas, feedback and encouragement are greatly appreciated.

I would also like to thank Daniel, the committee, all the coaches and everyone else who volunteered their time this season. To all the sponsors, I'd also like to thank you for your unwavering support and all the work that is done behind the scenes. Without all this assistance, this great club would certainly not function as it does.

To Ben. It's been a ride. In your time as coach, we've had many ups, many downs, many disagreements and created some amazing memories. Nobody can doubt your passion for this club, and everyone is extremely grateful for the amount of time you've dedicated to help each individual player. Not only have you helped many with their development on the cricket field, but many as a person. So, to Ben, on behalf of the playing group, I want to say a huge thank you and your time coaching at the club has been greatly appreciated. Enjoy the next chapter of your coaching journey.

The 2024-25 season was very a challenging season for our group. After many years of consistent performances leading to finals cricket, we unfortunately did not play cricket in the standard we'd hoped. We were constantly challenged with selections, often having a changed line up from week to week, which made consistent team performances very difficult.

Despite our lack of on-field success, we caught a glimpse of the future with several exciting 1st Grade debuts.

More often than not, we'd follow a great performance with some poor performances, especially during the times of need or when we really needed to step up. Whilst very disappointing for our group, we were still able to see some good seasons from several players, including many acts of individual brilliance.

BACK ROW L-R
Ben Williams (Head Coach), Cameron Todd, Callum Wiggers, Ashley Jeffrey, Lane Berry, Ryleigh Cameron, Bev Todd (Scorer)

FRONT ROW L-R
Jonty Wilde, Callum O'Connor, Kyle Wiggers (Captain), Christian Smith (VC), Kieran Abrams, Jake Collingwood

Absent: Aaron Todd, Mitchell Todd, Dominic Goodman

On the batting front, we witnessed two centuries throughout the season, both from our damaging opening pair of Callum Wiggers in round 2 (100) and Ryleigh Cameron in round 6 (154). These two were stalwarts for our side, often getting us off to fast starts and putting the middle order in a good position. With the ball, Mitchell Todd took 6/89 against a Melville outfit in round 12, and in round 14, Callum O'Connor took 7/81 against Midland-Guildford. The 'spin twins' worked very well in tandem all season long, so it was great to see their efforts rewarded in those matches. Despite these great performances, we only went on to win one of those games. Showcasing that our individual pieces of brilliance weren't supported with a team-based performance, the story of our season.

Despite our lack of on-field success this year, we still got a glimpse of the future of our 1st grade side, witnessing club debuts in Ollie Brandes de Roos, Kieran Abrams, Lachie Dique, Joshua Frame and Jake Collingwood. I'm sure we will all be hearing these names putting forward some great results in the 1s for years to come.

Onto the award winners for the 2024-25 season.

Batting	Mitchell Todd	467 runs @ 46.7
Bowling	Callum O'Connor	27 wickets @ 21.07
Fielding	Christian Smith	19 catches 4 stumpings

I'd also like to name some honourable mentions in Ryleigh Cameron with 594 runs @ 34.94, Christian Smith with 442 runs @36.83 and Mitchell Todd with 18 wickets @16.83.

I'd just like to finish by saying a huge thanks to all those who continue to support and assist the club in a variety of ways. Bev Todd for everything she does on game days and throughout the season, particularly her flawless scoring. To all the coaches who have worked with players whenever in need, on behalf of the players thank you. I hope everyone enjoys their off season and I look forward to seeing you all down at Revo in a few months' time.

Lastly, to the great man Sean King. Kingy was a breath of fresh air for our side this year, and whilst only with the group for a short period of time, he had a tremendous impact on us all. His calmness and compassion for people is second to none. I've never met a person more genuine and caring, and the boys at the club absolutely loved having him around. Unfortunately, Kingy lost his ongoing health battles at seasons' end, and as deeply saddened as we are for his passing, we are extremely grateful for the time spent with him as well as the memories made. Rest easy Kingy, you won't be forgotten.

2ND GRADE *report*

Our season was one of mixed emotions — flashes of brilliance, outstanding individual performances and the emergence of exciting young talent, but ultimately a sense of underachievement. Despite finishing with nine wins, inconsistency in both batting and bowling meant we missed finals, highlighting the need for greater collective effort moving forward.

It is fair and reasonable to feel as if our second-grade results were an underachievement. When considering the calibre of our talented players, you would assume we would be there or thereabouts at the business end of the season. Unfortunately, inconsistent performance in all facets of the game were our undoing. Times when our batting fired, were not supported by sound bowling performances and vice versa, which resulted in us finishing in eighth position and out of finals contention.

We failed to beat any of the top four teams, but thrashed the eventual premiers in Claremont Nedlands, and won all other games except those against Gosnells and Wanneroo. Our eventual win loss sat at 9 wins and 6 losses.

Our batting was dominated by Grant Thistle with 548 runs with Nick Merrin, Keiran Abrams and Jake Collingwood all having season aggregates above 400. Our lower order batters had seasons ranging between 140 and 200 runs. It was particularly pleasing to see the improvement and maturity in Jake Collingwood throughout the season.

