McInerney Ford was established by Denis McInerney in 1975 and is one of the few totally independent Ford dealerships in Western Australia.

Since we opened we've not only build up a successful business, but also a proud reputation for service and reliability.

For all our customers we've always been an important resource providing advice, assistance, information and service.

Denis McInerney is the longest serving Ford dealer in Perth and has since been joined by Loris Cecconi. Loris joined Denis in 2011 and came from running a dealership in Midland where he began his career back in 1998.

McInerney Ford is also Fords most awarded dealer in Western Australia.

McInerney Ford is proud to support the local community with sponsorships of charitable institutions, the arts and many sporting clubs.

McInerney Ford needs the support of everybody, private citizens and members of the business community, to get behind them so that together we can work to build a better community.

"The only way to beat big business is to give absolute personal service to all customers" - That's the McInerney pledge to you.

When you deal with Denis, Loris or anyone of their friendly staff you will be helping to build a better community.

Here for service...Here for Sales...Here for you! Everything we do is driven by you!

President's Report

Geoff Parkinson

Our past season was peppered with some success and I won't dwell on the details, as I'm sure Justin will have much to say in that regard in his Coach's Report.

I wrote last year of the improvement in morale and the rekindling of the Baysie culture and that was clear to all again this season.

Our off season included many hours of work on a new bar and new flooring and it would be remiss of me not to thank all those who contributed to making that happen. In particular, Craig Hampson, Brendan Power and Chris Todd, all of whom did a lot of hard grind making it all come together. I will add that young Timmy Marriott did more work than his dad and I combined.

I think it's sufficient to say that our on field results were positive and definitely heading in the right direction. The club's Strategic Plan, which drives much of our activity, states that our Club Championship goal is to average over the 5 years in the top 25%. We achieved that this past season by finishing a creditable 4th.

Your Cricket Development Committee have already set in train our plans for next season and work has already started on achieving those plans. So from us, we thank our Club Coach Justin Cantrill. You are still making a difference, we still consider ourselves lucky to have you, and we are confident in the direction you are taking us on field.

We also thank all of Justin's Senior Coaching Team for continuing the many hours of hard work to advance our cause. I'm also very happy now to announce that Justin has agreed to stay as our Club Coach for at least next season.

We are fortunate to have Junior District Coaches and Assistants who understand what our junior programme is all about and who work hard to support each other in helping to develop young talent to achieve the best they are capable of. We thank those coaches and the junior programme leaders.

To the players – loyalty is a rare thing in today's society but I can assure you that the non-playing members and the executive of your club value loyalty very highly indeed, and you have all continued to demonstrate that loyalty to the green and red.

We sincerely thank the City of Bayswater councillors and staff for their continued support and for the commitment to improving our facilities. Hillcrest Lower won the 'most improved wicket' and that is significantly due to the commitment from the City to provide quality facilities.

We are currently faced with some challenges in respect of costs of our wickets but I can assure all members that we and the City are working hard to find solutions to those challenges.

Our sponsors have again been the sole reason we remain in a stable financial position. I have said it many times in the past and I say again we would definitely be in dire financial difficulty without the support of our sponsors. We sincerely thank them for their continuing support.

Our Kevrek Youth Development programme, generously sponsored by Terry & Garry O'Neil from KEVREK, continues to provide additional specialised coaching for some of our more talented juniors, and continues to show positive results across the board in all skill sets.

Our 6 junior clubs have again worked hard to increase their player numbers and have supported their WACA Club throughout the year. We thank the presidents, committees and coaches at those clubs for their commitment to their junior teams to ensure participation is maximised for as many children as possible in our district.

This club has always been more than just a 1st Grade club and our players have demonstrated that again this season.

To our committee I thank you for your intelligent, thoughtful management of the club.

Our members and supporters have continued their vocal support of the player group and were rewarded with a better win loss ratio than the past couple of years. The players and committee thank you for your unwavering support.

Our club family have always supported each other and this season was no different. I want to thank all of you for the care you show each other.

There were a number of occasions this year that demonstrated that. Celebrating success is normal and expected but putting your hand up to assist and support our club family members is the real measurement of character. You all excel at that.

My final thank you is always reserved for my wife Deb. She was again the producer of our famous rolls and the one who at least attempts to keep me focused.

I look forward with excitement to the possibilities of season 2017/18.

See you at the cricket!

Geoff Parkinson
Club President

Sponsorship

Sponsors are the lifeblood of our Club. We are fortunate to have many loyal sponsors who have supported our club over many years, as well as new sponsors and advertisers who have come on board in recent seasons. The broad range of business is reflected in the advertisements in this Annual Report.

We ask all members, players and their families from both our Senior and Junior ranks to support them where possible. Don't forget to mention your connection with the Club when you make contact with them!

Coach's Report

The focus and directive over the past two years has been on club culture and improved on field performances. There is no doubt that last year was a challenge but I believe this year we have seen a marked improvement in both areas.

I do believe that one of the biggest strengths at Baysie has been the culture. I think a key indicator has been the number of new and returning players this year which, to me, says that the club is heading in the right direction. I also believe that the players are key to building and sustaining the culture of a club and cannot speak highly enough of this group of players. As a young group it is pleasing to see players taking on the responsibility, and setting and holding each other accountable. On behalf of the coaching group I would like to thank each and every player for their commitment, effort and support.

It was also a much better year in relation to on field performances. Our focus has been about learning, improving and enjoying the game of cricket. As a club there have been positive signs and highlights across the year.

Some notable highlights are:

- All teams finished higher on the ladder than last year
- We finished 4th on the club championship, up from second last twelve months ago
- Three teams made finals
- Two teams made semi finals
- This year we had 11 hundreds across the four grades compared to zero last year
- On 17 occasions a player took 5 wickets or more compared to 4 occasions last year

In relation to the individual teams, our 1st Grade finished 10th on the ladder which was two places higher than last year. On the positive side our bowling is in the top three across the competition, and we had 3 players with 400 runs or more compared to zero last year. I would like to make special mention of Robbie Guy. As I am sure he would agree, last year was not one of his best and to turn it around into what would arguably his

most outstanding year yet is a great example of what hard work, self-belief and determination can achieve.

2nd Grade welcomed a new captain in Jarrad Daniels, with the team finishing second on the ladder and getting through to the semi-finals. I do believe that strong clubs have strong 2nd Grade teams putting pressure and creating healthy competition for places in 1st Grade, and I believe we have come a long way in this area. I know the team was disappointed in not making it all the way but believe they will come back bigger and stronger next year.

