McInerney Ford was established by Denis McInerney in 1975 and is one of the few totally independent Ford dealerships in Western Australia.

Since we opened we've not only build up a successful business, but also a proud reputation for service and reliability.

For all our customers we've always been an important resource providing advice, assistance, information and service.

Denis McInerney is the longest serving Ford dealer in Perth and has since been joined by Loris Cecconi. Loris joined Denis in 2011 and came from running a dealership in Midland where he began his career back in 1998.

McInerney Ford is also Fords most awarded dealer in Western Australia.

McInerney Ford is proud to support the local community with sponsorships of charitable institutions, the arts and many sporting clubs.

McInerney Ford needs the support of everybody, private citizens and members of the business community, to get behind them so that together we can work to build a better community.

"The only way to beat big business is to give absolute personal service to all customers" - That's the McInerney pledge to you.

When you deal with Denis, Loris or anyone of their friendly staff you will be helping to build a better community.

Here for service...Here for Sales...Here for you! Everything we do is driven by you!

## President's Report

Justin will write more about our season on field, but I did want to touch on something we all know, but rarely talk about. I was in attendance at all our finals matches, both

Junior and Senior, and the support each team received from players not involved, families, supporters and members was obvious to see. I said at our 2<sup>nd</sup> Grade Grand Final celebration that everywhere I looked around Abbett Park throughout that game there was green and red. The point of difference for our Club compared with most is that, no matter if you are an 11 year old playing in our Under 13's or a 100 game 1<sup>st</sup> Grade player, you are equal in the eyes of our Club family.

I'm proud to be part of that family.

The Club's Strategic Plan which drives much of our activity states that our Club Championship goal is to average over the 5 years in the top 25%. We achieved that for the second time in a row this past season by finishing 4<sup>th</sup>. Your Cricket Development Committee have already started planning for next season and we are confident of even greater things.

We thank our Club Coach Justin Cantrill – you are still making a difference, we still consider ourselves lucky to have you, and we are confident in the direction you are taking all of us. We also thank all of Justin's Senior Coaching team for continuing the many hours of hard work to advance our cause.

I'm also very happy to officially announce that Justin has agreed to stay as our Club Coach for at least another season.

We are fortunate to have Junior Premier Coaches who understand what our junior programme is all about, and who work hard to support each other in helping to develop young talent to achieve the best they are capable of.

We thank those Coaches and the junior programme leaders.

To the players – loyalty is a rare thing in today's society, but I can assure you that the non-playing members and the executive of your Club value loyalty very highly indeed, and you have all continued to demonstrate that loyalty to the green and red.

We thank the City of Bayswater councillors and staff for their continued support, and for the commitment to improving our facilities.

Preseason, we came to agreement with the City to directly contract our own Curator in Tim 'TJ' Heal. Don't underestimate the difference a hard working, committed curator can have on our facilities – it's already obvious that our wickets are continuing to improve thanks to TJ's work. Hillcrest Lower was awarded the most improved WACA wicket for last season and that is due to the commitment and hard work shown by TJ and his team. Thanks TJ.

We will continue to be challenged by the costs associated with moving wicket responsibility to the Club, however, the working relationship we have with TJ and the resultant condition of the wickets is worth the cost.

Our sponsors have again been the sole reason we remain in a stable financial position. I have said it many times in the past, and I say it again: we would definitely be in dire financial difficulty without the support of our sponsors and we sincerely thank them for their continuing support.

Our Kevrek Youth Development programme, generously sponsored by Terry & Garry O'Neil from Kevrek Australia, continues to provide additional specialised coaching for some of our more talented juniors, and continues to show positive results across the board in all skill sets.

Our 6 junior clubs have again worked hard to increase their player numbers, and have supported their WACA Club throughout the year.

We thank the Presidents, Committees and Coaches at those Clubs for their commitment to their junior teams to ensure participation is maximised for as many children as possible in our district.

To our Committee: I thank you for your intelligent thoughtful management of the Club.

Our members and supporters have continued their vocal support of the player group, and were rewarded with 4 teams in finals, and of course a Premiership. The players and committee thank you for your unwavering support.

Our Club Family have always supported each other, and this season was no different. I want to again thank all of you for the care you show each other. Celebrating success is normal and expected, but putting your hand up to assist and support your Club family members is the real measurement of character. You continue to excel at that.

This is my final Annual Report as your President. It has been an honour and a privilege for me to be your President for the past 10 years.

There have been many successes and many challenges, but throughout that time you have never wavered in your support for your Management Committee and in your support for me. I'm going nowhere, and will remain on the Committee until they decide they have had enough of me.

I have received far more from this Club than I could ever give, and I thank you all for that.

My final thank you is always reserved for my wife, Deb. She has steadfastly supported both me and the players she loves, and of course she still produces the best lunch rolls in cricket.

I'll see you at the cricket!

## Sponsorship

Sponsors are the lifeblood of our club. We are fortunate to have many loyal sponsors who have supported our club over many years, as well as new sponsors and advertisers who have come on board in recent seasons. We would particularly like to welcome Guildford Garden Machinery, who came on board this year.

The broad range of business is reflected in the advertisements in this Annual Report. We ask all members, players and their families from both our Senior and Junior ranks to support them where possible. Don't forget to mention your connection with the Club when you make contact with them!

We would also like to thank our Patron, Neil Oliver, who once again hosted our Sponsors Lunch at Parliament House, which has been a unique feature of our Sponsorship programme for over 30 years.

## Coach's Report

As I have mentioned many times, our number one objective is to facilitate an environment where the players learn, improve, and enjoy the game

of cricket, as I believe this is the foundation of a good culture. I certainly feel over the past few years that as a club we have come a long way, and it is no coincidence that we are seeing improved performances on the field.