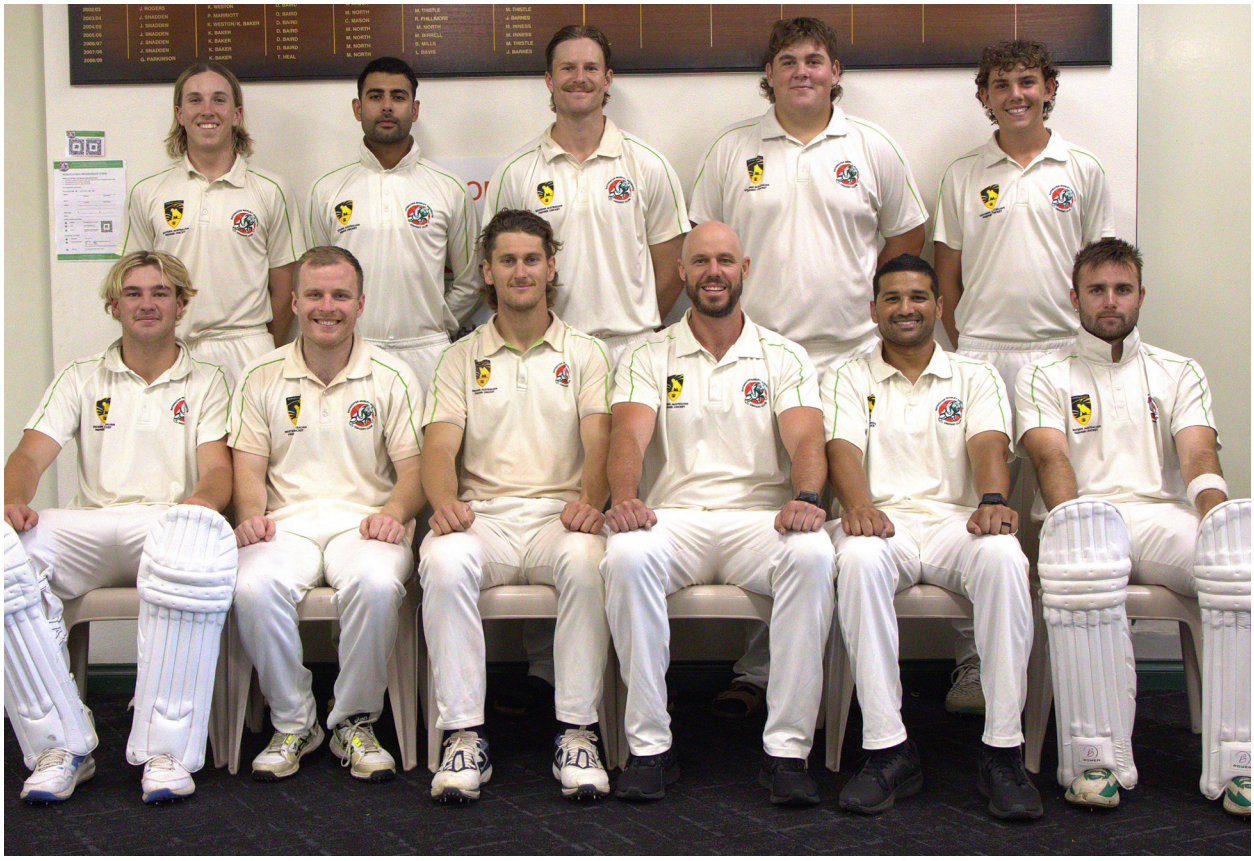

Grant Thistle, Jake Collingwood and Keiran Abrams showed great skill and concentration in scoring hundreds whilst Keiran Abrams, Josh Frame and Tim Smithies fell agonizingly short of the magic three figures with scores of 91, 97 and 99 respectively.

Some of our better batting performances for the season are as follows:

Grant Thistle	108 v Wanneroo 85 v Claremont Nedlands 81 v Mount Lawley
Keiran Abrams	112 v Fremantle 91 v University
Jake Collingwood	101 v Scarborough 68 v Willetton
Josh Frame	97 v Midland Guildford
Nick Merrin	78 v Rockingham Mandurah 74 v Mount Lawley 71 v Perth
Tim Smithies	99 v Gosnells 70 v Mount Lawley
Jack Zagar	71 v South Perth

Our bowling was dominated by Jarrad Daniells and Angus Bloxham with 25 and 24 wickets respectively, with able support from Cody Hoffmeister who toiled hard for an 18-wicket season.

...we relied too heavily on personal performances far too often rather than putting together solid team efforts.

MFAA FULL MEMBER

A Member of the Fast Group

Without doubt, the standout performance from our bowling cartel came from Angus Tyers. As a 15-year-old Angus took 5 for 24 from 12 overs on debut against Melville. He showed great maturity in his performance and fitted in seamlessly with all players within the group. A bright future awaits.

Other great individual 2nd Grade bowling performances are highlighted below:

Jarrod Daniells	5 for 20 v Subiaco Floreat
Cody Hoffmeister	5 for 39 v South Perth
Angus Tyers	5 for 24 v Melville
Keiran Abrams	5 for 48 v Joondalup
Angus Bloxham	4 for 41 v University 4 for 56 v Fremantle
Lachie Dique	4 for 34 v Claremont Nedlands

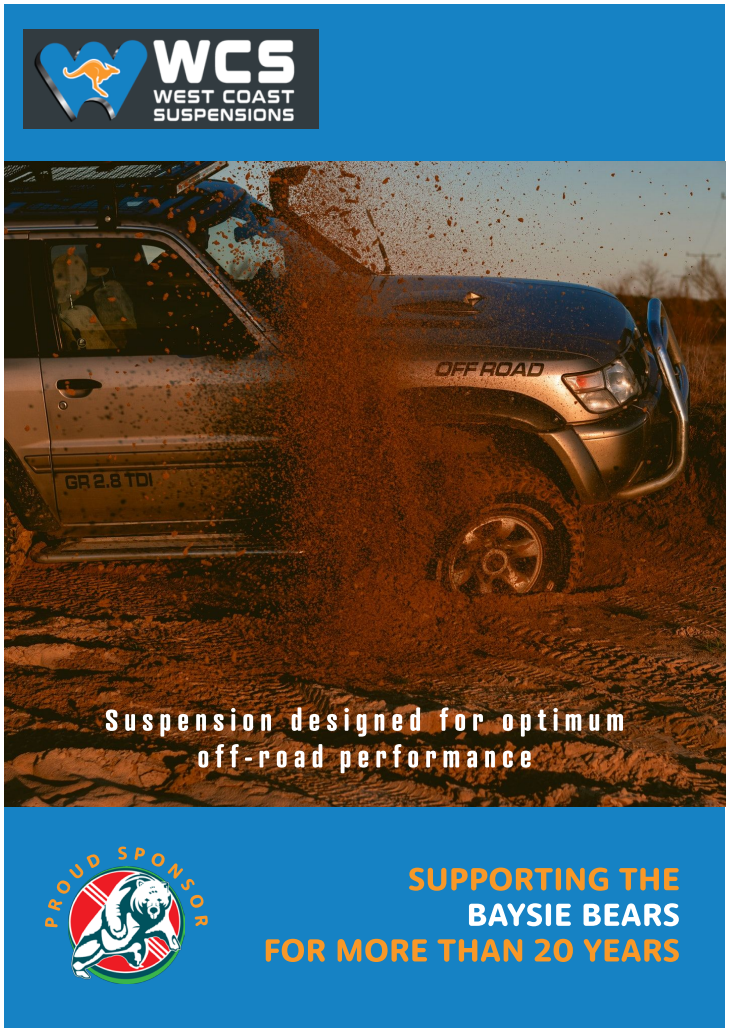

These long lists of personal achievements highlight the immense talent within our group. Truth be known, we relied too heavily on personal performances far too often rather than putting together solid team efforts. A greater focus on improved team efforts will no doubt lead to improved results and have us back where we rightfully belong in competing in finals and winning premierships.

Season's end brought about the announced retirements of two of our greatest stalwarts and players in Jarrod Daniells and Grant Thistle. As announced at our end of season awards night, their performances on the field have been incredible. But just as important as their on-field exploits, their off-field contributions in mentoring our young cricketers, providing great changeroom banter and purely being great human beings to be around will be sorely missed. They have both left a legacy for our current players to aspire to, and for that the club is greatly appreciative. We hope to see them down the club in the future, so we can reflect on their careers over a beer or two. Congratulations to them both, and all the very best for the future.

Further congratulations to Ollie Brandes De Roos and Jake Collingwood for the debuts in first grade cricket. Both players have enormous upside, with all at the club excited about the levels their careers can get to.

On behalf of the second grade players, we wish to convey our thanks to Ben and his coaching staff, Daniel Howes and the committee, Eamon for his scoring efforts and all club volunteers for their work ethic and commitment to our club. Thank you to all of the players families for the support of our players in allowing them to play a game we all love. Our second-grade players look forward to taking next season head on and getting back into contention.

3RD GRADE *report*

In his first season as captain, Joshua Linton reflects on a challenging but inspiring year, praising the grit and resilience of his young side while expressing confidence in their future.