Shannon Weston took over captaincy of the 3rd Grade team and finished third on the ladder. There were many contributors in the 3rd Grade across the year however I would like to make special mention of Kevin Carlson. Kevin trained through the pre-season and was not selected for the first one or two games of the year. His first game was in the 4th Grade, but quickly earned the call up to the 3rd Grade where he finished as leading wicket taker for the season. Although disappointed in not being selected at the start, he never gave up, continued to work hard and I congratulate him for that.

Our 4th Grade finished on top of the ladder and narrowly missed out making it to the grand final, which I am certain will be a motivating factor moving into next year. This year we had significantly more stability throughout the season in relation to player movements which I am certain was one of the factors for their improved results. From a selection perspective there were some difficult decisions particularly come finals time. None were more difficult than Billy Boyd and Nick Merrin, who after playing the majority if not all the season, were left out of finals. Although hugely disappointed they continued to train and support the team and club which to me shows a massive amount of character and is a fantastic representation of what this club is all about.

Thanks to the captains, Liam, Jarryd, Shannon and Brad, as well as Ross Loiacono who stood in whilst Liam was away. Throughout the year there were some challenging moments, particularly around selections, and I congratulate each of them for

their leadership, support, individual and team performances across the year.

Congratulations to Liam O'Connor and Nathan Rimmington who played representative cricket. Nathan representing both the Western Warriors and Melbourne Renegades whilst Liam made his debut for the Adelaide Strikers and came exceptionally close to making his debut for WA which I am sure is not too far around the corner.

As many of you are aware Nathan has returned to his home of Queensland. I have not known Nathan that long but what I have learnt is that his professionalism, knowledge, passion and all round cricketing ability will be sorely missed around the club. Besides cricket, Nathan is one of the most genuine and down to earth people that you will meet and has shown a real interest in helping and developing other players. Nathan, we wish you and your family all the best for the future.

There are many people that give up so much time and energy to make this club what it is today. First I would like to thank the others coaches - Craig Hampson, Brendon Powers, Rob Smith and Michael Thistle for all their hard work across what is effectively 8-9 months of the year. Along with the coaches I would also like to thank Yakka for taking on the position of net captain again and to Richard Sgro for taking on team management duties. I don't believe coaching the club would be as rewarding and possible without their support.

Thanks also to Bev Toss and Rowdy for scoring in 1st Grade and 2nd Grade and to Craig, Brendan, Karl and others that have helped in the lower grades. During the year we had many BBQ's after games and selection nights. A big thank you to Shane O'Connor and John Moore for the organisation and good food. Also thank you to all the ladies and gentleman that helped make the rolls in the morning and to those that helped prepare teas in the afternoon. I am sure Baysie has the best spread of afternoon teas across the competition.

This year saw Daniel Howes come on as Chairman of Selectors. It was certainly a challenging role, but for good reasons due to greater depth and player numbers, which was in contrast to last year where we were trying to find players on a weekly basis.

Thanks Howsie for your support and many long discussions throughout the year.

I would also like to thank the supporters, particularly Angry, Sally, Ross and their latest recruit Eddie, who pretty much attend every game. The club certainly would not be the same without them. And on behalf of the coaches and players a big thank you to our sponsors for your continued and much needed support of the club.

Since taking on the coaching position there has been a negative perception around the wickets at Hillcrest. Looking over the year it is worth noting that our 1st Grade team averaged more runs at home than away, scored over 200 runs twice as many times at home than away. And if there was any doubt just ask Robby Guy who averaged over 60 at Hillcrest. In the years gone by there may have been some justification about the wicket but I do not believe this is the case anymore. We would like to thank Scooter and his team for their effort and work over the past few years in getting to this position.

To Geoff and the committee, thanks for your ongoing support and assistance. There is no doubt in my mind that this club is one of the best run clubs and has been for a very long time. Thank you to all the partners of those that help around the club, without your understanding and support the club would not be where it is today.

Finally, thanks to my wife Alyssa and kids Tarlea, Josh and Brodie. Without their support I would not be able to coach the club and put in the time that is required.

In wrapping up I believe that as players, coaches and as a club we are all on a journey together. Although we have made some significant improvements there is much more to do. We know what the next steps are for even greater success. I am confident that if we stick together, support each other and continue to improve then premierships are not too far around the corner.

I wish everyone all the best for next season.

Justin Cantrill
Club Coach

Awards and Presentations

Winner: Robby Guy

Top 5 places for
2016/17:

R Guy	15
M Todd	11
N Rimmington	9
J Wilde	8
J Lewis	7

*Pictured: Robby proudly
accepts his medal from
Peter Lawrence*

Lawrence Medal

Robby Guy was the winner of the Lawrence Medal after an exceptional season. Disappointed to be starting the season in 2nd Grade, he forced his way back into the 1st Grade side by accumulating 163 runs in the first 3 fixtures in a great show of determination.

Robby then amassed 511 1st Grade runs at the impressive average of 64 to be the mainstay of the 1st Grade middle order. Mitchell Todd polled well, particularly in the first half of the season scoring two centuries to finish 2nd, with Nathan Rimmington taking 3rd place in his final season with the club. But in the end the clear favourite rightly took out the prestigious medal, joining some great company in the process.

medal from 2 time winner
Peter Marriott*

John Moore Medal

Perennial place getter Brad Gartrell finally broke through to win his first John Moore Medal, from a fast finishing Bryce Jeffrey, and Callum O'Connor in his first season of Premier Cricket. In a solid season Brad scored 336 runs at 23, took 13 wickets with his unconventional but effective bowling action, and led the way with his energetic fielding and excellent catching. Whilst statistically Brad's season did not reach the heights of some of his in the past - Brad led the 4th Grade side, falling just short of a Grand Final appearance, and is a deserving winner of this sought after medal.

Orbit Drilling Performance of the Year Award

Peter Baker was recognised this season for an outstanding personal achievement in quite an amazing game of cricket. Chasing 200 for victory in a 4th Grade game that we were confident of winning, Peter came to the crease at the extremely precarious position of 6 for 11. He then went on to score 116 not out to rescue a win that even the most optimistic of supporters couldn't have hoped for. This followed up on his 5 for 44 with the ball after Gosnells had been cruising at 1 for 100 at lunch on the first day.

Jon DeCelis Player's Medal

The Jon DeCelis Player's Medal is as a peer voted award to recognise commitment and effort both on and off the field. This season Robby Guy was the runaway winner to go with his Lawrence Medal success. Whilst not only being a deserved winner, Robby was honoured to accept the award named in honour of Jon, who was a mentor to Robby in his early days with the club. It was great to again have Sheree DeCelis on hand to present the award, along with some very poignant words to the playing group.

Pictured: Brendon and Rowdy receive their certificates from President Geoff Parkinson

Certificate of Merit

The Committee of Management, used its constitutional discretion to bestow the prestigious Certificate of Meritorious Service upon Brendon Power and Dave 'Rowdy' Pearson.