This year, we finished fourth in the club championship, and only a game or so from top spot, which is an indication of our continued improvement across all grades.

It was pleasing to see 9 of our under 17's play senior cricket, with most of them playing for the majority of the season. We also had Ryleigh Cameron make his 1<sup>st</sup> Grade debut and young Jake Egan, a 14-year-old, play most of the second half of the season in 3<sup>rd</sup> Grade as well.

This year the 1<sup>st</sup> Grade side continued their improvement up the ladder, and they just missed out on finals. However, they did make the semi-finals of the one-day format, where I thought the highlight was a classy innings by Lane Berry in only his second 1<sup>st</sup> Grade game.

Our bowling continues to be a strength. Jonty Wilde continues to be the backbone; Ash Jeffrey had an outstanding year and is starting to deliver on his potential, and it was also pleasing to see Steve Tompsett return to the crease after many years being out with shoulder injuries. This year we had a good spread of players scoring runs. I thought this year was a break out year for Tim Smithies, who through hard work and determination is developing into a very good 1<sup>st</sup> Grade player. Jake Lewis was also another that found a new level and consistency.

I would like to thank Liam O'Connor for his leadership both on and off the field, and also congratulate him on his Big Bash success this year.

I would also like to thank Mitch Todd as well who took over as captain during Liam's absence.

2<sup>nd</sup> Grade had an outstanding year winning the premiership. They have been a very good side over the past couple of years and was great to see them win the flag. Ross Loiacono showed how good a talent he is and Steve Tompsett, who I have already mentioned, was outstanding and a true competitor.

A special mention for Rhys Hampson, who by his own admission did not have the greatest year, but in a testament to his character and hard work stood up and delivered in the big moment.

Although 11 players came away with the medal, I do believe it was a club premiership. It takes everyone across the club to get there and win the last game of the year, whether it be games played throughout the season, commitment to training, or helping each other get the best out of themselves and their mates.

Thanks to Jarrad and Grant for their leadership; I know it meant a lot for these two to come away with a premiership.

3<sup>rd</sup> Grade also made finals this year, which I believe was an outstanding effort considering the number of injuries and disruptions with players coming in and out of the side across the year. Although they were not able to make it all the way, there were many positives. Cameron Todd had an outstanding year averaging over 50; Christian Lee certainly developed as a young, up-and-coming bowler; and Matt Dower did well with both bat and ball.

Thanks to Andrew Guthrie and Bryce Jeffrey for stepping up during Ben's absence as captain, and to Ben who has announced his retirement. I have known Ben for a long time and he is certainly a passionate person who is very loyal to the club and, most importantly, to his teammates. I do thank you for your support and wish you all the best. We look forward to having you around the club.

Our 4<sup>th</sup> Grade side made it through to the semi-finals and were very close to making it through to the Grand Final. This was an outstanding effort considering the position they were in mid-way through the season.

Even though they got knocked out they did not lose the game, which for some would not make sense, but shows how close they were this year. For me the highlight was the final series, with Brad Gartrell making back to back hundreds and also Nick Merrin who, after not being selected in last year's finals, stood up and was outstanding.

Thanks to Shannon Weston for his captaincy. Shannon is an outstanding person and very committed to his team. I am sure he could have taken a heap more wickets himself but for him it was always about the bigger picture and ensuring that his team mates had opportunities to grow and develop.

To the players, I certainly cannot speak highly enough about the players at Baysie. They certainly make it an enjoyable place to be. As mentioned numerous times, I believe if they stick together, continue to enjoy the game, and work hard then the future looks very bright.

I certainly could not do the job without the support and help of Craig Hampson and Brendon Power; these two guys are simply amazing. As busy men with work and family the amount of work they do around the club and the rapport they have with the players is simply brilliant. On behalf of the players and myself, I cannot thank you enough.

This year Don Weir joined the coaching team to help with bowling and, most importantly, fielding. Don comes with a vast wealth of knowledge and expertise and was fantastic to see the impact that Don had across the year, and the way the players spoke of him was outstanding.

To Bruce Reid, Tim Brookes, Tim Heal and Michael Thistle: thank you for your assistance and support during pre-season and throughout the year.

Our great net captain, Yakka, certainly has of the more thankless jobs, and one that is hard to please everyone. I really appreciate your support and input, and trust that we will see you next year.

To our scorers, Bev, Rowdy, Carl, Hammo and BP, a massive thank you from myself and the players. There would not be to many clubs that have scorers for each grade.

It is just another example of the Baysie culture and how lucky our players are to have an environment where they simply rock up and play the game.

To Howsie, thanks again for your support and time as Chairman of selectors; it is certainly not the easiest job, particularly when it comes to finals. It is a role that is impossible to please everyone and attracts many different opinions and suggestions.

To Tim Heal and his team, thanks for your tireless work in producing fantastic wickets both for training and game days and congratulations on your award for most improved wicket.

Thanks to all our supporters. The support is amazing and nothing showed as much as the 2<sup>nd</sup> Grade final, in which we would have had well over 50 supporters at the game, which was in significant contrast to the opposition. Your ongoing support means so much to the club. I would also like to specifically thank Ed. He is one amazing character who has supported the club for some 50 or 60 years now, no matter where the game is played Ed is there from the first ball to the last ball.

I would like to take this opportunity in congratulating Geoff for the unbelievable amount of work that he has done. Not just for Baysie, but also for the wider cricketing community. Geoff's commitment to the club and most importantly player development has been extensive and leaves big shoes to fill.

I would also like to thank Deb, not only for her support of Geoff, but also for the amount of work that she did behind the scenes in making the club a better place for all.

To the Committee, thanks for your support. I certainly had question marks around continuing, as I was unsure if it was time for a change, but with your support and the backing of the players I am looking forward 2018/19.