SPEECH FROM 2024-25 LAWRENCE MEDAL NIGHT

To start, I would like to open by acknowledging and thanking all the sponsors, club representatives and life members for being here tonight. Without your contributions throughout the 2024/2025 season and in the timeline of Bayswater Morley Cricket Club, we wouldn't be the club we are today.

> **We fought through every game with grit, teamwork and the kind of resilience our great club is defined by.**

This further acknowledgement extends out to our coaching staff, Ben, Johno, Kingy and Dan. It's extremely grateful the effort you all put in to make us better versions of ourselves and the desire to see us succeed. So, thank you!

Now to the fun stuff! As the third-grade captain, I've had the privilege of leading an incredible group of young cricketers – and the experienced, in the second half of the 2024-25 season. Although our results didn't reflect the standards, we upheld ourselves to, we fought through every game with grit, teamwork and the kind of resilience our great club is defined by.

With the bad came the good, with individual performances that are highlighted throughout the year, gave us the sense of belief that we are good enough at this level. A special mention to those who top scored each week, took wickets at vital stages and those who gave it their all. These little things will hopefully bring us back into contention next season, with my full belief that when you are backing yourselves in and playing to your game style, we as a team strive with successes.

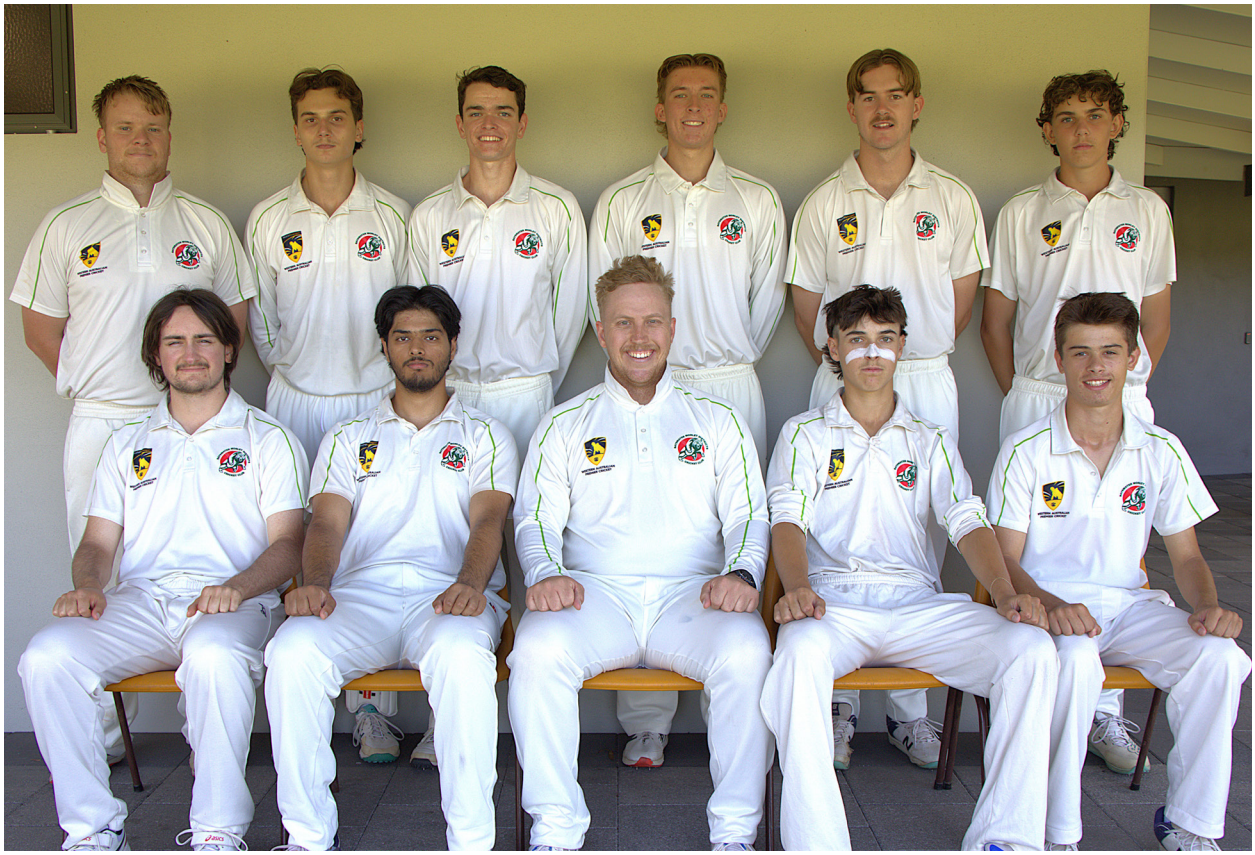

In recognition of the hard year we had, I want to take this opportunity to give my appreciation, a massive thank you and recognition to the 3rd grade captain that started the year off, Zach Howes. It isn't an easy task leading a young, up and coming side with performances not going your way, but your willingness to give it a go and support to the boys through those times is a true testament to your character and personality. Be proud of what you have done, I couldn't be more appreciative of the efforts you gave to the boys, and I hope that in the coming years you continue to put your hand up and lead in your way to better our sides.

As we wrap up this season, let's get around each other throughout the off season and come together to bring the positives that can be translated into next season. I have sincerely appreciated and felt blown away by the support from you all here as a newcomer to the club.

We have a long way to go, however, with the group we have coming through anything is truly possible!

Yours in cricket,

Joshua Linton

4TH GRADE *report*

Captain Paul Pitchers reflects on a tough season that created growth, young talent stepping up and plenty of camaraderie to build on for the future.

As I reflect on the 2024-25 season, I would like to start by thanking Daniel and the committee, Ben, Tim and the coaching staff, club sponsors and all of the volunteers for their support throughout the season. The tireless work that is put into our club by these volunteers and supporters is hard to accurately measure or recognize, but their support makes the job of captaining so much easier on game day.