Brendon initially played at the Club in the early 90s and was a 3rd Grade premiership player, then returned to the club in 2011 in a coaching role with the 17s. Since this time, he has joined the committee looking after Grounds and Maintenance, taken on an Assistant Coach role and has been recognised as the club person of the year for two years running.

Dave, or 'Rowdy' as he is known to all, commenced scoring with the 1st Grade side in 2005 after a long association with the Perth Postels Cricket Club, where he is a life member. Rowdy continues to score for the 2nd Grade, and is a regular on Thursday nights and during finals regardless of what side needs assistance.

Club news

Albert Richings Medal Winner - Bryce Jeffrey

Bryce Jeffrey at the WA Premier Cricket Dinner with the Albert Richings Medal, awarded to the best player in the 3rd Grade competition. Congratulations, Bryce!

Baysie bar renovations

The off season saw some modernisation taking place with a new bar being installed, as well as new timber flooring around the bar area and entry. The photos show the work taking place and the fantastic final product.

A big thanks to all that helped out, and particularly Brendon Power, Craig Hampson and Chris Todd for giving up several weekends to make it all happen.

1st Grade Report

Pictured: Back Row (L - R) Bev Todd (scorer), Tim Smithies, Ashley Jeffrey, Rhys Hampson, Lane Berry, Jonty Wilde, Daniel Del Prete, Justin Cantrill (Coach)

Front Row (L - R) Robby Guy, Mitchell Todd, Liam O'Connor (Captain), Ross Loiacono, Josh Philippe

I would like to start by congratulating the 2nd, 3rd and 4th Grade teams for making the finals this season. For our 1st Grade boys, watching our mates from the sidelines should be motivation enough for us to want to be involved next year. There is nothing better than being around a club with teams in the finals.

Whilst everyone involved would be disappointed that we did not go on with the job, we can also be very proud of our achievements as a club.

The 1st Grade team finished the season 10th on the ladder, an improvement on 12th position last year and the previous season where we finished last. The difference between us finishing 10th and playing in finals is only a matter of a few games. If we can win those close games next season then I believe we will be pushing strongly for finals.

As this young team grows with experience, and if we continue to work hard on our skills, then I am confident that our on-field performances can further improve next year.

To represent Baysie in the 1st Grade team is a great honour and I would like to congratulate Lane Berry, Daniel Del Prete and Steve Jennings for making their debuts, with special mention also to my brother Callum who made his debut against South Perth.

When analysing our performance it is obvious that our players at all levels have made significant improvement on last year.

This year we have seen some great performances that deserve to be highlighted. Coming into the season there had not been a single 1st Grade century scored in 3 years, but this season 3 players hit tons which is a great effort.

Robby Guy scoring his second 1st Grade century to go along with an absolutely outstanding year with the bat after starting the season in second grade. It's always a tough move to drop someone from your side, let alone one off your good mates, so it is fantastic to see when a player such as Robby works hard to force his way back in and then cements himself in the side.

Joshua Phillipe scored his maiden 1st Grade ton which was a fantastic achievement. Saving the best for last, Mitchell Todd scored 2 centuries in the first half of the season with one of those being in a big partnership with Josh.

For the first time in 6 years we also managed to have 3 1st Grade bowlers finish above 20 wickets for the year. After a slow start Jonty returned to form, grabbing 22 wickets for the year. Nathan Rimmington farewelled us with 29 wickets from just 8 appearances, and I was pleased to pick up 27 for the year.

I'd like to thank Ross Loiacono who did a super job leading the team when I have been away; also your advice and support throughout the year has been greatly appreciated. Thank you. I have a few other important people to mention:

- Bev Todd for scoring every week and keeping us updated when MyCricket is down.
- Baysie arvo teas are the best going around, so thank you to all of the mums who help out across our teams. With special mention to my mum Manny, Melissa Guy, and Marissa Smith.
- Richard Sgro our team manager, cordial expert and the man that makes me look good when I need the team list and a coin to toss!
- To Yakka for his wise advice, dispensed from the comfort of his golf cart, on Tuesday and Thursday nights. Along with his efforts to deal with the Todd's on a weekly basis and organising a hit for everyone without fail.
- I would also like to thank all of the supporters who come along to watch us. Your encouragement and support is appreciated by everyone in the club and we want nothing more than to celebrate a premiership flag with you one day!
- Thank you to our very generous long standing sponsors, who are a critical part of the club's success! I was lucky enough to dine with a few of our sponsors at Parliament House during the season and it was great to listen to some of the stories they shared about their support and involvement with the club over many years.

- I would also like to thank one of our new sponsors, Raff Barbaro, from Barbaro Butchers. On behalf of all of the lads that have enjoyed the rissoles, sausages and roasts - thank you very much Raff! Old man Toddy would like to also thank you for the 5 kilos he put on eating your famous rissoles! Thanks to Dad, John Moore and Hammo for putting on the Thursday night feasts!

In my second year as 1st Grade captain I continue to learn about my game and the position that I am very honoured to hold.

On behalf of the entire playing group I would like to thank our coach, Justin, for his guidance, support and encouragement. Pup's skills as a coach, his experience as a player, and his leadership style and communication skills bring out the best in everyone.

I would also like to say a huge thanks to Rob Smith, Craig Hampson and Brendon Power for their help at training and around the club as it is much appreciated and cannot be underestimated.

This season one of our great players and mates announced his retirement. Nathan Rimmington has provided fantastic service to our club (and to his adopted State) over a number of years. His professionalism is a great example for any aspiring cricketer and we have valued very much his support and help developing players at the club. Thank you Nathan, and on behalf of all the boys we hope that life after cricket goes well for you and your family!

Lastly, I would like to thank the players for supporting me and for the guidance I have received along the way.

It is a pleasure playing at this club with such a fantastic bunch of blokes. I hope we all realise how lucky we are to be in such a great position as a club, and with the people we have involved.

Everyone stay well in the off season and hope you are all looking forward to a big pre-season.

2nd Grade Report

Pictured: Back Row (L - R) Dave Pearson (Scorer), Rob Smith (Assistant Coach), Lane Berry, Luke Waterhouse, Matthew Dower, Liam Ward-Armstrong, Callum O'Connor, Brendon Power (Assistant Coach)

Front Row (L - R) Jake Lewis, Aaron Todd, Grant Thistle, Jarrad Daniells (Captain), Steve Smith, Dayne Ferry

I would like to start by thanking Geoff and the Committee and also everyone that contributes that is not an official committee member. Without the work you do behind the scenes we wouldn't be able to turn up and play on the weekend. The club has always been strong and it is great to see the long standing traditions that have gone before us continue.