### Lawrence Medal

Tim Smithies established himself as a 1<sup>st</sup> Grade player in 2017/18, winning the prestigious Lawrence Medal as the best player in our 1<sup>st</sup> Grade side across the season.

It was a tight race for the award, with Tim polling in the last round to edge ahead of Ash Jeffrey and English import Olly Stone by one vote.

In a very consistent year Tim scored 466 runs, playing as an opener for the most part. This included a maiden 1<sup>st</sup> Grade century against University in round 5. Tim is an extremely hard worker who has worked his way through the junior ranks and lower grades to be a deserving and popular winner.

### John Moore Medal

After a disrupted start to the season due to work commitments, starting the season in 4<sup>th</sup> Grade, Ross Loiacono had an outstanding season to take out the John Moore Medal.

Ross played in all four grades during the season, scoring 550 runs and taking 36 wickets, including taking out the 2<sup>nd</sup> Grade batting award with an average of over 50 and going to play in the 2<sup>nd</sup> Grade premiership side.

In a promising sign for the club, 15 year old Jake Egan finished in equal 4<sup>th</sup> place after playing the majority of the season in 3<sup>rd</sup> and 4<sup>th</sup> Grades.

### Jon DeCelis Player's Medal

The Jon DeCelis Player's Medal is as a peer voted award to recognise commitment and effort both on and off the field. Named in the memory of Jon DeCelis, one of Jon's greatest cricketing mates Brendan Criddle presented the Medal this year to Tim Smithies.

Tim was recognised by his peers for his strong work ethic and determination to succeed, and it was the second year running that the winner of the Lawrence Medal also took out the Player's Medal.

### Orbit Drilling Performance of the Year Award

Long-time club sponsor and supporter Marty Smith was again on hand to present Ross Loiacono with the performance of the year award.

In a match winning performance in Round 12 versus Scarborough, Ross scored 101 in the first innings. In Scarborough's reply Ross took 2 early wickets to put them on the back foot, before finishing with 4 for 53 in what was a brilliant all round performance.

### Certificate of Merit

The Committee of Management, in its infinite wisdom, used its constitutional discretion to bestow the prestigious Certificate of Meritorious Service upon Justin Cantrill.

After starting his playing career at Mt Lawley, Justin joined Bayswater Morley for the 1998/99 season, playing in the memorable 1<sup>st</sup> Grade Premiership in his first season with the club. He went on to play 94 1<sup>st</sup> Grade games, scoring over 3000 runs, before finishing his playing days with a few seasons in 2<sup>nd</sup> Grade, including a season as Captain.

After living in the UK for a number of years growing his business, Justin returned to Hillcrest as Club Coach for the start of the 2015/16 season. The club's performances have continued to improve during Justin's 3 years as coach, and we recognise him for his past and continuing service.

### Life Membership

At the Club's Annual General Meeting in July 2017, Neil Oliver was nominated for Life Membership of the Club. As tradition would have it, where our most recently elevated Life Member presents the life membership to the incoming recipient, Ben Hall made the presentation at a luncheon during the season.

Neil was member of the Parliament of Western Australia in the Legislative Council from 1977 to 1989, and has been our Club's Patron since 1981.

During his 37 year association with the Club in this role Neil has been a tremendous supporter both on and off the field. He made a vital contribution to initiating our successful sponsorship programme in the early 1980's, which was an essential development at a time when the club was not doing so well off the field. Neil continues to support the Bears at Hillcrest and host our annual Sponsorship Lunch at Parliament House that was mentioned earlier in the Report.

We thank Neil for his long and prosperous relationship with our Club, and recognise him as our newest Life Member.

## Club news

### Geoff steps down as President

At our Annual Presentation Dinner, Geoff Parkinson announced that he would not be standing for President for the coming season, and therefore ending his 10 year tenure as our longest serving Club President.

The range of leadership, administration and coordination that Geoff performs is too long to list, but needless to say his dedication and time commitment to our club has been immense. Geoff was made a Life Member of our Club in 2012, has been awarded the Ray Robinson Club Person of the Year award on two occasions, and was also recognised as the WACA Club Administrator of the Year in 2012/13.

In addition to his leading role within the Senior Club, Geoff is a major driving force behind Junior Cricket, from Community level right through to State level boards and working committees.

Geoff will be continuing on the Management Committee as Director of Youth Cricket, so we will be fortunate to still benefit from his expertise and experience.

Of course, Geoff could not have given what he has to the Club without the support of his wife Deb, who has been a fine club person in her own right. We are also happy that Deb will be continuing with the preparation of our lunch rolls, undoubtedly the best in WA Premier Cricket!

We thank both Geoff and Deb for their significant and ongoing contribution to our club.

### Liam's Big Bash!

Club captain Liam O'Connor got to experience elite cricket success this season as part of the victorious Adelaide Strikers side in BBL07.

Liam is a home-grown product, having come to Baysie from the Ballajura juniors and representing our club through all the junior representative age groups. Liam made his 1<sup>st</sup> Grade debut in the 2010/11 season and has played 78 1<sup>st</sup> Grade games.

In his second season with the Strikers, Liam stepped up in his maiden match of the summer against the Hobart Hurricanes in the Final and bowled beautifully. Played in front of over 50,000 people at the Adelaide Oval, Liam was able to restrict the Hurricanes scoring rate after a fast start and his bowling spell went a long way towards helping the Strikers secure the title. He has since signed on with Adelaide for the next two seasons.

Everyone at the club was extremely proud and happy for Liam and his family, and his success serves as a great example for up-and-coming Bears.

The 1<sup>st</sup> Grade side finished 7<sup>th</sup> in 2017/2018, reflecting a continued improvement in performance.