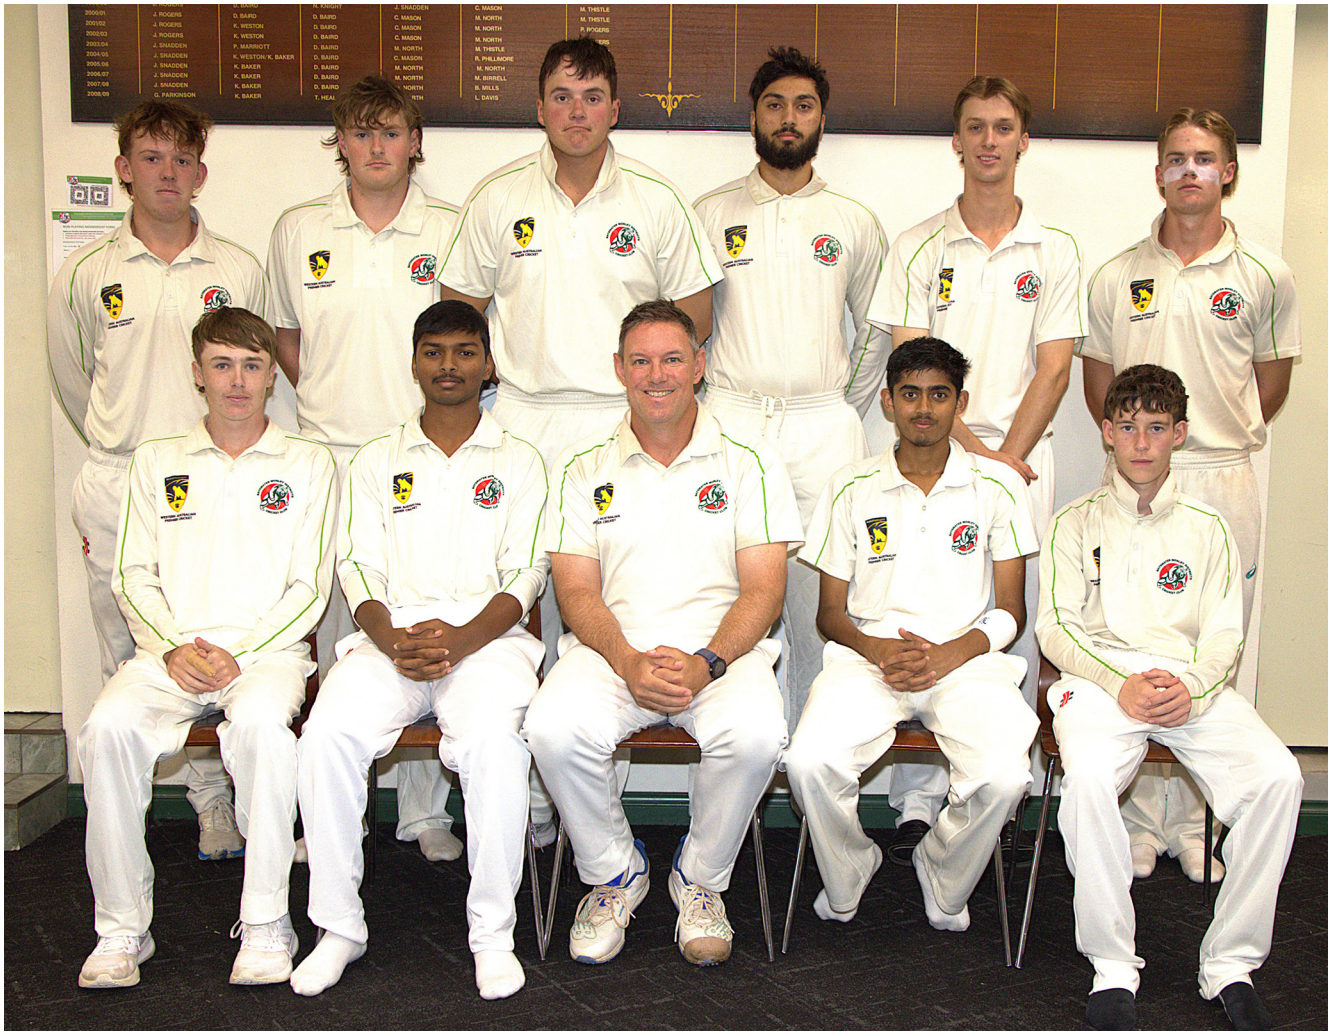

> **I have really enjoyed captaining the team and look forward to the continuing development of our young players.**

I would also like to thank the committee and coaching staff for putting their faith in me to captain the 4th Grade team again. I am so grateful for the opportunity to help contribute to the development of our young players as they transition from junior to senior cricket, as well as continue to develop the spirit and culture within the more experienced players in the team.

To all of the 34 players who represented the club in 4th grade this season, thank you all for your support and efforts throughout the year. Special thanks go to Sam Henley and Zach Howes, who helped me immensely on game day with setting fields while I was bowling and providing a much needed ear when I wanted to float an idea or tactic. The implementation of 'Sauces Circle' as part of our warmup was a great way to build camaraderie amongst the group at the start of each days play.

We were fortunate to bring along a number of the club's under 17's and 15's players by exposing them to senior cricket. Cole Bradley was our full time keeper for most of the season, a massive effort given he would keep in the 17's as well, and he brought an enthusiasm and willingness to learn, as well as the flexibility to bat wherever he needed to in the order. Jimmy Nairn bowled some great spells for us without the reward he deserved, and it was great to see him promoted to the 3's later in the year. Same goes for Angus Tyers, who showed glimpses of his talent and potential for us, on his way to finishing the year in the 2's. Hayden Young, Ashton Taylor, Ashton Kay and Yusuf Mohideen acquitted themselves well with the bat in limited opportunities, as well as Cooper Hanrahan with the ball. I look forward to seeing their development as they get more opportunities in senior cricket.

We started the season well with 2 wins from our first 4 games, on the back of some solid performances across all three facets of the game. Unfortunately, they were the only 2 wins we had for the season, despite being close in a number of games throughout the year. A big challenge throughout the

BACK ROW L-R
Mitchell Scorer, Lauchlan Biddle, Jack Criddle, Raees Hassan, Billy Heal, Hudson Foote

FRONT ROW L-R
Zach Howes, Mohith Kesavan, Paul Pitchers (C), Kavya Amin, Cole Bradley

year was continuity, which is always going to be the case in lower grades, however no one played in every game of 4th grade this year, which makes it hard to build consistency of message and shared team goals.

What also affected our chances of winning more games was our ability to cash in on the hard work done, both with bat and ball. With the bat, we fell into the trap of gifting our wickets to the opposition on a far too regular basis, and with the ball we took the pressure off by straying from our plans, or letting batsman off the hook with missed chances. This happens with young teams, and with more experience at senior cricket, combined with reinforcement of the value of your wicket and the patience required to take wickets, will lead to better outcomes moving forward.

With the bat we were led by Billy Atwood, who scored 308 runs at 23.69, and was a deserving winner of our batting award. Billy had some challenges early in the year with balancing his natural aggressive shot making with the adjustments made by the bowlers he faced, but towards the end of the year he found better balance in this part of his game, with the highlight being the 96 vs Fremantle. Mitchell Scorer still scored 202 runs at 20.2 despite missing half of the season with a stress fracture he sustained during his courageous 92 in our win vs Rockingham-Mandurah. The batting highlight of the year in the 4's was Josh Linton's maiden century (111) for the club vs Wanneroo. Other batting highlights were Jack Zagar's 81no vs Gosnells, and Reece Abrams 59 vs Scarborough.

With the ball, I was fortunate to get a few wickets and took out the bowling award with 30 wickets at 19.47, with 6/33 vs Perth being the best bowling figures this year. Our bowling attack was well supported by Mohith Kesavan, who took 10 wickets at 35.8, who fronted up and bowled whenever and wherever the team needed him to, and despite some of his best spells this year going without the deserved rewards. Zach Howes also provided some consistent and tight spells on his return to the 4's with 8 wickets at 24. We also saw continued development in some of our younger bowlers such as Lauchlan Biddle (6 wickets at 18) and Jimmy Nairn (4 wickets at 29.5).

I again would like to thank all of the coaching staff for the support they gave me throughout the year. To Ben Williams as our head coach, who was always available for a chat and helpful advice when required, your passion and knowledge will be missed by all of our playing group. Our 4's coach Adam Van Gent on match days, your advice and feedback to me and the team was invaluable, and thanks to Brett Johnson, who would chip in with helpful advice on game day when we shared a ground with the 2nd Grade.