To Justin and the other coaches: thank you for all your hard work and commitment to improving us as both players and people. We appreciate all the hard work you do to keep the boys engaged and motivated through challenging training scenarios and trying to best replicate game situations. The club's on field performances certainly reflected that you are having a significant impact on the group with the 2nd, 3rd and 4th Grade making the finals.

This season was my first season as captain of the 2nd Grade side and I was privileged to lead the team. I was surrounded by some great players and people and they made my job much easier and the season more enjoyable for everyone.

Grant Thistle is not only a good cricketer but he is one of the best people you will meet and his contribution to the side in developing and at times demanding the Bayswater culture that we stand for.

Special mentions go to Aaron Todd, Daniel Del Prete, Dayne Ferry, Luke Waterhouse and Stephen Smith, who helped me significantly throughout the year. Whilst it was disappointing not to go deeper at the business end it was great to improve on our placing the previous year.

The club welcomed down Callum O'Connor, who clearly showed he has the ability to play WACA

cricket at 2nd Grade level and even push for a spot in the 1st Grade. He let his hair down towards the end of the season as he got more comfortable around his teammates.

The club welcomed back Dayne Ferry and Daniel Del Prete who I would hope go around again as we need to retain the older heads to keep the culture strong and create a competitive environment for the younger players to thrive.

The 2nd Grade side were fortunate to see the likes of Robby Guy, Aaron Todd, Jake Lewis, Tim Smithies and Luke Waterhouse at stages throughout the season. The other guys all played 1st Grade throughout this season and no doubt they will be pushing for a regular place in that side for years to come.

In regards to individual performances this season, a number of solid performances that should get a special mention:

- Tim Smithies 84* in our first game against Perth, 113 against Mount Lawley and 92 against South Perth.
- Grant Thistle blasted a wonderful 106* against Midland Guildford
- Aaron Todd was the other centurion when he played a lone hand against Melville with 101.

In regards to bowling performances we had a very strong bowling line up that bowled well in partnerships and often everyone chipped in. Luke Waterhouse showed his class, and why he should be playing regular 1st Grade cricket, with an outstanding game against South Perth where he claimed 5-22 in the first innings then backed it up with 7-33 in the second. The next round he then produced 5-35 against Gosnells.

Callum O'Connor claimed 5-34 against Willetton and 6-61 against Rockingham-Mandurah and was often operating under an economy rate of 2. I was able to get 5-32 against Claremont-Nedlands and a hat trick against South Perth.

Liam Ward-Armstrong claimed 5-34 against Midland Guildford. Other mentions go to players that contributed consistently, and whilst may

not have produced bags, were able to have a significant impact throughout the season. These players were Ash Jefferies, Daniel Del Prete, Stephen Jenkins, Dayne Ferry and Grant Thistle.

The club is looking strong as we continue to produce young talent that can hopefully help the club continually grow as they push up through the grades and put pressure on the older guys. The likes of Lane Berry, Manuel Hunwick, Bailey Gregson, Jeff Willey and Liam Ward-Armstrong are players I look forward to playing with and watching grow into players that are capable of playing 1st Grade cricket.

Lastly, I would like to thank all the people that helped throughout the season. Mr and Mrs Smith are two of the most wonderful people I know and the boys are better for having you around the team and the club.

Mr Smith helped at training and on game day and always goes above and beyond to assist the players. Mrs Smith provided the boys with treats every week (even when her son was not playing).

My thanks also go to BP for assisting at training and game day and Hammo, Chris Todd and Shane O'Connor for contributing to providing regular dinners and assisting during training and games.

Thanks to Dave 'Rowdy' Pearson for scoring for us again this year; we really appreciate you doing this and hope you continue on next year and beyond. There are so many more people that deserve to be recognised and thanked for all their hard work and I hope the boys remind them how much we appreciate what they do for us.

I look forward to getting stuck into preseason and working hard again to hopefully go a few steps further in 2017-2018.

3rd Grade Report

Pictured: Back Row (L - R) Lachlan Cobley, Connor Dimech, Bryce Jeffery, Matt Dower, Andrew Guthrie, Kevin Carlson
Front Row (L - R) Jeffrey Willey, Steve Tompsett, Shannon Weston (Captain), Ben Williams, Reece Abrams

One of the most interesting things about cricket captaincy is that you get to understand your people better. The captain knows better than anyone who gives themselves for the team, who was tough and who got found out. In the 2016-2017 finals series, we got found out.

In the regular season we started off slowly, with a few early losses. Our shortcomings with the bat from the previous season looked like they were rearing their ugly heads again. Just before Christmas, we started to get things right on the strength of our improved determination with the bat, coupled with already strong bowling and fielding performances. We earned a home final by finishing third after winning our final seven games of the year.

Unfortunately we were bundled out in first week of the finals by the eventual premiers - a team

that we'd comprehensively beaten earlier in the year, which made the final outcome even more frustrating. In some ways this is more disappointing than finishing second last and winning only three games the previous year.

The 2016-2017 season was a vast improvement on the previous year with the three lower grades making finals. A group of players who played 2nd Grade last year found themselves in the 3rd and 4th Grades, and this naturally strengthened the entire club.

I was fortunate enough to have Ben Williams return to the side mid-year, and Bryce Jeffery in the side for a lot of the season which raised our average age, although not by much. Both these guys were very helpful to me and I thank them for their contributions as players and as senior influences around the group.

The learning that the younger players in the side experienced as a result should not be underestimated and I attribute a lot of our turning around in fortunes this season to their presence. I believe this is a lesson we should heed from a club perspective and not rush to end older cricketer's careers prematurely if they are willing to continue.

Throughout the year we saw the further development of the young cricketers in the side. Players new to grade cricket such as Reece Abrams and Kevin Carlson had breakout years and not only contributed well, but on several occasions were match winners. Jeff Willey and Liam Ward-Armstrong showed, with another year of grade cricket under their belts, that they aren't done improving either. Both of these guys were instrumental throughout the year in surging us up the ladder.

Matthew Dower, Fraser Thompson and Josh Fontana demonstrated great resolve in the top order, with their opening partnerships becoming a feature of the 3rd Grade team.

Thank you sincerely to all the families of these young players as well, who follow us around the Perth metro area in support each week.

I need to say a big thank you to Justin Cantrill for his support and guidance throughout the season. I feel privileged to have had the opportunity to work so closely with such a good operator. His honesty, patience and his ability to bring people together is as good as I've seen.

Also a huge thank you to our Assistant Coach Craig Hampson: Our match-day manager, scorer, first aid officer, handyman, makeshift curator, storyteller and purveyor of fine sweets. Hammo's support and influence of the 3rd Grade side this year has been phenomenal. We love you mate.