Whilst it was disappointing to finish one win away from playing in our first finals series in 7 years, it reinforces that there is a window of opportunity for the team to play finals and that should be all the motivation we need as we prepare for the season ahead

The team made the One Day finals, after some strong one-day form displayed throughout the year. It is a good sign for the future of the club, and whilst we went down to eventual premiers Claremont in the semi-final, the experience will hold us in good stead.

Not playing in the 2-day finals was a disappointment, however, we have gained much by providing valuable experience to a young squad and there were many team and individual highlights that deserve to be mentioned.

As a team, we recorded convincing wins against both top ranked sides - eventual premiers Claremont and finals contender South Perth.

We also put together our most complete team performance by the 1<sup>st</sup> Grade side in some years, when we convincingly beat eventual 5<sup>th</sup> placed side Melville outright in the second last game of the year. We bowled Melville out twice, with an even spread of wicket takers and lost only 2 wickets over both batting innings.

It was a great achievement for the club this year to see two local players earn their 1<sup>st</sup> Grade club debuts; Travis Keys and 17s keeper Ryleigh Cameron, along with overseas import Olly Stone who represented the club for the first time. Olly, who represents Warwickshire at county level in the UK, was a terrific addition on and off the field this season, and benefited personally from his time spent in Australia, taking 8 wickets in his maiden game for Warwickshire. It would be great to see Olly back in Bears colours for the upcoming season as we push towards a finals tilt in 2018/19.

Some impressive form in the 2s resulted in Steve Tompsett's return to the 1<sup>st</sup> Grade side, after several years with injury problems.

Steve deserves praise for his work ethic and the commitment he has shown to progress from where he was at the start of the pre-season to becoming a more than handy member of our 1<sup>st</sup> Grade bowling attack. In addition, he helped lead the 2's to a premiership off the back of an impressive bowling performance.

From a batting perspective this year, the rise of Tim Smithies as a quality 1<sup>st</sup> Grade opener was an impressive highlight. Tim deserves high praise as he has shown significant improvement in his game over the past few years and his performances demonstrate his potential to become an elite opener batsmen in the competition. Tim averaged 35.85, which is impressive as an opener in his first full season; and his 105 in round 5 against University was a fantastic personal milestone.

Our batting group demonstrated greater consistency which is an encouraging sign for the future, with Tim (35.85), Jake Lewis (33.31), Mitchell Todd (31.46) and Olly Stone (32.33), all averaging in the 30s and having good seasons. Some late form shown by Aaron Todd, who post-Christmas averaged in the mid-30s, was another positive.

The batting group are showing improved levels of maturity, composure and confidence, which is reflected in the statistics. We are building a solid foundation and should expect further improvement in the upcoming season.

Our 1<sup>st</sup> Grade bowling was once again a strong aspect of the team, and their combined efforts were significant in the team's improved performance this year. The youth and balance of our attack provides a variety of pace and options, and the boys rarely let us down. In particular our opening bowling pair, Jonty Wilde and Ash Jeffery, have had fantastic seasons with the ball. Jonty continues to establish himself as not only a quality fast bowler, but a quality leader amongst the young fast bowling group. He performed well, taking 28 wickets at an average of 18.61.

Ash, Jonty's partner in attack, also deserves plenty of praise for his improved efforts during the off season and resilience to return after injury troubles had kept him out over the past few years. Ash took 29 wickets at an average of 16.41 to round out a breakout year for himself personally; leading to an opportunity for him to train with the WA State squad at the end of the year.

The 1<sup>st</sup> Grade side, and the entire club, continues to improve and progress under the guidance of our club coach and mentor, Justin Cantrill. Our highest ladder finish for several years and a one-day finals appearance is testimony to the direction of the club and the development of the players.

The message is clear to all players at the club, let's take the opportunities that are before us and be hungry for team success. We need to challenge ourselves personally and strive for greater consistency in our performances.

We have worked hard in the past few years, and it is good to experience the reward that comes from that effort. For all of us at the club, the 2<sup>nd</sup> Grade flag illustrated what we all want to achieve as cricketers, and that is to play in a winning grand final team.

The playing group has gone from strength to strength in the last few years, no longer are we talking about rebuild and our potential, now it is the time for us to play for our mates and win more premierships for the Bears!

It was once again a pleasure to captain the side and I thank the coaching staff in Justin, Craig, BP and Don for their continued support of me, and of all the players. We would not be where we are today, without their commitment and contributions, which make it easy on the players to focus on what they do best - which is train and play! I hope to see everyone down at the club this season, whether it be playing or supporting!

*Front Row (L - R) Travis Keys, Daniel Del Prete, Jarrad Daniells, Grant Thistle, Fraser Thompson, Cameron Todd*

I would like to start by thanking Geoff and the Committee, and also everyone that contributes that is not an official committee member. Without the work you do behind the scenes we wouldn't be able to turn up and play on the weekend. The club has always been strong and it is great to see the long standing traditions that have gone before us continue.

To Justin and the other coaches, thank you for all your hard work and commitment to improving us as both players and people. We appreciate all the hard work you do to keep the boys engaged and motivated through challenging training scenarios and trying to best replicate game situations. The club's on field performances certainly reflected that you are having a significant impact on the group with all teams doing well this season.

This season was always about redemption and to make amends for being bundled out in straight sets last season. We used the hurt and disappointment to drive us this year, and credit to the boys for their application and dedication throughout the season.

I was surrounded by some great players and people, and they made my job much easier and the season more enjoyable for everyone.

Grant Thistle & I come as a package. We both co-captain the side and, while I seem to get all the administrative duties, it works perfectly. Grant is a huge part of this club and plays a vital role in helping the side build a hard edge and demanding accountability.