I would also like to thank Kym Howes, Adele Heal and Sharron Attwood for your help with the afternoon teas throughout the year, it is much appreciated.

Whilst we did not finish the year where we had hoped, I have really enjoyed captaining the team throughout the year, and look forward to the continuing development of our young players, which in turn will see the team push back up the ladder to where we want to be.

JUNIOR PROGRAM VOLUNTEER OF THE YEAR AWARD

Ben Bradley

JUNIOR CRICKET *report*

This was another strong season for our junior program, with each age group showing development, talent and commitment under the guidance of dedicated coaches. From finals appearances in the Under 13s and 14s, to state-level recognition for players in the 15s, and senior-grade exposure for several 17s, the future of the club looks bright thanks to the hard work of players, coaches, managers and families.

It was my pleasure to oversee the role of Director Junior Cricket for Bayswater Morley District Cricket Club for the 2024-25 season after previously coaching a number of teams over the last few seasons. We started the preseason in early August that were professionally run by our fantastic team of head coaches Ben Bradley 13's, Jacob Wilkie and Zach Howes 14's, Mick Thistle 15's and Ryleigh Cameron 17's. These two sessions per week at Seamers in Balcatta were focused on core basics and set the boys up for successful seasons.

Our 13's team had a fantastic season finishing in third position in the North conference with a record of 5 wins and 2 close losses and were unlucky not to play finals. Ben Bradley with assistant's Cole Bradley and Angus Tyers did a great job in his second season as a BMDCC coach blooding fourteen players over the course of the season and seeing great improvement across the entire squad that will see these young players develop into excellent players for BMDCC in the coming years. Special mention to Atreyu Collela on taking two five wicket hauls and finishing with twelve wickets @ 15.5 over the season to win our bowling award and Armin Jebbin on his season with 231 runs @ 38.50 to win our batting award.

The BMDCC 14's team were the dominate team in the North conference finishing in 1st position with a record of six wins and one loss in an outstanding season. The high level of coaching from Jacob Wilkie and Zach Howes set this talented group up for success from the start of the season with great focus on getting the very best out of all players in this large group of sixteen players that represented the club over the season. We unfortunately didn't win the premiership after being beaten by eventual premiers Rockingham Mandurah in the semi-final but we had an outstanding year and one the entire club should have been very proud of. We had three players in Mikael Ariff, Jake Abrams and Harrison

The future is in safe hands with this talented, hardworking group of young cricketers.

Smith that regularly played up in our Under 15's team over the course of the season , this helped the 15's immensely and will fast track there future progress.

We had a number of outstanding contributors from this talented side but stand out performance's over the season saw our two great spinners captain Harry Howes take out the WACA association leading wickets with 19 wickets @ 9.35 after starting the first round as a fill in wicket keeper and Rudrakash Patel leading the WACA association bowling average with 14 wickets @ 9.21 despite missing two games when he was away on a family trip to India. Well done boys we are all very proud of your achievements. Our batting was won by Mikael Ariff with 222 runs at 44.4 with another three batters in Jake Abrams, Harry Howes and Max Hart all averaging better than 25 runs over the season. This super talented team will achieve great success if they continue to work hard on all aspects of their craft in particular their efforts and focus on fitness in the coming years.

We were extremely fortunate to have club legend Mick Thistle coach our 15's side this season and the level of professionalism that he displayed over the year was fantastic and this group of boys should be grateful for the experience. The team finished with a record of 5 wins and 9 losses over the season and probably underachieved with the level of talent at our disposal but inconsistent performances from our top end talent hurt the team at critical times. Our captain and best performer Ashton Taylor lead by example and showed why he will be an excellent prospect going forward with an outstanding season with both bat and ball in trying circumstances. He lead the team 18 wickets @ 18.5 and with bat 311 runs at 22.21 in a quality season that obviously saw his as our team champion player. Ashton Taylor and Wynard Basson both represented the club at the WACA talent carnival that saw both boys selected in the WA State School Boys side, well done boys we are proud of your achievements.

Our 17's side was coached by club First grade player Ryleigh Cameron who has been through our junior system as a player and it was great to see him step up and take the reins with great support from assistants Brad Foote and Ben Bradley. The team had a tough season on the field but we saw good growth from all squad members that will see their transition into senior players much easier being exposed to high level coaching from these three coaches. Fifteen players represented the 17's over the season with Ashton Kay leading the runs with 235 @ 21.36 and two year prospect Angus Tyers taking 15 wickets @ 14.6 , Angus played a number of games for the BMDCC senior team's and finished the year in 2nd Grade and taking 5 wicket on debut. Angus was chosen in the WACA under 18's trial game and performed well at the top level. We have a number of boys that finish with the junior program and will transition into senior cricket. We thank Hayden Young, Zunaid Fahim , Liam and Ashton Kay, Adrian McKinlay and Cooper Hanrahan for their time in the junior program and best of luck for the future cricketing endeavours.

Special thanks to president Daniel Howes and his committee members for all of their hard work over the season , Tim Heal and crew that provide the club with the best facilities in the state and all team mangers Natalie and Daniel Armenti , Karen Phelps , Voila Basson and Greg and Bec Nairn for their efforts over the season.

Thanks

Mike Wilkie

UNDER 17s *report*

The season was a challenging one, but the U17s group showed resilience, determination and plenty of promise for the future.

Season 2024-25 turned out to be a very challenging one for our young men. From what appeared to be a strong and committed preseason, it didn't eventuate into success on the field.

Many factors contributed to this, including the withdrawal of squad members prior to round 1, reducing our squad to only 15 players and injuries to key players, sometimes only leaving us with a bare 11 to pick from.

What we did learn is that this squad of players showed great resilience and determination, despite not winning too many games.

At no stage did they give up and always tried their absolute best 100% of the time.

It was extremely pleasing to see them have a win in the very last game v Mt Lawley, one which was very well deserved.

There were many times throughout the season where we showed what we were capable of.

Unfortunately, we simply did not have enough players perform to an adequate standard at the same time.

Each and every player showed throughout the season why they were picked in the squad and should be proud of their efforts.

Some of the standout performances were:

Yusuf	55	v Rockingham-Mandurah
Mitch	3/57	v Rockingham-Mandurah
Angus	3/26	v Wanneroo
Owen	49	v Claremont-Nedlands
Angus	43*	v Claremont-Nedlands
Nishchal	4/15	v Scarborough
Hayden	55*	v Melville
Angus	4/4	v Mt Lawley

Our awards went to the following players:

Batting

Ashton	235 runs @ 21.36 a very consistent season
Yusuf	218 runs @ 18.17 always at the top of the order

Bowling

Angus	15 wickets @ 14.6 standout consistent effort
Nishchal	10 wickets @ 17.3 showed his true potential
Zunaed	10 wickets @ 34.8 picked up handy wickets

A special mention also goes to Cole, who was awarded our Coaches trophy. Despite not having the season that he wanted with the bat his performance with the gloves was excellent, giving away on average only 1 bye per game and not dropping a single catch.

He wicket kept 100% of every game and on most Saturday's then went and kept for the 4's.