Finally, I think it's important that we as a club and as a group understand that the struggle of last year made possible the improvement and achievements of this year. And what happens next year will be built on this year's efforts. Let's hope we can go one step further again.

4th Grade Report

*Pictured: Back Row (L - R) Muzani Adjie, Peter Baker, Thomas Hunt, Caleb Waller, Sam Bowers, Brendon Power (Assistant Coach)
Front Row (L - R) Billy Boyd, Ryan Ross, Nick Volk, Brad Gartrell (Captain), Connor Dimech, Nick Merrin*

It's hard winning premierships. It's hard even playing finals, and it hurts when you have that chance and don't take it. Unfortunately lower grade cricket is a lot different in March and this year there were some areas we were found wanting. It's easy to say we can't bat, and I don't think that, but finding the technique or application to cope when it gets a bit hard is important.

The main positive worth highlighting from March is Jeff Willey. He didn't deserve to be playing 4th Grade and he was really unlucky to bat 8, but I never heard anything about it other than "I can do that". He came in at 6/49 in the first final and made 40 to give us something to bowl at, and then took 4/20 to almost help us defend it. The second final he took 5/19 off 12 against a really good batting line up to roll Claremont for 70, and then came in at 5/50 in the chase and smashed 50

to give us a match winning lead...almost. It's really easy to spit the dummy when things don't go your way but Jeff's attitude through the finals was really impressive.

Not winning finals doesn't make the year a total loss. We finished top, we won two outright and saw a lot of great performances, most notably against Gosnells. I thought we may get two looks at them and bowled first on a flat one.

They were 1/100 at lunch, before Peter Baker took 5 and helped roll them for 200. Then we were 6/11 in reply before Bakes came in and hit 120* to chase it, capping off probably the best individual match effort I have seen.

It was also nice seeing Lachy Copley take 5 against Rockingham and Caleb Waller 5/15, including a hat trick, against South Perth.

Hunty also took 5 in the South Perth game. We expect a lot from him, and he ended up with a good return for the year after missing last season with a serious knee injury. Congratulations also to Nick Volk on his first hundred; you thoroughly deserve it.

Thanks to Howsie for filling in while I missed my first games of cricket ever, and for all of your efforts during the year.

Selection wise, there were a lot of blokes who got us through to the finals and then found out they were playing 5th Grade. Those were obviously really hard discussions about people who had actually performed pretty well. There are no real right answers, but needing to have those discussions says a lot about where we're at as a club, compared to the previous few years. Thank you for still coming down to support us, particularly Billy for managing to spare a couple of dollars from his gambling budget to travel to Freo.

In the same vein, I mentioned a lot of juniors who had a chance to play last year because there was nobody else. However this year we had Ryleigh Cameron, Reece Abrams and Connor Dimech earn and hold their spots through performance which is a real credit to them and another great sign for the future.

I have highlighted some individual performances but thank you to everybody who played with us this year. I really appreciated your efforts and commitment, and for continuing to not punch me when I won the toss and bowled again. We all look forward to watching you stick around and reap the rewards of your hard work over the coming years.

I'd also like to specifically acknowledge our president, Geoff Parkinson. We say that 'the club' will do things a lot; and invariably that is Parko. Very little of what we have would be around to enjoy without him. Ask him what you can do to help, because you're all part of this mythical entity called the 'club' that is supposed to make everything happen.

Thank you also to the committee, net coaches and volunteers. Your time and effort is integral to making Baysie a wonderful place to be.

Thanks to Mum for continuing to witness the steady decline of my cricket career (mostly) with a smile. The fact that I was only getting about 10 minutes of complaints about selections when I got home this year is a testament to the club's growing strength.

Thank you to our coaches for all of their assistance through the year, particularly BP for tolerating watching 6 hours of 4th Grade a weekend with a smile, and having come to terms with my continued failure to charge the scoring tablet. To our club coach Justin: the club owes you a lot and it is wonderful to see you beginning to get the results that your commitment and dedication deserve.

It's nice winning lots of games in 4th Grade and it's great seeing the club finish 4th on the club championship, but most of all it's just nice seeing the atmosphere around the club, and people listening to Chechy and "enjoying each other's company."

THE LAND DIVISION
PLANNING | SUBDIVISION | SETTLEMENTS

The Land Division specialises in Land subdivision being by Green title, survey-strata and built strata.

We employ Land surveyors, Town Planners and also have our own in-house Settlement Agency TLD Settlements.

The Land Division can assist with all stages of land development including Project Management.

P 9209 3232 F 9249 2551 PO Box 2444, Malaga WA 6090 W landdivision.com.au

THE LAND DIVISION TLD SUBDIVISION MANAGEMENT TLD SETTLEMENTS

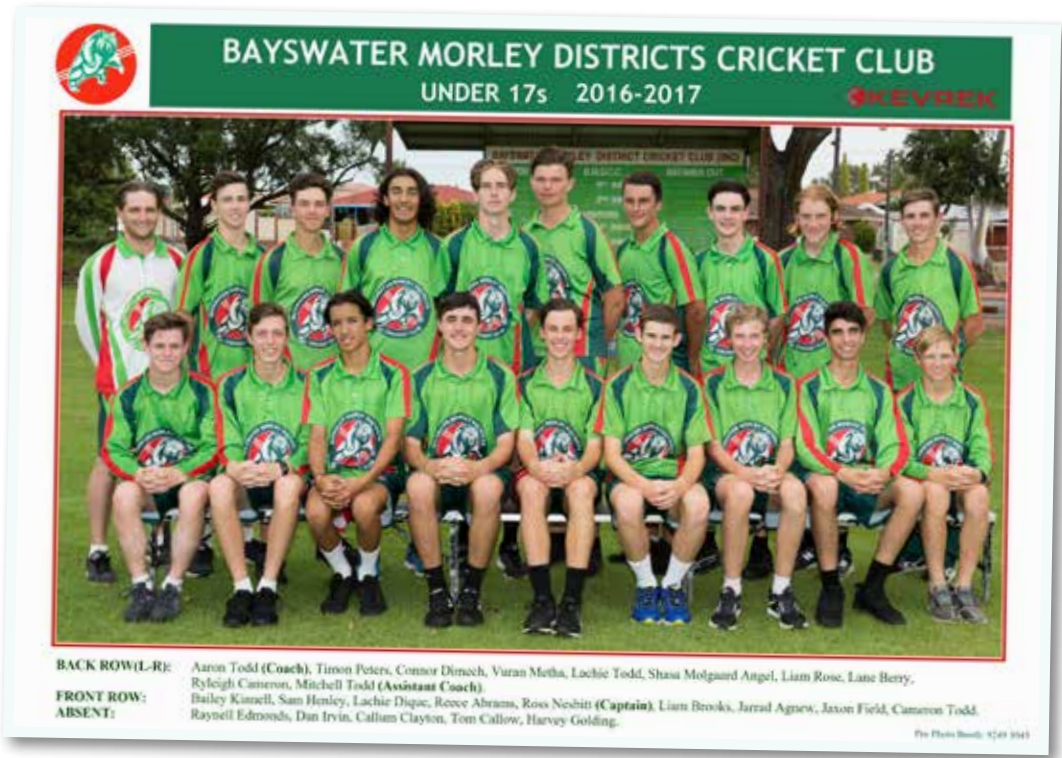

The season was a frustrating one for the 17s for a few reasons. Firstly we were quite inconsistent, with many really good performances, but also some poorer ones meaning we lost some games that we should have won. Secondly we had 4 games which were draws due to the weather, which was the most in the competition. In the end we finished 10th on the ladder and being a game and a half out of the top 6. Whilst a relatively young team, with half the squad being first year players, we did have the talent to make the finals.