Special mentions to Ryan 'Rick' Ross, Daniel Del Prete and Rossco for their assistance this year and sorry for anyone I have missed.

I would also like to thank the players that come to us from the 1<sup>st</sup> Grade at various stages this year for their fantastic attitude. They showed why they have played 1<sup>st</sup> Grade and demonstrated an appetite to regain their place in that side.

Whilst we didn't have too many players score hundreds or take 5 wicket hauls there were many games where we had significant contributions.

### 5 Wickets in Innings

- Jarrad Daniells 5/16 round 3 vs Willetton
- Ryan Ross 5/28 in round 14 vs Melville
- Steve Tompsett 6/53 in Preliminary Final vs Mount Lawley
- Ross Loiacono 6/56 in Grand Final vs Melville

### 100's

- Manuel Hunwick 112 in round 7 vs Mount Lawley
- Ross Loiacono 101 in round 12 vs Scarborough

### Some notable mentions go to:

- Grant Thistle – 4/22 in round 1 vs Rockingham Mandurah
- Fraser Thompson – 75 in round 2 vs South Perth
- Grant Thistle 67\* in round 3 vs Willetton
- Manuel Hunwick 93 & Jarrad Daniells 50 in round 4 vs Midland Guildford
- Ross Loiacono 97 & 4/39 in round 5 vs University
- Josh Fontana 87 & Callum O'Connor 4/75 in round 6 vs Joondalup
- Ross Loiacono 66 in round 7 vs Mount Lawley
- Ryan Ross 74, Lane Berry 73 & Grant Thistle 4/42 in round 8 vs Subiaco Floreat
- Aaron Todd 88 in round 9 vs Fremantle
- Ross Loiacono 61 in round 11 vs Gosnells
- Grant Thistle 77 in round 12 vs Scarborough
- Lane Berry 67 & Ryan Ross 51 in round 13 vs Perth
- Daniel Del Prete 4/28 in round 15 vs Wanneroo
- Steve Tompsett 4/64 in Semi Final vs Perth
- Ross Loiacono 77\* & Callum O'Connor 46 in Preliminary Final vs Mount Lawley
- Rhys Hampson 94 in Grand Final vs Melville

We won the flag and we celebrated accordingly. Steve Tompsett and Ross Loiacono showed they are quality players by dominating the finals series. Calzone will be forever hailed for his role in the Preliminary Final where he made 46 batted as a nightwatchmen, it was simply outstanding.

I would like to make a special mention to Rhys Hampson, who stood tall in the GF with 94. Rhys didn't have the season he would have been hoping for but to his credit he worked extremely hard and continued to be the great person he is. He was deservedly rewarded with this success.

I would also like to thank BP & Hammo for all the work with the team and the club this year. They are just wonderful people and I make a point of making sure the boys are reminded every week just how lucky we are to have them around. We are all better people for knowing you.

Thanks to Rowdy for scoring again this year and we hope you are back at the club again next season.

I believe Shannon Weston is retiring from playing, and if this is the case I wish him all the very best. He is a great man with the club's best interests at heart, all the best mate!

Lastly, I would like to express my gratitude to Geoff as the outgoing president. You have done a great job Geoff, and we wouldn't be where we are today without your passion and commitment. You do so much work behind the scenes and I really hope the boys don't forget everything you have done. You hand over the role knowing you have given us everything you could and we appreciate this a lot.

## 3<sup>rd</sup> Grade Report

*Pictured: Back Row (L - R) Kevin Carlson, Jeff Willey, Thomas Hunt, Matthew Dower, Caleb Waller, Christian Lee, Craig Hampson (Assistant Coach)*

The 3<sup>rd</sup> Grade season was one that presented the team (and the club) with many challenges that the boys faced head on.

From playing 32 players and having 5 different captains, the boys simply accepted the challenges adapted and still made finals. Whilst we would have loved to have won a premiership, the character and personal growth of everyone that played in the team was exceptional.

The highlight for me was actually the semi-final that we lost. It may seem strange that a highlight was a loss, especially to those outside of our club. But what I witnessed over the two days showed me (and I am sure the many supporters who came down and watched) that our club oozes spirit, toughness, courage (to win) and most importantly a camaraderie and togetherness.

These traits will take these boys a long way, not just on the cricket field, but in their personal endeavours as well.

We started day two 150 runs behind Wanneroo on the first innings with 3 wickets in hand. After an early wicket we declared, still some 148 runs behind. It was easy to give up, shake hands and say we had a good year but that isn't what we stand for, that's not Bears culture!

The bowlers then went to work and we bowled Wanneroo out for 102. Needing a mammoth 250 runs to win, we were eventually bowled out for 210. Whilst we fell 40 runs short, we had earned the respect of our opponent and their supporters.

I was so proud to know that I was leading a team of great characters, and we should never forget that gaining someone's respect is a significant achievement. Boys, I hope that game showed that no matter the situation, never give up and play to the very end.

There were many personal highlights throughout the year.

Watching the continued evolution of Fraser Thompson and Rick Ross (ave. 79.50 & 61.33 for us) with both being rewarded with a 2<sup>nd</sup> Grade premiership was a highlight.

Congratulations to the entire 2<sup>nd</sup> Grade team, well done!

Matthew Dower had a great year and was rewarded for attitude and work ethic. His 96 against South Perth was outstanding. Matthew also showed that he is more than handy with the ball, claiming 15 wickets for the year.

The club uncovered some supremely talented young batsmen. This group was led by Cameron Todd. Cameron had an amazing season scoring 424 runs at an excellent average of 53. Cameron also scored his maiden grade hundred.

The sky's the limit for Cameron, and I expect him to aim for the stars! The other young guns included Connor Dimech, Reece Abrams and Josh Fontana. These boys all made big runs when needed and their future should be in higher grades.