Over and above his wicketkeeping it was his attitude and support of his teammates that really stood out. To show up to every training session and game with a positive attitude is not an easy thing to do, which he should be very proud of.

A pleasing aspect of this season was the number of players who had the opportunity to play with the seniors.

I believe there were eight in total, with Angus taking a 5-for in his 2nd Grade debut v Melville.

Special mention needs to go to our parent group and extended families for all their support. In particular, Greg, as our Team Manager and Susan, as our

ABSENT
Ryleigh Cameron (Coach), Owen Mouchemore, Adrian McKinlay

At no stage did they give up and always tried their absolute best 100% of the time.

Morning Tea coordinator – we appreciate everything you did that made our mornings so much easier.

To all the parents who helped with scoring, providing teas, getting players to games and training on time, setting up and packing away… we appreciate it all.

As I am writing this as one of the Assistant Coaches, I would like to congratulate Ryleigh for doing such an awesome job with these young men.

It is not easy being a 1st Grade player, opening the batting every week and dedicating time to coaching, which you did magnificently.

It was very obvious looking in from the sidelines that the players loved having you as coach, respect you and look up to you as someone they would like to emulate in the future.

To Ben, thanks for being there each and every training session and game. Your input and assistance was fantastic. People like you make a Club run as smoothly as Baysie does — you fully deserve the Volunteers Award that you received.

Finally, to the graduating players (Ashton, Hayden, Zunaed, Liam, Cooper and Adrian) good luck with your future as cricketers but more so as fine young men.

You are all always welcome at Baysie and we will be keeping an eye on your future successes.

Brad Foote

UNDER 15s *report*

The Under 15s showed great growth in 2024-25, combining hard work, team spirit and some outstanding performances to produce a season full of learning and memorable wins.

I felt very privileged to be asked to coach the Under 15s team this 2024-25 season.

Pre-season was a structured effort to isolate the core fundamental skills that assisted with key areas of growth for our players. This time also allowed the boys to develop a strong team culture and a willingness to improve.

The season had a mix of wins and losses but demonstrated significant growth and sportsmanship throughout.

Highlight rounds

Our first win came in Round 2 against one of last years top sides Rockingham Mandurah in the first of the two day games. We put together a solid all-round batting performance which gave us a strong target to defend. All contributed well but Jasmeh Singh and Ashton Taylor closed out the game for the win.

Round 5 saw us produce a large batting total to set up the game in our favor. A solid opening stand, from one of young guns, Jake Abrams and his opening batting partner, Aaryan Mandole along with a mature innings from Wynard Basson (54) saw us set 193. Economical bowling from all and a match winning 4/34 from Ashton Taylor allowed us to bowl Wanneroo out with 2 overs to spare for 184.

Round 12 was the most rewarding win for the season where we saw the team total an impressive 5/278 with our top 4 batsman scoring 200 runs between them. Jake Abrams (62), Aaryan Mandole (38), Ashton Taylor (63) and Wynard Basson (45). Economical bowling helped us to defend this total with Fremantle only able to score 7-224.

Congratulations to Ashton Taylor who dominated with bat and ball throughout the season. His strong performances saw him win both the Batting award, with 311 runs at 22.21 and Bowling award, with 18 wickets at 18.5. These results also saw him win Team Champion Award by the WACA Junior Council and was also offered a position in the State School Boys Team.

Wynard Basson also had a strong season with the bat and behind the stumps which lead to his selection in the State School Boys Team. Batting 288 runs and 10 catches with 2 stumpings.

The efforts of the younger under 14 players showed exciting potential for next years under 15s as they both contributed most weeks with the bat and ball. Jake Abrams totaled 277 runs and 8 wickets and Mikael Ariff 197 runs and 8 wickets.

The club continued to foster a strong sense of community, with parents and supporters actively involved in matches and events.

I would like to make special thanks to the following people who made major contributions to a successful and well-run season:

Aaron Todd	Assistant Coach
Voila Basson	Amazing Manager
Specialist coaches	Dave Taylor, Mitchell Todd, Cameron Todd

Finally I would like to thank the club for all of their support and I look forward to contributing to the clubs development of their junior programs.

Thanks to all.

UNDER 14s *report*

The U14s produced an excellent season, finishing top of the table after a string of strong team performances, standout individual efforts and superb leadership on and off the field.

This season's U14s squad was an extremely talented group which included ten boys from the previous years U13s squad, six new players to the club and one who remained in U14s for the second consecutive season. Both Jacob and I had high expectations about what this group would be able to achieve this season. After a long preseason Harry Howes was named as captain of the side with Suryaansh Singh Chauhan as vice-captain. These two boys led the side superbly across the season with assistance from other leaders Jake Abrams and Harry Smith.

> **...our three leg spinners were a key part of our success.**

Round 1 provided some opportunities for a lot of boys with some players unavailable and we were able to scrape our way to a close win against Scarborough to kick off the season. The major highlight of the game coming from a 17 run last wicket partnership between Harry Thirtle and Harry Howes to get the side over the line 9 down.

Following Round 1 we were able to put together wins against Centurions, Midland, Mt Lawley and Wanneroo to have us sitting at the top after 5 rounds. A poor loss against Subiaco-Floreat in Round 6 meant that a win was needed in the final game to secure top spot and a home semi-final.

The final group game against a strong Joondalup side saw us put together our most complete performance of the year. After winning the toss and electing to bat, we were able to put together an excellent score of 240 which was led by a 97-run partnership between Harry Howes and Prabhjot Singh Johal. Following this partnership Mikael Ariff closed out the innings with 65* off just 46 balls. With the ball it was an early wicket for Mikael before our leg spinners went to work again. The three spinners combined for the remaining 9 wickets and took their combined tally for the season to 38 wickets. The win secured us top of the table and a home semi-final the following week.

Unfortunately for the second year in a row we would stumble at the semi-final stage to Rockingham-Mandurah who went on to win the flag.

Despite this the group put together an excellent season with many individual and team highlights. This included:

Round 2 vs Centurions

Harry Howes	3/12	9 overs
Rudraksh Patel	3/8	3.1 overs

Round 3 vs Midland-Guildford

Mikael Ariff	60*	96 balls
Harry Howes	3/17	10 overs
Rudraksh Patel	3/14	3.1 overs

Round 4 vs Mt Lawley

Max Hart	48*	44 balls
Rudraksh Patel	4/34	10 overs

Round 5 vs Wanneroo

Junaid Musar	4/30	10 overs

Round 6 vs Subiaco-Floreat

Jake Abrams	72*	125 balls carrying his bat through the innings

BACK ROW L-R
Zach Howes (Coach), Mikael Ariff, Ethan Scott, Jake Abrams, Rayan Abbasi, Maxwell Hart, Austin Roberts, Karthick Rajini, Jacob Wilkie (Coach)

FRONT ROW (L-R)
Jeffrey Maddeley, Louis Phelps, Rudraksh Patel, Harry Howes (C), Suryaansh Singh Chauhan, Junaid Musar, Abbass Naviq, Prabhot Johal Singh

ABSENT
Cooper Ford, Lachlan Wilkie, Harry Thirtle, Harrison Smith

Round 7 vs Joondalup

Harry Howes	71	97 balls
Prabhjot Singh Johal	35	56 balls
Mikael Ariff	65*	46 balls
Harry Howes	5/29	10 overs
Rudraksh Patel	2/17	10 overs

In a season led by our bowlers it was our three leg spinners Harry Howes, Junaid Musar and Rudraksh Patel who combined for 38 wickets across the 7 games and were a key part of our team success.