We were able to put some good totals on the board at different times during the season. Lane Berry got off to a great start with the bat. In just 5 games he scored 263 runs at an average of 53, including 103 against Wanneroo as well as two other scores over 50 before playing the remainder of the season with the seniors.

Cameron Todd and Connor Dimmech also had very solid seasons, which saw both of these guys also getting an opportunity to play seniors later in the season. Connor missed a few games during the season but was still able to put together 187 runs at 37, with a highest score of 79. Cameron scored 222 runs at an average of 31, with a top score of 108 against Midland Guildford. Cameron and Connor combined for an opening partnership of 156 in this game as we recorded our highest score for the year in making 4 for 273.

Our bowling was steady through the year but perhaps lacked a bit of consistency at times, and as a result we let sides get away from us. Our two best performances with the ball came in the last two rounds, bowling out Gosnells for 65 and Joondalup for 122 to finish off the season with a win and preventing them from making the finals.

Shasa Molgaard Angel and Liam Rose were the leading wicket takers with 12 wickets apiece, averaging 18 and 19 respectively. Shasa's 4 for 10 off 12 overs against Gosnells was the pick of the bowling performances for the year, with Liam taking 4 for 32 against South Perth being the next best. These two, along with Lachie Dique, Liam Brookes and Raynell Edmonds, toiled hard and bowled the majority of overs during the season.

In finishing I would like to thank the parents who supported the side and with the jobs that need to happen on match days like scoring, putting out the markers and preparing teas. Also thanks to my brother Mitchell and dad Chris for being assistant coaches, and particularly Dad who looked after things when Mitchell and I had to leave to play on a Saturday. I'd also like to thank the players for their support during the year. I wish all those that have finished playing District Juniors all the best for the future and look forward to seeing everyone else return next season.

If measured by ladder position, the 15s season would be classed as unsuccessful. But I would suggest the season in general was a successful one, as it is the measure of a player's development over the season that is our priority. The top two team goals for the season were to bat out the 60 overs available and take 10 wickets.

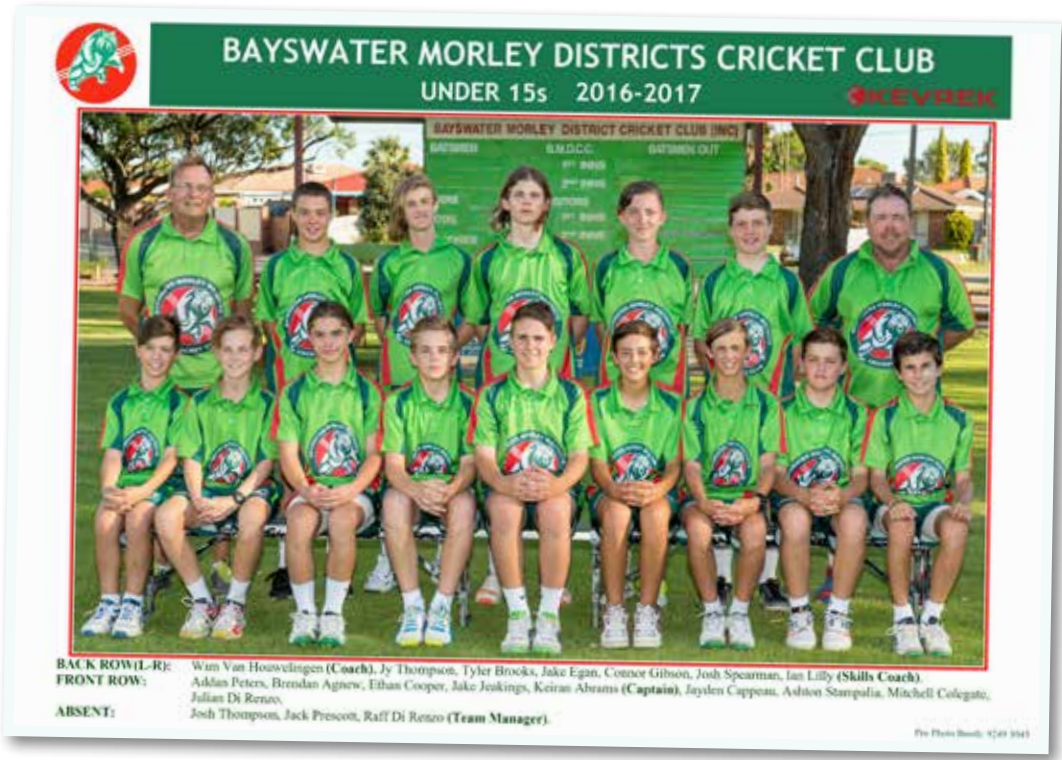

The season highlights were dominated by our batting. Some of these highlights included:

- Round 2 v Perth (one day) - 147 (Jake Egan 54)
- Round 6 v Fremantle - 8/264 (Kyle Cosson 93 & Keiran Abrams 54), and
- Round 10 v South Perth - 232 (Jake Egan 79).

During the season a large number of players from the 14s squad were given the opportunity to play up with very good success. I would like to thank those players and their parents for assisting the club during what was a challenging season in regards to selections. Well done to Jake Egan, Jayden Cappeau, Connor Gibson, Mitchell Colegate, Ashton Stampalia, Jack Prescott, Brendon Agnew, Addan Peters and Jake Jeakings for their efforts. The level of success is highlighted in the batting and bowling awards.

The batting award was accepted by Jake Egan, making 286 runs at an average of 23.8. This included 54 vs Perth and 79 v South Perth, including a 109 opening partnership with Jayden Cappeau. Jake was the backbone of our batting during the season, and I will be looking forward to seeing him take the next step and produce 500+ runs in a season.