A special mention to a 14 year old guy who made heads turn. Jake Egan has serious talent but more importantly is a great kid. Jake averaged 39.20 and higher honours await. You are a credit to your family, Jake.

Our bowling attack was again led by Bryce Jeffery with another 22 wickets at 16.82. Bryce looks to have found a partner in crime in Christian "Choco" Lee. This was a breakout year for Christian who took 19 wickets at 11.16 and also debuted in the 2s.

Just as the batting group had some young tyros so too did bowling unit. The emergence of Caleb Waller, Jeff Willey and Liam Rose is exciting for the club as was the continued improvement of Kevin Carlson and the return from injury by everyone's favourite, Tom Hunt.

A special mention for our 2 youngest bowlers in Cody Hoffmeister and Lachlan Dique. Both boys showed they have the talent to push their way through the grades. Big pre-seasons await!

I would like to make a special mention of our wicket keeper, Andrew Brigden-Guthrie. 'Guthers' stepped into the captaincy breach after my injury and did an amazing job through trying personal circumstances. Thank you so much, from me personally and team!

In closing, I would like to thank Bryce, Steve Smith and Daniel Howes for captaining the team throughout the year in my absence.

I would also like to thank the committee for allowing me the privilege to captain a wonderful group of young men.

Further I would like to congratulate Geoff Parkinson on his outstanding contribution to our great club throughout his 10 years as club president. Thanks Geoff.

From all of the boys, we would like to thank Justin for his leadership and his continued support and encouragement to us all. We are in great hands with you at the helm Justin.

And finally, to a man that I have so much admiration for, Craig Hampson. I would like to thank Craig for his support throughout the year. Craig was 3<sup>rd</sup> Grade manager but was so much more than that from pre-game warm-ups to scoring and chief lolly supplier! Thanks Craig. Please give your beautiful wife a big hug and thank her from all of us for allowing you to give us so much of your time.

Our club is perfectly placed for sustained success. Talented and committed. Our time is now.

Cricket is a game of moments.

The small moments in every encounter that then stick in the mind for the rest of your life. A shot, a delivery, a catch, a throw, that sliding stop. The exhaustion at the end of the day when having taken your body and your will to new and absurd places - you collapse and wonder how you can be so tired?

The 2017-18 4<sup>th</sup> Grade season was exhausting but one of the most enjoyable years I've had in a long time. The team improved on the previous season and won our first final against eventual premiers South Perth. But, despite dominating the match, were knocked out by a draw in the Preliminary final.

I took over the captaincy in Round 5 versus University. It was a wet day, and you might say the wicket was a little green. I looked at my young side, most just old enough to vote. I remember thinking to myself, if we're going to win finals, we need to learn how to bat our overs regardless of the circumstances.

I told the boys exactly this, to which I received a few confused looks. We were soon 4 for 10, it was doing a bit... Needless to say I was a little nervous about the decision to bat but thanks to Kevin Carlson (67) and a wagging of the tail, we batted our overs and eventually won the match on the last ball of the day the following week. It was a great win and a season defining moment.

Another important moment came just before the Christmas break, playing Fremantle in a one-day game. After a bad loss in the previous match, we desperately needed a win to keep in touch with the top six.

Batting first, we lost steady wickets until the ninth wicket put on 40 runs in quick time to post a defendable 185. When Fremantle got off to a flyer it was looking shaky, but the experienced heads of Bradley Gartrell and Daniel Howes bowled brilliant spells in tandem, each taking three wickets, and we skittled the home team for 131.

It was at this moment that I realised the importance of balancing the young talent with experience is crucial to winning games under pressure.

The outstanding contributions of the young majority of the team mixed with the experience and wisdom of a few older heads saw us go on to win the next five games in a row and to qualify for finals.

The moments that dominated the finals came largely from Brad Gartrell's bat. He peeled off two clutch centuries facing a combined 432 deliveries over the two games. Superb batting 'Garty', those innings were a pleasure to watch.

The most important thing for me about these two knocks was that the young batsmen in the side got to witness the toughness, patience and hard-work required to play such an innings.

We have so many great young people at the club right now. All the young players showed something and stood up at times throughout the year.

I get so much joy out of seeing them develop and improve. Thanks for all your effort and hard work: Reece, Christian, Liam, Kevin, Ross, Shasa, Caleb and Jake.

Some special mentions, thanks for your contributions:

- Timon Peters, a laconic and classy batsman. He hits the ball as hard as anyone, great attitude and good cricket brain.
- A young man named Billy Boyd showed leadership, character, and a will to win that isn't common in a young players.
- Nick Merrin just works so hard on his game and is able to bat long periods. Always does whatever is asked of him.
- Throughout the year there was one constant support and I'd like to thank our team manager, scorer and assistant coach Brendon Power.

It's actually hard to put into words how amazing this bloke is. He can do anything, he's always positive, never has a bad word to say about anyone. Thanks for all the time you put into the 4<sup>th</sup> Grade this year BP.

From a club perspective: The 2017-2018 season was still improvement on the previous year with the three lower grades making finals again, with the second grade taking home the flag.

Congratulations to skipper Jarrad Daniels and his team, I couldn't be happier for you, well deserved! It is a massive reward for everyone at the club to bring home a premiership.

It reinforces the hard work that has been done over the last few years. It shows us that we are on the right track and that there will be plenty of good moments at Hillcrest in the near future.

This season we dominated the competition, losing just one game during the regular season, however unfortunately we were not able to make it to the Grand Final after stumbling during the Finals series. Firstly losing to Gosnells in the semi-final, albeit in the meaningless 1<sup>st</sup> vs 6<sup>th</sup> match, and then being bundled out by Melville in the Preliminary Final after being bowled out chasing 131 for a place in the Grand Final. This was a disappointing way to end a season that had been set up for such a good chance to win the flag.