AWARDS

Batting	Mikael Ariff 222 Runs @ 44.4
Bowling	Harry Howes 17 Wickets @ 9.35
Coaches Award	Max Hart
Player of the Finals	Harry Howes

Our coaches award could have easily gone to anyone in the squad which shows how deserving a winner Max was. Max is an extremely hard worker who is always looking to improve and grow as a cricketer and was an amazing addition to the squad in his first year of districts cricket. A gun fielder and talented bat who was moved into different positions across the season without complaint and always looking to take the challenge on and improve.

The batting award went to Mikael who put together a strong season in the middle order including 2 scores over 50 which guided us to our 2 largest team scores of the season. He is a key part of our batting order who possesses the ability to score quickly or build an innings when required. While he didn't have as strong a season with the ball he contributed with the bat and in the field throughout the season.

After reverting from a medium pacer in the off-season Harry Howes won the bowling award with his leg spin. Harry put together 17 wickets bowling at very difficult times as a first change bowler. With an excellent economy he was able to take frequent wickets and put the pressure back onto opponents.

Harry Howes and Rudraksh Patel were both recognised at the WACA Junior Awards night for their seasons. Rudie receiving the competition bowling average with 14 wickets @ 7. Harry received the bowling aggregate for his 15 wickets @ 8.6. Harry also received a player of the week for his round 7 performance against Joondalup which included his 71 and 5/29.

A massive thank you goes out to Inder for being Team Manager this season. You made both of our jobs so easy, and we can't thank you enough for that. As well as Inder a big thank you to our entire parent group for the assistance and support across the long season. It was greatly appreciated and didn't go unnoticed by us or the boys.

A big thanks goes to Mike Wilkie for the effort behind the scenes as Junior Coordinator. Also, to Ben Bradley who coached this group in U13s and passed on all the values and guidance that started the journey for many of this group.

Finally, to each and every member of the playing group a massive thank you for what was a very enjoyable season. Jacob and I couldn't have asked for a better group of young men, and we loved every minute of coaching you all this season. I can't wait to continue with the group up into U15s to see what you are all capable of achieving.

Zach Howes & Jacob Wilkie
U14s COACHES

Bayswater Morley Districts Cricket club has a long and proud history dating back to the 1946/47 cricket season.

UNDER 13s *report*

The 13s enjoyed a season of growth and determination, building a strong culture both on and off the field. While finals narrowly slipped away, the squad's commitment, resilience and team-first attitude shone through each week — setting a solid foundation for the seasons to come.

The 13s had an exciting development season where the bond and unity grew stronger each week.

Everyone played a part in developing a really strong culture which will give us a great platform to build off in future seasons. A large number of players had their first season of premier cricket and they quickly learnt what it was all about, I was very proud to watch them develop and support each other in the right direction.

Round 1 Highlights SCAR 7 /182 def BM 1 55

Aarav Sharma	2/1 5
Darcy Radford	2/38
Armin Jebbin	38
Soham Kalra	29

Round 2 vs Centurions at Hillcrest was our first win for the season as the boys united to get up in a nail-biter. Whilst there were some great individual efforts on the day, it was the teams belief in each other to win the next ball that shone through with the game being controlled by tight bowling and fielding pressure. The value of never giving up was on full display by the team and we won our first game by 2 runs. A great moment for the boys as their hard work was rewarded.

> **Although we narrowly missed playing finals, the season was absolutely a success.**

Although we narrowly missed playing finals, the season was absolutely a success and I thank everyone for their determination and dedication to creating a positive environment.

Round 1away at Abbett West vs Scarborough was a big learning moment for the season as the boys discovered the level required to compete at this level. The weeks that followed showed some outstanding commitment and belief in the process and our season took a sharp turn upwards.

Round 2 Highlights BM 9/177 def CENT 8/175

Darcy Radford	62
Soham Kalra	32
Sam Rybarczyk	25
Declan Barton	2/23
Tyrell Armenti	1/23

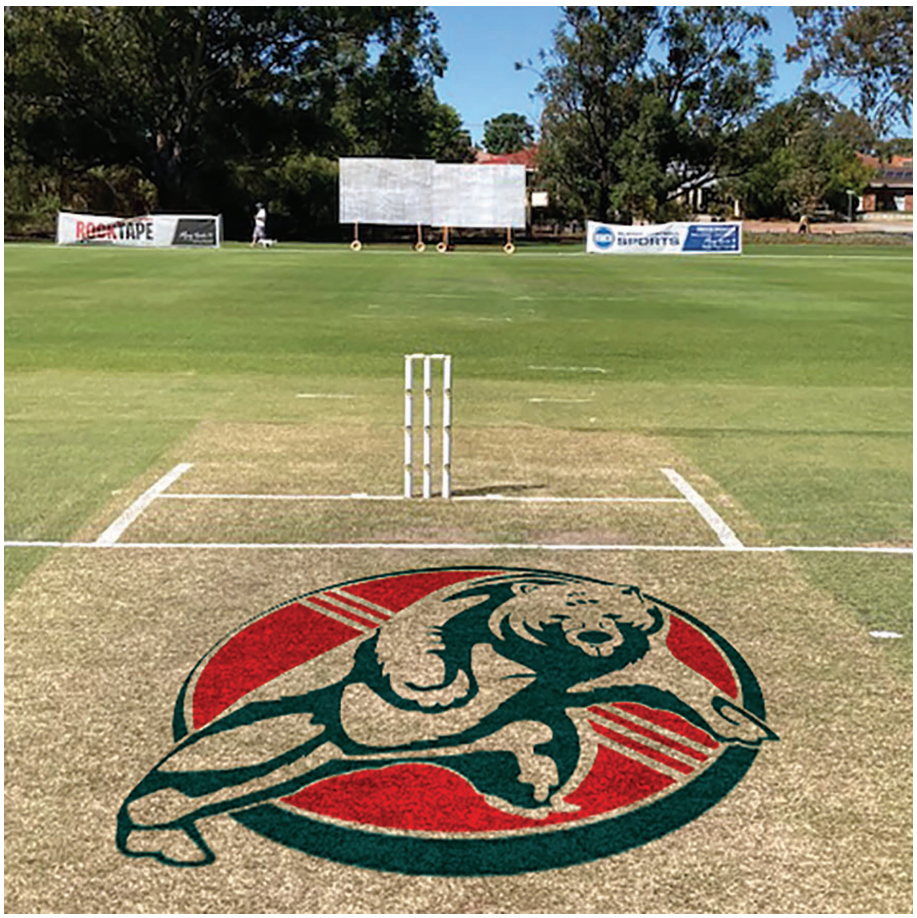

Round 3 away at Lilac Hill vs Midland Guildford we carried on our winning form on as we applied an exciting amount of pressure to get the spoils again. The boys worked

ABSENT
Shivam Patel

extremely hard in the field, bowling extremely well to plans and doing everything in their power to enjoy themselves and follow the processes we know work in the field setting up an achievable task for our batters.