The bowling award was accepted by Jayden Cappeau, taking 18 wickets with his medium pacers at an average of 20.5. This included best figurers of 4/29 v Joondalup. Jayden was our most consistent bowler, taking wickets in almost every round.

The coach's award was also collected by Jayden Cappeau. A player who showed all the qualities that BMDCC looks for in a player, such as a great work ethic, very good attitude and being a team player. All these qualities Jayden has in abundance. Along with being a very good bowler, his fielding is excellent and his dedication to improve his batting over the season makes him a stand out for this award.

The pleasing thing for a coach is watching players grow and mature. I was very lucky to watch my players do this over the season and I wish them well in their cricket.

I would like to take this opportunity in thanking the club and committee members for their support and trust over the season. I would particular like to thank Rod Evans (Junior Coordinator) for his support and guidance during a challenging season. He has a wealth of experience, vast knowledge of the game and is willing to assist whenever asked.

I would also like to thank Raff Di Renzo for being a great help behind the scenes all season in his role as Manager; Michelle Brooks, who was always willing to help whenever needed to score on match day; and Ian Lilly, who did a great job as our Junior Batting Coach. Thank you to all the parents who helped on game day with setting up and morning teas, but most importantly coming along to support your sons and our club.

Wim Van Houwelingen
Coach

At the start of the season, we set down our expectations. Players were informed that their development was the club's priority, not winning games: wins would be a bonus but not our focus.

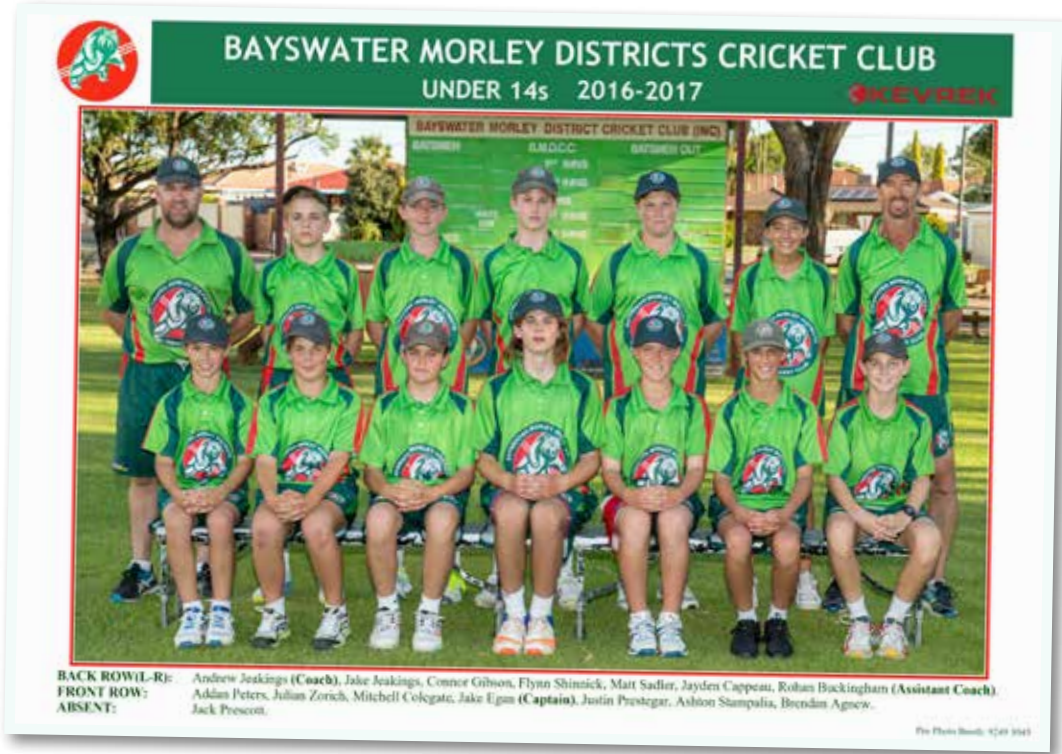

Expectations about behaviour and the character we expected to see were discussed, including: supporting teammates at training and on field; accepting the umpire's decision; and respecting their opponents and the game.

We advised players that our role was develop them to become better players by the season end. We promised that all players would get opportunities and no player would miss more than one game in a row. We asked that when players received their opportunity that they gave it their best, and if they did not succeed then keep a positive attitude as further opportunities would arise.

Apart from some minor incidents early in the season, we were generally pleased with the player's attitude and performance. We were very pleased when the umpire in a game against Gosnells told us how impressed he was with our players attitude and behaviour.

Our season started and ended against Subiaco Floreat, providing us with the perfect opportunity to measure our development and progress over the course of the year. We lost the first game by 80 odd runs and while the scoreboard didn't reflect it, our effort was competitive.

We were competitive in all games before Christmas. We struggled against the spinners in early games and would get way to decent starts but then lose a cluster of wickets. Likewise in the field we would take early wickets and have the opposition in trouble, but then have 6 or 7 overs where we would leak runs and release the pressure, allowing our opponents to achieve a good score.

We tied with Wanneroo and should have won needing one run from two overs but instead losing three wickets in an over.

The one game that was a disappointment was just before Christmas against Midland Guildford. We posted a low score of 125 but batted our overs out. We then had Midland Guildford 3 for 15 before they went on to make over 250. The disappointing aspect was not the loss but that our players basically gave up after a 100 run partnership for the fourth wicket. A frank discussion occurred post-game and we came back after Christmas and won three out of the four games.

It was not so much the wins that were pleasing but the effort put in by the players and the development. In our first win we defended a score of 145 against second placed Joondalup. The win was a result of a great team effort, with Jake Egan providing superb leadership and Jayden Cappeau taking 5 for 20. Our second win was against Gosnells, beating them convincingly by 76 runs in a great team effort. Jake Egan scored 89 in a fine captain's knock in very hot conditions.

We finished the season against Subiaco Floreat, providing us with the perfect opportunity to measure our development. The game was played at Floreat Park on a corrugated iron pitch that gave every assistance to the bowlers. We were 7 for 30 before making a total of 99, on the back of a great effort from the lower order.

At the tea break the Subiaco Floreat coach approached me and said, "when we pass your score we will call the game". Our bowlers responded by taking 6 for 14, bowled them out for 44, with Jake Egan taking a hat trick. It was clear that our players had improved over the season and, importantly, demonstrated great attitude and character.

Thanks go to my assistant coach Rohan Buckingham and manager Rachel Cappeau, who provided great support over the season. I would also like to thank Rod Evans for his mentorship and support.

I thank the players for their perseverance and efforts. We had four players who played permanently with the under 15's as well as 14's, while another five players helped the under 15's out at various times.