The season was notable for some dominant team and individual performances. With the bat Lane Berry and Ryleigh Cameron both scored over 500 runs. Lane led won the batting average for the competition making 521 at 74 with 3 centuries, with Ryleigh making 515 at 64. Ryleigh and Lane also missed several games which could have further increased their totals due to being selected in 1<sup>st</sup> and 2<sup>nd</sup> grade matches which is an excellent achievement for them. They were well supported by Cameron Todd with 436 runs. Cameron also went on to play some 2<sup>nd</sup> grade games during the season so missed also some matches. Connor Dimech and Timon Peters also provided valuable support with the bat during the season.

From a team perspective we amassed some large scores, with the highlight being 8 for 380 in 60 overs vs South Perth with Ryleigh making a huge 188. There were also 3 other scores over 250 which doesn't often happen in 17s cricket.

With the ball Lachie Dique had a standout year winning the competitions bowling average and aggregate, taking 37 wickets at the brilliant average of 8.19. Jarrad Agnew also had an excellent season

taking 25 wickets at 13. Two relatively new players to the club in Cody Hoffmeister and Jack Wasley took 19 and 13 wickets respectively, both bowling with really good pace at times particularly for guys of their age. Whilst the batting numbers might give the impression that it was the strongest part of the game, we also bowled really well and also won many games on the strength of our bowling performances

In total we had 7 players play senior cricket during the year which disrupted the side at times, and along with some player unavailability we were challenged with numbers at times. Thanks to Connor Gibson, Jayden Cappeau, Addan Peters, Jake Egan and Elijah Ward-Armstrong who played up in the 17s during the season and showed some promise, and this experience will be good for them. I would like to mention Elijah specifically who bowled well picking up 11 wickets which was a great result for a 14-year-old.

We also had good support off the field with my brother Mitchell being assistant coach again, and my dad Chris also helping out. I would like to thank Dave Dique for scoring for most of the season, and also to all the parents who helped out with the morning teas and other jobs that need to be done.

Whilst it was a disappointing end to the season, there was still a lot to be proud of. Most of the side will graduate full time to Seniors next season which will create some more opportunities for the players coming through.

I have really enjoyed my two years with the group and I wish everyone all the best with their cricket in the future.

The 15's ladder position of 8<sup>th</sup> - with 6 wins, 6 losses and 1 draw - was a good indication of our season: performing well against the lower sides but not able to match the top teams.

Our goals for the season were: Bat out all available overs (8 times from 13 games), take 10 wickets (3 from 12) and win the game (6 from 13).

Reflecting on these gave us a better indication that the squad was developing well in some areas (batting), and more improvement was required in others (bowling). We did see individual and team development, areas that Bayswater Morley holds very high in importance.

Some highlights of the season were:

- Round 2 v South Perth - dismissing them for 99 runs in 38 overs. Julian Zorich (Leg Spin) taking 4/8 off 10 overs.
- Round 11 v Perth - making 281 with the bat, Jake Egan making a fine 105 from 73 balls and Connor Gibson 57 from 54 balls. Jake Egan also producing 3/29 with his Off Spin.
- Round 12 v Melville - making 241 when chasing down 203. Jake Egan 66 and Connor Gibson 44 backing up their round 11 efforts, and with Alex Baxter 26\* and Jake Jerkins 36\* producing a match winning 9<sup>th</sup> wicket partnership of 67.

As with all seasons, reflections on lost opportunities are always there, and could have seen the players be involved in season finals if these were taken. Round 2 vs South Perth, after dismissing them for 99 from 38 overs with the second week washed out, and losing by 1 run in Round 3 vs Centurions were a couple of examples.

Several of the players performed exceptionally well over the season, with some outstanding performances with both bat and ball receiving club awards.

Batting Award was taken out by Jake Egan with 404 runs (36.7). This consisted of 2 very fine centuries: 100 vs Rockingham Mandurah in Round 1 and 105 vs Perth. Jake was rewarded for his efforts with Senior selection in 4<sup>th</sup> Grade, appearing in 9 matches with 268 runs, including a preliminary final, and 5 matches in 3<sup>rd</sup> Grade with 196 runs including a semi-final. Jake was also 6<sup>th</sup> in the District batting and 3<sup>rd</sup> in BMDCC Club seasons batting (all grades) with a season total of 917 runs.

Bowling Award was won by Jayden Cappeau with 27 wkts (15.04) in a very consistent season, highlighted with finishing 1<sup>st</sup> in the District Bowling and 4<sup>th</sup> in BMDCC Club Bowling. Jayden was also rewarded with selection in the 17's finals campaign, playing in both semi and preliminary finals. On both occasions he performed well, with the ball taking 3 wickets. Jayden also performed well over the season, with the bat scoring 182 runs and taking up the openers role on most occasions.

Justin Prestegar received the Coaches Award this year. His great attitude, work ethic and team spirit were evident over the season and regarded very highly at our club. Justin, known as a bowler in previous seasons, took on the challenge as one of our opening batsman.

He performed very well, scoring 152 runs, highlighted by two 50 run opening stands - 67 runs (Will Baxter) vs Mount Lawley and 66 (Jayden Cappeau) vs Perth. Building on a sound defence, Justin also developed his shot play over the season and is a well deserving winner of this award.

I would like to once again take this opportunity in thanking the club and committee members for their support and trust over the season. I would also like to thank Rod Evans for always being available to offer his support and insight.

I would particularly like to thank Ian Lilley for being my Assistant Coach this season.

His work with players over the season on batting techniques and game awareness, along with his assistance on game days, has been most valuable to player development and appreciated by all.