After some funny business and tactics from the opposition getting us to bat 4 overs before lunch because the pies and sausage rolls weren't ready, our batters kept their head and played some smart cricket, making sure we used our entire innings and allowing some boys to cash in on the win towards the end of the innings with some runs.

Round 3 Highlights MG 11 5 def by BM 6/1 52
Atreyu Collela 5/7
Jackson Smythe 2/7
Darcy Radford 34
Dev Thakkar 34
Armin Jebbin 33

Round 4 away at Breckler vs Mt Lawley was a tough day for the side as we experienced our biggest lesson of the season. On a steamer of a hot day we were fielding first and our opposition made us pay for some costly errors putting on a large score of 218.

Pleasingly the strong character and bond of the team stayed intact on a tough day and there was still some fantastic efforts both with the ball and in the field.

Chasing that massive total was never going to be easy but our boys gave their all even though we came up short.

We learnt a valuable lesson this game of what it takes to be a consistently good side and the need to apply ourselves to every ball regardless of what happened the previous one.

Although we lost the game, the response that followed from the group was something I am very proud of as their desire to succeed as a team and support each other was inspiring.

Round 4 Highlights ML 218 def BM 148

Tyrell Armenti	3/43
Aarav Sharma	1/17
Sam Rybarczyk	46
Dev Thakkar	20
Soham Kalra	15

Round 5 we were back at Hillcrest vs Wanneroo and the boys were ready for action. Fielding first on a hard fast deck we were certainly challenged at times, as well as managing some non favourable umpiring decisions but the boys stayed united and kept their heads to apply the pressure.

Once again we had some great bowling and fielding efforts to keep us in the contest including as always some solid keeping.

Wanneroo putting on a score of 9/159 was going to test our resilience, but in true form the boys never looked in doubt and chased the score down easily in the 32nd over. After some controversy from the opposition attempting to end the game there and then, the umpire ruled in OUR favour and allowed us to enjoy batting the final 8 overs which the boys made the most of, making our highest total of the season.

Round 5 Highlights BM 9/204 def WANN 9/159

Krish Thurvas	2/20
Darcy Radford	2/26
Jackson Smythe	2/8
Armin Jebbin	43
Aarav Sharma	35
Shivam Patel	23

Round 6 we were at Hillcrest again vs Subiaco Floreat who were on the way up and we knew would be a great challenge as they'd knocked off some strong opposition in the previous games.

Batting first we got to work and posted a very decent total against a strong bowling line-up with everyone batting for the team. With some great batting efforts, lots of players also had good starts and we set some good scoreboard pressure and went into the change of innings knowing if we followed our processes we were a strong chance to come out on top of the contest.

True to our character, we applied excellent pressure throughout our fielding innings largely controlled by our spin bowlers who were exceptional.

In a great match against a quality side we were able to secure the win with a solid team effort from all.

Round 6 Highlights BM 6/191 def SF 153
Armin Jebbin 53
Aarav Sharma 32
Soham Kalra 28
Atreyu Collela 5/26
Tyrell Armenti 2/23
Declan Barton 1/9

Round 7 at Hillcrest vs Joondalup was a great contest and if scores and results went our way we were still a slim chance to play finals.

Joondalup were never going to make it easy for us and we quickly realised we had a real contest on our hands.

Fielding first we were under some real pressure from their batsmen but proudly the boys ground

it out and made it as tough as possible for them.

Although we didn't take many wickets, our tight fielding and bowling contained them to 3/158 and the challenge was on.

In what would end up being our last game of the season our batters ground away to a thrilling victory in the last over and it was thoroughly enjoyed by all as we once again had a large team contribution.

Our final game was a greatly deserved victory as the guts and determination of this squad of players got them over the line once more.

Round 7 Highlights BM 161 def JOON 3/158
Krish Thurvas 1/19 Tyrell Armenti 1/36
Sam Rybarczyk 48
Armin Jebbin 37
Dane Bradley 19

We had a number of practice games also, where everyone got to participate and it was exciting to see the younger players of the squad demonstrate what we'll have coming through in the future.

AWARDS

Batting	Armin Jebbin
Bowling	Atreyu Collela
Coaches Award	Aarav Sharma

Whilst these players had outstanding seasons the entire squad is to be congratulated for their dedication to building a successful team.

I believe we finished the season as one of the strongest squads in the competition and we did so by having a team first champion attitude rather than a team of individual champions.

I'd like to thank Dane for his captaincy and being such a positive leader as well as Darcy and Soham for their support as the senior players in the squad.

Thanks to Cole and Angus for being outstanding assistants and role models for the boys, your time and commitment to the squad was greatly appreciated. We were very lucky to have you on board and I hope you both continue to progress as coaches on your cricket journey.

Thanks to Daniel and Natalie Armenti for being squad managers, everything was covered at all times and you both were outstanding support.

I would like to mention what a excellent group of parents and families we had at all games, your support was felt by the boys out on the ground and you also contributed to creating a positive culture we can build off.

Thanks to everyone at BMDCC for all the hard work that gets put in behind the scenes.

I'm very grateful to BMDCC for the opportunity to coach the 13s squad. Being able to help shape these young men into quality, confident cricketers and humans is a huge honour for me and I'm excited to see the squad reach their potential in future seasons.

NEW LIFE MEMBER *Kym Howes*

Kym Howes has been a member of our Club for 30 years, through her time with the club she has become a wife, a mother to 4 children (Zach, Abby, Harry and Sam) and a friend to many. As the game of cricket is ingrained into the DNA of the entire Howes family, Kym from day one has been instrumental in the running of our cricket club.

Kym has volunteered her time and expertise in planning and organising many social events for the cricket club through her time. Events like the 75th Anniversary luncheon, Presentation Nights (at least the last 20), Quiz nights, Ladies days and other numerous fund raising and social activities.

She is always willing to assist with the bar roster, one or two (or dozens of) afternoon teas, catering for country week, Grand Finals and underage national carnivals where Hillcrest Reserve is being used to host cricket fixtures during the season. Kym has also assisted our on-field efforts as well being a very well organised team manager for the U13s and U14s for two seasons.

To help assist the financial stability of the club over the last 12 seasons Kym has managed the hiring of the clubrooms to members, local businesses and other third parties. This again is a volunteered task she performs for the club.

With all that considered, one of the many remarkable personality traits Kym exudes is her selfless, caring nature always having a smile on her face and willing to be involved to make our club better and the experience for all our members a pleasant one.

I hear regularly that families become busy and unable to assist sporting clubs or community groups once they start having a family and I do understand this to a certain degree. But I am sure you would all agree that Kym Howes is an exception to this rule.

As a club and as a community we are truly blessed to have Kym dedicate her time, effort and passion to the Bayswater Morley Districts Cricket Club. But we are not quite as lucky as Daniel and the kids, what a wife and mum you have.

Design by The Fount Ideas Factory

Bayswater Morley Districts Cricket Club acknowledges and pays respects to the Traditional Owners and Custodians of the lands on which we are privileged to live, work and play the great game of cricket. We recognise their spiritual and ongoing connection to Country, culture and community.