All of those players acquitted themselves well and their efforts were greatly appreciated and showed great club spirit. Finally, I would like to thank Geoff Parkinson and the Club for the opportunity to coach. It is a privilege to be able to have an influence over young players and an opportunity that I do not take for granted.

The Under 13's enjoyed an outstanding season, winning 7 of 8 qualifying matches before falling short in the Grand Final against Rockingham Mandurah.

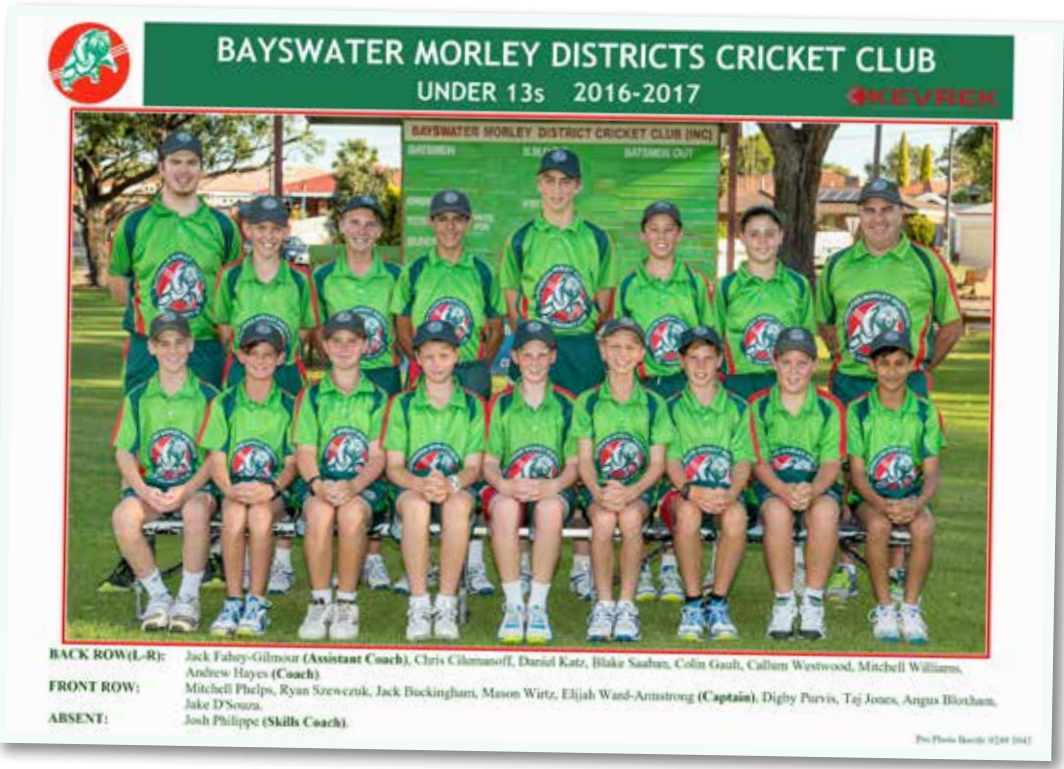

Batting first, Rockingham struggled against the Bayswater pace attack. Digby Purvis (3/20) ripped into the early order while spinners Elijah Ward-Armstrong (2/13), Jake D'Souza (1/15), and Chris Cilemanoff (1/8) combined to restrict the opposition to 8/105 after 40 Overs.

The bowlers were supported by excellent fielding with Mitchell Phelps (3 catches) quite outstanding.

Based on previous matches, 106 looked to be an achievable target. Unfortunately, the batting never really got underway being all out for 59. Only Daniel Katz (17*), Elijah Ward-Armstrong (13), and Digby Purvis (11) reached double figures. It was a disappointing day for the team who only put in two below par sessions across the entire season. Despite the final, the 13's could look back on 2016-17 with much satisfaction and to 2017-18 with considerable confidence.

The season in summary:

- BM 4/134 (Buckingham 26, Ward-Armstrong 21, Cilemanoff 12, Gault 37) defeated Subiaco 9/57 (Purvis 2/19, Katz 2/4, D'Souza 2/7, Ward-Armstrong 2/3).
- BM 8/176 (Buckingham 36, Ward-Armstrong 26, Cilemanoff 45, Gault 22, Phelps 16) defeated Centurions 6/154 (Purvis 2/4, D'Souza 2/16).
- Wanneroo 10/89 (Katz 2/11, Gault 2/17, Wirtz 2/9) lost to BM 6/144 (Buckingham 38, Westwood 23, Gault 24, Szewczuk 16, Ward-Armstrong 11).
- Mt Lawley 6/119 (Williams 2/8, Wirtz 2/5) lost to BM 3/168 (D'Souza 24, Cilemanoff 17, Ward-Armstrong 52, Gault 50, Phelps 10).

- BM 8/147 (Williams 14, Ward-Armstrong 54, Gault 37) lost to Midland Guildford 7/149 (Gault 2/18, Ward-Armstrong 2/18).
- BM 7/127 (Ward-Armstrong 12, Gault 67. Westwood 14) defeated Scarborough 10/123 (Purvis 2/14, Williams 2/10, Saaban 2/8, Ward-Armstrong 2/25).
- Joondalup 4/108 (D'Souza 1/19, Jones 1/12) defeated by BM 8/123 (Williams 14, Ward-Armstrong 17, Gault 22, Purvis 10, Katz 11, Jones 14).
- Semi: BM: 4/85 (Phelps 12, Ward-Armstrong 10, Gault 44) defeated Claremont 10/84 (Ward-Armstrong 7/7, D'Souza 2/18, Katz 1/12).
- Final: Rockingham 8/105 (Purvis 3/20, Ward-Armstrong 2/13, D'Souza 1/15, Cilemanoff 1/8) defeated BM 10/59 (Ward-Armstrong 13, Katz 17, Purvis 11).

We would like to recognise Jack Fahey-Gilmour and Josh Philippe for assisting with the coaching, Karen Phelps as team manager, and scorer Helen Dwyer, along with the on-line assistance of her daughter, Nikita. The contribution of the parent group was wonderful as usual and the Club's afternoon teas were anticipated competition-wide.

The trophy winners were:

- Batting: Colin Gault – 300 runs @ 50.00. H.S. 67*
- Bowling: Elijah Ward-Armstrong – 16 wickets @ 6.50. B.B. 7/7.
- Coaches' Trophy: Jake D'Souza
- Player of the Finals Perpetual Trophy: Elijah Ward-Armstrong.

At season's end, Coach Andrew Hayes decided to find new cricket challenges elsewhere. Andrew leaves with the Club's appreciation for the outstanding contribution he has made to Bayswater Morley's District Under 13's and Community Cricket over many years. In recognition, he was presented with the Club's *Certificate of Meritorious Service*.