Thanks to Rachel Cappeau for taking on the role as Team Manager and making the season and especially game day run so smoothly. Rachel's organisation skills were most evident in our morning tea breaks. Also to all the parents who helped on game day with setting up, scoring and morning teas, but most importantly coming along to support your sons and our club.

Expectations were laid down at the outset of the season, with a focus on development, and all players promised opportunity. We looked to reward players who performed well, but if they did not succeed, we encouraged a positive attitude and to know that further opportunities would arise.

Our season started in good fashion with a 9 run win over against Subiaco Floreat in Round 1, and then a 71 run win against Centurions in Round 2. We lost our third game against Wanneroo where we lost five wickets cheaply and then limped home to be all out for 113. It wasn't the loss that was disappointing but the manner in which we lost.

The following game was the opposite and showed the team had learned valuable lessons from the previous game. Chasing Mt Lawley's 167 we had fallen to 8 for 100 before a ninth wicket partnership of 55 gave us a chance, with the last pair getting us home for a memorable win.

The game against Midland-Guildford saw another loss but gave some valuable lessons to the players. Midland Guildford made over 200 runs batting first as we weren't able to execute our game plan. In reply we weren't able to force the pace and fell short by 28 runs. Chad Vulich batted well for a second straight game scoring 61. Colin Gault batted well to score 83 from 118 balls, with his innings being notable for despatching one ball clean into the river.

The round six game saw us travel play undefeated Scarborough whose lowest score was 230, and no side having managed to score more than 140 against them. We batted first and made a competitive score of 164. Colin Gault again batted well making 86 from 80 balls, but weren't able to take advantage of Colin's dominance and should have made another 30 runs.

We bowled extremely well at the start and had Scarborough 8 for 119, before some fielding lapses saw them get back in the game and win 9 down. Despite the result it was a great effort against the top side.

We played Joondalup in the last qualifying game and posted a competitive score of 164, but Joondalup made 177 to beat us at the death after having them in trouble at 3 for 13.. The result left us in fourth spot for the North Group and in the playoff for 5<sup>th</sup> through 8<sup>th</sup> position.

We played Claremont Nedlands who finished in third spot in the South Group. We compiled a competitive score of 5 for 172, and probably could have made more runs but we failed to turn the strike over enough, but were able to restrict them to 164 to win. We finished the season against playing Rockingham at Warnbro for fifth spot. We batted first and made 164 all out. Colin Gault made 90, but with 20 overs still remaining we did not capitalise on his innings. We did not bowl well as Rockingham put on 120 for the opening wicket to go on and win. A disappointing finish but not reflective of the effort put in by the players over the season. We ended up finishing sixth overall.

Thanks go to assistant coach Rohan Buckingham, bowling coach Brendan Criddle and manager Karen Phelps who all provided great support. Special thanks to Helen, Colin Gault's mother, and her daughter for scoring throughout the season.

I would also like to thank the players for their perseverance and efforts. I have particularly enjoyed this season and the interaction with this group of players. They are certainly close knit and I would hope they continue to play at Bayswater Morley and provide the club with future senior cricketers.

We had two players who played up at various times during the season in Elijah Ward Armstrong (17's) and Colin Gault (15's), and they both acquitted themselves very well with their efforts being greatly appreciated.

Due to personal reasons I am stepping down from coaching. While I love the game I am obligated to put my family first. I would like to thank the club for giving me the opportunity to coach. It is a privilege to be able to have an influence over young players and one that I have never taken lightly or for granted.

The 13s district cricket competition is somewhat more unpredictable than the other junior district competitions due to the need to develop the players, assist them in transiting from hard wickets to turf, and meeting their expectations.

With this in mind, our approach to the 2017/18 season was to prepare the boys for a future in the district cricket pathway through a series of different experiences in batting, bowling and fielding positions.

Our captains for the season were Angus Bloxham and Mitchell Williams, who both responded well to the responsibility and challenges of being a leader, while at the same time developing their own game.

We had some memorable performances throughout the year, including:

- A first round win against Subiaco Floreat and James Lindsay taking 3 for 9;
- Mitchell Williams making 98 against Centurions;
- Sean Hayes (4 for 12) and Zac Howes (3 for 17) against Wanneroo;
- Jack Saunders 3 for 7 against Mt Lawley;
- Mitchell Williams 64 against Scarborough;
- Blake Saaban against Fremantle; and
- Mitchell Williams 46 against Subiaco Floreat.

Mitchell Williams (Batting), Jack Saunders (Bowling) took the main individual awards for the year. The Coaches Award went to Zach Howes for displaying the qualities that captured the meaning of team first and the Club's spirit of cricket values.

It was pleasing overall to see all players contribute at various stages throughout the season.

*Front Row (L - R) Jack Saunders, William Cutler, Mitchell Williams, Vince Del Prete (Coach), Adam Pinelli, James Lindsay, Zach Howes*

*Absent: Mike Wilkie (Manager), Taj Jones, Sean Hayes, Cooper Ilich-King*

Congratulations also to Mitchell Williams and Jack Saunders for their selection in the WACA development program.

I would like to thank the players for their commitment throughout the season to training and games, and to parents who supported the boys and assisted the coaching staff on match days to ensure a positive experience for everyone.

A very special thanks to my assistant coaches in Daniel Del Prete, Barry Davis and Phil Greyson, Team Managers Daniel Pinelli and Mike Wilkie, and to Chris Williams for scoring most of the games. You guys made my life easier, much appreciated!!! A special thanks to Ryleigh Cameron for providing specialist keeping coaching to the team.

'Finally, thanks to both Rod Evans and Geoff Parkinson for your guidance during the season, and for providing me the opportunity to coach.

I sincerely hope the boys continue their cricket careers at Bayswater Morley and I look forward to seeing you on your journey. Remember, always enjoy the game!
